Greetings from Northern Ireland!

Welcome to our 2021 catalogue.

We thought 2019 was a challenging season, but boy was it so much better than 2020 shaped up to be! COVID-19 hit the world – all shows were cancelled, friends were taken too soon, orders were significantly down, employees were not allowed on site and the kids were home-schooled! It is definitely one we will remember. On the plus side we have spent time working on 'new' projects as a family; we can now Zoom/Team like a boss; we hosted a very successful Virtual Show that we continue this year (due to the ongoing restrictions most 2021 shows are already cancelled); and the kids learned some tech time while learning 'on the job' helping us on the farm.

We do see some light at the end of the tunnel as vaccines are rolled out and with Northern Ireland having one of the highest vaccine rates it shouldn't be too long before we're allowed to venture into halls/community spaces to be able to deliver talks to gardening groups or to sell bulbs at local plant fairs again, if we remember how!

Meanwhile, we have a 'host' of new daffodils to whet your appetites, from miniatures to standards; whites to reds; Div 1s to 11s and everything in between, so you're bound to find something you like!

We hope you enjoy some distraction from life while looking through our 2021 catalogue and hope to see you as we return to a normal 2022 show season!

**Dave and Jules Hardy**

Unfortunately, due to COVID-19 restrictions, we are unable to extend our usual warm greetings to those wishing to visit during the flowering season, hopefully 2022 will see us welcome visitors back.

All our bulbs can come supplied with a Phyto-sanitary certificate issued by DAERA, if required.

**Our European Community Quality Plant Passport Number is UK/NI 8401.**

*Dispatch of bulbs is September/October, in strict chronological order of paid receipt, unless you specifically request otherwise.*

If you require any further information or assistance; or indeed have any suggestions or requests, feel free to contact us using our Facebook page - via messenger; email or telephone.

Each daffodil name is followed by a letter to indicate the approximate time of flowering.

**VE** = very early; **E** = early; **M** = mid-season; **L** = late; **VL** = very late **AF** = Autumn Flowering.

The raiser's name is shown in brackets, followed by the parentage and original seedling number.

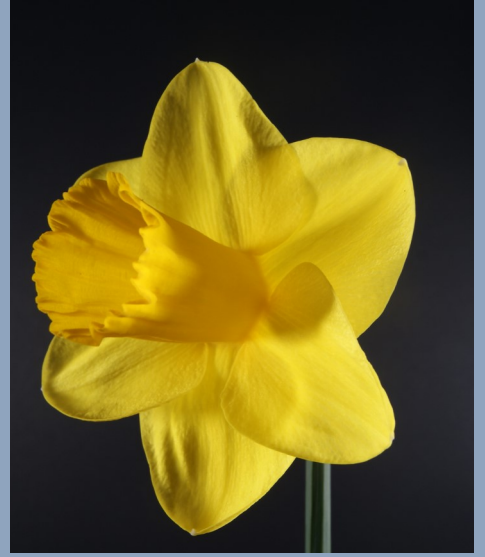

All our varieties have been registered with The Royal Horticultural Society and the classification and colour code is shown in the left margin. For full RHS Classification details see website.

Esker Farm Daffodils wishes to acknowledge, with thanks, those who kindly supplied photographs: Kirby Fong, BS Duncan, Derrick Turbitt, Tom Stettner, Nial Watson, Ben Blake, Ian Scroggy & Michael Baxter.
