★ Ideal for potting up into these sizes

✓ Also good for potting into these sizes

DECREASE YOUR PRODUCTION COSTS WITH OUR LARGER LINERS!

Look again at purchasing our larger 2" and 2.5" liners. Starting with more developed, well-rooted liners is often the lowest cost method to produce a quality product. The initial increase in cost for a more mature liner will be quickly made up for by faster finishing time, resulting in **reduced labor, overhead**, and other crop inputs. Add to this **improved uniformity and cleaner crops** and you'll see an **improved bottom line!**

Product Information

Our top quality liners are established and well rooted, resulting in faster finishing times!

✦ Bare Root Divisions

Our growing fields are located in Oregon's temperate Tualatin Valley, where fertile soil and optimal growing conditions come together to create a large and robust bare root product. We allow our product to develop to ***optimum quality standards*** by taking advantage of the longer growing season in the Pacific Northwest.

We offer a "DIG to ORDER" program for quantities of 100 or more per variety. Please refer to our current bare root availability for Dig to Order material. Note that the Dig to Order status changes throughout the year based on seasonal factors and plant development. Whether you order bare root from this list or from our weekly current availability, you can be assured of top quality.

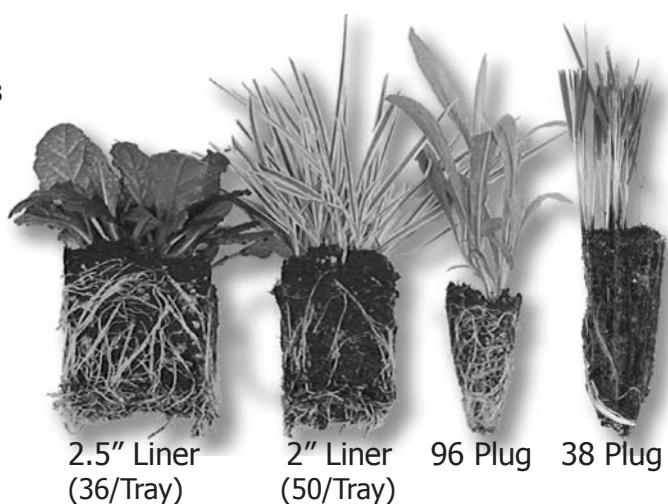

Bare Root:
Br#1, Br#2 and Br#3

- ✦ Our **#1 Grade** is ideal for potting into 1 or 2 gallon containers, depending upon plant variety and desired finish time.
- ✦ Prices listed are for **#1 Grade** Divisions unless specified otherwise.
- ✦ **Bare Root** Perennial Divisions are sold in bags of 25, and considered as 1 flat for shipping purposes.
- ✦ Most ornamental grasses are indicated with **br 2g+**, and are generally best suited for 2 to 5 gallon containers. Some varieties may be divided further for smaller containers.

✦ Potted Liners & Plugs

Blooming Nursery offers potted liners and plugs on a year-round basis, although availability varies considerably throughout the year. Most of our product is vegetatively propagated, although a small percentage is grown from seed. Our propagation and production staff are highly experienced, resulting in the highest quality starts.

Size	Description
96 Plug	Recommended for potting into 3" and up to 1 gallon. Billed for 94 per tray. 1⅜" x 2½" deep Plug Tray
38 Plug	Recommended for potting into 6" and up to 2 gallon. 38 per tray. 2½" x 3½" deep Plug Tray
2" Liner	Shortens finish time by 20-50% over conventional 72 cell plugs! <i>(Definitely our best value and customer favorite)</i> 50 per flat. 2" x 2" deep Individual band pots
2½" Liner	For plants requiring a larger soil volume; promotes vigorous root development 36 per flat. 2½" x 2¾" deep Individual band pots
3½" Liner	Excellent choice for quick finish into 2 gallon pots. 18 per flat. 3½" x 4" deep Please request complete listing
QT Liner	Provides a quick finish in 2 – 5 gallon pots. 16 per flat. 4¼" x 5" deep Please request complete listing

Annual Volume Incentive

Customers who pay COD or full invoice within established terms are eligible for our Annual Volume Incentive. This program applies a discount to each order for the following year.

The incentive is based on the following eligibility criteria:

1. Payments for each invoice must be received in our office within terms.
2. Period for eligibility is defined as all purchases invoiced and paid between November 1, 2008 and October 31, 2009.
3. Minimum annual purchases to qualify for incentive is \$5,000.
4. Program subject to annual review.

Annual Purchases	Discount
\$5,000 - \$ 9,999	1.00%
\$10,000 - \$14,999	2.00%
\$15,000 - \$24,999	3.00%
\$25,000 - \$39,999	4.00%
\$40,000 - \$59,999	5.00%
\$60,000 - \$79,999	6.00%
\$80,000 +	7.00%

Blooming Nursery Website & PLANT FINDER!

Our current (weekly) Liner & Bare Root Availability can be found at www.bloomingnursery.com. In addition, there are detailed photos, descriptions and cultural requirements so plant buyers, growers and landscape designers can make knowledgeable purchasing decisions. Our Plant Finder utility has access to Blooming's entire plant database. If there is more information you would like to see listed, please let us know.

You can also download Blooming Nursery's 2008 Reference Guide in PDF format. *We want our website to become your "go to" place for accurate perennial information!*

Custom Propagation and Growing Services

Does your business need large quantities or material in a size or a variety other than listed here? We maintain stock of many perennials, herbs, ornamental grasses and shrubs and we can often supply your needs. Custom orders require a minimum of 300-400 per variety. A 25% non-refundable deposit and custom crop agreement is required prior to propagation. All custom orders must be shipped within thirty days of the scheduled delivery date or a holding fee will be assessed. Give us a call to find out what we can grow for you!

Ordering Information

🌿 Plant Royalties

Please note that we have changed the way we charge for patented plants. In the past, royalties were included in the listed price. To minimize confusion, we have listed royalty fees for patented plants at the end of the descriptions. You will need to add the royalty price to the column prices for your total cost.

🌿 Future Orders

Use this catalog to place future orders for shipments later than the current season. *Please note that some crops will not be available in all seasons.*

🌿 Immediate Shipments

In order to assist customers in selecting the best quality material, our sales and production crews produce a weekly current Availability List which features Liner and Bare Root material ready for immediate sale. A current Availability List can always be found at: www.bloomingnursery.com, and can be downloaded as an Adobe Acrobat® PDF. We also offer our Availability List by email, in Excel® format. If email is not an option, we can fax a list to customers on a weekly, bi-monthly or monthly basis as well. Contact Customer Service for more information or to be added to either contact list.

🌿 Tags

Colorful, descriptive picture tags are available for most varieties we grow. Stick tags are \$0.10 each and hang tags are \$0.20 each. All tags are sold only in bundles of fifty and are subject to availability at the time of shipping. If interested, please request tags at the time you place your order for best availability. We do not sell tags without plants. They are sold on an “in stock basis” and will not be back-ordered if not available when your order ships.

Terms and Conditions

🌿 Shipping Minimum

We require a minimum of 2 full boxes, or 6-8 flats to ship material. Shipping full boxes is the safest way to transport product and is the most economical freight cost to you. Bare root divisions (in multiples of 25 per variety) may be combined with potted liners for shipping purposes.

🌿 Terms and Pricing

All sales are C.O.D. unless credit has been established prior to shipping. Prepayment by check or VISA® or MasterCard® is acceptable. Once you have become an established customer, you are welcome to apply for a credit account by submitting a completed credit application. All prices are in U.S. funds only. Prices and policies are subject to change without notice. All prices quoted and orders shipped are sold F.O.B. Cornelius, Oregon. Freight charges will be added to the invoice.

✦ **Dormant Material**

We prefer to ship potted liners and plugs in an actively growing stage. Blooming Nursery will ship dormant material only upon customer request. It is the customer's responsibility to bring plant material out of dormancy. Bare root material is also considered dormant. Please inspect roots upon arrival. Product should be kept cool and potted as soon as possible. Pot carefully to avoid planting crowns too deep. Keep soil on the dry side until the roots begin to grow. Credits will not be issued for dormant potted liners and plugs.

✦ **Back Orders**

Although we make every effort to fill your order completely, unpredictable crop and weather conditions can sometimes cause delay or failure. In the event we are unable to ship your order in its entirety, we will gladly backorder a remainder of 4 flats or more. If less than 4 flats, a new order can be created to meet the 6-8 flat shipping minimum.

✦ **Substitution Policy**

Blooming Nursery does not substitute varieties except upon customer request. If substitutions are acceptable, please advise your Sales Representative or Customer Service so we may suggest alternatives.

✦ **Canceling Orders**

If for some reason it is necessary to cancel an order, you must submit a request to your Sales Representative as soon as possible. A cancellation fee of 25% will be assessed for orders already in process.

✦ **Shipping Information**

Blooming Nursery strives to deliver material to you on time and in excellent shape. We ship most bare root and liner orders via FedEx® 3-Day, DHL®, or air freight. Larger orders may be shipped more economically via common carrier on our wooden shelf pallets. Please consult your Sales Representative for shipping options and freight quotes.

Blooming Nursery guarantees that plant material will be supplied true to name.

IMPORTANT - LIMITS OF LIABILITY

Blooming Nursery, Inc. cannot guarantee against delays, mishandling or other causes beyond our control when shipping material by transportation carriers. Most carriers do not assume responsibility for perishable goods and do not guarantee timely transit.

Please be advised that Blooming Nursery's liability is limited to the cost of the plants purchased from us. Once plants are delivered to the transportation carrier, the customer becomes solely responsible for any possible damage, loss or delay while in transit.

This becomes even more critical during hot weather months. Please advise Blooming Nursery 5 business days in advance if weather conditions in your area become unfavorable at the time we anticipate shipping your order. We will do our best to advise you if shipment seems risky, but the customer must take responsibility for final approval of any shipment.

✦ **Packing Charges**

Blooming Nursery plant material is shipped in medium and large corrugated boxes, accommodating 4-8 flats. A packaging charge is added to all orders boxed for shipment.

Plugs and Potted Liners	\$ 1.75 per Flat
Bare Root Material	\$ 2.50 per Box
Branched Bare root Shrubs	Varies by size of material-charged at cost.
Palletized Shipments	\$10.00 per Pallet
One-Way Shipper	Up to \$125.00, depending on number of shelves. Shipper holds approximately 80 flats. Shipper charge in lieu of boxes.

✦ **Customs Fees**

Customers are responsible for arranging Customs Brokers and their associated fees. Phytosanitary fees are added to areas requiring a certificate and are applied on a per shipment basis.

Phytosanitary Fees: \$30.00 - All orders to Canada
\$20.00 - All ornamental grass orders to California

Arrival Instructions for your Shipment

Blooming Nursery wants you to be satisfied with every order placed with us. To ensure your plant material arrives in the best condition, please follow these important instructions when your shipment arrives:

1) Visually inspect your boxes BEFORE signing for them.

Make a note on the packing slip and have it signed by the delivery driver if you notice:

* Boxes appear damaged, OR * Boxes have been stored in excessive heat or cold

2) Unpack all plant material immediately.

Liners

Place potted liners in a cool, shaded area and water sparingly, if needed. Vernalized liners may show little or no top growth. Inspect the root system which should be well developed.

Bare Root

If bare root material arrives partially thawed from cold storage, they should not be refrozen. Allow roots to thaw out slowly in a cool, shaded place without direct sunlight before planting. Freshly-potted bare root material should be brought out of dormancy in a cold frame or cool greenhouse (below 55 degrees).

3) Damaged Plant Report and Inspection Request.

If you discover plants have been damaged in transit, please notify our shipping department and then contact the carrier to claim damages. Please copy your Sales Representative on all correspondence so we can assist you as needed.

- * IMPORTANT: Save everything from the shipment, including boxes, shelves and netting.
- * ALWAYS take photographs of damaged plants and boxes. This is vital to the claim process.
- * KEEP records of all contact with the carrier.
- * Any problems or shortages MUST BE REPORTED WITHIN 3 BUSINESS DAYS of receipt of shipment or they will not be honored.
- * Losses due to growing conditions, frost, overwintering or overwatering are the customer's responsibility.

An Image of Quality.

Blooming Nursery has over 2,000 varieties to choose from in liners and finished containers. Our potted liners are available in 2" or 2.5" pots and in 96 or 38 cells. Retail-ready finished containers are distinctively branded with our *signature burgundy pots.*

ID BOTANICAL NAME & DESCRIPTION

		Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
  	Perennials, Annuals, Groundcovers, Shrubs					 
6051	Abutilon x suntense 'Violetta' Opalescent violet flowers shimmer against fuzzy gray-green leaves. Great, fast-growing accent for large containers or a sheltered location. Zn8 <i>Shrub</i>	2.5"		\$1.52	\$1.56	\$1.72
2002	Acanthus mollis Dramatic architectural plant with large tropical-looking, deep green, glossy leaves. Stunning purple and white spikes make a striking display in August. Will tolerate nearly any kind of soil. Zn6 <i>Perennial</i>	2.5"		\$1.58	\$1.62	\$1.78
2013	Achillea clypeolata Gray-green leaves and tiny, golden yellow flowers in flat-topped umbels appear in summer. Dividing annually is recommended. Zn4 <i>Perennial</i>	BR #1			\$1.25	\$1.45
2012	Achillea 'Coronation Gold' Characterized by dense clumps of upright stems, which show green, densely-hairy leaves similar to those of a fern. The plant is accented with flower heads formed in flat-topped clusters of a bright yellow color. Zn4 <i>Perennial</i>	BR #1				\$1.55
6291	Achillea millefolium 'Ann Gillette' Long blooming, bright lavender-pink flowers mature to a stunning multi-hued mix of soft light and dark pinks. A beautiful complement to the lacy gray-green foliage. Zn3 <i>Perennial</i>	BR #1			\$1.35	\$1.55
5113	Achillea millefolium 'Appleblossom' Bright lilac-pink flowers fade to pastels on this long-blooming and easy to grow garden favorite. Makes an excellent cut flower. Zn3 <i>Perennial</i>	BR #1				\$1.55
4759	Achillea millefolium 'Coral Beauty' Spreading mat of fern-like rosettes with deeply divided leaves are green or gray-green in color. Coral-pink flowers are long blooming. Zn3 <i>Perennial</i>	BR #1			\$1.35	\$1.55
5232	Achillea millefolium 'Heidi' Feathery green foliage sends up panicles of dusty, salmon-rose flowers in summer. Cut back spent flowers for rebloom. Zn3 <i>Perennial</i>	BR #1				\$1.55
2018	Achillea millefolium 'Hoffnung' Fuzzy, divided gray leaves are a great show for pastel creamy yellow flowers that hold well and can easily be dried. Dead-head for rebloom. Zn3 <i>Perennial</i>	BR #1			\$1.35	\$1.55
4565	Achillea millefolium 'Lilac Beauty' Lovely pale lilac flowers all summer. As they age, fading creates a multicolored effect that is very pleasing. Great for the middle of the border. Zn3 <i>Perennial</i>	BR #1			\$1.35	\$1.55
2021	Achillea millefolium 'Paprika' Bright scarlet flowers with yellow centers fade beautifully to pink. Drought tolerant, easy to grow and good for bouquets. Long-blooming when deadheaded. Zn3 <i>Perennial</i>	BR #1 2"		\$0.79	\$1.35 \$0.81	\$1.55 \$0.89
2024	Achillea millefolium 'Salmon Beauty' Large, flat clusters of tiny blooms open in hues of deep salmon which brighten to soft pink. Drought tolerant and easy to grow selection. Also makes a great cut flower! Zn3 <i>Perennial</i>	BR #1				\$1.55
6145	Achillea millefolium 'Snowsport' Clean, white flowers fade to ivory and bloom in summer. This compact, rounded form is great as a cut or dried flower, and well suited for low maintenance landscapes. Zn3 <i>Perennial</i>	BR #1				\$1.55
4871	Achillea millefolium 'Summerwine' Stunning wine-red flowers glows over feathery green foliage in early summer. Perfect for sunny areas. Zn3 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89

ID BOTANICAL NAME & DESCRIPTION

	Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
2010 Achillea 'Moonshine' Sulfur-yellow flowers top soft gray foliage in summer. A wonderful evergreen selection for the mixed border. Zn4 <i>Perennial</i>	BR #1	\$1.18	\$1.25	\$1.40	\$1.60
	94	\$0.51	\$0.53	\$0.54	\$0.59
	2"		\$0.79	\$0.81	\$0.89
5938 Achillea 'Schwellenberg' This marvelous perennial has fern-like, deeply-divided gray-green leaves. Stems can reach 2-3 ft above foliage and flowers are a vibrant gold. Zn4 <i>Perennial</i>	BR #1				\$1.30
7483 Achillea 'Walter Funcke' Brick-red flowers gradually fade to numerous lighter shades of orange-red. Silvery, drought tolerant foliage is the perfect foil for long blooming flowers. Zn3 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89
2040 Aegopodium podagraria 'Variegatum' Vigorous groundcover has attractive white and green-variegated leaves. Best with regular watering, but tolerates drought. Will grow taller in shade. Zn3 <i>Groundcover</i>	BR #3	\$0.49	\$0.52	\$0.62	\$0.71
4730 Agastache barberi 'Firebird' Rosy sunset-coral flowers dazzle summer to frost, above aromatic foliage. Hummingbirds adore this stunning plant. Excellent for cutting and requires good drainage. Zn6 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
6777 Agastache barberi 'Tutti Frutti' One of the showiest varieties of Agastache. Masses of deep pink flowers on tall stalks make a vivid backdrop. Has a wonderful fruity aroma! Zn6 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
7361 Agastache rupestris Beautiful sunset-orange and lavender flowers last from late summer until frost! Fine gray-green, licorice-scented foliage adds interest. Thrives in a hot spot with good drainage. Zn4 <i>Perennial</i>	2"		\$0.92	\$0.94	\$1.03
3239 Ajuga reptans 'Golden Glow' Gold and green-variegated foliage forms low mat. Blue flowers provide wonderful contrast in summer. Zn3 <i>Groundcover</i> PPAF	2"		\$0.87	\$0.89	\$0.98
2042 Alchemilla alpina Tiny chartreuse flowers float above ground-hugging, glossy-green leaves. Excellent for the rockery or border edge. Zn3 <i>Perennial</i>	BR #1	\$1.35	\$1.50	\$1.75	\$2.01
2045 Alchemilla mollis 'Auslese' A restrained habit makes this cultivar more desirable than the species. Same lovely fuzzy gray-green leaves and chartreuse flowers. Leaves sparkle after a spring rain! Zn3 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89
6900 Alchemilla pectinata Vigorously-spreading groundcover with olive green leaves accented by clusters of tiny chartreuse flowers, mid-summer. Dew or rain sparkles on wavy leaf margins. Zn7 <i>Perennial</i>	BR #3		\$0.55	\$0.60	\$0.65
5084 Allium senescens 'Glaucum' Soft lavender-pink, ball-shaped flowers top interesting curly blue foliage. Lovely and long-blooming. Great for rock gardens. Zn3 <i>Perennial</i>	94	\$0.92	\$0.95	\$0.97	\$1.07
2098 Anemone sylvestris Delicate single white flowers with golden yellow centers dance atop fresh green foliage. Great for late spring color. Zn5 <i>Perennial</i>	BR #3			\$0.79	\$0.95
2097 Anemone tomentosa 'Robustissima' 3" soft-pink flowers bloom profusely late summer and fall. Robust grower and hardiest fall-blooming Anemone. Zn4 <i>Perennial</i>	2.5"		\$1.58	\$1.62	\$1.78
2088 Anemone x hybrida 'Pamina' Deep rose-colored, semi-double flowers rise above elegant foliage in late summer and fall. Excellent for cut flowers and easy to grow. Zn5 <i>Perennial</i>	2.5"		\$1.58	\$1.62	\$1.78

ID BOTANICAL NAME & DESCRIPTION		Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
7351	Angelica pachycarpa Glossy, deep green, compound leaves have great substance, and form a beautiful, rounded mound. Large flat, parsley-like umbels of creamy-white flowers appear June to September. May behave as a self-sowing biennial. Zn5 <i>Perennial</i>	2"		\$1.22	\$1.25	\$1.38
4713	Aquilega vulgaris 'Clementine Dark Purple' Compact form with dark purple double, spurless, upward-facing flowers that resemble Clematis blooms in late spring to early summer. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
4714	Aquilegia 'Winky Blue-White' Short-spurred, upward facing, violet-blue blooms with white tips in spring. May rebloom if spent flowers are removed. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
4715	Aquilegia 'Winky Purple-White' Short-spurred, upward facing, purple blooms with white tips in spring. Reblooms if spent flowers are removed. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
2118	Aquilegia 'Biedermeier Strain' Compact grower with spurred flowers in a bright mix of colors including carmine, lilac, blue, pink or cream. Great spring bloomer for front of the border or rock garden. Zn4 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89
4234	Aquilegia canadensis 'Little Lanterns' Adorable dwarf Columbine with long fabulously-red spurs and yellow corollas. A hummingbird magnet! Zn3 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
6909	Aquilegia flabellata 'Blue Angel' Bright violet-blue flowers with sparkling-white centers grace this compact charmer. Wonderful early spring bloomer for containers or rockery. Zn3 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89
7447	Aquilegia skinnerii 'Tequila Sunrise' Orange and yellow, long-spurred blossoms make a wild and wonderful garden display late spring through summer. Zn5 <i>Perennial</i>	2"		\$1.03	\$1.06	\$1.17
4053	Aquilegia vulgaris 'Clementine Blue' Compact form with double, spurless, blue flowers in late spring. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. Zn3 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
4061	Aquilegia vulgaris 'Clementine Salmon Rose' Compact form with double, spurless, salmon-rose flowers in late spring. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. Zn3 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
5356	Arabis caucasica 'Variegata' Striking emerald and cream, felted leaves are topped with pure white flowers in spring. Late season foliage is very attractive. A collector's plant. Evergreen. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
5720	Arabis ferdinandi-coburgi 'Old Gold' Great evergreen leaves with wide chartreuse margins. White flowers in May. A vigorous low spreader. Zn4 <i>Perennial</i>	2"		\$0.97	\$0.99	\$1.09
2938	Armeria maritima 'Rubrifolia' Grassy burgundy foliage forms a tight evergreen clump, topped by numerous rose-pink clusters of flowers. Zn4 <i>Perennial</i>	2"		\$0.92	\$0.94	\$1.03
5090	Armeria 'Victor Reiter' This small, tufting Armeria resembles a dwarf dianthus. A profusion of tiny pink ball-shaped flowers top evergreen gray-green leaves. Zn4 <i>Perennial</i>	94	\$0.61	\$0.62	\$0.64	\$0.70
5907	Artemisia lactiflora 'Guizho' Dark green, nearly-black, foliage has red-tinted reverse. Sprays of pearly-white flowers appear in early summer. Zn3 <i>Perennial</i>	2"		\$0.79	\$0.81	\$0.89

ID BOTANICAL NAME & DESCRIPTION		Size	200+ Fit 1000 Br	10+ Fit 500 Br	2+ Fit 100 Br	1 Fit 25 Br
2166	Artemisia ludoviciana 'Valerie Finnis' Wide, jagged silvery-white foliage provides a foil for bright or dark colors of companion plants in the border. Native to the Northwest. Zn5 <i>Perennial</i>	BR #1			\$1.40	\$1.65
2167	Artemisia pycnocephala 'David's Choice' Delicate silver foliage forms attractive soft mounds. A beautiful dwarf evergreen selection. Makes an excellent addition to the rock garden. Zn7 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
2168	Artemisia stelleriana 'Silver Brocade' Powdery-silver, felted leaves resemble an old-fashioned brocade. Great for border edging or as a container accent. Zn3 <i>Perennial</i>	94	\$0.55	\$0.57	\$0.58	\$0.64
2136	Arum italicum Glossy-green, spear-shaped leaves are marbled with silver and appear late winter. Flowers are not showy, but fare ollowed by upright stalks of bright orange-red berries in summer. Foliage may go dormant in summer. Zn7 <i>Perennial</i>	2.5"		\$1.50	\$1.54	\$1.69
3850	Aruncus 'Misty Lace' Dainty, creamy-white flower panicles on a dwarf hybrid with fern-like, green leaves and red stems. Clump-forming with an upright habit. Zn3 <i>Perennial</i> PP15798	2"		\$1.80	\$1.85	\$2.04
2181	Aster 'Blue Lake' Large medium-blue flowers in September and October, on 4' tall plants. Nice contrast to fall colors! Zn3 <i>Perennial</i>	BR #1				\$1.50
5733	Aster 'Cape Cod' Long, graceful sprays of small, single white flowers. Blooms in September. Zn4 <i>Perennial</i>	BR #1				\$1.50
5554	Aster 'Coombe Fishacre' Graceful fall bloomer with soft lilac daisies, developing nice rosy central buttons as they age. Excellent choice as a filler or weaver in the border. Hybrid of <i>A. lateriflorus</i> . Extremely mildew resistant! Zn5 <i>Perennial</i>	BR #1				\$1.50
6254	Aster cordifolius 'Little Carlow' Medium sized aster with profuse single, very light violet-blue flowers. Zn3 <i>Perennial</i>	BR #1				\$1.50
2179	Aster dumosus 'Alice Haslam' Double, deep-rose flowers grace this cute and compact aster perfect for the front of the border. Prefers moist soil. Zn3 <i>Perennial</i>	BR #1				\$1.50
5318	Aster dumosus 'Daniella' Richly hued, deep violet blooms with gold centers sparkle on this compact grower. Perfect for showcasing at the front of the mixed border for a splash of late-season color. Zn3 <i>Perennial</i>	BR #1				\$1.50
5091	Aster dumosus 'Lady in Blue' Small, strong semi-double blue flowers. Compact and perfect for front of the border. Zn3 <i>Perennial</i>	BR #1				\$1.50
2199	Aster dumosus 'Mt. Everest' Beautiful large white flowers on tall stems. Zn3 <i>Perennial</i>	BR #1				\$1.50
2192	Aster dumosus 'Professor Kippenburg' Soft lavender-blue, semi-double flowers add color to the late summer garden. Butterfly favorite and nice for cut bouquets. Zn3 <i>Perennial</i>	BR #1 2"		\$1.20 \$0.87	\$1.30 \$0.89	\$1.50 \$0.98
5905	Aster dumosus 'Wood's Blue' Profuse cool-blue, starry daisies cover this compact and disease-resistant selection with dark green foliage. Excellent choice for late season color in the mixed border. Zn3 <i>Perennial</i>	BR #1 2"		\$0.87	\$1.30 \$0.89	\$1.50 \$0.98

ID BOTANICAL NAME & DESCRIPTION		Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
6284	Aster dumosus 'Wood's Pink' This compact aster has dark green foliage and excellent resistance to mildew and rust. Beautiful pink flowers with yellow eyes add visual impact. Zn5 <i>Perennial</i>	BR #1 2"		\$0.87	\$0.89	\$0.98
6927	Aster dumosus 'Wood's Purple' Profuse royal purple, starry daisies cover this compact and disease-resistant selection with dark green foliage. Excellent choice for late season color in the mixed border. Zn3 <i>Perennial</i>	BR #1 2"		\$0.87	\$1.30 \$0.89	\$1.50 \$0.98
2191	Aster ericoides 'Erlkonig' Pale violet blue flowers over small, heather-like foliage in fall. Good as a cut flower! Zn4 <i>Perennial</i>	BR #1				\$1.50
5675	Aster ericoides 'Lovely' Compact grower producing clouds of 1/2" lilac-colored flowers on twiggy stems and fine-textured gray-green foliage. Very long blooming. Can even be used as a short hedge! Performs best in moist or well-watered soil. Zn4 <i>Perennial</i>	BR #1				\$1.50
6118	Aster ericoides 'Pink Star' Light pink daisies cover airy mounds of narrow leaves in late summer. Known as a superior selection of an eastern native Aster. Drought tolerant. Zn5 <i>Perennial</i>	BR #1				\$1.50
6209	Aster laevis 'Bluebird' Rich violet-blue daisies with bright yellow eyes appear in August-September and are very long-lasting. Sturdy, mildew-resistant plant has 2-4" long slender, smooth leaves and does not need staking. Zn2 <i>Perennial</i>	BR #1				\$1.50
6749	Aster lateriflorus 'Lady in Black' Incredibly deep, rich burgundy foliage is a great contrast to thousands of tiny white daisies with round raspberry cones in late summer. Zn6 <i>Perennial</i>	BR #1				\$1.50
6384	Aster lateriflorus 'Prince' Tiny, rosy-eyed white daisies top dense deep purple foliage. An absolutely stunning combination! A "Great Plant Pick" for the Pacific Northwest. Zn4 <i>Perennial</i>	BR #1 2"		\$0.87	\$0.89	\$1.50 \$0.98
2198	Aster lateriflorus 'Snow Flurry' A dense, clump-forming plant with long, narrow foliage, and covered with hundreds of white, daisy-like flowers in September. Zn4 <i>Perennial</i>	BR #1				\$1.50
2106	Aster novae-angliae 'Alma Potschke' A taller growing cultivar that is excellent for back of the border. Clusters of flowers in remarkable shades of bright rose-pink grace this garden gem, August to October. Excellent for cutting! Zn4 <i>Perennial</i>	BR #1				\$1.50
2141	Aster novae-angliae 'Barr's Blue' This lovely violet-blue form produces a profusion of daisy-like blooms for the middle border late in the season. Sturdy stems are self supporting if not overwatered. Zn4 <i>Perennial</i>	BR #1				\$1.50
5374	Aster novae-angliae 'Hella Lacy' Lovely, deep violet-purple flowers grace this back of the border stunner. Flowers are held in clusters on tall stems, perfect for cutting. Great for late season color! Zn4 <i>Perennial</i>	BR #1				\$1.50
5514	Aster novae-angliae 'Honeysong Pink' Pink flowers with yellow centers appear from late August to early October. Grows 4' tall. Zn4 <i>Perennial</i>	BR #1				\$1.50
5513	Aster novae-angliae 'Purple Dome' Loaded with gorgeous, rich deep purple blossoms, this compact cultivar grows to only 18" tall! Wonderful clusters of flowers are excellent for cut bouquets. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98

2196	Aster novae-angliae 'September Ruby' Showy, ruby-red flowers are held in clusters on this late bloomer. Long stems are excellent for cut bouquets. This taller-growing cultivar works well in the back of the perennial border. Zn4 <i>Perennial</i>	BR #1				\$1.50
5093	Aster novi-belgii 'Fuldata' Lovely semi-double, purple-violet flowers. Is shorter than novae-angliae and also has smooth, lancelike leaves and hairless stems. Zn4 <i>Perennial</i>	BR #1				\$1.50
2188	Aster novi-belgii 'Lamb's Pride' Double lavender-hued flowers are largest of this type. Smooth, lance-like leaves and hairless stems. Zn4 <i>Perennial</i>	BR #1				\$1.50
5092	Aster novi-belgii 'White Ladies' Large, pure white flowers top hairless stems from late summer to fall. Smooth lance-like leaves. Zn4 <i>Perennial</i>	BR #1				\$1.50
4685	Aster oblongifolius 'Fanny' Wonderful late-bloomer! Violet-blue flowers with a yellow center extend the border blooming season into late October and November. Vigorous grower. Zn8 <i>Perennial</i>	BR #1			\$1.30	\$1.50
4107	Aster oblongifolius 'Raydon's Favorite' Bushy plants produce loads of lavender daisies with yellow centers from late summer to mid-fall. Excellent as cutflowers and in the landscape. Zn4 <i>Perennial</i>	BR #1				\$1.50
2205	Aster x frikartii 'Mönch' Lovely large, single, lavender-blue flowers shine summer through fall. Blooms for an extraordinarily long time. Nice for bouquets. A "Great Plant Pick" for the Pacific Northwest! Zn5 <i>Perennial</i>	2"		\$0.92	\$0.94	\$1.03
5421	Asteromea mongolica Slow spreading, semi double, white, daisy-like flowers from late spring to frost. Very tough, adaptable and long blooming. Easy to grow! Zn4 <i>Perennial</i>	BR #1				\$1.25
2222	Astilbe chinensis 'Pumila' This dwarf groundcover boasts many rosy-purple spikes from July to October. Zn3 <i>Perennial</i>	3-5 eye		\$1.52	\$1.65	\$1.90
2226	Astilbe chinensis var. taquetii 'Superba' Sturdy magenta flower spikes make a dramatic impact in the shade garden. A large and impressive selection. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
5250	Astilbe simplicifolia 'Sprite' Dwarf form with light pink arching plumes over dark lacy foliage. 1994 Perennial Plant Association Plant of the Year! Zn3 <i>Perennial</i>	3-5 eye			\$1.60	\$1.84
2213	Astilbe thunbergii 'Ostrich Plume' Gracefully-weeping, deep dusty rose plumes add an air of elegance to the shade garden. Excellent for moist areas. Pretty plumes make a gorgeous bouquet. (A. 'Straussenfeder') Zn3 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
2265	Astilbe thunbergii 'Professor Van der Wielen' Large, arching white plumes top fresh green foliage. An excellent addition to the shade garden! Elegant flowers are wonderful for cut bouquets. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
2264	Astilbe x arendsii 'Amethyst' Rich violet-purple plumes top this shade-loving perennial in summer. Can tolerate some sun if in moist location. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
2225	Astilbe x arendsii 'Bumalda' Creamy-white flowers with a pink flush top pretty green foliage. Adds a note of elegance to the shade garden. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59

ID	BOTANICAL NAME & DESCRIPTION	Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
2210	Astilbe x arendsii 'Cattleya' Tall and loosely-clustered, dark pink plumes glow above dark foliage. Can tolerate some sun if kept moist. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
2220	Astilbe x arendsii 'Gloria Purpurea' Carmine-red flowers top dark foliage in July. Adds an air of the exotic to the shade garden. Good for cut bouquets. Zn3 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
2219	Astilbe x arendsii 'Glow' Narrow plumes of darkest red glow atop green foliage. Prefers a shady site, but can tolerate some sun if kept moist. Great for bouquets! Zn3 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
5484	Astilbe x arendsii 'Irrlicht' Snowy-white plumes top distinctive dark green foliage. A beautiful addition to the shade garden. Zn3 <i>Perennial</i>	3-5 eye	\$1.21	\$1.27	\$1.38	\$1.59
3931	Astilbe x arendsii 'Red Charm' An Astilbe thunbergii cross growing 3-4' tall, with graceful arching plumes of true red that appear in June. Prefers moist soils and partial shade. Zn4 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
2209	Astilbe x japonica 'Avalanche' Short, airy plumes of pristine white adorn this shade garden favorite. Elegant green foliage adds interest. Nice for cut arrangements. Zn3 <i>Perennial</i>	3-5 eye	\$1.21	\$1.27	\$1.38	\$1.59
2211	Astilbe x japonica 'Bonn' Dense spikes of deep rose are elegant and long-blooming. Wonderful for cut bouquets. Great for moist, shady sites. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
2217	Astilbe x japonica 'Gladstone' Nice compact habit and pretty white plumes grow to 20" tall. Sparkles in a shady location. Elegant flowers make a stunning cut bouquet. Zn3 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
2215	Astilbe x japonica 'Queen of Holland' Glossy bronze foliage is topped by airy white plumes, April to May. Makes a nice cut bouquet. Best in full shade but can tolerate some sun if kept moist. Zn3 <i>Perennial</i>	3-5 eye		\$1.27	\$1.38	\$1.59
4837	Astilbe x japonica 'Vesuvius' Stunning red plumes appear early summer atop fresh green foliage. Prefers a shady location, but can tolerate some sun if kept moist. Excellent for cutting. Zn3 <i>Perennial</i>	3-5 eye			\$1.38	\$1.59
2107	Aubrieta 'Dr. Mules Variegata' A wonderful perennial with contrasting violet-purple flowers against creeping cream and green-variegated foliage. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
2108	Aubrieta 'Red Flowering Variegated' Variegated cream and green foliage has a trailing habit perfect for the rock garden or edge of the border. Red flowers in early spring. Zn4 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
2241	Aubrieta x cultorum 'Rokey's Purple' A profusion of true purple blooms cover this low-growing perennial. A very long and repeat bloomer, it is ideal for the rockery or border's edge. Zn3 <i>Perennial</i>	2"		\$0.87	\$0.89	\$0.98
2252	Baptisia australis Panicles of indigo-blue, sweet pea flowers top attractive blue-gray foliage. An outstanding long-lived perennial. Zn4 <i>Perennial</i>	2"		\$0.97	\$0.99	\$1.09
2390	Bergenia cordifolia 'Winterglut' Showy magenta-red flowers bloom in spring and periodically in fall. Large, rounded foliage takes on beautiful fall and winter colors. Excellent for massing. Evergreen. Zn3 <i>Perennial</i>	2"		\$1.03	\$1.06	\$1.17

<i>ID</i>	<i>BOTANICAL NAME & DESCRIPTION</i>	<i>Size</i>	<i>200+ Fit 1000 Br</i>	<i>10+ Fit 500 Br</i>	<i>2+ Fit 100 Br</i>	<i>1 Fit 25 Br</i>
6006	Bergenia hybrida 'Baby Doll' Delicate pink flowers age to a deeper pink in spring. Foliage is smaller than most varieties of Bergenia, reaching a mere 10" tall. An excellent evergreen accent. Zn3 <i>Perennial</i>	BR #1	\$1.54	\$1.61	\$1.75	\$2.00
2267	Bergenia purpurascens Reddish-purple flowers enhance deep-green leaves with a reddish hue to their undersides, adding burgundy shades through winter and early spring. An easy to grow evergreen. Zn3 <i>Perennial</i>	2"		\$1.03	\$1.06	\$1.17
3241	Boltonia asteroides 'Jim Crockett' Medium to dark green foliage produces starry lavender flowers with yellow centers. Compact and very floriferous. Zn4 <i>Perennial</i>	2"		\$0.97	\$0.99	\$1.09
4428	Boltonia asteroides 'Nana' Sparkling clouds of starry white asters enhance the late season garden. Drought tolerant and easy to grow. Makes an excellent cut flower. Zn4 <i>Perennial</i>	BR #1				\$1.70
2272	Boltonia asteroides 'Snowbank' Tall, wiry stems are clothed in thousands of tiny white daisies. This sturdy, trouble-free plant reaches 4-5' in height, yet needs no staking! Wonderful for cut bouquets and adds a mass of color to the late-season garden. Zn4 <i>Perennial</i>	BR #1			\$1.40	\$1.61
2271	Boltonia asteroides var. latisquama 'Pink Beauty' Light pink starry flowers on tall, willowy stems are perfect for cutting. Adds rustic charm and soft rosey color to the mixed perennial border from late summer to fall. Zn4 <i>Perennial</i>	BR #1			\$1.40	\$1.61
7389	Brunnera macrophylla 'Jack Frost' Leaves have frosty silver overlay and light green veining. Tiny clusters of pretty Forget-Me-Not flowers in spring. Perfect for woodland areas. A "Great Plant Pick" for the Pacific NW. Zn3 <i>Perennial</i> PP13859	2"		\$2.68	\$2.75	\$3.03
3896	Brunnera macrophylla 'Looking Glass' This sport of 'Jack Frost' boasts even larger, more-silvery leaves, with a mounding habit. Blue Forget-Me-Not flowers in spring and beautiful silvery leaves light up shady areas. Zn4 <i>Perennial</i> PP17829	2"		\$2.68	\$2.75	\$3.03
8030	Calamintha grandiflora Large, aromatic leaves with rosy-pink flowers that bloom most of the summer. Tolerant of dry shade. Zn5 <i>Perennial</i>	BR #1				\$1.60
6255	Calamintha nepeta This perfect globe-shaped plant has small aromatic green leaves and is covered with luminous pale pink flowers in early summer. Shear throughout summer for re-bloom. Zn6 <i>Perennial</i>	BR #1				\$1.60
6213	Calamintha nepetoides 'White Cloud' Clouds of small white flowers appear in summer to float above dense mats of pungent gray-green foliage. Excellent edging plant or attractive groundcover for rock gardens. Bees adore it! Zn5 <i>Perennial</i>	BR #1			\$1.40	\$1.60
2293	Campanula carpatica 'Karl Foerster' Brilliant violet-blue, open cups cover this alpine garden charmer all summer. Attractive compact habit is perfect for the front of the mixed border, rockery or trough garden. Zn4 <i>Perennial</i>	BR #1	\$1.20	\$1.25	\$1.35	\$1.55
2289	Campanula glomerata 'Crown of Snow' Pretty, sparkling white bells clustered atop short stalks are a wonderful addition to the old-fashioned cottage garden. This floriferous variety is wonderful for cutting. Zn3 <i>Perennial</i>	BR #1			\$1.35	\$1.55

4799	Geum coccineum (x borisii) 'Queen of Orange' An improved form that is more floriferous and earlier blooming than the species. This evergreen plant is covered with orange flowers in spring for over a month. Zn5 <i>Perennial</i>	2"		\$0.83	\$0.85	\$0.94
4101	Geum 'Double Bloody Mary' Bright scarlet-red flowers are semi-double with ruffled petals and perfect for that summer bouquet. Full bloom in late spring, then off and on through summer into fall. (aka 'Blazing Sunset') Zn5 <i>Perennial</i>	2"		\$0.83	\$0.85	\$0.94
4167	Geum 'Mango Lassi' A Blooming Advantage introduction! Large and delicate double flowers display warm shades of apricot to mango. Evergreen foliage clump remains neat and compact. Zn5 <i>Perennial</i>	2.5"		\$1.52	\$1.56	\$1.72
4900	Geum 'Pumpkin' A Blooming Advantage™ introduction! Large pumpkin-orange flowers cover this dwarf Geum, lending cheer and glowing color to any border. Zn5 <i>Perennial</i>	2.5"		\$1.52	\$1.56	\$1.72
6611	Geum 'Starker's Magnificum' Long stems of ruffled tangerine-to-coppery-orange, double blossoms top this very robust and large growing cultivar. Evergreen. Zn5 <i>Perennial</i>	2.5"		\$1.52	\$1.56	\$1.72
6875	Halimocistus sahuicii Pure sparkling white flowers with yellow centers enhance this shrubby perennial. Needs full sun and good drainage but drought tolerant once established. Zn7 <i>Shrub</i>	2.5"		\$1.32	\$1.35	\$1.49
2754	Hebe 'Amy' Rich violet flowers top glossy, deep purple leaves. A stunning combination! Maintains a nice, rounded form. Excellent for container plantings. Zn8 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
4313	Hebe anomala 'Purpurea' Hardy, upright shrub with small glossy, dark green leaves and purple-hued tips. Excellent border perennial which performs best in full sun. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
7549	Hebe anomala purpurea 'Nana' Fine glossy, dark-green, foliage contrasts marvelously with dark purple stems. Branch tips in warm purple hues on this upright form. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
2755	Hebe 'Autumn Glory' Dark evergreen foliage has red-tinted margins and topped by deep purple flower spikes in May and September. Zn8 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
4749	Hebe 'Blue Eyes' Tiny emerald leaves densely line black-purple stems on this fabulous compact hebe. Clusters of tiny, icy-blue flowers deepen to violet. Excellent as a groundcover or rockery accent. Zn7 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
2766	Hebe buxifolia Pretty white flowers top evergreen foliage. Gives the appearance of boxwood, but grows faster. Makes an excellent hedge when not grown in strong winds. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
6753	Hebe 'Great Orme' Beautiful bright pink flower spikes up to 4" long, slowly fade to white, giving a bicolor effect late summer to frost. Shiny, light green leaves enhance this rounded shrub. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
4597	Hebe 'La Favourite' Lovely upright habit with large rounded, dark green foliage. Clear purple flowers grace this outstanding evergreen shrub. Zn8 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
4600	Hebe 'Lavender Spray' Fast growing, spreading plant with rich green leaves and lavender-mauve flowers bloom spring to early summer. Excellent as a groundcover or spilling over walls. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03

<i>ID</i>	<i>BOTANICAL NAME & DESCRIPTION</i>	<i>Size</i>	<i>200+ Ft 1000 Br</i>	<i>10+ Ft 500 Br</i>	<i>2+ Ft 100 Br</i>	<i>1 Ft 25 Br</i>
6747	Hebe 'Mrs. Winder' Dark evergreen foliage is accented by bright, violet-blue flowers in late summer. Leaves often turn pinkish or bronzy in cold weather. Protect from freezing winds. Zn8 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
2760	Hebe 'Patty's Purple' Leaves grow in a columnar formation, making it a good choice for a hedge. Purple flowers adorn fresh green foliage in summer. Excellent for containers too! Zn8 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
6880	Hebe pinguifolia 'Sutherlandii' Profuse, short spikes of white blossoms with blue anthers grace this evergreen shrublet in summer. Foliage is small, intensely glaucous-gray, and densely-branched. Hardier than many other Hebes. Zn7 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
4265	Hebe 'Purple Shamrock' Narrow lime-green-variegated foliage on beautiful purple stems. Leaves flush with purple in winter. Zn8 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
6903	Hebe 'Red Edge' Pretty lilac-to-white flowers cover this small evergreen shrub from midsummer on. Tiny blue-green leaves with rosy-red borders shine, especially in winter. A wonderful container accent. Zn7 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
2776	Hebe speciosa 'Variegata' A flamboyant plant with light green leaves that feature broad creamy margins. Bright magenta flowers, fading to lavender, appear June to August. Often used as a seasonal focal point in containers. Zn8 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
3899	Hebe 'Spender's Seedling' One of the most reliable, hardy and long flowering Hebe's available! It will form a large evergreen shrub with white spiked flowers that bloom from summer to fall. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
6879	Hebe vernicosa White flowers with purple anthers top small glaucous, shell-like leaves. Reputedly one of the hardest Hebes. Dwarf spreading form suitable for the rock garden or as a groundcover. Zn7 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
4599	Hebe 'Western Hills' This erect-growing shrub to 3' has small blue-green leaves. White flowers appear in June. Very hardy, and tolerates coastal conditions well. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
4020	Hebe x franciscana 'Lobelioides' Rich violet blue flowers bloom in dense 3" spikes. Rounded glossy foliage forms a compact shrub. Zn7 <i>Shrub</i>	2"		\$0.92	\$0.94	\$1.03
4199	Hebe x franciscana 'Pinocchio' Evergreen leaves have two shades of variegation making it the showiest Hebe available! Long pink flower spikes appear late summer and continue into fall. Zn8 <i>Shrub</i>	2"		\$0.97	\$0.99	\$1.09
5453	Helenium bigelovi 'Bishop' Large golden-yellow flowers with darker central cones become more prominent as they age. Long stems are excellent as cut flowers! Zn4 <i>Perennial</i>	BR #1		\$1.45	\$1.65	\$1.90
4800	Helenium 'Dakota Gold' Neatly mounded plants are covered with 1" sunny yellow, daisy-like blooms that are self-cleaning. Easy to grow, this dwarf Annual tolerates heat and humidity. Zn <i>Annual</i>	2"		\$0.83	\$0.85	\$0.94
3775	Helianthemum 'Belgravia Rose' Vivid deep rose flowers are borne in abundance, late spring through summer, on this mounding gray-green shrublet. Versatile and drought tolerant. Zn4 <i>Perennial</i>	2"		\$1.03	\$1.06	\$1.17

5412	Thyme, 'English Wedgewood' This lovely, mound-forming, evergreen Thyme has good flavor and is excellent for cooking. Zn6 <i>Herb</i>	94	\$0.61	\$0.62	\$0.64	\$0.70
8251	Thyme, Lemon/Gold Variegated Small evergreen plant with bright gold and gray-green leaves. Wonderful strong lemon flavor combines well with many chicken or fish dishes. Perfect in containers. Zn6 <i>Herb</i>	94	\$0.58	\$0.59	\$0.61	\$0.67
8253	Thyme, Lemon/Silver Variegated ('Argentea') Glossy ivory and gray-green foliage adds interest to the rockery. This slow-growing variety has an excellent lemon flavor. Zn5 <i>Herb</i>	94	\$0.58	\$0.59	\$0.61	\$0.67
5460	Thyme, 'Narrow Leaf French' Fine gray leaves hold small white flowers during the summer. Excellent flavor for cooking. May also be used as a groundcover or rockery accent. Zn6 <i>Herb</i>	94	\$0.61	\$0.62	\$0.64	\$0.70
6896	Thyme, 'Spicy Orange' This prostrate, needle-leaved thyme makes an excellent groundcover. Releases a refreshing scent of oranges when crushed, making it perfect between pavers. Zn5 <i>Herb</i>	94	\$0.58	\$0.59	\$0.61	\$0.67

Ornamental Grasses

4423	Andropogon gerardi 'Lord Snowdon' Purplish flower spikes in fall top striking silvery-blue blades. Foliage turns an attractive soft plum after frost. Zn4 <i>Grass</i>	br 2g+		\$2.71	\$2.95	\$3.40
4537	Arundo formosana Bamboo-like grass forms a large fountain-shaped clump to 7' tall. Open, purple flower panicles appear rarely in late fall. An exotic accent for the landscape. Zn5 <i>Grass</i>	br 2g+		\$1.79	\$1.95	\$2.25
6233	Bromus inermis 'Skinner's Gold' In spring, outstanding, broad golden variegation on erect grassy leaves makes this a brilliant and distinct addition to the border. Coarse seedheads are also very attractive. Zn5 <i>Grass</i>	BR #1			\$1.95	\$2.24
2278	Calamagrostis arundinacea brachytricha Upright fluffy flower spikes emerge briefly in early summer here, then blooms again in fall. A graceful and arching grass. Grows well in moist locations. Zn5 <i>Grass</i>	br 2g+	\$2.25	\$2.40	\$2.65	\$3.05
2328	Carex buchananii Russet-brown leaves with curly tops make a dramatic accent in the mixed border or container. Upright, clumping habit and drought tolerant once established. Zn7 <i>Grass</i>	BR #1	\$1.32	\$1.25	\$1.50	\$1.75

<i>ID</i>	<i>BOTANICAL NAME & DESCRIPTION</i>	<i>Size</i>	<i>200+ Ft 1000 Br</i>	<i>10+ Ft 500 Br</i>	<i>2+ Ft 100 Br</i>	<i>1 Ft 25 Br</i>
5655	Carex buchananii 'Viridis' Finely-textured, upright clump of curly-topped light green blades makes a striking border or container accent. Evergreen and easy care. Zn6 <i>Grass</i>	2.5"		\$1.37	\$1.40	\$1.54
4236	Carex comans 'Milk Chocolate' Delicious milk chocolate-colored, evergreen grass with long thin blades gracefully-curving outward. Similar to 'Frosted Curls' in form but with a rich brownish-red color. Zn7 <i>Grass</i>	2"		\$0.97	\$0.99	\$1.09
6144	Carex conica 'Variegata' ('Hime kan sugi') This dwarf Sedge creates a striking low-growing, mounding groundcover. Fine dark green leaves with white margins make a perfect addition to the smaller garden, rockery or border. Zn5 <i>Grass</i>	BR #1	\$1.83	\$1.91	\$2.08	\$2.40
4805	Carex dolichostachya 'Kaga nishiki' Fine green leaves have a gold stripe along each edge. Low and fountain-like, this sedge works well in drifts, as a formal border or specimen. Tolerant of many conditions and exposures. Zn5 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61
6285	Carex elata 'Bowe's Golden' This incandescent, golden grass makes a gorgeous foliage accent for the mixed border or pond perimeter. A "Great Plant Pick" for the Pacific Northwest! Zn5 <i>Grass</i>	2.5"		\$1.52	\$1.56	\$1.72
2281	Carex flagellifera Beautiful warm orange blades have bronze and rose shades. Graceful and highly-textural grass with a relaxed weeping habit, creates a nice accent in any garden. Zn7 <i>Grass</i>	BR #1	\$1.32	\$1.38	\$1.50	\$1.75
2329	Carex morrowii 'Aureovariegata' Forms a mounding clump of green with yellow-striped leaves. Evergreen and great for winter interest or modern edging. A "Great Plant Pick" for the Pacific Northwest! Zn5 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61
6653	Carex morrowii 'Ice Dance' Dark green leaves with white edges form arching mounds of evergreen foliage. It will spread to form a groundcover that's easy to control. A "Great Plant Pick" for the Pacific Northwest! Zn5 <i>Grass</i>	BR #1 2.5"		\$1.61 \$1.42	\$1.75 \$1.46	\$2.00 \$1.61
5197	Carex muskingumensis 'Little Midge' A lovely diminutive form of Palm Sage. Native to low woods and wet meadows, it provides bright green textural interest for moist garden sites. Zn4 <i>Grass</i>	BR #1	\$1.45	\$1.52	\$1.65	\$1.90
6297	Carex nigra 'Variegata' Light green blades to 12" are softly edged in yellow. A vigorous groundcover for partial shade that will also tolerate drier soils. Zn5 <i>Grass</i>	BR #1			\$1.75	\$2.00
6997	Carex pansa Very slender, upright green blades grow to 6" on this spreading Western native. Easy-care substitute for turf grass as it forms a solid carpet. Zn8 <i>Grass</i>	2"		\$1.09	\$1.12	\$1.23
4282	Carex stricta Stiff, narrow, light green blades turn golden in fall. A beautiful and graceful ornamental grass. Zn5 <i>Grass</i>	BR #1			\$1.35	\$1.55
6823	Carex tumulicola Very narrow bright green blades form evergreen clumps. Use as a groundcover under trees or in moist areas. Reseeds readily. Native. Zn7 <i>Grass</i>	2"		\$1.09	\$1.12	\$1.23
4214	Deschampsia caespitosa 'Northern Lights' Glowing green and white-striped leaves take on a pink blush in cool weather and when new. Nice clumping habit with airy flower panicles in summer. Zn5 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61

ID BOTANICAL NAME & DESCRIPTION		Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
5715	Deschampsia flexuosa 'Aurea' ('Tetra Gold') Finely-textured, arching, golden foliage tufts are topped by nodding purple-tinged panicles in June and July. Lovely specimen for the border or woodland garden. Performs best in rich soil and partial shade. Zn4 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61
4734	Eragrostis elliottii Blue-gray narrow grass blades have airy, but sturdy tan plumes in early May that remain beautiful all season. This native grass is superb as a specimen in the border. Zn6 <i>Grass</i>	2"		\$0.87	\$0.89	\$0.98
4095	Eragrostis tef 'Ruby Silk' Rich burgundy seedheads gracefully drape over compact clumps of upright foliage. Excellent for cut or dried flower arrangements as color doesn't fade! Zn10 <i>Annual</i>	2"		\$0.87	\$0.89	\$0.98
4540	Hakonechloa macra 'Albostriata' Creamy yellow-striped blades of spring fade to white in late summer. Forms a nicely-rounded mound. Vigorous grower. A "Great Plant Pick" for the Pacific Northwest! Zn5 <i>Grass</i>	2"		\$2.22	\$2.28	\$2.51
2817	Helictotrichon sempervirens This clumping blue grass forms nice, spiky mounds topped by narrow, tan flower plumes. Makes a nice specimen plant. A "Great Plant Pick" for the Pacific Northwest! Zn3 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61
4324	Helictotrichon sempervirens 'Sapphire' Intensely-blue evergreen blades form a spiky clump of foliage. Tan flower plumes appear in summer. Great as a specimen or mass planting. A "Great Plant Pick" for the Pacific Northwest. Zn3 <i>Grass</i>	2.5"		\$1.42	\$1.46	\$1.61
2913	Imperata cylindrica 'Red Baron' Brilliant red tips on this short grass literally glows when illuminated by the autumn sun, especially when planted en masse. Prefers moist areas. (WA and OR only) Zn6 <i>Grass</i>	BR #1	\$2.10	\$2.30	\$2.65	\$3.05
5198	Juncus effusus 'Gold Strike' Good selection for gardens with wet, boggy areas or standing water. Distinctive gold stripe runs full length of each blade giving the plant a strong vertical emphasis. Zn5 <i>Grass</i>	2.5"		\$1.37	\$1.40	\$1.54
4680	Juncus effusus 'Unicorn' Blades are extra long and thick with twisty, deep green leaves that add fabulous interest to any garden. Great for floral arrangements. Like 'Spiralis' on steroids! Zn4 <i>Grass</i>	BR #1			\$1.74	\$2.00
5199	Juncus inflexus 'Afro' Powdery-blue spiraling stems twist and contort to 18". Great in containers, as a shallow pond specimen or in a moist garden. Very vigorous and easy to grow. Zn6 <i>Grass</i>	BR #1		\$1.60	\$1.74	\$2.00
5541	Juncus 'Occidental Blue' Clumps of stiffly-upright, blue-gray needles radiate from the base. Creates a marvelous textural accent, adding cool hues and bold form to any garden. Prefers moist to wet locations. Zn5 <i>Grass</i>	BR #1	\$1.35	\$1.45	\$1.74	\$2.00
6999	Juncus polyanthemus Dramatic vertical accent, especially at water's edge or in a large container planting. Flower clusters bloom in rose hues and fade to buff. A very showy rush with a clumping habit. Zn8 <i>Grass</i>	BR #1	\$1.35	\$1.45	\$1.74	\$2.00
3117	Miscanthus oligostachyus 'Purpurascens' One of the best grasses for fall color! Silvery inflorescences appear above broad, reddish-purple leaves in autumn. Winter foliage is a rich bronze-brown. Zn4 <i>Grass</i>	br 2g+			\$2.75	\$3.16
6601	Miscanthus sinensis 'Adagio' Truly-superior dwarf selection is topped by pink flowers that fade to white. Finely-textured, silver-gray blades lend an elegant touch to the landscape. Zn6 <i>Grass</i>	br 2g+			\$2.75	\$3.16

4429	Ophiopogon planiscapus 'Ebony Knight' Eye-catching strap-like leaves of an almost black hue lend subtle sophistication to the perennial garden. Palest purple-white flowers appear in summer. A "Great Plant Pick" for the Pacific Northwest! Zn6 Grass	38		\$2.78	\$2.85	\$3.14
6689	Panicum virgatum 'Cloud Nine' Airy golden inflorescence create a soft transparent effect for the back of the border, late summer. Lovely light blue blades turn golden in fall. Zn4 Grass	br 2g+	\$2.33	\$2.44	\$2.65	\$3.05
7553	Panicum virgatum 'Dallas Blues' Robust grower with incredible blue foliage. Lofty plum flowers emerge in late summer or early fall and can grow to over 22" long! Good winter color. Zn4 Grass PP11202	br 2g+			\$2.65	\$3.05
4877	Panicum virgatum 'Dwarf' Very nice blue-green foliage, topped by airy seedheads in late summer, on a more compact form. Excellent for creating a hazy "translucent" effect in the border. From a seedling selected at our nursery. Zn4 Grass	br 2g+			\$2.35	\$2.70
6622	Panicum virgatum 'Haense Herms' Airy crimson inflorescences dance atop green blades with an elegant, slightly-weeping habit. Shades turn to brilliant hues of orange, red and burgundy in fall. Zn4 Grass	br 2g+			\$2.65	\$3.05
6325	Panicum virgatum 'Heavy Metal' Rigidly-upright steel blue foliage makes a great vertical accent. Airy bronzy plumes in late summer to fall create a translucent effect. Zn4 Grass	br 2g+			\$2.65	\$3.05
4295	Panicum virgatum 'Prairie Sky' An excellent true-blue grass. Upright, softly-arching foliage makes a great vertical accent. Airy bronze clouds of tiny seedheads glimmer late summer to fall. Zn4 Grass	br 2g+			\$2.65	\$3.05
5162	Panicum virgatum 'Rotstrahlbusch' ('Red Rays') Airy crimson flowerheads dance atop red-tipped blades. Creates an upright arching mass. Burnished red fall color makes this an outstanding grass. A "Great Plant Pick" for the Pacific Northwest! Zn4 Grass	br 2g+		\$2.99	\$3.25	\$3.74

ID BOTANICAL NAME & DESCRIPTION

	Size	200+ Ft 1000 Br	10+ Ft 500 Br	2+ Ft 100 Br	1 Ft 25 Br
6042 Pennisetum alopecuroides 'Cassian' Excellent orange-red fall color is displayed on this bushy fountain grass. Showy bronze flower plumes from August to September rise above compact foliage to 36". Zn6 Grass	br 2g+		\$2.30	\$2.50	\$2.88
4436 Pennisetum orientale 'Karley Rose' Smokey, rose-purple flower plumes add incredible texture and color to the garden all summer long. Deep olive-green leaf blades form uniform clumps. Zn5 Grass PP12909 (Plus 20¢/ Plant)	38		\$1.36	\$1.39	\$1.53
6989 Pennisetum spathiolatum Unique "bunny tail" flower spikes studded with black seeds, rise to 3' on this easy to grow beauty. Gray-green, evergreen foliage adds interest and grows to 12". Zn8 Grass	br 2g+			\$2.50	\$2.88
5886 Phalaris arundinacea 'Dwarf Garters' Variegated foliage appears white from a distance and gets a rosy cast in spring. Soft white panicles in early summer turn brown by late summer. More restrained growth than species. Will grow in shallow water. Spreading habit. Zn4 Grass	BR #1		\$1.29	\$1.40	\$1.61
2827 Phormium 'Candy Stripe' Stiff, upright, sword-like evergreen leaves are marked with red, green & yellow stripes. A beautiful architectural plant for patio or garden. Zn8 Grass	38		\$2.54	\$2.60	\$2.86
6983 Phormium colensoi Broad green blades form tropical-looking foliage. Tall candelabra-like flower stems rise to 5' in warmer climates. Zn8 Grass	2"		\$1.31	\$1.34	\$1.47
4885 Phormium 'Red Sparklers' Outstanding burgundy foliage adds dramatic accent to a sunny border or mixed container. Zn7 Grass	38		\$2.54	\$2.60	\$2.86
4792 Phormium tenax 'Bronze' Bold, bronze-leaved accent plant creates a tropical look in containers. Striking! Zn8 Grass	2.5"		\$1.46	\$1.50	\$1.65
5544 Sesleria caerulea Attractive compact evergreen grass displays sea-blue & green leafblades simultaneously. Low clump form makes an excellent edge plant. Zn4 Grass	38		\$1.40	\$1.44	\$1.58
6998 Sesleria nitida Dense little pom-pom panicles stretch on stems to 3' in late spring. Evergreen bluish-gray foliage is excellent for massing in part shade or as a steely accent for the mixed border. Zn4 Grass	BR #1		\$1.31	\$1.42	\$1.63
4848 Stipa 'Capriccio' This fine-textured green grass creates a soft, delicate appearance in mixed containers and the landscape. Zn6 Grass	2"		\$0.83	\$0.85	\$0.94
3578 Stipa gigantea Numerous golden seeds dangle from tall stiff stalks, creating an "aura". Magnificent as a specimen grass or for cut arrangements. A "Great Plant Pick" for the Pacific Northwest! Zn6 Grass	br 2g+			\$2.30	\$2.65
4218 Typha latifolia 'Variegata' Bold green and white-striped leaves highlight cinnamon brown cattails. Wonderful for water gardens or perpetually-moist areas. Not as vigorous as the species. Zn4 Grass	BR #1			\$3.25	\$3.74
4177 Uncinia rubra This evergreen New Zealand Carex relative displays rich, bronze-colored blades. A marvelous addition to any garden. Prefers a cool, moist site in sun or partial shade. Zn8 Grass	2"		\$1.15	\$1.18	\$1.30

LiveRoof®
Green Roof Modules
Pre-vegetated Modular Green Roof System

GreenFeathers Living Roof Plants & Systems, a Blooming Nursery affiliate, is proud to be a grower and distributor of LiveRoof® pre-vegetated modules in the Pacific Northwest.

The numerous environmental, economical, and political benefits, as well as the ease of installation makes the LiveRoof® system one of the best “green” solutions for today’s world.

Some of the benefits LiveRoof® modules offer are:

- Aesthetic Appeal
- Noise Reduction
- Add'l “Green Space”
- Cools the Rooftop
- Filters Rainwater
- Reduces AC costs

Many of the groundcover varieties we produce work perfectly with the LiveRoof® modules. Installation of a virtually fully-vegetated (95%) module means immediate energy savings!
