UPDATES

You may notice a few of your favorite, unique varieties are missing for the coming season. Although we at Suntory Flowers feel all of our children are beautiful, sometimes we have to make hard choices to support an efficient supply chain. Noteworthy drops from the assortment include Crackling Fire begonias and Summer Splash nierenbergias. We have also rebranded the Bouquet series in Surfinia petunias and Million Bells calibrachos. Those varieties will now have the word Compact in their name and be absorbed into the two mounding series.

Introducing Suntory Mixers!

Pages 42-43

We have relaunched our combo collection as Suntory Mixers. In addition to the Surfinia and Million Bells blends that were Breeder's Choice combos, these include three Beedance bidens combos, two mixed genera combos and a new Surdiva combo. All are available as unrooted cuttings kits and several Suntory growers will be rooting them.
