ZUMBA GOLD - THE FUN WORKOUT FOR ANYONE, ANY AGE, ANY ABILITY

Zumba Gold was designed for the older, active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. **FREE to the public.**

Chairs provided.

YIN YOGA FOR HEALTH AND HAPPINESS

Yin yoga is a little different than the "typical" yoga class. This practice is a more passive style of yoga where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joints, and other aspects of the body in proper alignment and good health as we age. Yin yoga also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. The class will meet Monday and Wednesday each week. Attendees can come one day or both days. This class is not a progressive class in which you should or must attend all classes in order to be successful in this practice. Please bring your own yoga mat and small blanket. **\$5/class. Payable to INST first day of class.**

READ AND REFLECT BOOK CLUB

Come together on the last Tuesday of each month to join in a discussion on a selected book. Each book is available for check out at the Auburn Public Library, located at 749 E. Thach Avenue. Please call 334-501-3190 to reserve your copy today. **FREE to the public.**

March 31st - The Devil in the White City: Magic, and madness at the fair that Changed America by Erik Larson. Auburn Public Library has 2 copies. Nonfiction. 447 pages. In this book the smoke, romance, and mystery of the Gilded Age come alive as never before. Erik Larson's gifts as a storyteller are magnificently displayed in this rich narrative of the master builder, the killer, and the great fair that obsessed them both. The architect was Daniel Hudson Burnham, the fair's brilliant director of works and the builder of many of the country's most important structures, including the Flatiron Building in New York and Union Station in Washington, D.C. The murderer was Henry H. Holmes, a young doctor who, in a malign parody of the White City, built his "World's Fair Hotel" just west of the fairgrounds--a torture palace complete with dissection table, gas chamber, and 3,000-degree crematorium. What makes the story all the more chilling is that Holmes really lived, walking the grounds of that dream city by the lake. The Devil in the White City draws the reader into a time of magic and majesty, made all the more appealing by a supporting cast of real-life characters, including Buffalo Bill, Theodore Dreiser, Susan B. Anthony, Thomas Edison, Archduke Francis Ferdinand, and others.

April 28th - Where the Crawdads Sing by Delia Owens. Auburn Public Library has 5 copies and 3 electronic. Fiction. 370 pages. For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. She's barefoot and wild; unfit for polite society. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark. But Kya is not what they say. Abandoned at age ten, she has survived on her own in the marsh that she calls home. A born naturalist with just one day of school, she takes life lessons from the land, learning from the false signals of fireflies the real way of this world. But while she could have lived in solitude forever, the time comes when she yearns to be touched and loved. Drawn to two young men from town, who are each intrigued by her wild beauty, Kya opens herself to a new and startling world -- until the unthinkable happens.

May 26th - Code Girls: the Untold Story of the American Women Code Breakers of World War II by Liza Mundy. Auburn Public Library has 1 copy. Nonfiction. 416 pages.

Recruited by the U.S. Army and Navy from small towns and elite colleges, more than ten thousand women served as codebreakers during World War II. While their brothers and boyfriends took up arms, these women moved to Washington and learned the meticulous work of code-breaking. Their efforts shortened the war, saved countless lives, and gave them access to careers previously denied to them.

MAY 8TH: BIRMINGHAM BOTANICAL GARDENS, BIRMINGHAM, AL

Prior to 1960, a Birmingham Botanical Garden was only an idea. That year Birmingham Mayor James W. Morgan spearheaded the movement to establish The Gardens on 69 acres east of the city's zoo in Lane Park, on the south side of Red Mountain. Despite objections from the

Park & Recreation Board, Mayor Morgan went to Montreal to inspect the greenhouses at the Montreal Botanical Gardens and ask their curator, Dr. Henry E. Teuscher, to design a master plan for Birmingham. Morgan envisioned Birmingham's Gardens as "the biggest attraction of this type in the Southeast." In 1964, The Birmingham Botanical Society, Inc., a non-profit corporation, was founded as a "membership organization to support and improve The Gardens." From that day forward the society's volunteers, fundraising efforts and support staff helped maintain and develop The Gardens. Today both the City of Birmingham and Birmingham Botanical Society are committed to the continuing growth of The Gardens. Birmingham Botanical Gardens stands as one of America's premier gardens, a true credit to the thousands of people who in 1960 had a vision of greatness for our city and state. We will enjoy a guided specialty tour of The Japanese Gardens as well as time on our own to explore some of the other 30 thematic gardens, each one classified into one of three types: Gardens of Collections, Gardens of Nature and Gardens of Culture. The cost of the trip includes transportation and admission. Please bring extra money for lunch. **\$15. Payable to the AAB.**

MAY 21ST: KYMULGA GRIST MILL, COVERED BRIDGE AND BUTLER-HARRIS RAINWATER MUSEUM, CHILDERSBURG, AL

The Kymulga Grist Mill, Covered Bridge and Park are of significant historical, educational and recreational value. Located on Grist Mill Road four miles northeast of Childersburg, Alabama, the mill and bridge are over one hundred forty years old. Listed in the National Register of Historic Places, they are the only pair of such structures in Alabama that still stand where they were originally built on Talladega Creek. The adjacent park is home to a variety of animals and plants. Several large trees there have been judged by foresters to be older than the mill or bridge. The "Rainwater House" was given to C.H. Butler as a wedding gift on January 26, 1894 by his parents, George and Marion Butler, a couple well-to-do in business in Childersburg. The elder Butlers had bought the land from Minor and Sara Cliett in 1864. Research makes it unclear when the house was placed on the land. Impressions of several people interviewed have indicated that the house could be older than 1894, perhaps the 70's. On January 27, 1993 the City of Childersburg bought the house from Mrs. Rainwater, through her power of attorney and granddaughter, Jan Cleveland Howard. The cost of the trip includes transportation and admission. Please bring extra money for lunch. **\$10. Payable to the AAB.**

CHINESE WATERCOLOR PAINTING

Chinese painting attempts to capture the essence of an object, person, animal or landscape. It is the art of using suggestion and simplicity to imply reality. In freestyle Chinese brush painting, we aim to depict as much as possible in the fewest possible strokes in order to maintain spontaneity and life. The sense of harmony that pervades Chinese culture is expressed in the traditional subjects of flowers, animals and landscapes. Students will learn brush stroke, composition and spontaneous-style painting techniques by using a bamboo brush, ink, rice paper and Chinese watercolor paints.

PICKLEBALL DAILY GAMES

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton; it is easy to learn and with less ground to cover on a smaller court, it is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Avenue tennis courts (lined for pickle ball). There are also two courts at the Frank Brown Recreation Center. E-mail oapbnw@gmail.com and one of the club officers will reply within a day. You may also contact Casey Soule at casey_soule@hotmail.com or call or text at 616-502-2638 for more information on scheduled game times and locations. Join the fun today! **FREE to the Public.**

GOLF LESSONS

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saughatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team. Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. Golf lesson rates for Adults are \$75/hr. or \$45/half hour and rates for junior golf lessons are \$65/hr. or \$35/half hour. To register for golf lessons or questions, please contact (334) 821-0880.
