NOT a Watering Bag!

Recharge with Rain, Snow & Irrigation!

Make Use of Water That is Otherwise Wasted!

Charging/Releasing by Osmosis!

Solves BOTH under- and over-watering issues!

Not only releases water when soil is too dry,
But also absorbs water when soil is too wet!

Field Proven in Virginia Since 2013!

Welcome to the 2022 Virginia Nursery & Landscape Association's Grower's Guide!

This guide is your resource for finding Virginia growers and the quality plants they grow and sell.

Each grower featured in this guide is a member of the Virginia Nursery & Landscape Association and supports its mission is to enhance, promote and advocate for Virginia's nursery and landscape professionals.

Our members include growers, retail garden centers, nurseries, landscape professionals and individuals who hold a Virginia Certified Horticulturist credential. All are known for supporting the overall green industry and communities they serve through educating consumers on plant care, helping local organizations with beautification programs and supporting the next professional generation through nurturing youth's interest in the industry.

This guide was created to provide you with the best and most complete information so you can find exactly what you need and purchase it with confidence.

The layout of the Guide is similar to previous year's. All plants are listed in alphabetical order by genus, species and varieties. Growers that have each variety available are listed under each plant with their firm name and phone number. Their full address is listed in the beginning of this Guide (page 4).

Table of Contents

Listed below are some of the categories of plant materials that are included in this guide under their scientific name.

**HERE TO
HELP YOU
GROW.**

America never stops. Thanks to the financial support of Farm Credit, neither do the farmers and ranchers who call her home. But the job is far from over. And as rural America grows further, we'll be there.

 **FARM CREDIT**

VNLA News brings you the most relevant, up-to-date information from VNLA and its partners. From legislative updates and national news to local events and research articles, this magazine is created to help you grow your knowledge and your business.

Want to partner with us to create a top-notch magazine? Here's how you can be involved:

Advertising: VNLA News reaches hundreds of nursery and landscape professionals. Consider promoting your product or service in VNLA News, a dedicated magazine that reaches a targeted audience. **For more information on advertising opportunities, contact us today at 888-707-7141 (toll free) or email sales@leadingedgecommunications.com.**

Editorial: Our goal is to provide the information that YOU need. If you have a suggestion or a story that you want to submit or see covered, let us know! **For more information about submitting content and editorial, contact Julie Holt at julie@leadingedgecommunications.com.**

Looking for Larger Native Trees & Shrubs?

White House Natives is committed to growing only trees and shrubs native to Virginia. We have a mix of over 100 species in our field, ready for sale, at the sizes and quantities landscapers, architects, developers, municipalities, and garden centers are able to utilize for instant impact and immediate value.

Available for Tours & Tagging
