NOTES

To all our friends and faithful customers.

We were delighted to meet and to speak to many of you throughout the year and we thank you for your concern and sympathy after the death of our good friend Robin Reade.

We have known Kate and Robin since childhood, and we were delighted when his family agreed that it would be appropriate to name one of our seedlings in his memory, one of six new introductions.

Robin and Kate were totally dedicated to the daffodil business since 1957 and they made many friends throughout the world.

We wish you all a very enjoyable and successful season as the shows commence for 2003.
