

Lil' Kim® Violet

Rose of Sharon *Hibiscus syriacus*

Dwarf rose of Sharon with vivid violet flowers!

This purple form of the dwarf Lil' Kim® rose of Sharon is perfect for containers and smaller gardens. It has the same compact habit but with plum-violet flowers accented by a red eye. The large - up to 3" across - flowers are very striking against the dark, glossy foliage and are held up by very strong stems. Deep green foliage and an upright-yet-graceful habit make this rose of Sharon suitable for specimen plantings, flower gardens, even a showy hedge.
