Breeding for a New Decade

WE JUST CELEBRATED 30 YEARS of Suntory Flowers and our world-famous Surfinia petunias. Looking ahead, what's different and what's still the same? We continue to focus on being category creators and transforming what was common into something completely new.

We used to promote our really cool assortment of annuals as the Suntory Collection. Now we are more focused on building a house of leading brands. These include Surfinia, Sun Parasol, Senetti, Princettia, Surdiva, Grandaisy and Soiree Kawaii.

New varieties for 2021 show where we are heading. Here's to the next 30 years!

Sun Parasol[®] Partners with Living Canopies at Retail!

We've been showing gorgeous living umbrellas full of Sun Parasol mandevillas in our trade exhibitions. Visitors fantasized about taking one home. Now they can! This spring, consumers will be able to buy the self-watering Living Canopy umbrella and Sun Parasol Giant mandevilla plants to put together as a kit.

The pop-up retail events will be in the patio furniture departments at eight Sam's Club stores – five in Florida and three in New York and New Jersey. We hope sell-through is amazing and it becomes a national offering!
