

# Little Island Bloom Guide

September 2023 Edition

You'll notice a lot of change during Autumn on Little Island, as plants and trees change colors before going dormant—nature's way of going to sleep until the Spring. During this key phase in the plant life cycle, you'll be able to appreciate the textures and structure of our perennial plantings.

## Southeast Section

*Anemone hupehensis*  
var. *japonica*  
'Pamina'

*Anemone x hybrida*  
'Honorine Jobert'

*Buddleja x*  
'Pugster White'
