Message from the Founder

Joni Rogers-Kante
Founder & CEO

Dear Distributors,

Happy February! I would like to take this opportunity to express my love and thankfulness to each of you. You may have seen the employee picture that we included in Sentiments and posted on our Facebook and Instagram pages. Every person in that picture is dedicated to supporting you in your business, from the hardworking warehouse staff that works day in and day out to pick and pack your orders, to the SeneCare customer service team members who take calls and emails nonstop throughout the work day (and Saturdays) to assist and support you. We have so much love and appreciation for you, and need you to know that more than ever, we are honored that you have chosen to join SeneGence during this exciting time of growth. Just in case you missed seeing the US employee photo, here it is.

As you can see, the US staff is small, and considering the record-breaking rate at which business has grown over the past few months, I can testify that it takes every individual working at their maximum effort to support the incredible work that you, our Distributors, are doing. The Canadian staff is even smaller, and just as dedicated and hardworking! The fantastic news is that our SeneGence family of employees is growing, every day. This month alone, we have added many employees to SeneCare

January 2017 Recognition

Mr./Ms.
SeneSynergy

Congratulations to **US Distributor:**

Beau Kojima

Congratulations to Beau Kojima of Crown Princess/Crown Prince duo, Renee and Beau! Beau selflessly helps any Distributor that he can with a great attitude and dedication to his team. He goes out of his way to help new Distributors get started and overcome any challenges that they may face, and he also has fantastic product knowledge and helps to educate his team. His team members appreciate how he has supported and educated the partners and "SeneMen" of SeneGence Distributors, and encouraged them to get more involved. He has truly grown as a Leader and we are excited to name him as this month's US Mr. SeneSynergy!

Princess Chanda Smith goes above and beyond for her team. She keeps a positive attitude in everything she does, and makes herself available to answer questions any new or seasoned Distributor may have. Her team members know that Chanda is 100% committed to helping them achieve their business goals, and are so appreciative of her. Her eagerness to help and passion for SeneGence and her team members' success really shines through. Congratulations Chanda, this month's Canadian Ms. SeneSynergy!

Congratulations to **CN Distributor:**

Chanda Smith

SeneSupport

Congratulations to

Ashley Gardner

SeneGence International recognizes an outstanding Distributor each month with the greatest number of qualified new recruits (300 accumulative PV in the month they were sponsored) with 100 SeneBucks. The sponsoring Distributor must have a minimum of 750 PV cumulative for the month.

Within the first 30 days, new Distributors that place at least one 300 PV order and recruit a first line Distributor who also places a 300 PV order within their initial 30 days, will receive this exclusive pin.
