**Governor's Home**

Several years ago then-Gov. G. Mennen Williams suggested the state should have an executive mansion. Many states already provided a residence for their governor, he said.

He then proceeded to have a study drawn up to determine what a mansion should include. Serious thought and considerable time went into the Williams study. Included in the results were recommendations that it be near the Capitol, contain distinctively private as well as public areas, include a state dining-room for large groups and overnight accommodations for visiting dignitaries.

Not wanting to appear selfish in his motives, Williams shelved the study recommendations until after he announced in 1960 he would not seek another term.

He then brought it to the Legislature's attention but nothing was done with it. Austerity was too important at that time.

Constitutional Convention delegates in 1962 decided maybe the former Governor was right. Michigan should provide its chief executive with a home.

With a provision for a governor's mansion written into the new Constitution, the mandate went to the Legislature. Last year a committee studied what such a building should include.

Lo and behold, the recommendations presented to the Legislature this year are basically the same as those of the Williams study. But now, with the change in legislative power, some say further study will be required before any formal proposal is forthcoming.

No doubt, studies of proposed legislation of such lasting importance are required. It would appear, however, that the governor's mansion proposal, like a number of other matters, could be studied to death.

It is difficult to decide whether legislators have an innate ability or whether each group of lawmakers just wants to take full credit for accomplishments.

The mansion question seems to be one in which the lead of former Gov. Williams might have been followed with little or no complaint in later years.

**Tax Break**

One area of taxation is almost certainly for action in the current legislative session. This is the often-proposed tax relief for senior citizens.

Living on relatively low, fixed incomes, many thousands of Michigan citizens over 65 years old have drawn sympathy from both parties in recent years.

All agree these citizens have contributed to Michigan's growth and they deserve special consideration. Methods proposed to demonstrate this consideration varies.

Property taxes generally have been the target in the past, and again in bills presented this session, for senior citizens exemptions. Some propose eliminating property taxes to older landlords with low incomes.

Others would give tax relief on only part of the assessed value. Most plans have been proposed by Democrats.

Gov. George Romney proposed a method in 1963 but was rebuffed by Democrats, whose support he needed, because his plan called for deferment of property taxes rather than a full exemption. The deferred levies he proposed be paid from the person's estate after death.

## Uncle Lew from Lima Says:

**DEAR MISTER EDITOR:**

The fellows at the country store Saturday night was tuning up for the "Great Society" campaign that was getting underway in Washington any day now.

Most of them was fer' it, but some of them was lamenting a little we couldn't move into this new and better world and still have a few things that has proved so sound and solid in the old days.

Ed Doolittle, fer' instant, was telling how in the old days when a young couple was fixing to get married, they always called on the preacher in advance for advice. The preacher would sum up all the trials and tribulations they was liable to encounter, and in a heap of cases they decided not to get married. Ed claimed if we had that system today it would save many a divorce and a heap of broke homes.

Clem Webster allowed as how, under all this prosperity we was going to get in the "Great Society" we would never have another President from humble beginning. It was a pity, too, said Clem, on account of some of our greatest Presidents come from log cabins.

Zeke Grubb reported the "Great Society" movement had done started at his house. His old lady went to town Thursday and bought a new washing machine. She didn't know exact what it cost, all she knowed fer shore was that she didn't have to pay for all of it at one time. According to Zeke, this will be the theme song in the "Great Society." People ain't going to care what they have to pay for someone as long as it ain't all at one time.

Josh Clodhopper said he didn't have no hankering for the past,

### Three Expelled from High School After Attacking Patrol Boy

On Friday, Feb. 12, just before the buses left the school, three high school boys were riding in an old pick-up truck around the school grounds. They had been excused from a study hall at school to prepare for a homecoming assembly. They were more interested in the pickup truck and the driver than in the assembly.

At that same time three or four patrol boys had finished their duties of watching the crossings and were talking on the corner.

With maybe a dare from one or two of the patrol boys, the pickup stopped beside the patrol boys and one high schooler got out and proceeded to beat one patrol boy up and get a few punches in on two of the other patrol boys.

Evidently two of the high schoolers stayed in the truck and only offered moral support. Plans were reportedly the only thing used but a "knuckle" sandwich can be pretty hard to digest.

There was apparently no provocation for the attack—only a desire to do something a bit different on some "spare" time.

The police were on hand in short order to quiet things down and take care of all details. Meantime, the boys have been expelled from school until after the hearing at Juvenile Court.

### National FFA Week Points To Opportunities in Farming

This week is National FFA Week across the United States. This is a week set aside to reflect on the great work of youth organizations such as the FFA.

The FFA or Future Farmers of America was organized in 1928 and the Chelsea Chapter was chartered in 1935 to provide leadership and character development of its members. The organization was originally intended as an organization of, by, and for farm boys studying agriculture in high schools and preparing for a life's job as a farmer. Since that time the FFA has come to mean much more than farming. The organization has had a tremendous effect on the people engaged in agriculture. Today farmers represent only 7 percent of the population of the United States, but more than 40 percent of the working people are engaged in an agricultural occupation. The farmer today produces enough food and fiber for himself and 28 others and it takes seven people to every farmer to process, service, transport and market his produce.

Agriculture is expanding in every way except in the numbers of farmers. In 1870, there were 16 million farmers while in 1963 there are 14 million, but the total population has increased from 40 million to 190 million in this same period. At present, there is a shortage of trained people in every phase of agriculture, including farming. There are many fine opportunities in the non-farming phases of agriculture. There are jobs which service farmers, machinery and equipment, veterinarians, research, science, education, engineering, communication, and government. More than 500 different jobs await those young people with a farm background or interest in agriculture, with only about half enough graduates to fill the openings each year.

In nearly all walks of life, there are men in positions of outstanding leadership who have attributed a great deal of their success to early training gained in agriculture and through the Future Farmers of America.

If your son or daughter has farm background or interest in agriculture, the FFA and Gary Jackson, Chelsea High school agriculture teacher and FFA advisor, strongly urge you to consider enrolling him or her in a course in agriculture in the high school to find a possible career in this field. We need more young people each year who have a leadership potential and an interest in agriculture. If you have any questions or comments, contact Jackson or any FFA member.

Mr. and Mrs. Don Labo and daughters, of Flint, were week-end visitors of Mr. and Mrs. Elba Gage.

### World Day Of Prayer...

(Continued from page one)

The Bulldogs to continue their normal attack.

The second half opened up with Chelsea still leading, 42-40. Eight points by Tom Wojcicki on some fine jump shots, and five by Jim Cameron moved Chelsea to a 61-57 lead at the end of the third quarter. Stanford kept the Bulldogs in the game with five points while Criss added four more to his total of 19. It was in this quarter that the Chelsea player and Lincoln player were banished by the official. Both losses affected the play from then on, as both were grabbing numerous rebounds for their teams.

The roof fell in again in the fourth quarter, with two and one half minutes to play. Chelsea added a 27-01 lead. David Clark added a free throw to make it 68-61. Then a series of mistakes and missed shots allowed the bigger Lincoln team to creep up in the scoring. With 30 seconds to go the score was tied, 68-68. Chelsea missed a free throw attempt, Lincoln got the ball and scored on a jump shot by Russell to make it 70-68. Chelsea had one more attempt to score, but threw the ball away and the game with it.

Individual scoring for Chelsea saw Dennis Stoffer hit for 15. Tom Wojcicki 13, Jim Cameron 12, Tom Steele 10; Charles Schunk 8, David Clark 6, Gary White 4.

For Lincoln: Dave Criss had 23, Jim Stanford 14, Bob Russell 12, Keith Tulladay 12, George Sheeks 7.

 Whitmore Lake, where wrestling has been a sport for several years.

While commenting on wrestling as a high school sport, Dussau pointed out that wrestling is unique in that while in competition one individual opposes another, it retains the elements of a team sport as meets are won or lost on the basis of team points. "It also provides a program for many boys, especially the smaller, lighter youngsters, who might not find a place in another sport. It offers an addition and a choice to basketball in a school's winter-time athletic program," Dussau said.

There were 180 boys on the wrestling squad at the end of this season. Places on the team were settled by "wrestling off" in each weight class before each meet.

In addition to Snyder and McCulla, Dussau mentioned seniors Paul Huber, Dennis White, Neil Coyia, and Tom McClanahan for significant contributions to Chelsea's successful first season.

"We also lost seniors Jeff Spaulding and George Gary, which is quite a large number of good men to lose from a squad in one season. But we have a number of freshmen and sophomores who have been wrestling in the lower weight classes. Also, our junior high boys are being introduced to wrestling as a part of their physical education program. This will provide us with several promising ninth graders next year."

**Rockwell-Standard Reports Record High Earnings**  
 Pittsburgh, Pa. — Net earnings of Rockwell-Standard Corp. during 1964 were the highest in the company's history.

The company's annual report, distributed to stockholders last week, showed earnings for the year of \$24,929,896, as compared with 1963 earnings of \$20,202,814 or a 23 percent increase over 1963.

Per-share earnings for 1964 were \$2.20 compared with \$1.85 for 1963. The figures are adjusted to reflect a two percent dividend paid in January, 1964, and a two-for-one stock split in December, 1964. Shares outstanding totalled 11,324,876 at Dec. 31, 1964.

Sales during 1964 reached an all-time peak of \$301,618,454, exceeding last year's record sales of \$267,726,557 by approximately \$35 million or 11 percent.

Rockwell-Standard Corporation, with headquarters in Pittsburgh, Pa., has plants in Chelsea, Ann Arbor and Detroit. It is one of the world's largest manufacturers of components for commercial and passenger vehicles and for farm, materials handling and road-building equipment. Its Aircraft Division builds a complete line of piston, turbo-prop, and jet business aircraft. The company also produces industrial liquid and air filters, lighting and signal standards, and steel and aluminum grating. It operates 32 factories located in the United States and Canada, and has affiliates in Europe, South America, Asia and Australia.

The next meeting will be at the home of Mr. and Mrs. Lewis Haselschwerdt on Steinbach Rd.

**Rep. Sharpe Introduces Bill To Control State Agency Land Grabs**  
 State Representative Thomas G. Sharpe (R-Howell) has introduced a bill which would prohibit any state agency from establishing or enlarging a park or recreation facility without first securing the approval of the affected county's board of supervisors.

Rep. Sharpe noted that there is currently no equitable payment in lieu of property taxes to the counties on lands used by state agencies for recreation areas. "Requiring approval by the county board of supervisors would help insure adequate financial arrangement," he said.

"Besides, it is only logical that the county government should be brought into the picture when its tax base is in question," he declared.

Sharpe further explained that he had talked with Robert Furlong, Secretary of the Conservation Department, and that the Department recognizes the problem. "They are willing to do something about it, and I think this bill is a step in the right direction," Sharpe added.

**Series of Classes For Expectant Parents Will Start Tonight**  
 A new series of classes for expectant parents, sponsored by the Visiting Nurses Association and the Washtenaw County Health Department, will begin at 7:30 pm. Thursday, Feb. 25 in Basement Room 1 of the County Building. A 7 p.m. registration period will precede the class.

The opening discussion will include a talk on pre-natal growth and the showing of a film, "Human Reproduction." Following an explanation of the anatomy and physiology of pregnancy, there will precede the class.

The series will be conducted by Miss Donna Kirkbridge, public health nurse, and will continue for seven weeks. Registration fee is \$2.50 per couple. A special class for fathers is planned, and there will be a tour of the hospital and maternity wards.

**KINDER KLUB**  
 Kinder Klub met Tuesday evening at the home of Mrs. Fred Hoffman, with 12 members present.

Mrs. Chester Carter spoke on "Teen-Agers and Driving" and about juvenile delinquency. She pointed out different ways of apprehending teen-agers. As the laws are now teen-agers can have their driver's license taken away for not more than six months for the first offense. Because of present laws and inadequate facilities little can be done in giving help to teen-agers who break driving laws. There is to be a youth officer for Washtenaw county.

The co-hostesses for the meeting were: Mrs. Roland Eder and Mrs. Blaine Lyle.

The next meeting will be a guest night with Mrs. Keith Rapette as speaker. Her subject will be "Radio Activity and Children's Teeth."

**CHelsea Citizens Band Emergency Service Is Hard-Working Group**  
 Chelsea Citizens Band Emergency Service is not a social group, it is a working group. It has 27 units with four alternates and covers a radius of about 40 miles, from Ann Arbor and Whitmore Lake on the east to Jackson on the west, and from Manchester on the south to Gregory and Unadilla on the north. Its auxiliary radio system is in conjunction with the Chelsea Civil Defense office.

There are weekly tests at 8:30 p.m. every Monday night (ch. 17), rotating every Monday with each member of the Network Control. This group has now been in existence more than a year.

The State Police, local police departments, fire departments, and other emergency services are tied in with this group.

Severe storm warnings received from the Michigan State Police are relayed through the group to all Citizens Bands in this area. Five of these warnings were handled last year.

The group has also assisted at fires in the rural areas, accidents on the highways in this area and water accidents, missing persons and other situations that call for emergency help.

Some writers hold back what they know in order to have something to write about.

## CHELSEA VILLAGE COUNCIL PROCEEDINGS

Feb. 2, 1965  
 Council Room  
 Regular Session.  
 This meeting was called to order by Pres. Haselschwardt at 8:00 p.m. Trustees present: Bollinger, Burg, Chapman, Crouch, Weber and Wood. The minutes of the Regular Session of January 19, 1965 and the Special Session of January 28, 1965 were read and approved.  
 A Public Hearing was held before the Village Council on the rezoning request submitted by Mr. Weir Farmer.

**RESOLUTION**  
 RE IT RESOLVED AND IT IS HEREBY RESOLVED, that article No. 2, Section 3 of Ord. No. 55, known as the Zoning Ord., adopted Oct. 21, 1957, be amended by changing the boundaries of the area of zoning district map referred to in such section as follows: "agricultural" as follows: The following area shall be removed from Agricultural and included in R-1 (Residential). Said premises are described as follows:  
 Beginning at a point in the south line of the northeast quarter of the southwest quarter of section number twelve (12) town two south, range three east, which point is 8.54 chains east of the southwest corner of the southwest quarter; thence east 11.66 chains in the eighth line to a point in the north and south quarter line; thence north 89.76 feet in the north and south quarter line; thence west 66 feet; thence north 238.48 feet in the west line of Grant Street; thence southwest 238.48 feet to a point which is 3.48 chains north of the place of beginning; thence south 3.48 chains to the place of beginning, being a part of the northeast quarter of the southwest quarter of section twelve (12), Sylvan Township, Washtenaw County, Michigan. Excepting and reserving from the above land conveyed by William Fahrner, recorded April 4, 1946 in Liber 416 of Records, page 257.  
 Motion by Wood, supported by Weber to approve the above Resolution, as read. Roll call. Yeas all. Motion carried.

A discussion was held with Mr. George Knickerbocker, Jess Melinger, and William Bloss, representing the St. Paul's UCC. Information was desired by this church group as to the possibility of village sewer, water and electrical facilities being provided to the area. The committee was assured of village electrical facilities. No official action could be taken at this time as to the water and sewer facilities.  
 A discussion was held with Fire Chief James Gaken regarding the need of adequate insurance coverage for members of the Fire Department. Present Workers' Compensation coverage would be most inadequate. No official action was taken at this time.  
 Motion by Weber, supported by Bollinger, to authorize a \$10 per

**What's the Price of A Fine Dinner?**

Of course the price varies considerably, depending on what you order and where you are dining. When you go out for a fine meal, served in pleasant, modern surroundings, you naturally expect to pay more for the pleasure such a meal affords.

Likewise in bowling... fine facilities in a modern, pleasant atmosphere adds so much extra pleasure to your recreation that a few cents extra over the lowest price available anywhere is a negligible factor... offset many times over by the extra feeling of a luxurious, pleasant period of enjoying your favorite sport.

Bowl in a modern, pleasant atmosphere where it's fun for the entire family.

## MARION SIMONS CIRCLE

Marion Simons Circle of the First Methodist church met Feb. 17, at 9 a.m., at the home of Mrs. Robert Harris.  
Devotions were read by Mrs. Marcia McClain.  
Mrs. Ben Donaldson gave a very interesting talk on her recent trip to Korea and Japan. She had many pictures of interest to show and pictures, too. She also had the opportunity to visit with Marion Simons, the missionary for whom the circle is named.  
Mrs. Carl Elkins was a guest.

Members were reminded to bring baby clothes for layettes for migrant workers... to next month's meeting to be held at the Educational Building on March 17 with Mrs. Winifred Coffron and Mrs. Floyd Gillette as hostesses.

## GOD'S WILLING WORKERS

God's Willing Workers, the missionary circle of the Chelsea Baptist church, held their regular meeting Monday, Feb. 22 with Mrs. William Aldrich, president, presiding. Mrs. Aldrich was hostess and had charge of a work session wherein sports shirts were collected and readied to be sent to the Rev. Frank Comanda, missionary to Rome, Italy, for his three teen-age sons. A special collection was taken for personal items that were specific requests of the Comanda family.  
Nylon hose and footlets were also collected to be sent to a missionary in Quito, Ecuador, Miss Gloria Altenbernt.  
The special speaker for the evening was Mrs. Leland Bullard. Mr. and Mrs. Bullard are missionaries to Venezuela, and are home on furlough. Mrs. Bullard gave a very interesting talk on life in Venezuela and highlighted it with colored slides. Mr. and Mrs. Karl Bullard, parents of the missionaries, reside at the Chelsea Methodist Home.

## WOMEN'S FELLOWSHIP Plans Salad Luncheon, Spring Hat Sale

The Women's Fellowship of the Congregational church is repeating a project which proved highly successful in the past—a salad luncheon and spring hat sale. The event is scheduled for Wednesday, March 24, in the church dining rooms, serving beginning at 11 a.m. and continuing until 2 p.m. At the same hours there will be a hot lunch express line served in the men's dining room.  
Mrs. Laura Geddes is ticket chairman, assisted by Mrs. Laurryne White and Mrs. Edwin Dickelman. Luncheon tickets may be purchased until March 18. Nursery care for young children will be provided during the luncheon.  
The trouble with some religionists is that they are solely worried by the mistakes of other people.

## Elmer Lehmans Honored Sunday on 50th Anniversary

An open house was held Sunday at the home of Mr. and Mrs. Elmer Lehman, 34 Elm St., in honor of the couple's 50th wedding anniversary.  
The celebration honoring Mr. and Mrs. Lehman was given by their children Mr. and Mrs. Earl Lehman, Mr. and Mrs. William Lehman and son, Douglas, Dennis and Stephen, and Mr. and Mrs. Glenn Sharpe and son, Richard and daughter, Debbie.  
About 35 relatives attended the open house as well as one of the original attendants, Mrs. Oscar Bahnmiller.  
Friends and relatives of Mr. and Mrs. Lehman remembered them with lovely flowers and gifts.  
The couple was married Feb. 20, 1915, by the Rev. Ernst Thieme at the Zion Lutheran church at Rogers Corners.

### Cub Scouts Packs Hold Annual Blue - Gold Banquets

**Pack 435 . . .**

Cub Scout Pack 435 held their first annual Blue and Gold dinner Tuesday at North Elementary school.

Cub Scouts and their families were seated at tables decorated with centerpieces and place markers made by the cubs at their den meetings. Seated at the head table with Cubmaster Kep Bucholz and Mrs. Bucholz were the Rev. James Craig, Scout Executive William Windle and Mrs. Windle, Scout District Committeeman Ralph Raiford, and Conservation officer Don Boyer and Mrs. Boyer.

The invocation was given by the Rev. Craig. The formal meeting was opened with the presentation of the flag by Mark Schable, Dan Boham, James Gullett and Doug Irving of Den 14. Cubmaster Bucholz introduced William Windle who commented briefly on Pack history, and complimented Den 14 on their construction and exhibition of a Den Doodle.

Committeeman Raiford gave a talk on the importance of parent-cub cooperation, and closed with the formal presentation of the Pack charter to committee chairman William Wade. Official registration cards were presented to Cubmaster Bucholz, Assistant Cubmaster Stanley Wier, and Committeemen Don Boham, Jack Wellnitz, Jack Gilbert, Bruce Irving and Duane Layther by Chairman Wade.

A welcome was extended to the parents and cubs of Den 15, North Lake, and to their den mother, Mrs. Vincent Stahl. Also introduced were den mothers Mrs. William Wade of Den 13, and Mrs. Ken Bucholz of Den 14. Cubmaster Bucholz thanked all who had worked to make the dinner a success and especially Mrs. Audrey Boham, who was in charge of the planning committee.

Awards were presented to the following cubs: John Gilbert, bear badge and silver arrow; Robert Weir, Jeff Bussler and Doug Irving received wolf badges; Tommy Skittenthelm received his silver arrow; Pete Stahl, his bobcat pin, and Danny Boham, his one-year service pin. Den 14 and Den 15 received awards for perfect parent-cub attendance at the dinner.

Conservation Officer Don Boyer entertained the guests with a talk and pictures on wildlife and conservation.

### JV Cagers Drop Last Two Games

Chelsea Junior Varsity cagers lost a close game to Vandercook Lake last Tuesday by the score of 62-60. Trailing by six points at half-time, the Little Bulldogs fought back to knot the score at 56-56 with one minute left but were unable to gain the lead.

Dan Parsons was lost for the balance of the season when he injured an ankle in the third quarter. Dan has been the team's leading scorer and rebounder for most of the season.

Bill Harvey topped all rebounders with 16. Rick Salyer added 8, Don Salyer and John Lixey 4, Dan Parsons 3, and Tom Kern, Jim Henry, and Dave Blaess 1 each.

Rick Salyer took scoring honors with 17. Tom Kern added 14, Dan Parsons, 8, Kim Flintoft 8, Bill Harvey 7, Don Salyer 4, John Lixey 2.

### Chelsea 45, Lincoln 65

In a game that never saw the Bulldogs' offense get rolling, the JV's lost to the Lincoln JV's, 65 to 45. A series of bad passes and the errors never allowed the Little Bulldogs to pressure the Rail-splitters.

Top scorer for the Bulldogs was Don Salyer with 14, followed by Tom Kern 8, Bill Harvey 6, John Lixey 5, Rick Salyer 4, Kim Flintoft 4, Jim Henry and Jeff Hitchingham 2 each.

Bill Harvey was again the leader in rebounds with 13, Rick Salyer collected 9, Don Salyer 8, John Lixey 7, Jim Henry 3, Tom Kern and Larry Porath 2 each, Pete Defant 2, Paul Lancaster and Jeff Hitchingham 1.

The next game will be played Friday night at Saline. This is the final game of the year. The JV game starts at 6:30 p.m.

### Advance Payments Available Under Feed Grain Program

Advance payments again this year are available to growers participating in the feed grain program. Frank Light, Michigan Agricultural Stabilization and Conservation state commissioner, announced today. Similar payments were available under the 1964 program.

Referring to the 1964 program, Light said "There were 84,688 Michigan farmers enrolled in the feed grain program in 1964 who received 690,834 acres from grain production. The feed grain program reduces over-production and increases additional Michigan land under cultivation. It conserves soil, conserves practices and natural wildlife habitat."

According to Chairman Light, an advance payment will represent one-half of the estimated diversion payment to be earned under the 1965 program. The rest of the diversion payment and all of the price-support payment earned under the program will be made next fall.

The 1965 feed grain program again covers corn, barley, and grain sorghum. Participants in the program may qualify for a payment for diversion of eligible land to approved cropland, and also for a price-support payment on the normal production of the 1965 feed grain acreage. They will also be eligible for price-support loans on their entire production from the feed grain acreage.

Each farm has a total feed grain base, representing the combined acreage of the three feed grains grown on the farm. A program may divert one or more of the feed grains, and his diversion payment will be based on the par-

### ELEMENTARY SCHOOL

Because the American elementary school reaches the greatest number of our citizens for the longest time, it is responsible for laying the groundwork for healthy intellectual and personality growth.

Elementary school gives the child his first glimpse into the worlds of the social studies, art, science and literature — and it gives him an awareness of the vastness of information about these worlds. Here the child learns to read and use libraries. He learns to make judgments and identify fact and truth from fallacy and half-truth. He learns the power of his mind and becomes familiar with his talents and his shortcomings.

Elementary school helps the child develop his personality and teaches him to work and cooperate with others. It strives to give him independence and self-confidence.

The teacher is the child's idol during the elementary school years. Aware of this responsibility, the elementary school teacher works hard to set a good example for her students. She knows that everything she says and does makes a lasting imprint on the minds and memories of her pupils.

The young child is a delight. He is bold, and honest, and fun. The elementary school works to preserve these good qualities while it equips him with the tools for a satisfactory future life.

## Weather Perfect For Week-End Winter Camp-Out

The third Iroquois District Boy Scout Winter Camp-out was well attended last week-end when 108 boys and dads registered at Alvin Relnhardt's Woods, Joslin Lake, Gregory. This is the largest number ever registered at a winter camp-out. The weatherman co-operated nicely and the 88 degree weather was like fall.

First place for camping awards went to Milan Troop 440 and Dexter Troop 428. Second place was taken by Chelsea Troop 426, Milan Troop 499 and Saline Troop 440, while third place went to Chelsea Troop 476. Camping awards were given for various phases of the camp-out.

Winners of the fishing "derby" were Edwin and Lee Dickelman, for the largest, smallest and most fish caught.

Scouts from Troop 425 participating were Mike Grob, Ralph Frisch, Jr., Bruce Parks, Ron Morley, Bruce Haas, Tom Gardner, Edward Wade, John Potts, Lee Dickelman, Dave Pickell, and John Bennett. Leaders present were Ralph Frisch, Sr., Edwin Dickelman, Vernon Parks, and John Potts.

of their den mother, Mrs. Robert Schaffer.

The meeting was opened with the flag ceremony and saying the allegiance to the flag.

The boys practiced a skit for their pack meeting and wrote notes to their parents to remind them of the meeting, Tuesday night, Feb. 23.

The meeting closed with the "Living Circle" and Cub Scout "promise."

Billy Schaffer, scribe.

**DEN II, PACK 445**—  
Cub Scouts of Den II, Pack 445 met Monday afternoon at 3:45 at the home of Mrs. Darold Fischer. The meeting opened with the flag ceremony. Bill Aldrich is the new denner. Arthur Paul is the new assistant denner. Darold Fischer is the new scribe. The boys started a new project making foot scrapers. Mark Heydlouff furnished treats. The meeting closed with the "Living Circle."

Darold Fischer, scribe.

**PACK 415**—  
Pack 415 held its monthly pack meeting Tuesday evening at the Chelsea High school cafeteria. The meeting opened with the flag ceremony by Den 3, Tom Nelson, assistant cubmaster, led the boys in a shoe scramble and Den Chief John Heppburn, and Roger Hills led the group in singing.

Don Fritz, cubmaster, inducted Richard Menge and his mother, Mrs. Norvel Menge into the pack.

The following awards were given: wolf patches, Randy Romine and Norman Schaffer; lion patch, Douglas McDonald; gold arrows, Edwin Hartman and Norman Schaffer; silver arrows, Garmer Slocum 1, Thomas Heppburn 1, Thomas Forner 1, Norman Schaffer 1, Robert Heydlouff 2, two-year service stars, Daniel Gaunt, Larry Jones, Donald Gillette, Kim Aronson.

Douglas McDonald was inducted the Webelo Den, after which each den presented a skit about famous men.

The next meeting will be held at the High school cafeteria March 23 at 7 p.m. There will be a uniform inspection.

**AMBULANCE MEN ARGUE**  
Nashville, Tenn.—Two ambulances answered a call to take an injured woman to the hospital. The two ambulance attendants argued and a fight followed. Meanwhile, Mrs. Anna C. Whitehead, 70, lay seriously injured in the street after being hit by a car. Police arrested the drivers for competing ambulance service and disorderly conduct.

## Leaders Plan Activities for Girl Scouts

The Girl Scout Neighborhood Association met Monday, Feb. 22, in the Home Economics room of the Junior High school where plans were completed for Girl Scout Week activities for the week of March 7.

Final arrangements were made for the Father-Daughter program which will be held Friday, March 12, at 7 p.m. at the Chelsea High school cafeteria. General chairman for this event are Mrs. Robert Jacobs and Mrs. Hardy Morgenstern. Refreshment chairman will be Mrs. Ralph Frisch and Donna Sherman.

Entertainment will be provided by the scouts and it will include a flag ceremony, puppet show, skits on the "Growing-Up Tree" and World Friendship Association, a tribute to leaders, the Juliette Low fund, flags from other countries, arts and crafts, Brownie songs and camp songs.

A rehearsal for the program will be held in the Junior High gymnasium, Wednesday, March 10 at 4 p.m.

On Sunday, March 7, the Girl Scouts and their leaders will attend church in uniform, and sit in a group.

Monday and Tuesday, March 8 and 9, are days designated for Brownies to wear uniforms and Friday, March 12, will be the day for other scouts to wear uniforms in recognition of Girl Scout Week.

Miss Ivy Reed from the Huron Valley Council office in Ypsilanti was at the meeting and showed a film, "Wearing the Uniform."

A Neighborhood Camping Depot has been established at the home of Mrs. Warren Eisenbeiser, with enough equipment for five units. — 40 girls. Cooking equipment and tents will be available.

The Girl Scout Camp folder for 1965 is being distributed to all scouts this week. Sessions of Day Camp, Troop Camp and Resident Camp are being offered. Two special-camping opportunities are offered for older girls: canoe trips and counselor-in-training. Day Camp sessions will be at Hilltop in Ann Arbor for Brownies and Juniors. Troop and Resident sessions will be held at Camp Cedar Lake in the Waterloo Recreation Area and at Camp Linden in Livingston county. Some camps are available and applications may be secured from leaders. These are to be returned to leaders by March 20.

Donna Sherman announced that a first aid training course will be starting soon. There is room for 10 to 12 more leaders.

There will be a leaders' meeting March 29, at 8 p.m., at the "Penthouse."

Refreshments were served by Junior Troop 58.

Girl Scouts will be taking orders for cookies from Feb. 26 through March 13, and deliveries will be made from April 26 through May 8.

**Brownies...**  
Brownies Troop 143 met at St. Paul's church Monday, Feb. 22. The meeting was opened with the "Brownie promise" and the Brownie Smile songs.

Penny Graham read a story to the group and Mrs. Shoemaker served treats.

The meeting closed with taps. Trudie Sanderson, scribe.

Sentiment is a great force in life, but, upon occasions, it requires cash to do the job in hand.

**TROOP 58**—  
Girl Scouts of Troop 58 held their regular meeting at the Municipal building on Thursday, Feb. 18.

Dues and attendance were taken and treats brought by Becky Tirth and Joan Schmidt were enjoyed.

The girls and their leaders, Mrs. Warren Eisenbeiser and Mrs. Leslie Eisenbeiser, walked to the new fire hall and Fire Chief James Gaken explained the equipment and instruments on the trucks.

When they left the girls all agreed they knew much more about fire trucks.

Stephanie Nelson, scribe.

**TROOP 47**—  
Girl Scout Troop 47 met Tuesday, Feb. 23 at the Municipal Building. Mrs. William McClain instructed the girls on what to do when they start selling Girl Scout cookies, Friday, Feb. 26.

The girls practiced for the Juliette Low Father and Daughter program.

All girls are to wear full uniform to school Friday, March 12. Ann Thomson brought treats.

Susan Caley, scribe.

**TROOP 82**—  
Girl Scout Troop 82 met Tuesday at the Congregational church. After playing a game of "Upset the Fruitbasket," taught by Lynn Jacobs, the girls learned to dance the "Troika" a fast Russian dance, taught by Laurel Lancaster and Jane Mann. Summer camps were discussed after the games and dancing and refreshments were served by Mrs. Jacobs.

While Jean Hasejchwardt and Shirley Newcome taught the fourth and fifth grade girls a song, Mrs. Paul Mann showed the sixth graders how to sew on snaps and buttons.

Mrs. Alex Eresten explained about the cookie sale which will take place Feb. 26 through March 13.

Laurel Lancaster, scribe.

**THE WEEK'S LETTER:** "I guess I have an inferiority complex or something pertaining to it. I don't feel at ease around the opposite sex—girls. certainty. You are afraid to ask a girl for a date because you have already convinced yourself she will turn you down. You're afraid of failure.

Look at it this way: all a girl can do is say "yes" or say "no." If she has any manners at all, she will not laugh at you. Once you get a date, you will still be uneasy. You might even have a miserable time. You might not do or say anything because of fear of doing or saying the wrong thing. But, like riding the bicycle, the second time things will go much smoother.

Many times in life most of us are uneasy about something. Those who succeed do so because they put their fears aside and look to the thing that needs doing.

out-of-my-reach. How can I overcome this complex and be more at ease around the opposite sex?"

**OUR REPLY:** There is nothing unusual about your feeling of uneasiness. It's like the first time you tried to ride a bicycle. It's a new experience and fears are much greater than they have a reason to be. Your hesitancy is due, perhaps, not so much to a feeling of inferiority, as to un-

### NORTH ELEMENTARY SCHOOL NOTES

#### Mrs. Grau's Third Grade—

In science, we are studying how animals are different. Our study began with comparing the size of all types of animals. Another way we will compare animals is by their shapes. A science lesson each child will have fun with is the one which they draw the animals by their different shapes. In later chapters, we will discuss the way animals get food and how they escape from their enemies.

Our class welcomed a new student, John Wood, last week from Wayne.

Donald Arnett celebrated his birthday—on Feb. 10.

#### Mrs. Vonk's Fifth Grade—

We are completing our North Central States' unit in geography. This means we are slowly closing the door on Michigan. Most of our projects are in. Many of us received "A's" because of the hard work we have put into them.

Each project was handed in in a folder so it is easy to display them on our bulletin boards. The title of our front bulletin board displaying our folders is "The Most of Michigan" for we feel we have given our "most" to the project and of course, we feel Michigan is "the most."

We have begun a unit in science on weather. Each of us has his or her own weather chart. We are beginning this charting on Monday, Feb. 22. If you want to know about the on-coming or the predicting of weather, come on in or give us a buzz. This surely beats calling the weather bureau at Willow Run. We do not, however, guarantee the weather!

#### Mrs. Baacke's Fourth Grade—

Paragraphs are more complicated than we ever dreamed! A paragraph must have only one idea. It must have a topic sentence. Always indent when you start a paragraph. These are the things we have been learning in English.

In social studies, we have been learning how the Navaho Indians make their living in the desert. The whole family must work hard.

We will also learn about the desert area in Africa.

Stay tuned and we'll keep you posted on our warm-weathered friends.

#### Mr. Schmunk's Fourth Grade—

Each month in our room we study an American hero. For February we have two; George Washington and Abraham Lincoln. We read about these men from library books and also the encyclopedia in our building. We do not have a history book for study work.

We enjoy having a play period in the gym twice a week. We have been playing basketball since Christmas vacation. The PTA has purchased a padded mat for us to practice tumbling. We enjoy this very much. No one has been injured yet.

We have learned another French song, "Planting Pumpkins." We enjoy singing these songs with Mr. Schultz who teaches our regular music lesson. This week we have had several on the sick list. Marilyn Pefers and Denise Bycraft have been absent most of the week with colds.

### Basic CD Course Starts March 1 In County Bldg.

The Washtenaw county Civil Defense office will present the basic Civil Defense course in Room 6, basement of the County Building from 10 - 12 a.m. and 7:30-9:30 p.m. on the following dates: Unit I, Monday, March 1, subject matter, "The Threat Responsibilities and Organization"; Unit II, Tuesday, March 2, subject matter, "Effects of Nuclear Weapons"; Unit III, Wednesday, March 3, subject matter, "Protection from Nuclear Weapons and the National Shelter Program"; Unit IV, Thursday, March 4, subject matter, "Civil Defense in Natural Disaster," and Unit V, Friday, March 5, subject matter, "Government in Operation—Practical Control Center Operations."

The basic Civil Defense course is a requirement for all county employees and is considered by the Federal government to be a prerequisite for all personnel prior to departmental or advanced Civil Defense training.

The course is aimed at key governmental officials and public service employees; however, the public is invited and urged to attend. Members of civic organizations, service clubs, school faculties, the clergy, industry, business and other civic leaders are encouraged to participate.

National, state and county policy will be discussed. An interesting group of motion pictures, slides and charts will be included. Due to restricted space, classes this year are limited to 50 individuals. Come early or register ahead of time.

#### Spelling News Extra—

Fifth grade classes had a spelling-down, Wednesday, Feb. 17. It was held in the gym, and all children had an opportunity to win. The winner was David Porath of Mrs. Winkle's room. The runner up was Karen Schafer of Mr. Benedict's. David will receive a dictionary from the Detroit News.

### Faye Appointed to New Post as Assistant to Speaker of the House

State Representative Charles F. Gray (D), of Ypsilanti, today announced the appointment by Joseph Kowalski, speaker of the Michigan House of Representatives, of Gerald E. Faye to the newly-created position of assistant-to-the-speaker for research.

Faye, a resident of Ann Arbor, was recently defeated by Congressman Weston E. Vivian in a closely-contested Congressional primary. A political scientist,

Faye served last year as a Ford Foundation Senate Intern.

A graduate of the University of Cincinnati in 1956, Faye earned a master's degree at the University of Michigan in 1960 and has completed his course work for a doctorate. He has served as a teaching fellow at the University of Michigan and as acting supervisor of the Correspondence Study Department of the University of Michigan Extension Service.

Faye's current assignment for the House of Representatives is to serve as program co-ordinator. In that role he will be responsible for assuring the introduction of bills which reflect policy goals of the Democratic Majority of the legislature.

Faye an Air Force sergeant in the Korean conflict, is 35, married and lives at 2961 Dexter Rd., Ann Arbor. His wife is an Ann Arbor public school teacher. His political activities have included vice-chairmanship of the Ann Arbor Democratic Committee and state-wide co-director of Michigan Citizens for Johnson-Humphrey."
