## EVERY GIFT MAKES A DIFFERENCE

The Regional Health Foundation strengthens the health of our communities by building a culture of generosity. In partnership with Regional Health, we aspire to excellence in health care through gifts of engagement and generosity. We share the values of Regional Health and maintain a high level of accountability and dedication.

---

A photograph of a woman with long, dark hair in a braid, wearing a red, white, and blue plaid shirt. She is holding hands with two men. One man's arm is visible on the left, wearing a light blue shirt. The other man's arm is visible on the right, wearing a denim shirt. They are standing in a green field at sunset, with the sun low on the horizon, creating a warm, golden glow and lens flare effects. The background is a soft-focus landscape of rolling hills.

A LETTER FROM  
**PAULETTE DAVIDSON,**  
**REGIONAL HEALTH PRESIDENT AND CEO**

---

Dear Regional Health Friends and Families,

Like other providers across the country, Regional Health faces a rapidly evolving health care environment. Federal payers and private insurance providers are trying to cut or contain their costs. New science and technology are changing our understanding of disease and our ability to treat it. Our patients and families demand – and deserve – the best possible experiences.

We understand these challenges, and we're confident that Regional Health is on track to transform itself into a new, dynamic health care organization.

In this new world of health care, we rely more than ever on the generosity of the individuals, companies and communities we serve. Your continued support is critical to our success. Through strong partnerships, shared vision, innovative thinking and mutual respect for all of our stakeholders, we can become a model for rural health care throughout the country.

The Regional Health Foundation plays a key role in maintaining those strong partnerships and keeping the focus sharp on our shared vision. The Foundation board and staff work diligently to advance Regional Health's objectives.

As part of our long-term vision, we have undertaken projects to build new, modern healing environments in Sturgis, Custer and Spearfish. The new Sturgis Hospital and Clinic opened in February, and the new Custer Hospital and Clinic opened in April. During ribbon-cutting ceremonies, it was deeply gratifying to see community members, city officials and Regional Health leaders stand shoulder-to-shoulder to see what community connections can achieve.

In Spearfish, the Regional Health Foundation continues to work with our partners and stakeholders to bring the same far-reaching vision to a thriving Northern Hills community as it becomes a health care destination for the entire region.

Thank you for your commitment to our shared vision as we come together to build the Regional Health of tomorrow.

With warm regards,

A handwritten signature in black ink that reads "Paulette Davidson". The signature is fluid and cursive, written in a professional style.

**PAULETTE DAVIDSON**  
Regional Health President and CEO

A LETTER FROM  
**PRISCILLA ROMKEMA,**  
**REGIONAL HEALTH**  
**FOUNDATION PRESIDENT**

---

**TRUST. RESPECT. COMPASSION. COMMUNITY. EXCELLENCE.**

These are the values of Regional Health that serve as guideposts for the Regional Health Foundation as it supports and contributes to our purpose of making a difference. Every day. And our vision to do the right thing. Every time.

The 5,000 physicians and caregivers at Regional Health – that includes the Regional Health Foundation staff – address five key priorities: deliver high-quality care, provide a caring experience, be a great place to work, impact our communities and be here for generations to come. These priorities inspire all of us at Regional Health in serving patients, their families and our communities through caring and compassionate words as well as actions. Likewise, Regional Health Foundation staff members embrace these five priorities while addressing a myriad of worthwhile initiatives including Children’s Miracle Network (CMN), the John T. Vucurevich Cancer Care Institute (CCI),

Hospice House and hospice services, and market-specific projects and campaigns.

We expect that as you read through the Regional Health Foundation Donor Report, which serves as a review of this past year, you will note that a key word serves as the primary thread throughout this year’s report: stewardship. Embedded in the stories about patients and families, the pictures of those we serve, and the names of individuals, families, businesses, and organizations that partner with us, it is stewardship that speaks to the heart and the essence of all that we do in the Foundation. We aspire to achieve excellence in health care through gifts of engagement and generosity. In turn, these gifts enable us to work collaboratively with others to thoughtfully and strategically support and strengthen patients and families during times of tremendous need.

On behalf of the Foundation staff, I would like to express our appreciation for your participation, engagement and generosity this past year. Please accept our heartfelt thanks for your partnership!

**PRISCILLA ROMKEMA, PH.D.**  
Regional Health Foundation President

A LETTER FROM  
**PATRICK J. BURCHILL,**  
**REGIONAL HEALTH**  
**FOUNDATION BOARD CHAIR**

---

I am pleased to inform readers that the Regional Health Foundation continues to grow and support key areas important to the communities we serve. Emphasis continues on needs related to hospice care, cancer treatment and various children's services (neonatal intensive care specifically). Other services that receive periodic support include dialysis, diabetes, behavioral health, the children's helmet safety program and cardiac services. The generosity of our many supporters allows the Foundation to consistently provide support for these areas.

We are grateful for the ongoing commitment we receive from our community members, physicians and caregivers, local businesses and sponsors throughout the Black Hills. A recent change has been the addition of board members from communities Regional Health serves outside of Rapid City. The expanded focus to the other communities may inspire added local support as Regional Health improves and expands facilities in those specific locations.

I wanted to comment briefly on the current state of the Regional Health Foundation staff. Led by our President, Priscilla Romkema, the small group of employees is providing even stronger results in the sponsored events you all now recognize on an annual basis: Great Black Hills Duck Race, Tough Enough to Wear Pink and the multiple activities of the Children's Miracle Network. Without a committed, dedicated staff these events would not enjoy their growth and continued success.

As always, the continued success of the Regional Hospital Foundation is dependent on our donors and business sponsors. The needs are many but the opportunities for support are numerous. Donors can be specific as to the area they would like to support. Leaving a Legacy Gift to the Regional Health Foundation may be of special interest to you and of benefit to your family members. Our board will continue to make certain that all contributions received will be used wisely and strictly adhere to the wishes of the donor. Again, thank you for your generosity and trust.

“When sharing the impact of philanthropy, I find it’s essential to share that patients and families are the central focus of everything we do.”

MARK SCHMIDT, PRESIDENT | CUSTER, LEAD-DEADWOOD MARKETS

CUSTER, LEAD-DEADWOOD

**MARK SCHMIDT**  
President,  
Custer, Lead-Deadwood Markets

When sharing the impact of philanthropy, I find it’s essential to share that patients and families are the central focus of everything we do. If you have been a patient yourself and witnessed a physician, nurse or caregiver delivering compassionate, comforting care then you know it’s the most critical connection we can make. In the Custer Market, we have been fortunate to have made these many connections, and the benefit has been community members, businesses and organizations giving to our new \$22M hospital and clinic. An entire community came together to open its doors this year. In the Lead-Deadwood market, hospital-grade recliners were purchased through the Foundation to increase patient mobility and satisfaction, and a new recumbent bike was added to the Cardiopulmonary Rehabilitation gym. Thank you to the donors who have given your time and resources this past year to help us make a difference in the lives of our rural communities.

RAPID CITY

**JOHN PIERCE**  
President,  
Rapid City Market

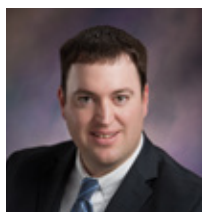

Thanks to the great philanthropic culture of the Black Hills, I’m proud to say that we made great strides in 2018. Through thoughtful gifts from community stewards who share our vision, Rapid City Hospital was able to expand medical treatment options, boost physician efficiency and improve the emotional well-being of our patients. Also, the Cancer Care Institute purchased software for MRI-based, low-dose prostate brachytherapy which has improved treatment precision and patient comfort for those receiving this advanced cancer treatment. We thank you for your continued stewardship. The John T. Vucurevich Cancer Care Institute’s exterior windows once afforded chemotherapy patients a bleak view of the hospital loading dock. Caregiver Richard Karsky tapped the talents of artists with disabilities at the Suzie Cappa Art Center and supplies donated by the Regional Health Foundation to create a colorful mural just outside the windows.

SPEARFISH

**THOMAS WORSLEY**  
President,  
Spearfish Hospital and Hills Markets

Philanthropy has a long history in Spearfish and plays a vital role in the community. Countless projects, both in the health care space as well as in other industries, have found their foundations in the charitable spirit that exists in this community. It is not uncommon for community members to ask, “How can I help?” or “What part can I play?” in carrying forth a vision, large or small. Breast cancer screening is a vital health care service, and prior to 2017, 2-D technology was all that was available to the women in Spearfish. Thanks to generous support of the Regional Health Foundation, and in partnership with the community, 3-D technology is now available to women within the Spearfish service area.

STURGIS

**MARK SCHULTE**  
President,  
Sturgis Market

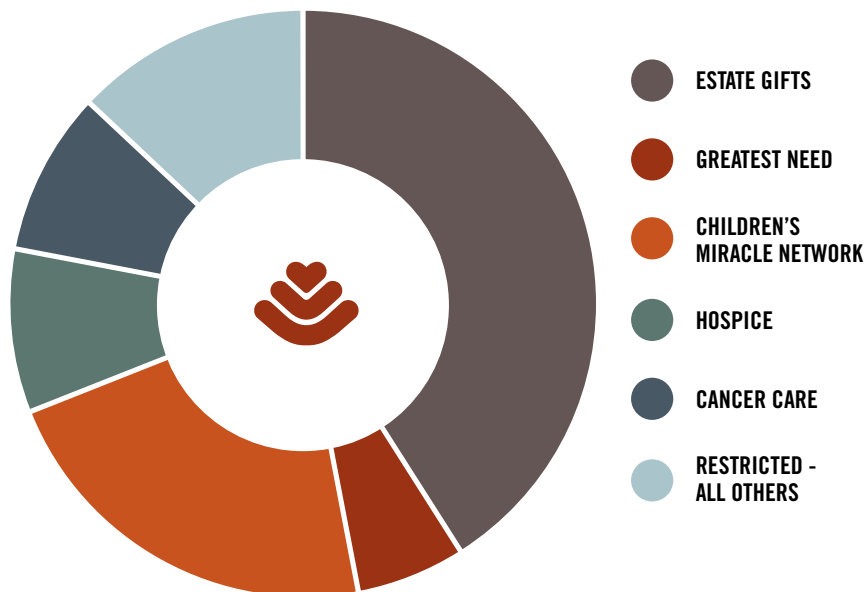

Regional Health Sturgis Hospital and Clinic is proud to serve the greater Sturgis Community. We take pride in caring for all of our patients, whether they are coming to us from a ranch 30 miles from town or passing through on their motorcycle. Philanthropy is critically important to our health care operations in Sturgis. We are blessed to have opened a beautiful new clinic and main entrance this year. Looking forward, we are excited to establish an endowment fund to provide funding for continual maintenance and improvement. Your investment in the endowment fund will ensure continued quality health care to meet the needs of the growing Sturgis community.

## RESTRICTED AND GREATEST NEED FUND ALLOCATIONS

The Regional Health Foundation is responsible for all fundraising programs and serves as the liaison between Regional Health and our family of benefactors. Your gifts help us provide the highest quality of care to our patients. This support makes the broadest possible impact on health care in our communities. **One hundred percent of your gift is used for programs, patient care environments or equipment.**

Funds Received - 7.1.17 to 6.30.18

# \$2,390,769\*

*\*In-kind gifts received are not included in total.*

**EVERY GIFT MAKES A DIFFERENCE**

*Funds donated to the Regional Health Foundation have been used to support the following Regional Health Markets:*

- Custer Hospital
- Lead/Deadwood Hospital
- Rapid City Hospital
- Spearfish Hospital
- Spearfish Hospital Campus
- Sturgis Hospital

*Funds donated to the Regional Health Foundation have been used to support the following areas throughout the Regional Health system:*

- Advanced Care Pediatrics
- Behavioral Health
- Cardiac Services
- Children's Helmet Safety Program
- Diabetes Services
- Dialysis Services
- Endoscopy Services
- Home+ Hospice House
- Hospice of the Hills
- Labor and Delivery
- Northern Hills Hospice
- Nursing Scholarships

- Pain Management
- Patient and Family Crisis
- Patient Mobility Services
- Pediatrics
- John T. Vucurevich Cancer Care Institute
- Regional Rehabilitation Institute
- Respiratory Services
- Stroke Care Education
- USD West River Medical Student Scholarships

**On Giving Tuesday, November 27, 2018,** people just like you who love South Dakota have an opportunity to ignite a movement of giving all across the state.

The Regional Health Foundation is proud to be part of SDGIVES! One hundred percent of every donation to the Regional Health Foundation stays here to benefit our patients through equipment purchases, specialty programs, and many other items.

#### HOW TO GIVE

On November 27 go to [southdakotagives.org](http://southdakotagives.org) and click on “Participants.” There are many nonprofits participating in SDGIVES. We are asking you to click on the Regional Health Foundation button or just go straight to: [regionalhealth.org/ways-give](http://regionalhealth.org/ways-give). You will be directed to our giving form. You may select to give to our Greatest Need fund or select a fund that you feel close to like Children’s Miracle Network; Hospice services; the Cancer Care Institute; or Custer Hospital, Spearfish Hospital, Spearfish Campus, Lead/Deadwood Hospital, and Sturgis Hospital.

**WE ARE VERY EXCITED TO BE PARTNERING WITH SO MANY OTHER NONPROFITS FOR THIS STATEWIDE EFFORT!**

 **Regional Health**  
Foundation

## CHILDREN'S MIRACLE NETWORK

# AT REGIONAL HEALTH

Every day children enter our hospital for treatment – adding up to thousands of kids each year. Some are battling cancer. Some are suffering from a traumatic injury. Others require constant care because they were born too early or have a childhood illness. Regardless of why a child is here, our Children's Miracle Network hospital always has its doors open. Your support enables us to invest in life-saving medical equipment and provide a wide range of services that might not otherwise be possible. Because of your philanthropy, we are able to ensure that our youngest, most fragile patients continue to receive the most advanced care possible in a comforting environment.

**FOUNDED IN 1983**, Children's Miracle Network Hospitals has grown to a network of 170 hospitals that treat children throughout the United States and Canada. Donations stay local to fund critical treatments, health care services and pediatric medical equipment. Regional Health is one of only two in South Dakota, becoming a Children's Miracle Network Hospital in 1989. We are looking forward to celebrating 30 years!

### **THE GREAT BLACK HILLS DUCK RACE**

This year marked the 29th Annual Great Black Hills Duck Race. On Sunday, July 29, the flock of 16,000 ducks was dropped into Rapid Creek by a front end loader. Due to the large amount of rain during the month, the creek was high and the ducks swam fast! Ducks passed the finish line in record time this year! Nearly \$24,000 in prizes were given out to the top ducks and one hundred percent of the proceeds raised go directly to the Children's Miracle Network at Regional Health. We can't wait for next year as we celebrate our 30th anniversary!

### **CHILDREN'S MIRACLE NETWORK RADIOTHON**

On May 11, 2018, the Children's Miracle Network Radiothon and HomeSlice Media Group broadcasted live from the Regional Health Rapid City Hospital lobby. Radio stations 93.9 The Mix, KAT 98.7, The FOX 100.3 and Hot 93.1 were all on hand, as they have been every year, to present miracle stories featuring children from the area who have been helped through CMN. Children and their parents were interviewed live, patient stories played throughout the day, and community members and businesses stopped by, phoned in or donated online to this special cause.

A young child with light hair, wearing a light blue t-shirt and tan cargo pants, is walking in a field of tall grass. The child is captured in profile, moving from left to right. The background is a soft, golden glow from a setting or rising sun, creating a warm, hazy atmosphere. The child's right hand is slightly raised, and they appear to be in the middle of a step.

CHILDREN'S MIRACLE NETWORK REACHES

# \$500,000 FUNDRAISING MILESTONE

“This success is the result of generous contributions from many supporters and the hard work and dedication of numerous individuals and partners associated with Children’s Miracle Network.”

SHAWN POWERS, CMN DEVELOPMENT COORDINATOR

---

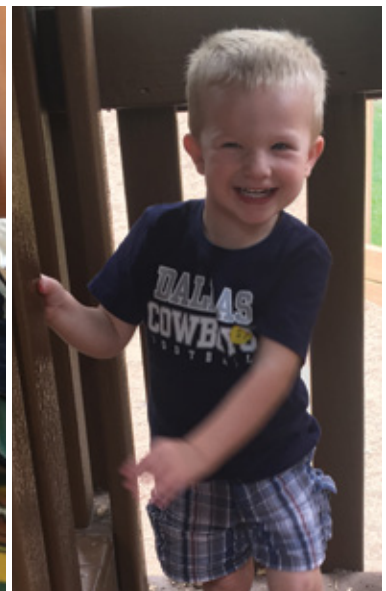

In its 29th year, Children’s Miracle Network – a program dedicated to supporting ill and injured children treated at Regional Health hospitals – has achieved a fundraising landmark by surpassing \$500,000 raised in a fiscal year.

Regional Health Rapid City Hospital’s relationship with Children’s Miracle Network began in 1989 when the hospital joined the national organization and hosted its first telethon event raising over \$40K in its inaugural year. Since that time, the program’s scope of work has grown to over 20 annual events and campaigns along with partnerships with dozens of local and national corporate partners.

**“It’s good to see people helping other people in need. That is why I’m so glad to be part of Children’s Miracle Network.”**

**MAKAYLA, CYLER’S MOM**

At just a year old, Cyler started getting sick on a regular basis showing what appeared to be flu-like symptoms such as fatigue and weakness. Concerned that something was wrong, Cyler’s mom Makayla brought him in to see a doctor. After extensive testing, Cyler was referred to see a specialist in Colorado where it was determined that he had a very rare blood disorder called thalassemia.

Thalassemia is an inherited blood disorder characterized by less hemoglobin and fewer red blood cells in the body than normal. In Cyler’s case, this was causing anemia which was leaving him fatigued and weak. There is no cure for his thalassemia, but it is treatable.

Treatment for Cyler, who is now three-years-old, includes regular, sometimes weekly blood transfusions which he receives in the pediatrics unit at Regional Health Rapid City Hospital. The toys, games and books that were purchased with Children’s Miracle Network funds help Cyler pass the time during these treatments.

Cyler and his family must continue to see the specialist in Denver every six months on follow-up visits. When the family does have to travel, they are able to receive CMN assistance funds to help offset trip expenses.

“Children’s Miracle Network has done a lot for our family,” says Cyler’s mom Makayla. “It’s good to see people helping other people in need. That is why I’m so glad to be part of Children’s Miracle Network.”

Children’s Miracle Network works to fund medical equipment, services and programs for ill and injured children. One hundred percent of the funds raised stay local. Providing special equipment in the hospital’s Pediatrics Unit where Cyler receives his care along with travel assistance funds when his family has to travel to see a specialist are just a couple of the ways Children’s Miracle Network helps kids like Cyler.

## COMING TOGETHER

# TO HELP FIGHT CANCER

Maybe it's your mom or your best friend. Maybe it's your next door neighbor. Maybe it's your child's teacher. Maybe, it's you. Cancer affects most of us at some point in our lives. Since opening in 1993, the Regional Health John T. Vucurevich Cancer Care Institute has provided care for thousands of patients providing inpatient and outpatient oncology services, supportive laboratory and imaging services, as well as services for related clinical research trials. They work to continually review and update techniques and technologies to provide leading edge cancer therapies. Your support and participation in foundation events throughout the year help with the cost of these technologies and serve as a thoughtful way to honor those members of our community whose lives have been impacted by cancer.

### **TOUGH ENOUGH TO WEAR PINK**

Our largest fundraising effort of the year consisted of Rush Fights Cancer Night, Black Hills Stock Show and Rodeo and the Pink Champagne Brunch. Since 2007, the foundation has raised nearly \$1.43 million with over \$1 million of that raised during the Black Hills Stock Show and Rodeo! All proceeds go towards purchasing state-of-the-art equipment for CCI patients undergoing treatment.

### **CCI GOLF TOURNAMENT**

Despite rescheduling due to rain, the 38th Annual Tee It Up Fore Cancer Golf Tournament, held on July 16 at Arrowhead Country Club, raised over \$55,000. The event included an awards presentation, banquet and auction. Funds raised from the tournament benefit the Cancer Care Institute through the purchase of lifesaving equipment and support to programs that assist cancer patients each and every day, such as the Hand in Healing Fund.

### **PAINT THE ROCK PINK**

Paint the Rock Pink is a premier ladies golf event held the second Tuesday of August at the Golf Club at Red Rock. The tournament was created in 2008 as an event to support and celebrate women in the fight against cancer. The \$21,000+ raised at this year's event benefits Image Restoration, which is utilized by patients at the Cancer Care Institute. We are proud to partner with this charity in helping local women in the cancer care recovery process by providing wigs, hats, scarves and post-mastectomy items.

# CREATING A BEAUTIFUL VIEW

Two years ago, Regional Health caregiver Rich Karsky had an idea to improve the view for patients at the Cancer Care Institute – at the time, all they could see was the hospital loading dock – and give the artists at Suzie Cappa Art Center a new outlet for their work. The first art panels went up in 2016, and four more were added in June. Artists who created the new panels were Heather Morris, Aaron Flack, Anna McDowell, Ramona Spotted Eagle, Maureen Conley, Shawn Stratton and Sammy Young Man.

CAREGIVER  
RICH KARSKY

“So far, so good,” Jim says with a smile.

– WE ARE SMILING WITH YOU, JIM! –

**CANCER CARE INSTITUTE:  
JIM'S STORY**

Although James “Jim” Schultz has been living in the Black Hills since 1986, the Chicago accent is still unmistakable more than 30 years later. He served as a law enforcement officer in Cook County, Ill., before coming to the Black Hills and continuing his law enforcement career in South Dakota with the Rapid City Police Department and the Hermosa Marshall’s Office.

In 1971 and 1972, he served in the Air Force in Vietnam during the war. He now lives in Hermosa, and he proudly wears his Vietnam veteran’s baseball cap.

Jim’s work in law enforcement and in the Air Force showed his strength and tenacity, which he had to pull from in August 2017, when he was diagnosed with an aggressive type of

prostate cancer. Following specialty surgery, Jim’s treatment began with TomoTherapy at the Regional Health John T. Vucurevich Cancer Care Institute.

TomoTherapy, an advanced type of radiation treatment, combines intensity modulated radiation with computed tomography (CT) scanning to deliver precise radiation to targeted areas while avoiding nearby tissue and healthy organs.

The Cancer Care Institute’s TomoTherapy system was upgraded through funds from Regional Health and a donation of \$400,000 from the Regional Health Foundation. The Foundation was able to donate this significant amount of money to the system due to the success of its Tough Enough to Wear Pink campaign. The campaign supports the fight against all cancers.

Jim underwent 37 treatments – five days a week for just over seven weeks – and got to know the Cancer Care Institute staff well. Jim felt that the relationships he built while going through this extensive treatment helped him get through this difficult time.

Regional Health and the Regional Health Foundation salute Jim’s service to our country. The receptionists recognized his cap as he walked in the door of the Cancer Care Institute, and they had him checked in before he got to the counter. The staff looked forward to Jim’s visits and liked to talk with him about the different “attitude” t-shirts he wore, like the one in the above photo.

Radiation Therapy Supervisor Mark Harder and Radiation Oncologist Michael Swartz, M.D., were two of the many people at the Cancer Care Institute who made an impact on Jim as he came and went from his 37 treatments. “Dr. Swartz was really easy to get along with, and he seems really sharp,” Jim says.

Jim had his last radiation treatment at the end of April, and he still makes regular follow-up visits with his doctor. “So far, so good,” Jim says with a smile. We are smiling with you, Jim!

## REGIONAL HEALTH

# HOME+ HOSPICE

Regional Health Home+ Hospice programs provide compassionate, palliative and supportive care for terminally ill people with an end-stage disease process and limited life expectancy. Hospice offers physical, emotional and spiritual care for both the patient and his or her family. Hospice is a philosophy of care that provides medical and supportive services to those who have a shortened life expectancy. These services are available for people of all ages. Donations to Hospice programs help purchase the needed equipment and patient comfort items in the Northern Hills, Southern Hills and Rapid City.

The Hospice team in Spearfish used to call Marjorie McLain their “Energizer Bunny.” A resident of Sandstone Senior Living, Marge recertified as eligible for hospice more than 20 times, surviving serious illness and “graduating” from the program. It’s believed to be a record for Hospice of the Northern Hills.

“They never had a case like hers,” said Marge’s daughter, Deb Niesent of Spearfish. “She was so ill, but she had such a strong will to live.”

Marjorie McLain passed away on July 4, 2018, at age 89.

Deb is well aware of the benefits that hospice care affords to a family. She is grateful for the care her father, Charles McLain, received before his death in June of 2017. She is extremely

thankful for the friendship, compassion and warmth her mother experienced during her long relationship with the hospice team.

Marge was first referred to hospice in 2011, due to a weak heart. Over the next seven years, she would transition between hospice and palliative care for her heart condition and a cancer diagnosis.

“When you hear the word hospice, you think death sentence. But all of the great care and wonderful people she met almost revitalized her,” Deb said. “Her 12 great-grandchildren and hospice are what kept her going for so long. She looked forward to their visits.”

Over those years, Marge became friends with many of the caregivers at Hospice. Marge loved birds and knew them well. She and the Hospice Chaplain, the Rev. Patti Aurand, spent time watching the robins come in during spring and Deb spent a small fortune keeping the feeders outside her mother’s room full.

Deb couldn’t stand the idea of her mother being alone. Hospice gave her the peace of mind that she needed to be able to enjoy her mother and father’s last days. She gives credit to Hospice’s director, social worker, caregivers and volunteers who were there day in and day out. They became like family to her parents. Since her parents’ passing, Deb has utilized hospice bereavement services and still maintains contact with many of her “hospice family”.

### TREE OF LIGHTS

As part of this special event, gifts to hospice can be given in memory of loved ones or in honor of a special person. All of the Regional Health “Trees of Lights” will be decorated with ornaments for loved ones. Families of hospice patients and others who have lost loved ones are invited to each lighting ceremony. Proceeds from donations allow hospice to provide a patient-centered, team-oriented program of care for terminally ill patients and their families.

### HOSPICE BALL

The Hospice Ball raises money for hospice programs for people who live in the 3,000 square miles of the Northern Black Hills. This event is Northern Hills Hospice’s major fundraiser of the year, which helps hospice meet the needs of its patients. Live and silent auctions consist of items donated by area businesses and individuals who have been touched personally by hospice. The support of local businesses and sponsors helps make it a successful charity event.

“I praise them to the moon and back.”

VALERIE MAHAFFY

Throughout his life, Terry Mahaffy was a robust, hard-working man who loved his family, enjoyed driving trucks and kept his Nemo Road home immaculate. “It was painful to see all of that slip away as he succumbed to Alzheimer’s Disease,” said Terry’s wife, Valerie.

“It’s an evil disease. Very cruel. The poor guy. He couldn’t help it,” she said. Two months after his June 25, 2018 death, the ordeal was still painful for her to recall.

Alzheimer’s is a degenerative brain disease that affects memory, thinking and behavior. As the disease progressed, his weight dropped from a healthy 185 pounds to just over 130 pounds. He became confused, delusional, paranoid and all but impossible to take care of. He needed help with the most basic body functions.

Valerie had promised to keep Terry at home as long as possible. Even with help from Terry’s daughter, other family members and friends, Valerie feared she couldn’t keep that promise.

One day she heard a radio commercial for Regional Health Home+ Hospice. It changed her life.

She learned hospice was not just a building where certain diagnosed patients spend their final days. Hospice is a philosophy of care that provides medical and support services to patients at the end of their lives – in their own homes when possible. The emphasis is on comfort and quality of life.

In May of 2018, the hospice caregivers went to work. A social worker once a week. A nurse twice a week. Someone to help him bathe twice a week. Volunteers when needed. “Just to go out for 10 minutes was such a relief,” Valerie said. Often it was the same people on every visit, and Terry became more comfortable around them.

Finally, on a Monday in late June, the nurse told the family it was time to stop food and water for Terry. A short time later, he went into a coma. On the following Monday, he passed away. That week was a time of peace and togetherness for his family and friends. Throughout the week, hospice was there to help.

“They were just amazing. I praise them to the moon and back,” Valerie said. “Hospice is such an amazing program. They took off much of the stress.”

# GIFTS OF HONOR

These gifts honor a loved one's life and serve to create memories that live forever. Memorial gifts are a meaningful way to honor a loved one who has passed away and to express appreciation for the care they received. In grateful appreciation to the families who have established a memorial of \$250 or more benefiting programs at Regional Health for fiscal year 2017-2018, we would like to acknowledge the following:

## FULL LISTING OF 2017-2018 DONORS

Beginning on the following page and continuing throughout the report is a full list of our generous donors to the Regional Health Foundation for the fiscal year: July 1, 2017 to June 30, 2018.

### **The Granite Society**

The Regional Health Foundation has created the Granite Society to recognize individual donors who have elected to include a Regional Health program in their estate plans or in

a planned gift arrangement. A heart (♥) of appreciation has been used to designate our inaugural members and their legacy of support for our organization. If you have been thinking about Regional Health in your estate planning, let us know so that we may properly thank you in next year's report with your own special designation as a member of the Granite Society.

***Every attempt has been made to list names correctly. If you have changes you would like made to your listing, please call 605-755-9191.***

**DONORS OF MERIT****\$50,000 AND ABOVE**

EVERY GIFT  
 MAKES A DIFFERENCE

Announcing the addition of our  
**GRATEFUL PATIENT PROGRAM**

**At Regional Health, leading-edge care and compassion go hand in hand.** Our patients often express their gratitude for this excellent care in a variety of ways – through their kind words, smiles, letters of thanks and financial contributions.

Patients and their families have contributed financially to benefit Regional Health and its affiliates – to show their appreciation in a way that will help others receive outstanding care. The Grateful Patient Program provides an opportunity to recognize the care you or a loved one received as a patient at Regional Health Custer, Lead/Deadwood, Rapid City, Spearfish or Sturgis. You may honor staff, a physician(s), an area of care, or a clinical program while making a tangible, meaningful impact on our ability to care for patients.

## MAKE A GIFT

Your gift for Regional Health may support clinical services in areas of greatest need or in an area of special meaning to you and your family. We are honored that you have chosen to donate to the Regional Health Foundation through our Grateful Patient Program. Please mail this form and your donation using the enclosed envelope to: **Regional Health Foundation, PO Box 6000, Rapid City, SD 57709.**

**Please indicate amount and selected area of care:**

Amount: \$ \_\_\_\_\_ Fund: \_\_\_\_\_

### I WOULD LIKE TO RECOGNIZE:

Name \_\_\_\_\_ Department \_\_\_\_\_

The caregiver deserves recognition because \_\_\_\_\_

# EVERY GIFT MAKES A DIFFERENCE

---

The Regional Health Foundation strengthens the health of our communities by building a culture of generosity.

In partnership with Regional Health, we aspire to excellence in health care through gifts of engagement and generosity.

We share the values of Regional Health and maintain a high level of accountability and dedication.
