

# GROWER 2014-2015

# BEING A GLOBAL LEADER IN PACKAGING...

Beauty

Healthcare

Entertainment

Confectionery

Drinks

## ...BRINGS INNOVATIVE TECHNOLOGY AND CREATIVE DESIGN TO YOU.

Over the past year, our network has grown to over 50 facilities worldwide that specialize in creating solutions for the horticulture, consumer brands, entertainment and healthcare industries.

**Multi Packaging Solutions | John Henry®**

has been a leader in print and packaging for the horticulture market for over a century, and today we offer a complete line of tagging, labeling, packaging, merchandising, and brand identity solutions for growers and retailers.

With our broad scope of experience, we strive to bring the best practices from one industry to the others: innovative structures from entertainment, beautiful decorative finishes from cosmetics, and absolute precision from healthcare. And it's with these unique perspectives that we can say that we truly understand the importance of print and packaging, and can be counted on for unparalleled creativity, innovation, and program development.

As you read through our catalog, we hope it serves as a launching point for your new programs and ideas, as well as your go-to guide for your everyday tagging needs. We look forward to conquering new challenges in the year ahead and to working with you to continue to move forward with the next chapter!

includes easy-to-recognize icons

Portrait Tag®

# BloomIQ.com™

**FREE CONSUMER WEBSITE**  
with every tag!\*

To learn more, see inside front cover.

\* BloomIQ.com already on most tags — more and more added daily.

The National Institute of Standards and Technology (NIST) requires the following information on each plant identifier:

- 1) The Declaration of Identity**
  - Name of plant: common, specific or botanical
- 2) The Declaration of Net Contents**
  - Dimensions or volume capacity of container in both U.S. and metric measures
- 3) The Declaration of Responsibility**
  - Grown for or grown by
  - Company name
  - City, state and zip code

Requirements 2 and 3 must appear in the bottom third of your tag or signage. All information must be included in your advertising.

For more information, visit [www.nist.gov](http://www.nist.gov) or write to NIST Weights and Measures Division, Gaithersburg, MD 20899

## Catalog Services

Let our dedicated catalog team help you create your printed and digital catalogs!

- Printed high quality catalogs in full color with full bleed available and various binding options, such as saddlestitch, perfect-bind, plastic coil and wire-o.
- Digital catalogs feature an interactive table of contents, search capabilities and page curl browsing. Optional add-ons also include video, sound and interactive features.

## Digital Marketing Hub

Let our full-service marketing team help you engage, inspire and connect with consumers!

- Extensive library of horticultural information and photography.
- Custom content created for you with powerful search and filtering services.
- Turnkey solutions including design services, data transfer, and program management.

See more on the BloomIQ website at [www.bloomiq.com](http://www.bloomiq.com)

## Bows

Spend your time this season creating arrangements and decorating for the holidays rather than tying bows! Call for selection and pricing.
