Catalog and Program Information

Special Tags for Retail Customers:

Information for special tags is due in our office by February 1st. If you require special tags with retail prices or other information, the sooner we know the better. Let your sales representative know you are interested so we can provide you with the proper paperwork. There is no additional charge for this service.

Spring Billing Program:

This program provides customers with the opportunity to ship material from September 1, 2017 through February 28, 2018 and delay payment until May 1, 2018.

Requirements are as follows:

- 1 | The first nursery stock order shipped must equal or exceed 4000 units, where one unit is equivalent to a one gallon pot.
- 2 | Once a customer ships an order meeting these requirements, any subsequent orders will also qualify if shipped on or before February 28th.
- 3 | Payment is due in our office on or before May 1, 2018. Those customers that miss this date are not eligible for the program the following season.

Prices listed in this catalog are subject to change due to minimum wage increases.

Claims:

No claim will be honored unless made in writing on the bill of lading upon receipt of the shipment. We also request notification within 5 days of delivery if there is a count discrepancy or if any damage occurred during shipment. It will be at the sole discretion of Woodburn Nursery and Azalea, Inc. to evaluate and issue any and all credit adjustments.
