Christopher Douglas Melko 1969-2021

Christopher Douglas Melko passed away on April 8th, 2021 at the age of 51 at St. Anthony Hospital in Oklahoma City, OK. He is survived by his parents, Sherry L. Yundt and Edward M. Melko; his brothers, Steve R. Melko and Tim A. Melko; his stepsiblings, Kim Bailey and Scott Bailey; and many aunts, uncles, cousins, nieces, and nephews.

Chris was born on July 10th, 1969 at the West Point Military Academy in West Point, NY. He was a kind, gentle, and caring man whose passions in life were both childlike and simple, which led to the development of a wide variety of hobbies and pastimes. As a child, he found excitement in LEGO, jigsaw puzzles, books, and music. He developed an interest in drumming and joined the high school band the moment he became eligible. He would have wanted you to know that his favorite color was red, favorite food was pizza, and favorite hairstyle was 'just plain messy'.

As time moved on, so did his passions. He left the drums behind in favor of a few new hobbies like collecting a vast home movie library, bowling, playing darts, pool, video games, and of course, singing karaoke! At an early age,

Chris was enthralled by the music from the 70s & 80s, but none more so than Pink Floyd. His love and appreciation of their music had a major impact on his life. He saw things like combs and non-Pink Floyd shirts as optional in life.

His first and most favorite job was working at the Oklahoma City Zoo with his father, Ed Melko, and stepbrother, Scott. He also had a mechanical mind which led him to earn an Associates of Arts in Lithography with a major focus in Offset Printing. As printing technologies changed, Chris became adept in retail services employment and had a long, productive career working for 7-Eleven and Walmart, respectively. He had a great deal of pride in things being orderly and accurate, with spot-on inventories and perfectly faced shelves, his passion was present in everything he did.

Being very much an 80s kid and, having the interest and education in mechanical systems, he fostered one of his most passionate pursuits: collecting and restoring old pinball & arcade machines. He was quite proud of achieving a high score in Pacman, hitting the 1,000,000-point mark. In 2012, he helped found the DFW Pinball & Arcade club which now has over 2,400 pinball and arcade enthusiasts.

In 2016, he moved to Del City, OK, where he spent his remaining years helping care for his mother Sherry Yundt, Aunt Rosetta Stroud, and his cat Tiberius.

Glenn Paul "Bud" Gosbee 1954-2021

Bud (Glenn) Gosbee, a longtime resident of Cheyenne, Wyoming passed away on

April 5th, 2021, at the age of 67.

Bud is survived and missed by his wife, Sharon Eskam, and his sons Buddy (Glenn) Gosbee Jr., Jonathan Hampe, Tucker Gosbee, and Dylan Eskam Gosbee; his mother Elizabeth Gosbee, brothers Steve Gosbee and Don Gosbee, and sister Donna Gosbee. He adored his grandchildren; Wyoma Gosbee, Winter Gosbee, and Wyatt Hampe. He was preceded in death by his father David Gosbee, and his brother Pat Gosbee.

Bud was born in Mobile, Alabama on January 26th, 1954 to David and Elizabeth Gosbee and graduated from Central High School in Cheyenne, Wyoming. He attended college at LCCC and earned several computer certifications later becoming an auto parts

specialist at various local automotive dealerships. He was known as the self-described "part's God" of Cheyenne and even answered the phone accordingly; demonstrating his incredible sense of humor and bravado. He was absolutely fearless; be it with a car, a motorcycle, or his fists, and he never backed down from either a fight or a challenge. On September 24th, 2002 he married his soul mate, Sharon Eskam in Las Vegas, Nevada with his youngest son perched on his shoulders during much of the ceremony because that was the way Bud did things. Bud always loved children, and with his larger-than-life personality, they always loved him back.

Bud was a true original who lived life unapologetically and on his own terms. Bud loved his family, classic Mopar cars, Coors Original Banquet Beer, and "tinkering". He could make anything work from an old car to a chicken-plucking machine. He was brilliant although he kept that hidden unless you knew him well, a problem-solver who worked hard and played even harder. In his younger days, he enjoyed racing stock cars

and running in demolition races. He remained an adventurer all of his life and there was never a dull moment when Bud was around. His later life hobbies included rebuilding classic Mopar muscle cars, fixing everything in the most unconventional way possible, and making everyone laugh with his own big booming laugh. He was an amazing husband, father, son, uncle, and brother who possessed a heart of pure gold and who will be sincerely and sadly missed but never forgotten, by everyone who was a part of his life.

A celebration of his life is scheduled for May 1st at 2:00 PM 60368 County Road 19, Mitchell Nebraska in the Gosbee tradition of barbeque, beer, family, friends, and reminiscing.

For those unable to attend in person a zoom link will be provided. Please contact a family member for the link and the passcode.

Rev. John Rexford Kenyon
1959-2021

Rev. John Rexford Kenyon, 61, of Stevensville, Mich., died Monday, March 22, 2021, at Michigan Medicine Hospital in Ann Arbor.

A Memorial Service will be held 11 a.m. Saturday, April 10, at Our Savior Lutheran Church, 2973 E B St., Torrington, with Rev. Randy Bader officiating. A luncheon will follow the service. Interment limited to family members will occur at a later time. In lieu of flowers, memorial contributions may be made to Wisconsin Lutheran Seminary, 11831 Seminary Dr., in Mequon, Wis. 53092.

The son of the late Charles Rexford and Alice Marie (Korhonen) Kenyon, John was born and baptized October 22, 1959, in Evanston, Ill. He was confirmed in 1973 at

quor Commission, then to federal service with the United States Postal Service and finally the Veterans Administration. She was known for being detail-oriented in her work and highly precise with numbers. Toni retired in 2019 after over 25 years of service with the federal government.

Toni was a civil rights warrior and even walked during the Montgomery Bus Boycott. Toni always had a heart for service and caring for others. She was active with Stonecroft Ministries in the Cheyenne After 5 Club and Bible study group, Second Baptist Church (where she was a Sunday school teacher), Love and Charity Club (who sponsors the annual Cheyenne MLK, Jr walk), Blacks in Government, National Council of Negro Women, Delta Sigma Theta Sorority, Inc, Top Ladies of Distinction, Inc, the NAACP and Habitat for Humanity. Toni loved reading and passed her love of reading down through the generations. She also enjoyed quilting, sewing and good music. She was known for "adopting" any neighborhood child in need and assisting them in their growth and mentoring them to be their best selves. Following in the leading of her grandmother, Mrs. Lessie Bea, with whom she shared a close bond, Toni believed strongly in social justice, doing what was right, telling the truth, and fighting vigorously for her beliefs. If any person was in need, she could be counted on to offer support and words of encouragement.

God loved Toni so much, He couldn't live without her another day. Antonetta has gone to join her grandmother Lessie Bea Gaston, her uncle Sylvester, her father Elijah and so many beautiful mentors of faith. She is survived by her mother Ruby Lee, aunt Johnnie Marie, sister Theresa, brother Clifford Tyrone, and other siblings, cousins, nieces, nephews, and loving friends. Her legacy lives on in her oldest son, Lamont (wife Charlene), and his children, Demetrius, Keisha, Khalil and Luca; second oldest son, Leandre, and his children, Keenan, Elisabeth, and Isaiah; and her daughter, LeNitra.

Toni had a sharp mind and wit, with a good sense of humor. One of the last things she said was, "We ride together, we die together. Bad boys for life." We are still riding for you, mom. We'll see you on the other side.

Toni's funeral will be May 1, 2021 at 11:00 am at Second Baptist Church, located at 2403 Snyder Ave, Cheyenne, WY 82001. An Angel Wall visitation will take place on May 1st, Saturday, at 10:30 am at Lakeview Cemetery, located at 2501 Seymour Ave, Cheyenne, WY 82001. Antonetta Elizabeth Oliver
1950-2021

On Monday, February 8, 2021, Antonetta Elizabeth Oliver (aka Toni), loving mother of three

children, was carried by the angels to Heaven at the age of 70. Toni was born in Montgomery, Alabama on August 15, 1950. She graduated from Booker T. Washington high school near the top of her class with honors and received her bachelor's degree in education with honors from the Alabama State University in 1972. Toni received her Master of Business Administration with a concentration in Health Care Management from Regis University in 2006, where she graduated with honors and became a member of the Alpha Sigma Nu Honor Society. Toni was married to L. D. Oliver, Jr (initials only) for 13 years, who retired a Major from the United States Air Force.

Toni was dedicated to her children, Lamont, Leandre and LeNitra, as a stay-at-home mother for the first few years of their lives. After divorce, as a single mother, she proudly raised a small business owner/high school football coach, electrical engineer, and acute-care pharmacist who all adore her as their number one mom. From there Toni began her career in Wyoming, working initially with the Wyoming Li-

Jack Moore Wells 1937-2021

Jack Moore Wells was born in a log cabin in Neihart, Montana, on September 13, 1937. He moved to Renton, WA with his parents for a time,

but after WWII, relocated to Great Falls, MT. Jack grew up an avid hunter and fly fisherman, frequently heading out in his Model-A on weekends to fish the Smith River with his best friend, Loren Gibbons. He played football for Great Falls High School and spent summers cutting wheat and hay for nearby ranchers. A compound leg fracture ended his H.S. football days, so after graduation Jack headed east to the Ivy League for college, attending Dartmouth University on an academic scholarship. While there, he enrolled in the Air Force ROTC program. The need for glasses prevented Jack from becoming an Air Force pilot, but he earned his private pilot's license and his instrument rating on his own.

After graduating with a master's degree in Electrical Engineering, Jack was commissioned in the Air Force as a second lieutenant. Over the course of a 30-year career, Jack enjoyed a variety of exciting as-

signments. He worked in cryptology, installing the hot line to the Kremlin in the White House during the Kennedy Presidency. He spent the Vietnam War launching spy satellites in the Atlas Agena program at Cape Canaveral, FL. He eventually returned west to work in the Minuteman and Peacekeeper nuclear missile programs and was stationed at F. E. Warren AFB in Cheyenne, WY, Malmstrom AFB in Great Falls, MT, and Norton AFB in San Bernardino, CA. He then served three years as the Air Attache at the U.S. Embassy in Kuala Lumpur, Malaysia. He finished his career as a commander of the Site Alteration Task Force at Warren AFB, retiring as a full colonel.

After retiring, Jack and his wife, Mary Gay, settled in Bozeman, MT, moving later to Sheridan, WY for the summers and spending winters in Green Valley, AZ. Jack didn't slow down in retirement. Instead, he became a voice for conservatism, serving two terms as a Montana State Legislator and another as a State Senator. He rounded out his time with golfing, camping, hunting, fishing, and traveling. Jack will be remembered for playing his guitar, telling jokes, and sharing stories. If you knew Jack, you knew he was a talker. He and Mary Gay never missed an event for the grandchildren, traveling to catch graduations, weddings, and reunions, and jetted around the world to visit family and

friends they had made over the years.

In his later years he grew deeper in his Christian faith and became active in the men's groups and the choir at his church. He was an active Gideon and enjoyed meeting people and passing out free Bibles. On March 16, 2021, Jack went home to be with Jesus and is now at peace. He passed away at home surrounded by family after complications following hip replacement surgery and will be laid to rest in Bozeman.

Jack is survived by his wife of 44 years, Mary Gay (Taylor); four sons from his first marriage to Sally (Bennett), Kenneth, Kevin, Brian, and Mark; four step-children, Elise, Tom, Steve, and Tara; twenty grandchildren; and nine great-grandchildren. He was preceded in death by his parents, Clarence "Slim" Wells and Vivian "Vi" (Simons) Wells; step-mother, Agnes; half-brother, Pat Murphy; half-sister, Dorothy Nebel; half-sister, Mickey McMillan; and sister, Jenny Lee Ferda.

A Memorial Service will be held at 1:00 P.M. on Saturday, May 29 at Dokken-Nelson Funeral Service, followed by interment with Military Honors at Sunset Hills Cemetery.

In lieu of flowers, the family asks that donations in his memory be made to Gideons International.
