THANK YOU TO OUR MAJOR SPONSOR

2 SHOW REPORT 2012 — WESTERN AUSTRALIA

This 2012 Show Report is mainly visual and shows the reader the absolute quality of the blooms, in spite of a record breaking hot, dry summer in WA.

To give you an idea of the scope of the show, extra containers for blooms were required. In 2011 we arranged for 250 large bottles to be prepared; in 2012 we had to prepare 435 large bottles. Similar number increases were made for small bottles and vases.

A special thankyou to the 19 exhibitors in this show. We also note that there were several other growers in WA who did not exhibit this year. Over the last few years we have had a significant increase in the number of growers. We make special mention of the new growers who have thrown down the gauntlet to those more experienced. We acknowledge too, the efforts of the very experienced growers who have risen to the challenge, and given tremendous support to other growers.

Thank you to all of the growers, the Show Secretary, the Chief Steward, and the many who have taken on the various roles necessary to have such a remarkable show. Well Done to you all!

Frank Blackwell, Secretary.
