Macfarlane Regatta Highlights 4th of July Celebration

The 4th of July began with a breakfast buffet at the Club.

Chowing down before the race were Keone Kali, Greg Wood, Ian Moore, Jay Wood and Michael Scott.

From sunrise until the wee hours of the morning, Outrigger Canoe Club paddlers, their families and friends celebrated the 4th of July and the 42nd annual Walter J. Macfarlane Regatta.

The day began with a buffet breakfast on the Terrace. Paddlers filled up on eggs, sausage and bacon, hash brown potatoes, Danish pastries, juices and coffee and then gathered for a pep rally and blessing.

Around 8 a.m. the group marched en masse from the Club down to Waikiki Beach toting paddles, coolers, beach chairs and families, setting up camp in front of the Outrigger Hotel.

Outrigger has sponsored the Macfarlane Regatta since 1943. It is the oldest continuous canoe race in Hawaii.

The surf was up all week prior to the race, and the waves provided thrill after thrill for the crews who surfed the waves to victory. Experienced steersmen replaced regular steersmen for the day for safety. Outrigger raced crews in 28 events, winning the Regatta with 104 points.

The Club was packed on the evening of the 4th with Outrigger members and guests, and paddlers from many other canoe clubs who were invited for the traditional steak fry, dancing and fireworks that followed.

All of those who participated wished fervently that the 5th of July could have been designated a holiday rather than a back-to-work day.

A new trophy was given this year to the Senior Women's winning crew. Accepting it for Outrigger were Tiare Richert-Finney, Muffer Scully and Mary Franco, as Muriel Flanders, who donated the trophy, looks on.

The Outrigger Senior Men brought home the silver Macfarlane trophy filled with champagne for their winning effort. Paddlers Have Successful Start

All the hard work, sweat, sore muscles and sunburns, paid off as Outrigger paddlers won the first four regattas of the Oahu Hawaiian Canoe Racing Association 1985 season, going over the century mark in all four.

Club crews opened the season in the Kamehameha Regatta at Kailua Beach Park by scoring 102 points. The following week at the Leeward Regatta at Nanakuli Beach Park, OCC teams tallied 106 points. In week three, Outrigger won the Waimanalo Regatta with 108 points and on June 30 scored a season-high 116 points to win the Healani Regatta at Keehi Lagoon.

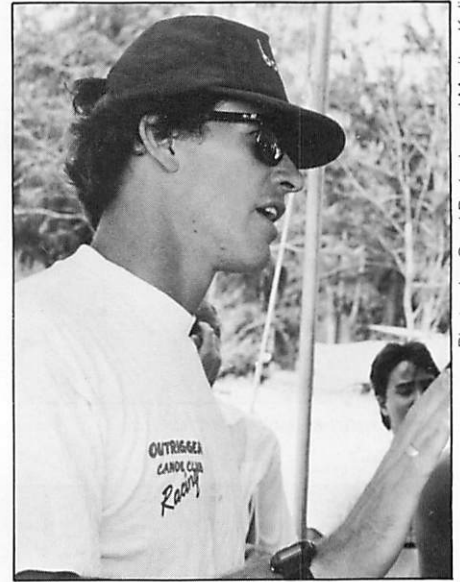

Ten of the Club's crews were undefeated in the first four races—the Boy's 14, 16 and 18's; Girl's 13, 14 and 18's; the Men's Novice B, Sophomore and Senior crews; and the Women's

Junior's.

Many more crews finished first or second in every race including the Women's Freshmen, Senior, Senior Masters, Novice A and B, and Open Four. For the men, first or second places were earned by the Novice A crew.

Coaches Henry Ayau and Walter Guild are extremely proud of all of the paddlers this year, especially the novice crews and new paddlers who have worked so hard and contributed so much to the winning effort.

Results of the John D. Kaupiko Regatta on July 14 at Kaneohe MCAS, the Oahu Championships on July 21 and the State Championships on Aug. 3 will be reported in the September Outrigger.

The Junior Women's crew has had a terrific season so far with four victories. From left, Norma Santiago, Jeanne Jenkins, Muffer Scully, Paula Carbone, Traci Phillips and Sandra Stanley.

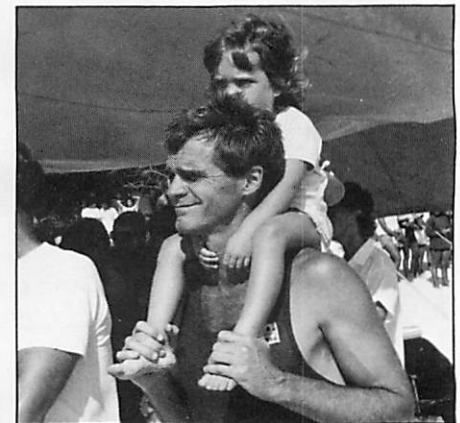

Undefeated in the first four regattas is the Girl's 18 crew. Paddling at the Waimanalo regatta were Mia Kresser, Shannon Boyd, Melissa Wheelless, Katie McCrary, Sara Ackerman and Kimmie Merrill. Starter Karl Heyer IV rides in after starting the race.

Winning their first race was a big thrill for the Women's Novice B crew at Waimanalo. Members of the crew are Jill Cheever, Terri Pynchon, Kim McKenzie, Deborah Sheffield, Janis McPheeters, Barbara Baird.

The men's Novice B crew has won four straight victories. Kneeling, Robert Ostrem and Robert Moranha. Standing: Joe Dubiel, Coach Karl Heyer IV, Jim Stahl, Chris McKenzie, Bob Fox, Greg Moss, Dan-Jacque Kaleikini, Mike Town.

The Maunakea 200—Of Mice and Men

Well, it was Memorial Day weekend again, and as always, the Mauna Kea 200 Enduro Motorcycle Race proved to be the race of the year.

This race not only tests the abilities and determination of the riders, but also can weed out the men from the boys in a matter of hours. And by the looks of the final results of this two-day ordeal, OCC has quite a few men. At the conclusion, they were pretty muddy and grimy, but winners nonetheless.

Outrigger entered two teams of three men each. The first team included Kala "Rock" Judd, Walter "I'll Be Right Back" Guild, and Brant "Elton" Ackerman. The second team included Kevin "Mini Moke" Olds, Steve "Stinky" Quinn and "Young Man" Beaumont.

Due to mechanical troubles and one trail that they'll never forget, Team Two had a little trouble at the finish line.

But Team One, cheered on by Mama Finney and the Racettes, rode away with all the honors. Through thick mud and thin straight-aways, they hung in there together, and somehow managed

Tiare Finney

Outrigger's Mauna Kea racers were John Beaumont, Kala Judd, Kevin Olds, Robby Bright, Steve Quinn, Walter Guild and Brant Ackerman.

to beat the rest of the pack. It was no easy feat either, as littered bikers and their machines laid strewn across the 200-mile course.

Our congratulations to Team One which won the Overall Team Trophy. Kala Judd won first place in the Open Class—251 cc's and third place overall.

Walter Guild was second in the Open Class—251 cc's and tied for sixth overall. Brant Ackerman placed third in the 200 cc's and tied with Walter for sixth overall.

It was a challenging race for our guys to enter and yet finish so well. They're all looking forward to next year.

Outrigger Softball Wins Hana Tourney

By Dave Pierson

The OCC softball team traveled to Heavenly Hana for the 1st annual Hana Invitational Tourney and captured the championship by sweeping four straight games in less than 20 hours.

Rankin Kaanoi, our newest team member, swept the individual honors by hitting a tremendous .650 (13 for 20), scoring 10 times and making consistent great plays in centerfield.

Outrigger's defense has never played four such fine games as the infield of Mike Eichton at third base, Nolan Ramirez at shortstop, Dan West and Colin Chock at second base, and Hank Ayau at first "ate up" everything hit their way.

The outfield of Rick Conroy, Kaanoi, Bill Breeden, Guy Jennings and Johnny Mounts did not allow a long ball in four games to get past them.

Coach Bill Head and Dave Pierson divided the pitching, each winning two games. Additional hot hitters for the

tourney were Pierson (.625, with 5 for 8), Jennings (.600, 3 for 5), Ramirez (.500, 10 for 20) and West (.461, 6 for 13).

The game scores were as follows: OCC 18, Hana Hawaiians 6; OCC 19, Keanae 8; semifinal, OCC 8, Kamanas 2; championship, OCC 7, Eleu Sons of Hana 4. These are the facts, here is the "rest of the story—almost."

Carl Lindquist and his lovely wife, Rae, the Hotel Hana, the hotel staff, opponents and their families, "Tiny" of Tiny's Hana Tours, plus all the people of Hana and Keanae gave the OCC team the royal treatment from touchdown to takeoff.

We will be forever indebted to Carl and Rae and all of their friends for a weekend which will remain in our hearts as one of the classics of all time.

The post-tournament party on a moonlit private bay flowed with friendship as well as food and one or two thousand beers. The Lindquists hosted the OCC at their beautiful

plantation home for Sunday morning cocktails and then drove us all to a picnic at the ancient Hawaiian heiau and agricultural park on the Hana coastline for more fellowship and singing.

Trophy Missing?

Has anyone seen the Duke Kahanamoku Trophy for the State Sand Doubles Volleyball Championships? It was last seen at the awards banquet in August, 1982.

The trophy is about three-feet high, silver, has a wood base, and silver plates carry the names of all the winners since the tournament began around 1968.

A search of the Club premises has not revealed the trophy and the Volleyball Committee would like to have it for this year's tournament. If you have any information about the trophy please contact Cline Mann.

Na Wahine O Ala Wai '85

By Joan Ka au'a

It's the month of August and time once again for our Masters Women's fun sprint regatta at the Diamond Head end of the Ala Wai Canal.

This crazy event will take place on Sunday morning, August 11, with some 60 plus Masters paddlers from six OH CRA member clubs. The wahines draw for crews and decide which paddler will stroke, steer and sit in between.

By the "rules," if you can call them that, each seat in the canoe is occupied by a paddler from a different club.

What is so surprising to many is the swift adaptation to different paddling techniques, and just how serious these women are about winning their ¼ mile sprints!

After several sprints, the crews with the fastest times race off for the championship. At the party held afterwards, there will be delicious pupus, lots to drink, singing and laughter and awards will be given.

Know Your Board Member—Bob Vieira

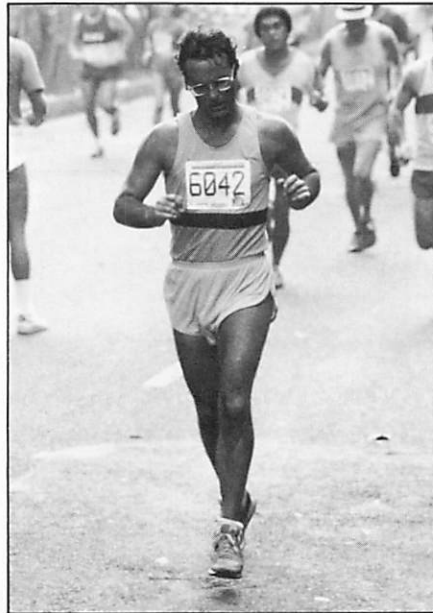

By Mary Lou Holbrook

Bob Vieira is an active Board of Directors member. Over the last six years, he has served as coordinating director of the Club's major committees.

An island boy, his roots trace back through three generations of Portuguese ancestry. His mother was from Kona, and his late father Al, was from Honolulu. Like many of today's junior members, he received his membership through his parents, and has grown up with the Club. At the "old" Club, his close friends called him Bobby, a nickname that's been hard to shake.

Nostalgia set in when I asked him about some of the fun times he had as a boy at the old Club. Steering canoes on big waves with buddies Al Lemes, Pete Balding, "Madman" Russell and others was a hair-raising experience.

Riding the "ama" of the sailing canoe six feet above the surface of the ocean at breakneck speeds was commonplace. The thrill of pearl diving straight to the bottom when catching a

Bob Vieira running in Marathon.

large wave in the skinny "Samoan" canoe was beyond belief.

Do you remember Richard at the snack bar doing that weird Balinese dance while cooking corned beef and rice for the gang?

Turkey Love, Blue Makua and Rabbit Kekai coached many of the younger members in the art of surfing and canoeing. On a good day, a big canoe steered by these legends and filled with pink tourists, could make it all the way in from First Break to the sands fronting the club. This magnificent playground was home to Bob and his friends then, and for the years that followed.

Bob was educated at Punahou School, the University of Washington (BA) and recently received an MBA from Chaminade University. He has served in the United States Army, reaching the rank of Captain. He worked several years for HC&D, and has spent the last 23 years at Hawaiian Electric Co., Inc., where he currently holds the position of Director of Purchasing. An exciting new on-line computer project for materials management is now under his direction at HECO.

This year, Bob's duties are those of Coordinating Director of the House Committee.

One of Bob's dreams is to construct a new first-rate physical fitness center at the Club. This center could offer Nautilus, free weights, aerobics classes and qualified instructions for all age groups. He believes many members would benefit from such a facility.

Staying in good physical condition is high on his list, with two triathlons and five marathons to his credit.

Another ambition is the creation of a video tape orientation program for new members. This could provide a background of the Club's fascinating history and discuss information that all new members need to know when joining.

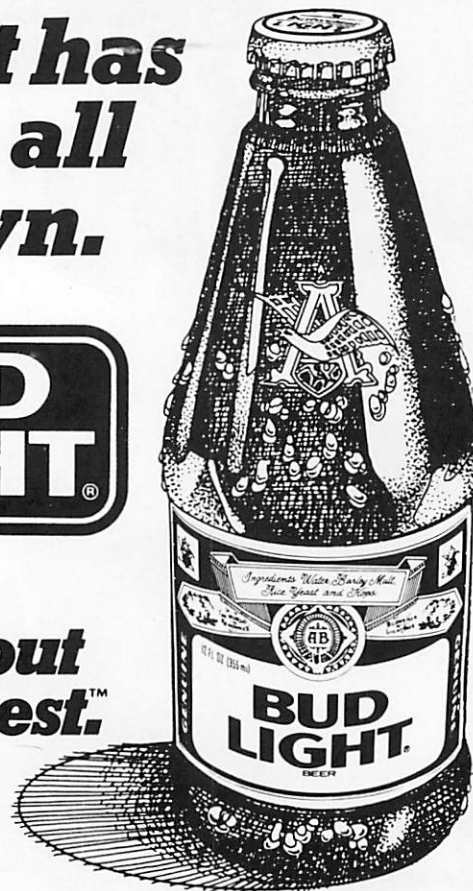

Bob, his wife Marianna, and his grown children Susu Rolles and Steve Vieira, all enjoy membership.

The Outrigger Canoe Club is like an "Ohana" according to Bob, with wonderful friends, superb food, an aura of warmth and friendliness, and characterized by an old Hawaiian saying, "Me ke aloha pumehana" (with warm affection).

A Great Day for the Golfers

By Hal Mehlberg

Outrigger golfers had one of those memorable days at Kanehoe Marine Corps Air Station on June 14th. They enjoyed a beautiful sunny day, a fine golf course and sociable golfing partners.

A total of 57 players cavorted on the greens and many stayed for the presentation of the awards. The 57 players included a fine representation of 10 ladies.

John Melin was the low scorer for the day with an 80 while Anita Fleischaker snagged the ladies low with a 92.

The other winners:

There were also five Sunday Night Buffet dinners awarded to the members present who had not won a prize for the day. Outrigger golfers are beginning to learn that it pays to stay for the award ceremonies.

Alex Wilson was awarded a special prize for breaking 90 for the first time in his checkered golfing career; he had an 86! His last golf outing was three months or so ago and he had 106 at that time.

Our next tournament will be held on Friday, Sept. 6 at Olomana. A shotgun start has been arranged for which means that all players will start and finish at the same time. There will be pupus and refreshments included in the fees so that it should be a great social gathering.

Look for the bulletin in the lobby and sign up early. See you all there.

Olds to C-1 Championships

Outrigger's Kevin Olds will compete in the National C-1 Canoe Paddling Championships, Aug. 21-24 in Sacramento, Calif. after finishing 8th overall in the western regional competition in West Lake, Ca. in mid-May.

"I didn't do as well as I had hoped," Olds said recently. "I had the flu for six weeks when I should have been training my hardest for the meet but I'm glad that I went. I saw the competition and know that I can do

better in the next meet."

Kevin competes in the 500 and 1000-meter races. He had hoped to be selected for the Western Regional team of six which will compete in the National Sports Festival in Baton Rouge later this summer.

He is also competing for OCC's Junior Men's outrigger canoe paddling team.

Olds' trip to the West Lake trials was sponsored by the Outrigger Foundation.

Roughwater Swim Almost too Rough

By Frank E. Walton

The Seventh Annual Outrigger Invitational Rough Water Swim event on Saturday, June 15, almost became the *cancelled* rough water swim. Why? Because the water was too rough. But wasn't it *supposed* to be a rough water swim? Yes, but not *that* rough. The problem was not with the swimmers, who didn't mind, but that the Club could not risk the escort boats in the heavy seas.

Sooooo, Outrigger Chief Swimming Honcho, Ian Emberson laid out an inside-the-reef course over which the youngsters under 50 were to swim four laps and with the remaining athletes to swim only two laps.

Everything seemed perfectly clear to the 59 swimmers (including 19 wahines) until the start. Then, it appeared that some had difficulty counting to four along with others (19

altogether, who shall be nameless) who found the choppy seas too rough even inside the reef and completed less than the required distance.

Those who slogged through the entire tough course decided to term the early-outs "The High IQ Group" since they were able to be first at the breakfast table which was the usual fine Outrigger spread of gallons of orange juice, scrambled eggs, sausages, hash brown potatoes and sweet rolls.

After all the swimmers had been accounted for, the last gallon of orange juice inhaled and the pans containing the sausages, eggs and hash browns had been wiped clean, the following results were arrived at.

The only thing we can be sure of is that transplanted rough water champ Rick Heltzel was clearly the winner. He took the lead at the start and was never

headed, finishing a quarter of a mile ahead of his nearest competitor.

Following are Outrigger member performances:

Name	Place	Age Group
	Overall	Place
MEN		
Ian Emberson	5	1st 30-34
Jim Caldwell	6	1st 45-49
Harry Huffaker	12	3rd 46-49
Pete Cabanilla	13	3rd 30-34
John Neilson	19	4th 30-34
James Krueger	26	5th 45-49

OVER 50 MEN

George Crandlemire	7	4th 50-59
Lloyd Osborne	9	2nd 70 plus

SPECIAL AWARD: Fred Rohlfing for completing the full four laps of the youngsters' course.

All swimmers, be sure to register for the two-mile ocean race on August 11.

Long Distance Paddling

Outrigger has had an excellent turnout for the long distance paddling season and hopes to field five crews, two women's and three men's, when the season kicks off on Aug. 18.

Both the men's and women's crews will open their season with the Duke Kahanamoku Races, sponsored by Lanikai Canoe Club. The men will race from Magic Island to Kailua (26 miles), followed by the women who will race from Kailua Beach, around Bird Rock, and back five miles.

Outrigger will sponsor the Dad Center race for women on August 24, beginning at the Kailua Boat Ramp and finishing on the beach at Outrigger.

A new race this year will be sponsored by OCC and Kilakila o Hawaii, a canoe club centered at Pokai Bay. The race, open to all clubs, will start outside the Club at the channel entrance, and end at Pokai Bay, a distance of 31 miles.

The schedule:

Members' Equity year-to-date was \$4,045,681. . . . Ten members were suspended for 15 days due to their failure to pay their account on time.

Manager's Report: Consulting fee has been paid and construction will begin on new office air conditioner. Summary of Food and Beverage Departments was presented with poor reports for May. Beverage Operations continue to perform poorly with volume generated being under that of previous period. Manager stated summer months are traditionally better for Bar and volumes should increase. Discussion

was held on slow service on the Hau Terrace.

The O'Brien Corp. will replace glass panes at entrance to Board room. Hawaii Interior Specialists won bid to replace Business Office and Lobby ceiling. . . .

House Report: Action regarding smoking ban in Dining Room has been deferred until the results of the Food and Beverage Survey are tabulated. Requests were made to offer rice and brown gravy and beef stew and rice at the Snack Shop. Snack Shop will open at 7 a.m. on Saturdays on a trial basis.

Athletics/Winged "O": Paddleboard Committee requested that summer 10,000 meter race be changed to a 5,000 meter race. Outrigger team won the Hana Slowpitch Tournament and letter will be sent to Carl Lindquist, General Manager of Hana Maui Hotel, thanking him for the tremendous help he gave Club members. . . .

Public Relations: Committee recommended that Manager set up an orientation "tour" each month for new members. After much discussion Board directed Admissions and Membership Committee to draft a flyer, which would be sent to new members when they are elected, informing them of pertinent information regarding Club and asking them to contact their sponsor should they have any questions. Committee also recommended that \$1 be charged for those members wishing extra copies of *The Outrigger*. The Board wishes to establish a policy whereby free extra copies would be available at the Front Desk but members are only allowed to have one extra copy each if available.

Entertainment: Committee to work with Canoe Racing on August 3 Paddle Ball. Luau is set for August 31 with "Temporarily Talented Night" happening August 16. Family Sportsnight with the emphasis on volleyball with stew and rice dinner following has begun. Dinner Dance,

Halloween Party and St. Patrick's Day events are in the works.

Special Projects: Committee to investigate the possibility of the Club personally taking care of the softball field in Kapiolani Park as an Adopt-A-Park project. . . . *President's Comments:* The problem of members taking alcoholic beverages off of Club premises was addressed with recommendations that staff be more aware of this problem. . . . *Outrigger Foundation:* Board approved Ben Cassidy, Jr. as a new member of the Committee. Discussions are being held with the Duke Kahanamoku Foundation with the idea of merging into the Outrigger Foundation and combining the Foundation names. Approval was given for the design of T-shirts which would be sold at the Macfarlane Regatta on July 4th with proceeds going to the Foundation.

In an effort to give members current actions of the Board of Directors, the above information was taken from a rough draft of the minutes of the June 27 Board meeting and June 13 Executive Committee meeting. Please be advised that from time to time changes may be made. The final minutes will be approved at the Board meeting of July 25th.
