

<b>ORNAMENTAL CONIFERS</b>			
<b>Key to sizes: G = Ground cover S = up to 3m M = up to 6m L = 10m and beyond</b>			
<b>Please note that some of the conifers listed below are imported and are only available September to May</b>			
<b>PLANT NAME</b>	<b>ULTIMATE HEIGHT</b>		<b>DESCRIPTION (Flower. Foliage)</b>
<b>ABIES (SILVER FIR)</b>			
Abies balsamea 'Nana'	S		Rounded bush with deep green foliage
Abies balsamea 'Piccolo'	S		Dark-green miniature conifer, with a globular shape
Abies concolor	M		Horizontally tiered branches, bluish-green, pyramidal crown
Abies concolor 'Archer's Dwarf'	M		Compact rounded habit. Powder blue foliage.
Abies koreana (Korean Fir)	M		Purple cones when young
Abies koreana 'Compact Dwarf'	S		Compact habit. Green needles.
Abies koreana 'Oberon'	M		A wide pyramid shaped conifer with dark green foliage
Abies koreana 'Silver Curls'	M		Dark-green needles, curled showing attractive silvery underside
Abies lasiocarpa 'Compacta'	S		Silvery-blue in colour, growing into a small pyramid
Abies nordmanniana	M		Slow growing pyramid with dark-green needles
Abies procera 'Glauca'	M		Strong foliage, one of the best for blue colour
Abies procera (Noble Fir)	L		Blue-grey foliage, huge cones
<b>ARAUCARIA (MONKEY PUZZLE)</b>			
Araucaria araucana	L		Long, spidery branches
<b>CALO CEDRUS (INCENSE CEDAR)</b>			
Calocedrus decurrens	L		Distinctive, columnar habit
<b>CEDRUS (CEDAR)</b>			
Cedrus atlantica glauca	L		Intense-blue foliage
Cedrus atlantica 'Glauca Pendula'	M		Hanging, blue foliage
Cedrus deodara	L		Long needles on pendulous branches
Cedrus deodara 'Aurea'	L		Golden yellow foliage at its best in spring and summer
Cedrus deodara 'Feelin' Blue'	S		Neat, weeping dwarf cedar. Bright blue foliage in spring/summer
Cedrus deodara 'Golden Horizon'	L		Bright yellow with arching branches
Cedrus libani	M		Wide-spreading, horizontal branches
Cedrus libani 'Glauca'	L		Wide-spreading, dark grey-blue foliage
Cedrus libani 'Glauca Pendula'	L		Pendulous, dark grey-blue foliage

CHAMAECYPARIS (FALSE CYPRESS)			
Chamaecyparis lawsoniana 'Allumi'	M		Golden foliage and broad conical shape
Chamaecyparis lawsoniana 'Allumi Gold'	M		Golden foliage and broad conical shape
Chamaecyparis lawsoniana 'Broomhill Gold'	S-M		Dense, golden pillar
Chamaecyparis lawsoniana 'Chilworth Silver'	S		Small, broad column of silvery-blue
Chamaecyparis lawsoniana 'Columnaris'	M		Narrow, blue column
Chamaecyparis lawsoniana 'Columnaris Glauca'	M		Upright blue cone
Chamaecyparis lawsoniana 'Ellwoodii'	M		Column of grey-green, blue-green in winter
Chamaecyparis lawsoniana 'Ellwoods Empire'	M		Golden foliage
Chamaecyparis lawsoniana 'Ellwood's Gold'	S		Yellow-tinged small column
Chamaecyparis lawsoniana 'Ellwood's Golden Pillar'	S		Rounded tight version of the above
Chamaecyparis lawsoniana 'Ellwood's Pillar'	S		Tight green column
Chamaecyparis lawsoniana 'Ellwood's Treasure'	S		Frothy light golden and green variagation
Chamaecyparis lawsoniana 'Erecta Viridis'	M		Dark green, upswept branches
Chamaecyparis lawsoniana 'Flecklewood'	M		Variegated dark green and golden-yellow
Chamaecyparis lawsoniana 'Fletcherii'	M		Dark green with a tinge of yellow
Chamaecyparis lawsoniana 'Gold Pot'	S		Dwarf rounded habit, very gold
Chamaecyparis lawsoniana 'Golden Wonder'	M		Golden-yellow foliage
Chamaecyparis lawsoniana 'Greyswood Feather'	M		Neat green column
Chamaecyparis lawsoniana 'Little Spire'	M		Green with slightly contorted foliage, upright habit
Chamaecyparis lawsoniana 'Minima Aurea'	S		Small rounded, compact, bush with golden foliage
Chamaecyparis lawsoniana 'Minima Glauca'	S		Green, rounded and compact habit
Chamaecyparis lawsoniana 'Nana Albospica'	S		Small tight creamy dome
Chamaecyparis lawsoniana 'Pembury Blue'	M		The bluest lawson cypress, conical habit
Chamaecyparis lawsoniana 'Golden Pottenii'	M		Soft gold foliage
Chamaecyparis lawsoniana 'Pygmea Argentea'	S		Compact green foliage with light golden tips
Chamaecyparis lawsoniana 'Silver Threads'	S		Green with fecks of pale yellow
Chamaecyparis lawsoniana 'Snow White'	S		Beautiful growth, green-blue foliage with neat yellow tips
Chamaecyparis lawsoniana 'Stardust'	M		Sulphur-yellow foliage, pyramidal habit
Chamaecyparis lawsoniana 'Summer Snow'	S		Green and yellow variegated "shabby" foliage
Chamaecyparis lawsoniana 'Tamariscifolia'	S		Flat-topped with weeping habit
Chamaecyparis lawsoniana 'Ven Pelt's Blue'	M		Excellent dark-blue column
Chamaecyparis lawsoniana 'White Spot'	M		Green foliage with whitish tips, conical habit
Chamaecyparis lawsoniana 'Yellow Transparent'	S		Frothy yellow foliage
Chamaecyparis lawsoniana 'Yvonne'	S		Upright and brilliant yellow, even in mid-winter
Chamaecyparis nootkatensis 'Pendula'	M		Upright tree with hanging branchlets
Chamaecyparis obtusa 'Crippsii'	M		Golden-yellow foliage, conical habit
Chamaecyparis pisifera 'Boulevard'	M		Steel-blue, feathery foliage, conical habit

Chamaecyparis pisifera 'Filifera Aurea'	S		Beautiful yellow filamentous foliage
Chamaecyparis pisifera 'Filifera Aureovariegata'	S		Tread-like foliage with bright yellow variegation
Chamaecyparis pisifera 'Nana'	S		Flat, round habit. Light green
Chamaecyparis pisifera 'Nana Aureovariegata'	S		Light green and yellow variegated flat round conifer
Chamaecyparis pisifera 'Plumosa 'Aurea'	M		Bronze-yellow foliage
Chamaecyparis pisifera 'Plumosa 'Compressa'	S		Slow growing pale golden ball
Chamaecyparis pisifera 'Plumosa 'Juniperoides'	S		Compact with yellow-green foliage
Chamaecyparis pisifera 'Sungold'	M		Bright-yellow, threadlike foliage
Chamaecyparis pisifera 'Squarrosa Sulphurea'	S		Bright white-cream when in show
Chamaecyparis thuyoides 'Ericoides'	S		Heather-like foliage, red-purple in winter
Chamaecyparis thuyoides 'Rubicon'	S		Architectural grey-blue foliage turning reddish in winter
<b>CRYPTOMERIA (JAPANESE CEDAR)</b>			
Cryptomeria japonica 'Elegans'	M		Red-bronze foliage in autumn/winter
Cryptomeria japonica 'Elegans Aurea'	M		Great winter colour with a golden flush in spring
Cryptomeria japonica 'Elegans Compacta'	S		Compact growth with fabulous red tones in winter
Cryptomeria japonica 'Vilmoriniana'	S		Dark green ball, reddish in winter
<b>CUPRESSUS (CYPRESS)</b>			
Cupressus arizonica 'Blue Ice'	M		Steely-blue foliage, upright habit
Cupressus macrocarpa 'Goldcrest'	M-L		Bright gold, vigorous columnar habit
Cupressus sempervirens 'Stricta'	M		Slender, dark green column
<b>X CUPRESSOCYPARIS (LEYLANDII)</b>			
x Cupressocyparis leylandii	L		Green, upright, vigorous
x Cupressocyparis leylandii 'Castlewellan Gold'	L		Fast growing dense evergreen conifer with golden foliage
<b>GINKGO (MAIDENHAIR TREE)</b>			
Ginkgo biloba	L		Fan-shaped leaves turn clear-yellow in autumn. Deciduous
<b>JUNIPERUS (JUNIPER)</b>			
Juniperus chinensis 'Blue Alps'	S		Pendulous blue foliage
Juniperus chinensis 'Pyramidalis'	M		Prickly, steel-blue foliage, pyramidal habit
Juniperus chinensis 'Kuriwao Gold'	S-M		Green and gold variegation, spiky spreading habit
Juniperus chinensis 'Stricta'	S		A slender pyramidal tree with steel-blue foliage
Juniperus communis 'Compressa'	S		Compact plant. Neat green foliage
Juniperus communis 'Depressa Aurea'	G		Golden-yellow young growth
Juniperus communis 'Green Carpet'	G		Dark green spreader
Juniperus communis 'Hibernica'	M		Neat, column of blue-grey foliage
Juniperus communis 'Hornibrookii'	G		Ground hugging, grey-green foliage
Juniperus communis 'Repanda'	G		Prostrate, deep-green foliage
Juniperus communis 'Suecica'	L		Tall, neat, columnar. Green foliage.
Juniperus conferta	G		Vibrant green needles

Juniperus conferta 'Blue Pacific'	G	Blue needles
Juniperus conferta 'Schlager'	G	Forms dense mat of slightly prickly bluish green foliage
Juniperus davurica 'Expansa Variegata'	G	Groundcover. Green splashed with white variegataion
Juniperus horizontalis 'Blue Chip'	G	Prostrate form with bright blue foliage
Juniperus horizontalis 'Grey Pearl'	G	Blue grey compact spreader with erect shoots
Juniperus horizontalis 'Hughes'	G	Valuable ground cover. Smokey blue
Juniperus horizontalis 'Prince of Wales'	G	Dense, bright green mat
Juniperus horizontalis 'Turquoise Spreader'	G	Lovely turquoise colour and attractive shape
Juniperus horizontalis 'Wiltonii'	G	Lowest growing of all Juniper plants. Silver-blue
Juniperus horizontalis 'Youngstown'	G	Winter colour and vibrant green in summer
Juniperus x media 'Carberry Gold'	S	Semi prostrate, creamy-yellow foliage
Juniperus x media 'Gold Coast'	S	Semi prostrate, persistant golden-yellow foliage
Juniperus x media 'Gold Star'	S	Golden conifer of compact, spreading habit
Juniperus x media 'Mint Julep'	S	Semi prostrate, green foliage with a minty fragrance
Juniperus x media 'Old Gold'	S	Fine yellow winter colour
Juniperus x media 'Pfitzeriana Aurea'	M	Wide-spreading with golden foliage
Juniperus x media 'Sulphur Spray'	S	Fantastic sulpher-yellow colour
Juniperus procumbens 'Nana'	G	Dense grey-green, prostrate habit
Juniperus sabina var. tamariscifolia	G	Wide-spreading, flat-topped, bright green bush
Juniperus sabina 'Blue Danube'	G	Strong growing grey-green foliage
Juniperus scopulorum 'Blue Arrow'	M	Narrow, erect column of steely blue
Juniperus scopulorum 'Skyrocket'	M	Narrow, erect column of steely blue
Juniperus squamata 'Blue Carpet'	G	Prostrate, blue-grey foliage
Juniperus squamata 'Blue Star'	G	Compact bush of intense blue foliage
Juniperus squamata 'Holger'	G	Sulpher-yellow in the summer
Juniperus squamata 'Hunnertorp'	G	Vigorous. Prostrate blue-green foliage
Juniperus squamata 'Meyeri'	M	Needles are a wonderful grey-blue
Juniperus virginiana 'Grey Owl'	M	Wide-spreading, silvery-grey foliage
<b>LARIX (LARCH)</b>		
Larix x eurolepis	L	A fast growing tree with glaucous needles
Larix decidua	L	Deciduous. Scented grass-green needles. Autumn colour
Larix kaempferi	L	Vigorous, deciduous. Green needle foliage, russet in Nov.
<b>METASEQUOIA (DAWN REDWOOD)</b>		
Metasequoia glyptostroboides	L	Deciduous, conical tree with cinnamon bark
<b>MICROBIOTA (SIBERIAN CARPET CYPRESS)</b>		
Microbiota decussata	G	Green capet, turning chocolate-brown in winter

<b>PICEA (SPRUCE)</b>			
Picea abies 'Acrocona'	M		bright red cone-like scales
Picea abies 'Little Gem'	S		Dome-shaped, lime green foliage
Picea abies 'Nidiformis'	S		Dense, rounded bush with horizontal branches
Picea breweriana	M		Beautiful, weeping habit
Picea glauca albertiana 'Conica'	S		Small, dense cone of grass-green foliage
Picea omorika	L		Narrow spire with downswept branches
Picea pungens 'Glauca'	M		Popular Blue Spruce
Picea pungens 'Koster'	M		Stiff, conical, intense blue needles
<b>PINUS (PINE)</b>			
Pinus cembra	M		Conical, furnished to the ground
Pinus contorta 'Spaan's Dwarf'	S		Stiff, short dark green needles and an open habit
Pinus densiflora 'Alice Verkade'	S		Spreading plant of compact habit. Dense, grass green foliage
Pinus densiflora 'Jane Kluis'	S		Noticeably tufted, lime green foliated pine. Compact
Pinus densiflora 'Umbraculifera'	S		forms a low, wide dome shaped plant with rich green needles
Pinus leucodermis 'Compact Gem'	S		Compact habit with lush green needles
Pinus leucodermis 'Satellit'	S		Dark green with upswept branches
Pinus mugo	S		Long dark green needles
Pinus mugo 'Carsen's Wintergold'	S		Dwarf with rich deep golden-yellow winter foliage
Pinus mugo 'Gnom'	S		A dense mound of green foliage
Pinus mugo 'Mops'	S		Dwarf, globular bush
Pinus mugo 'Mughus'	S		Dark green foliage, rigid and curved up to 1.2m
Pinus mugo 'Ophir'	S		Dwarf, globular bush, golden needles in winter
Pinus mugo var pumilio	S		Spreading, mounded pine
Pinus nigra	L		Dense spreading branches, fast growing when young
Pinus nigra 'Maritima'	L		Open habit with grey-green foliage
Pinus nigra ssp nigra	L		Fast and bushy when young
Pinus pumila 'Glauca'	S		Irregular globose form, blue-grey needles
Pinus strobus	S		small blue round decorative pine
Pinus sylvestris	L		Our only native pine
Pinus sylvestris 'Watereri'	S		Slow-growing, rounded bush, short grey needles
Pinus wallichiana	L		Long, slender bluish needles, long cones
<b>PODOCARPUS</b>			
Podocarpus lawrencii 'Blue Gem'	S		A low, densely branched plant with dark blue-green leaves
Podocarpus totara 'Kilworth Cream'	S		Cream foliage, dwarf upright habit
Podocarpus totara 'Red Tip'	S		Dwarf glaucous bush, wine red tips
<b>SCIADOPITYS (JAPANESE UMBRELLA PINE)</b>			
Sciadopitys verticillata	M		Unique foliage

<b>SEQUIADENDRON (GIANT REDWOOD)</b>			
Sequoiadendron giganteum	L		Foliage is dark green-grey in colour with spongy-red bark
<b>TAXODIUM (SWAMP CYPRESS)</b>			
Taxodium distichum	L		Deciduous, reddish-brown bark, autumn colours
<b>TAXUS (YEW)</b>			
Taxus baccata	L		Dark green foliage
Taxus baccata 'Corley's Copper Tip'	G		Spreading branches, copper-coloured needles
Taxus baccata 'David'	M		Compact yellow column
Taxus baccata 'Dovastonii Aurea'	L		Upright in habit with spreading tiered branches. Golden yellow
Taxus baccata 'Fastigiata'	L		Dark green foliage, upright habit
Taxus baccata 'Fastigiata Aurea'	L		Upright habit with golden foliage
Taxus baccata 'Fastigiata Robusta'	L		Good strong dark green narrow column
Taxus baccata 'Repandens'	G		Spreading branches
Taxus baccata 'Semperaurea'	M		Spreading golden foliage
Taxus baccata 'Standishii'	S		Very slow-growing, golden column
Taxus baccata 'Summergold'	G		Spreading branches, golden-yellow needles
Taxus x media 'Hicksii'	L		Bushy habit. Bright red berries
<b>THUJA (WESTERN RED CEDAR)</b>			
Thuja occidentalis 'Brabant'	M		Dense conical form. Bright green foliage
Thuja occidentalis 'Danica'	S		Rounded, neat habit. Green foliage.
Thuja occidentalis 'Globosa'	S		Yellow, ribbon-like foliage. Rounded habit.
Thuja occidentalis 'Golden Globe'	S		Yellow-green foliage even through winter. Rounded habit
Thuja occidentalis 'Hetz Midget'	S		Tight green ball of architectural interest
Thuja occidentalis 'Holmstrup'	M		Narrow, conical tree with dense, dull green foliage
Thuja occidentalis 'Hoveyii'	S-M		Light green rounded shape
Thuja occidentalis 'Rheingold'	S		Compact cone of coppery-gold
Thuja occidentalis 'Smaragd'	M		Narrow, conical tree with shiny, deep green foliage
Thuja occidentalis 'Sunkist'	S-M		Yellow foliage which smells of orange when crushed
Thuja occidentalis 'Tiny Tim'	S		Neat ball of light green foliage
Thuja occidentalis 'Yellow Ribbon'	M		Upright golden foliage
Thuja orientalis 'Aurea Nana'	S		Neat golden rounded ball
Thuja orientalis 'Pyramidalis Aurea'	M		Golden foliage, columnar habit
Thuja orientalis 'Rosedalis'	S		Needle-like leaves. Very rounded with showy colours
Thuja plicata 'Aurea'	M		A pyramid of rich, old gold, bronzing in winter
Thuja plicata 'Dura'	L		Very hardy, vigorous. Green foliage
Thuja plicata 'Excelsa'	L		Excellent hedging plant. Green foliage
Thuja plicata 'Gelderland'	L		Bright green form.bushy habit good hedge
Thuja plicata 'Martin'	L		Dark glossy green foliage. Fastigiate form

<b>THUJOPSIS (HIBA WOOD)</b>			
Thuja dolabrata	M		Broad, conical tree with chunky foliage
Thuja dolabrata 'Variegata'	M		Broad, conical tree with chunky creamy-white foliage
<b>TSUGA (HEMLOCK)</b>			
Tsuga canadensis	L		Pyramidal habit often broad-based. Dark green
Tsuga canadensis 'Jeddeloh'	S		Light green, semi-weeping form
Tsuga canadensis 'Pendula'	M		Low mound of overlapping hanging branches
Tsuga heterophylla	M		Narrowly conical with attractive flat needle-like foliage

<b>HEATHERS</b>			
<b>NB: Heathers are subject to seasonal availability (generally from September to May)</b>			
<b>PLANT NAME</b>	<b>ULTIMATE HEIGHT</b>	<b>SEASON OF INTEREST</b>	<b>DESCRIPTION (Flower. Foliage)</b>
<b>CALLUNA (Acid soil)</b>			
Calluna vulgaris 'Alexandra'	30cm	Aug-Nov	Deep crimson. Upright habit
Calluna vulgaris 'Alicia'	35cm	Winter	White
Calluna vulgaris 'Amethyst'	30cm	Aug-Jan	Purple-crimson with dark green foliage
Calluna vulgaris 'Amilto'	40cm	Aug-Sept	Deep magenta flowers with yellow foliage in summer
Calluna vulgaris 'Annemarie'	40cm	Jul-Oct	Double deep-pink flowers
Calluna vulgaris 'Anthony Davis'	45cm	Jul-Oct	Grey-green foliage with white flowers
Calluna vulgaris 'Beoley Gold'	35cm	A.Y.R	Golden foliage throughout the year. White flowers
Calluna vulgaris 'Blazeaway'	40cm	A.Y.R	Yellow-green summer growth turning copper red. Mauve flowers
Calluna vulgaris 'Bonfire Brilliance'	35cm	Aug-Sept	Lilac-pink flowers. Yellow foliage in summer turning to orange/red
Calluna vulgaris 'Boskoop'	30cm	A.Y.R	Golden foliage with a winter display of red/orange. Purple flowers
Calluna vulgaris 'Cottswood Gold'	40cm	Aug-Sept	White flowers. Bright yellow foliage throughout the year
Calluna vulgaris 'County Wicklow'	30cm	Aug-Sept	Smothered in shell-pink flowers. Compact habit
Calluna vulgaris 'Cuprea'	25cm	Winter	Copper foliage with light mauve flowers
Calluna vulgaris 'Dark Beauty'	30cm	Aug-Oct	Blood-red semi double flowers
Calluna vulgaris 'Darkness'	25cm	Aug-Sept	Rich crimson flowers in dense spikes. Compact
Calluna vulgaris 'Dirry'	30cm	Aug-Oct	Lilac-pink flowers with dark green foliage
Calluna vulgaris 'Elsie Purnell'	45cm	Aug-Oct	Double pink flowers with silver effect. Taller growing
Calluna vulgaris 'Firefly'	40cm	A.Y.R	Mauve flowers. Foliage brick red in winter
Calluna vulgaris 'Flamingo'	40cm	Spring	Dull until it explodes into a riot of brilliant red-tipped shoots
Calluna vulgaris 'Foxii Nana'	15cm	Aug-Sept	Tight dark green, 'pin cushions' produce mauve flowers
Calluna vulgaris 'Fred J. Chapple'	40cm	Aug-Oct	Lilac-pink. Foliage tipped with red, cream and pink in spring
Calluna vulgaris 'Glenfiddich'	35cm	Aug-Sept	Mauve flowers with light feathery foliage, striking in winter
Calluna vulgaris 'Gold Haze'	45cm	A.Y.R	Golden foliage. White flowers
Calluna vulgaris 'Golden Hamilton'	20cm	Aug-Sept	Golden foliage A.Y.R. Deep pink flowers
Calluna vulgaris 'Golden Turret'	30cm	Aug-Sept	Light golden foliage. White flowers
Calluna vulgaris 'H.E. Beale'	45cm	Aug-Oct	Double pink. Taller habit
Calluna vulgaris 'Humpty Dumpty'	10cm	Aug-Sept	Parsley shaped light green foliage. White flowers
Calluna vulgaris 'J.H. Hamilton'	20cm	Aug-Oct	Deep pink flowers. Compact and low growing
Calluna vulgaris 'Jan Dekker'	15cm	Aug-Sept	Amethyst flowers

Calluna vulgaris 'Joy Vanstone'	40cm	Aug-Sept	Gold foliage turning to orange/bronze. Lavender flowers
Calluna vulgaris 'Kerstin'	30cm	A.Y.R	Foliage colour changes throughout the year
Calluna vulgaris 'Kinlochruel'	25cm	Summer	Double white. Compact habit
Calluna vulgaris 'Mousehole'	20cm	Aug-Sept	A pin-cushion cultivar. Flowers few and of pale mauve
Calluna vulgaris 'Mrs. Pat'	40cm	Aug-Sept	Light green foliage with pink tips. Light mauve flowers
Calluna vulgaris 'Multicolour'	15cm	A.Y.R	Displays a variety of colours throughout the year. Flowers mauve
Calluna vulgaris 'My Dream'	35cm	Aug-Oct	White with a tinge of pink. Taller habit
Calluna vulgaris 'Peter Sparkes'	35cm	Aug-Oct	Deep rose-pink
Calluna vulgaris 'Red Fred'	35cm	Aug-Sept	Lilac-pink flowers with mid-green foliage. Brilliant red new growth
Calluna vulgaris 'Red Haze'	45cm	A.Y.R	Foliage yellow in summer, dark red in winter. Lavender flowers
Calluna vulgaris 'Red Star'	40cm	Aug-Oct	Almost red double flowers. Taller form
Calluna vulgaris 'Robert Chapman'	45cm	A.Y.R	Fantastic foliage. Yellow in summer the orange to red in autumn.
Calluna vulgaris 'Ruby Slinger'	25cm	Aug-Oct	White flowers with cream tips in spring
Calluna vulgaris 'Salmon Leap'	25cm	Aug-Sept	Semi prostrate. Light green pinkish-gold tinge. Mauve flowers
Calluna vulgaris 'Serlei Aurea'	35cm	Aug-Oct	Upright, well shaped. Yellow foliage A.Y.R. White flowers
Calluna vulgaris 'Silver Knight'	35cm	Aug-Oct	Woolly grey foliage and lavender flowers
Calluna vulgaris 'Silver Queen'	35cm	Aug-Oct	Silver-grey foliage with swirling shoots. Mauve flower
Calluna vulgaris 'Sir John Carrington'	35cm	A.Y.R	Foliage colour changes throughout the year
Calluna vulgaris 'Sister Anne'	15cm	Aug-Sept	Woolly grey-green foliage and pale mauve flowers. Compact
Calluna vulgaris 'Spitfire'	30cm	Aug-Oct	Distinct yellow foliage becoming darker in winter. Mauve flowers
Calluna vulgaris 'Spring Cream'	35cm	Summer	Covered in cream shoots in early summer. Single white flowers
Calluna vulgaris 'Spring Torch'	40cm	Spring	Red shoots during spring cover green foliage. Mauve flowers follow
Calluna vulgaris 'Tib'	30cm	July-Oct	Double heliotrope flowers, dark green foliage. Spreading habit
Calluna vulgaris 'Velvet Fascination'	45cm	Aug-Sept	White flowers on silver-grey foliage. Erect habit
Calluna vulgaris 'White Lawn'	15cm	Aug-Sept	Compact form with green foliage and prostrate habit. White flowers
Calluna vulgaris 'Wickwar Flame'	45cm	Aug-Sept	Lavender flowers
Calluna vulgaris 'Winter Chocolate'	30cm	Winter	Young growth display colours of yellow and pink. Lavender flowers
<b>DABOECIA (Acid soil)</b>			
Daboecia cantabrica 'Alba'	45cm	June-Sept	Pure white flowers freely produced with good green foliage
Daboecia cantabrica 'Atropurpurea'	45cm	June-Oct	Deep purple flowers are carried on dark foliage
Daboecia cantabrica 'Silverwells'	45cm	June-Sept	Freely produced white flowers
Daboecia cantabrica 'Waley's Red'	45cm	June-Oct	Deep magenta flowers with a slight trace of blue. Mid-green foliage
Daboecia x scotia 'William Buchanan'	35cm	June-Sept	Crimson flowers on a compact bush.

<b>ERICA CARNEA (Lime tolerant)</b>			
Erica carnea 'Adrienne Duncan'	30cm	Winter	Carmine-red flowers and dark bronze foliage
Erica carnea 'Ann Sparkes'	20cm	Winter	Yellow summer foliage becomes copper in winter. Carmine flowers
Erica carnea 'Aurea'	20cm	Winter	Excellent golden foliage throughout the year. Pink flowers
Erica carnea 'Challenger'	20cm	Jan-May	Deep purple flowers
Erica carnea 'December Red'	15cm	Winter	Rose-pink flowers. Vigorous
Erica carnea 'Foxhollow'	15cm	Winter	Yellow foliage. Low growing. Pale pink flowers
Erica carnea 'Golden Starlet'	15cm	Dec-March	White flowers
Erica carnea 'Heathwood'	15cm	Winter	Distinctive dark green foliage, deep pink flowers. Compact habit
Erica carnea 'Ice Princess'	15cm	Feb-April	Long racemes of white flowers. Erect habit
Erica carnea 'King George'	15cm	Winter	Long lasting deep pink flowers
Erica carnea 'Loughrigg'	25cm	Winter	Dark foliage, rose-pink flowers
Erica carnea 'March Seedling'	20cm	Feb-April	Pale pink flowers. Robust
Erica carnea 'Myretoun Ruby'	25cm	Winter	Flowers almost red
Erica carnea 'Natalie'	15cm	Jan-April	Purple flowers with dark green foliage. Neat compact upright habit
Erica carnea 'Pink Spangles'	30cm	Winter	Deep pink large flowers on a strong spreading plant
Erica carnea 'Praecox Rubra'	20cm	Dec-Feb	Deep mauve-pink flowers
Erica carnea 'Ruby Glow'	15cm	Winter	Low growing with deep, almost red, flowers
Erica carnea 'Springwood Pink'	30cm	Winter	Large pale pink flowers on vigorous, low growing plants
Erica carnea 'Springwood White'	30cm	Winter	Attractive brown anthers. White flowers. Low and vigorous
Erica carnea 'Startler'	15cm	Feb-April	Shell pink flowers. Low growing
Erica carnea 'Viking'	25cm	Winter	Lilac-pink flowers deepen as the season progresses
Erica carnea 'Vivellii'	25cm	Winter	Dark foliage. Carmine-red flowers. Compact
Erica carnea 'Westwood Yellow'	15cm	Feb-April	Pink flowers. Low growing yellow foliage
Erica carnea 'Whitehall'	15cm	Winter	Compact plants covered with white flowers
Erica carnea 'Winter Beauty'	30cm	Dec-Feb	Rose flowers
<b>ERICA CINEREA (Lime tolerant)</b>			
Erica cinerea 'Alba Minor'	20cm	June-Sept	White flowers. Compact, bright green foliage
Erica cinerea 'Celebration'	20cm	July-Sept	Bright golden foliage. White flowers
Erica cinerea 'Cindy'	25cm	June-Nov	Purple flowers against dark green foliage. Compact habit
Erica cinerea 'Eden Valley'	20cm	July-Oct	Lavender flowers, white at base. Compact, low growing
Erica cinerea 'Fiddlers Gold'	20cm	June-Sept	Red tinted, yellow foliage which is brightest in Spring. Lilac flowers
Erica cinerea 'Glencairn'	25cm	June-Sept	Red-tipped foliage, especially in Spring. Magenta flowers
Erica cinerea 'Golden Charm'	20cm	July-Oct	Gold foliage which becomes bronze in Autumn. Magenta flowers
Erica cinerea 'Golden Drop'	15cm	June-Aug	Mat-forming mauve-flowered plant. Golden foliage
Erica cinerea 'Golden Hue'	35cm	July-Oct	Amethyst flowers
Erica cinerea 'Katinka'	20cm	June-Oct	Dark foliage with very dark beetroot coloured flowers
Erica cinerea 'Pink Ice'	25cm	July-Oct	Pink flowers displayed on compact green foliage. Low growing

Erica cinerea 'Rock Pool'	15cm	July-Aug	Bronze-yellow foliage with red tints in winter
Erica cinerea 'Sherry'	20cm	June-Sept	Ruby flowers with dark green foliage. Compact habit
Erica cinerea 'Stephen Davis'	20cm	July-Oct	Covered in magenta flowers
Erica cinerea 'Velvet Night'	25cm	June-Sept	Very dark flowers
Erica cinerea 'Windlebrooke'	30cm	July-Sept	Yellow foliage in summer becoming red in winter. Mauve flowers
<b>ERICA ERIGENA (Lime tolerant)</b>			
Erica erigena 'Brightness'	45cm	March-May	Lilac-pink flowers cover neat, fairly upright plants. Dark foliage
Erica erigena 'Golden Lady'	30cm	Feb-April	Dazzling yellow foliage all year on rounded plants. White flowers
Erica erigena 'Irish Dusk'	45cm	Nov-May	Salmon-pink flowers on dark foliage
<b>ERICA X DARLEYENSIS (Lime tolerant)</b>			
Erica x darleyensis 'Arthur Johnson'	60cm	Dec-April	Deep pink flowers in long spikes. Robust vigorous plant
Erica x darleyensis 'Darley Dale'	45cm	Nov-April	Pale pink flowers are freely produced on well-shaped bushes
Erica x darleyensis 'Furzey'	40cm	Dec-May	Distinctive dark foliage. Deep pink flowers
Erica x darleyensis 'George Rendall'	30cm	Nov-May	Profusion of deep pink flowers. Compact habit
Erica x darleyensis 'Ghost Hills'	45cm	Nov-May	Pink flowers bountifully produced
Erica x darleyensis 'Jack H. Brummage'	35cm	Jan-May	Golden foliage turning deeper in winter. Deep pink flowers
Erica x darleyensis 'Kramer's Rote'	40cm	Jan-March	Dark bronze/green foliage with deep purple flowers
Erica x darleyensis 'Mary Helen'	25cm	Feb-April	Compact growth. Yellow foliage, bronze in winter. Purple flowers
Erica x darleyensis 'Silberschmelze'	35cm	Dec-May	Masses of white flowers
Erica x darleyensis 'White Perfection'	40cm	Dec-April	White flowers with bright green foliage, tipped yellow in Spring
<b>ERICA TETRALIX (Lime tolerant)</b>			
Erica tetralix 'Alba Mollis'	20cm	June-Oct	White flowers. Grey green foliage tipped silver. Compact upright habit
Erica tetralix 'Pink Star'	25cm	July-Oct	Lilac pink flowers with grey green foliage
Erica tetralix 'Ruth's Gold'	20cm	Aug-Sept	Pink flowers. Lime green foliage is tinged with gold
<b>ERICA VAGANS (Lime tolerant)</b>			
Erica vagans 'Cornish Cream'	30cm	Aug-Nov	Off-white flowers in long racemes on bright green foliage
Erica vagans 'Lyonesse'	35cm	Aug-Oct	White flowers and bright green foliage
Erica vagans 'Mrs. D.F. Maxwell'	30cm	Aug-Oct	Deep rose-pink with dark green foliage. Very popular
Erica vagans 'St. Keverne'	25cm	Aug-Nov	Clear pink flowers with dark green foliage
Erica vagans 'Valerie Proudley'	20cm	Sept-Nov	Sparse white flowers with bright yellow new growth
