

Acanthus mollis

Bear's Breeches (Code: 2002)

Dramatic architectural plant with large tropical-looking deep green, glossy leaves. Stunning purple and white spikes make a striking display in August. It will tolerate nearly any kind of soil. (3-5' x 3-4') Zn6.

Acanthus spinosus

Bear's Breeches (Code: 6203)

Striking mauve and gray-white flower spikes top showy deep green spiny leaves. An excellent accent plant. (4' x 2') Zn6.

Achillea 'Moonshine'

Yarrow (Code: 2010)

Clusters of sulfur-yellow flowers top soft gray foliage most of the summer. This wonderful evergreen selection is a long time favorite with designers. (24" x 16") Zn4.

Achillea 'Walter Funcke'

Yarrow (Code: 7483)

Brick-red flowers gradually fade to numerous lighter shades of orange-red. Silvery, drought tolerant foliage is the perfect foil for the long blooming flowers. (24" x 24") Zn3.

Achillea millefolium 'Appleblossom'

Yarrow (Code: 5113)

Bright lilac-pink flowers fade to pastel pink on this long-blooming and easy to grow garden favorite. It makes an excellent cut flower. (2' x 2') Zn3.

Achillea millefolium 'Fireland'

Yarrow (Code: 6423)

Drought tolerant perennial featuring orange-red flowers with prominent golden centers. The flowers fade to salmon pink, then tawny gold, creating a fiery effect. (20" x 24") Zn3.

Achillea millefolium 'Lilac Beauty'

Yarrow (Code: 4565)

Lovely lilac pink flowers appear all summer. The flowers become lighter as they age, creating a multicolored effect that is very pleasing to the eye. It's perfect for the middle of the border. (18-24" x 18-24") Zn3.

Achillea millefolium 'Oertel's Rose'

Yarrow (Code: 6795)

Bright orchid-pink blossoms slowly fade to nearly white. Hardy, drought tolerant and easy to grow. Showy all summer! (28" x 24") Zn3.

Achillea millefolium 'Paprika'

Yarrow (Code: 2021)

Clusters of bright scarlet flowers with yellow centers fade beautifully to salmon-rose. Drought tolerant, easy to grow and good for bouquets. Long-blooming when deadheaded. (18-24" x 18-24") Zn3.

Achillea millefolium 'Salmon Beauty'

Yarrow (Code: 2024)

Large, flat clusters of tiny blooms open in hues of deep salmon which brighten to soft pink. This drought tolerant and easy to grow selection also makes a great cut flower! (24-30" x 18-30") Zn3.

Achillea millefolium 'Summerwine'

Yarrow (Code: 4871)

Stunning wine-red flowers glow over feathery green foliage in early summer. It's perfect for sunny locations. (24-28" x 24") Zn3.

Achillea millefolium 'Terra Cotta'

Yarrow (Code: 6146)

Masses of dark salmon flowers mature to russet hues; the color of red clay! The fine feathery foliage is evergreen, easy to grow, and drought tolerant. (24-30" x 24-30") Zn3.

Achillea ptarmica 'Angel's Breath'

Yarrow (Code: 2025)

Masses of 1/2" wide, pure white, double flowers appear in early summer and fade to ivory. The deep green, "fernny" foliage is extremely drought tolerant. (16" x 24") Zn4.

Aconitum henryi 'Spark's Variety'

Monkshood (Code: 5233)

Tall and dramatic dark purple-blue spikes have deeply-cut leaves. Makes an impact in the mixed border. Does not require staking. Stunning late-season color for partly shaded areas of the border. (3-5' x 2') Zn4.

Aconitum paniculatum 'Roseum'
Monkshood (Code: 4809)
 Elegant spikes of palest pink hooded flowers climb tall stalks. Bright green, glossy foliage adds handsome contrast. Excellent late summer bloomer for cut arrangements. (36" x 24") Zn4.

Aconitum septentrionale 'Ivorine'
Monkshood (Code: 5818)
 Lovely spires of ivory flowers on a bushy 2-3' plant. Does best in moist soil with some shade during the hottest parts of the day. (4-5" x 20") Zn5.

Agapanthus 'Cobalt Blue'
African Lily (Code: 7464)
 Cobalt-blue globe-like umbels appear on 2' stalks above strap-like leaves in summer. An excellent choice for adding an exotic touch to containers or the garden. (24" x 12-24") Zn8.

Agapanthus 'Storm Cloud'
Lily of the Nile (Code: 7117)
 Spectacular deep blue-violet flower heads stand high above grassy green foliage, followed by decorative seed pods. A terrific container plant that overwinters well indoors in colder climates. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn7.

Agapanthus africanus 'Peter Pan'
Lily of the Nile (Code: 3110)
 Violet-blue flowers in stunning large round umbels display high above narrow, bright green, strappy leaves in summer. It prefers a hot spot with good drainage. (3' x 2') Zn8.

Agastache 'Blue Fortune'
Anise Hyssop (Code: 6204)
 Long lasting, deep lilac-blue flower spikes top fragrant foliage. A "Great Plant Pick" for the Pacific Northwest! One of the hardiest and dependable Agastache. (30" x 24") Zn6.

Agastache 'Cotton Candy'
Hyssop (Code: 6625)
 Light pink flower spikes bloom from midsummer to fall! Compact habit, drought tolerant and very attractive to hummingbirds. Requires good drainage. (18-24" x 18") Zn6. PP20991, PVR Propagation Prohibited.

Agastache 'Raspberry Summer'
Hyssop (Code: 6626)
 Large, dark raspberry-pink flowers bloom all summer and into fall! Attractive, bright green foliage is nicely fragrant and drought tolerant. Requires good drainage. (30" x 20") Zn6. PP20371, PVR Propagation Prohibited.

Agastache 'Summer Glow'
Hyssop (Code: 6627)
 Pale yellow flowers with dark calyces bloom all summer. Has a narrow upright habit with bright green foliage that is drought tolerant. Requires good drainage. (18-24" x 18") Zn6. PP20980, PVR Propagation Prohibited.

Agastache 'Summer Sky'
Anise Hyssop (Code: 4586)
 Glowing violet-blue flowers with dark calyces bloom all summer above bright green foliage. With a compact habit, it always stays tidy and upright. Good drainage is needed for best performance. (14-16" x 16-20") Zn8. PPAF Propagation Prohibited.

Agastache aurantiaca 'Apricot Sunrise'
Anise Hyssop (Code: 2009)
 Delicate spikes of orange sherbert-colored flowers top shrubby gray-green foliage. Excellent for attracting butterflies and hummingbirds, and perfect for the middle of the mixed border! (24-30" x 12-18") Zn6.

Agastache aurantiaca 'Navajo Sunset'
Anise Hyssop (Code: 3257)
 Citrus-scented foliage and bright orange-red tubular flowers bloom in summer. A hummingbird magnet. (12-18" x 12-18") Zn6.

Agastache barberi 'Firebird'
Anise Hyssop (Code: 4730)
 Rosy sunset-coral flowers dazzle summer to frost, above aromatic foliage. Hummingbirds adore this stunning plant. Excellent for cutting and requires good drainage. (30" x 18") Zn6.

Agastache barberi 'Tutti Frutti'
Anise Hyssop (Code: 6777)
 One of the showiest varieties of agastache. Masses of deep pink flowers on tall stalks make a vivid backdrop. Has a wonderful fruity aroma! (36-48" x 18") Zn6.

Agastache foeniculum 'Golden Jubilee'
Anise Hyssop (Code: 2678)
 New foliage emerges gold, then turns bright lime-green. Lavender-blue flowers make this a standout in the garden. Leaves release a mint scent when lightly crushed. (20" x 15") Zn5.

Agastache mexicana 'Sangria'
Anise Hyssop (Code: 4051)
 From July to October clusters of arching, red-purple blooms appear whorled around stems, one stacked on top of another. It grows up to 4' tall with lemon-scented foliage. A favorite of hummingbirds. (4' x 2-3') Zn7.

Agastache mexicana Acapulco 'Orange'
Anise Hyssop (Code: 3848)
 Vibrant orange, tubular flowers add incredible color all summer to mixed containers and landscape plantings. A favorite of hummingbirds. (24-30" x 18") Zn7. PP16308 Propagation Prohibited.

Agastache mexicana Acapulco 'Salmon & Pink'
Anise Hyssop (Code: 3849)
 Stunning multi-colored pink and salmon-hued flowers bloom all summer and are wonderful for landscape use and in mixed containers. A favorite of hummingbirds. (24-30" x 18") Zn7. PP16023 Propagation Prohibited.

Agropyron magellanicum
Blue Wheat Grass (Code: 3261)
 Clumping grass with striking metallic blue foliage. A great accent in perennial borders and containers. (12-18" x 12-18") Zn5.

Alcea 'Indian Springs'
Hollyhock (Code: 2061)
 Various single and semi-double flowers in shades of yellow, carmine, pink, cream or burgundy line tall stalks. An outstanding color mix. (6-8' x 2') Zn3.

Alcea rosea 'Chater's Double Apricot'
Hollyhock (Code: 5234)
 Beautiful, double, apricot-colored flowers on tall stalks grace this old-fashioned garden favorite. Excellent for cut flowers. (6" x 24") Zn3.

Alcea rosea 'Chater's Double Purple'
Hollyhock (Code: 2063)
 Excellent old-fashioned garden favorite. Lovely purple-red, double flowers crown tall stalks. (6' x 2') Zn3.

Alcea rosea 'Chater's Double Red'
Hollyhock (Code: 2056)
 Beautiful double, bright red flowers on tall stalks grace this old-fashioned garden favorite. (6' x 2') Zn3.

Alcea rosea 'Chater's Double Salmon Pink'
Hollyhock (Code: 2055)
 A great old-fashioned garden favorite! The tall green stalks gracefully hold beautiful double, salmon-pink flowers. (6' x 2') Zn3.

Alcea rosea 'Chater's Double White'
Hollyhock (Code: 2057)
 Beautiful double, sparkling-white flowers on tall stalks grace this old-fashioned garden favorite. (6' x 2') Zn3.

Alcea rosea 'Chater's Double Yellow'
Hollyhock (Code: 2058)
 Beautiful double, sunny yellow flowers on tall sturdy stalks, grace this old-fashioned garden favorite. Excellent for cut flowers. (6' x 2') Zn3.

Alcea rosea 'Nigra'
Hollyhock (Code: 2052)
 Beautiful single, black-purple blooms on tall stalks grace this old-fashioned garden favorite. Excellent for cut flowers. (6' x 2') Zn3.

Allium senescens 'Glaucum'
Ornamental Onion (Code: 5084)
 Soft lavender-pink, ball-shaped flowers top interesting curly blue foliage. Lovely and long-blooming, it is great for rock gardens. (6" x 12") Zn3.

Andropogon gerardi 'Lord Snowdon'
Big Bluestem (Code: 4423)
 Purple-hued flower spikes top striking silvery-blue blades in fall. The foliage turns an attractive soft plum after frost. (4-6' x 2') Zn4.

Anemone hupehensis 'Prince Henry'
Japanese Anemone (Code: 2089)
 Charming semi-double, rose-red flowers on wiry stems adorn this old-fashioned garden favorite. It adds a bright touch of color to the fall garden. (24" x 18") Zn5.

Anemone tomentosa 'Robustissima'
Grape Leaf Anemone (Code: 2097)
 Soft-pink flowers 3" across bloom profusely on long stems in late summer and fall. This robust grower is the hardiest fall-blooming anemone. (3-4' x 3') Zn4.

Anemone x hybrida 'Alba'
Japanese Anemone (Code: 2094)
 This pristine Japanese anemone boasts single, slightly cupped, white flowers atop tall, wiry-stemmed sprays. (3-5' x 2') Zn4.

Anemone x hybrida 'Bodnant Burgundy'
Japanese Anemone (Code: 7502)
 Rose-burgundy flowers shine in late summer and fall. The individual blooms have numerous narrow petals surrounding a yellow center. (3-4' x 3') Zn5.

Anemone x hybrida 'Honorine Jobert'
Japanese Anemone (Code: 5804)
 Sparkling single white flowers dance atop very long stems in fall. A beautiful perennial, perfect for cutting, it adds a bright touch to the late-season garden. (4' x 3') Zn6.

Anemone x hybrida 'Kriemhilde'
Japanese Anemone (Code: 5803)
 Pink, semi-double flowers dazzle in the late season garden. It also makes a gorgeous cut flower bouquet and the foliage provides excellent fall color. (48" x 24") Zn5.

Anemone x hybrida 'Lady Gilmore'
Japanese Anemone (Code: 7002)
 An outstanding cultivar renowned for its large 4" semi-double, rosy-pink blossoms. This fall bloomer brings loads of color to the garden. (30-36" x 2-4') Zn5.

Anemone x hybrida 'Margarete'
Japanese Anemone (Code: 2087)
 Deep purple-pink, double flowers have showy yellow stamens and bloom in fall. The stalks can reach 2-3' tall. (24-36" x 24-30") Zn5.

Anemone x hybrida 'Pamina'
Japanese Anemone (Code: 2088)
 Deep rose-colored, semi-double flowers rise above elegant foliage in late summer and fall. Excellent for cut flowers and easy to grow. (24-36" x 24") Zn5.

Anemone x hybrida 'Praecox'
Windflower (Code: 7335)
 This early blooming, deep pink windflower produces masses of blossoms throughout fall. It prefers part shade and moist conditions, but can tolerate full sun if there is ample moisture. (3' x 3') Zn5.

Anethum graveolens
Dill (Code: 8330)
 Aromatic leaves and seeds are used in pickles, vinegars, sauces, salads and seafood recipes. Large, flattened umbels of yellow flowers appear midsummer. Butterflies love it. Annual. (3-4' x 1') Zn10.

Antirrhinum 'Bronze Dragon'
Snapdragon (Code: 4907)
 Bicolor flowers are purple and white, and bloom continuously in moderate temperatures. Vibrant dark bronze foliage is resistant to rust. (15-18" x 12") Zn9.

Aquilegia 'Biedermeier'
Columbine (Code: 2118)
 Compact grower with spurred flowers in a bright mix of colors including carmine, lilac, blue, pink and cream. A great spring bloomer for front of the border or rock garden. (8-12" x 12") Zn4.

Aquilegia 'Winky Purple-White'
Columbine (Code: 4715)
 Short-spurred, upward facing, purple sepals with white petals appear in spring. It may rebloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Aquilegia alpina
Alpine Columbine (Code: 2128)
 Sturdy deep azure-blue flowers grace this tight dignified plant. A wonderful, delicate accent for the border, rockery, or woodland. (18-24" x 20") Zn5.

Aquilegia canadensis 'Little Lanterns'
Columbine (Code: 4234)
 This dwarf columbine has flowers with long bright red spurs and yellow corollas. Adored by hummingbirds, it is a native cultivar of the eastern U.S. (8" x 8") Zn3.

Aquilegia chrysantha 'Yellow Queen'
Columbine (Code: 2129)
 Masses of fragrant, long-spurred, sunny-yellow flowers adorn ferny foliage. This heavy bloomer is an excellent choice for dappled shade. It prefers well-drained soil. (2-3' x 2') Zn3.

Aquilegia flabellata 'Blue Angel'
Columbine (Code: 6909)
 Bright violet-blue flowers with sparkling-white centers grace this compact charmer. A wonderful early spring bloomer for containers or the rockery. (10" x 12") Zn3.

Aquilegia skinnerii 'Tequila Sunrise'
Columbine (Code: 7447)
 Orange and yellow, long-spurred blossoms make a wild and wonderful garden display late spring through summer. (18-28" x 12-18") Zn5.

Aquilegia vulgaris 'Clementine Blue'
Columbine (Code: 4053)
 This compact form has double, spurless, blue flowers in late spring. The divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12") Zn3.

Aquilegia vulgaris 'Clementine Dark Purple'
Columbine (Code: 4713)
 Upward-facing dark purple, double, spurless flowers resemble clematis and blooms from late spring to early summer. Compact form. (12-18" x 12-18") Zn4.

Aquilegia vulgaris 'Clementine Red'
Columbine (Code: 4060)
 Compact form with double, spurless, fuchsia-red flowers in late spring. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 15") Zn3.

Aquilegia vulgaris 'Clementine Salmon Rose'
Columbine (Code: 4061)
 Compact form with double, spurless, salmon-rose flowers in late spring and early summer. Divided, blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12-18") Zn3.

Aquilegia vulgaris 'Clementine White'
Columbine (Code: 4064)
 Compact form with double, spurless, white flowers in late spring and early summer. Divided blue-green leaves resemble clover. A Fleuroselect Winner. (12-18" x 12-18") Zn3.

Aquilegia vulgaris 'Leprechaun Gold'
Columbine (Code: 3737)
 Striking gold and green marbled foliage brightens the perennial border all season. Beautiful granny bonnet violet-purple flowers appear in spring. A "must have" for any garden. (24" x 18") Zn4.

Aquilegia vulgaris 'Nora Barlow'
Granny's Bonnets Columbine (Code: 5089)
 Unique perennial with fully double flowers that resemble small Dahlias. Reddish-pink sepals with white and green margins make a charming display in late spring. (18-24" x 16-24") Zn3.

Aquilegia vulgaris 'Ruby Port'
Columbine (Code: 5780)
 Gorgeous, double, dark ruby-red flowers top long stems that are perfect for bouquets. A wonderful perennial accent for shaded woodland gardens. (36" x 18") Zn3.

Aquilegia vulgaris 'Winky Blue-White'
Columbine (Code: 4714)
 Flowers are short-spurred, upward facing, and have violet-blue sepals with white petals in spring. It may rebloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Aquilegia vulgaris 'Winky Double Dark Blue-White'
Columbine (Code: 4892)
 Double violet-blue flowers with white tips are short-spurred and upward facing. It blooms in spring and will repeat bloom if spent flowers are removed. (18-24" x 18-24") Zn4.

Artemisia lactiflora 'Guizhou'
White Mugwort (Code: 5907)
 Dark green, nearly-black, foliage has a red-tinted reverse. Sprays of pearly-white flowers appear in early summer. (48" x 24-36") Zn3.

Aruncus 'Misty Lace'
Goatsbeard (Code: 3850)
 Dainty, creamy-white flower panicles top fern-like, green leaves and red stems. The clump-forming foliage has an upright habit, but is more compact than the species. (30" x 24") Zn3. PP15798 Propagation Prohibited.

Aruncus dioicus
Goatsbeard (Code: 2171)
 The large billowing white plumes that appear in summer resemble an oversized astilbe. It makes a bold and stunning shade accent! Circumboreal to North America, Europe and Asia. (6' x 4') Zn4.

Asclepias tuberosa 'Gay Butterflies'
Butterfly Weed (Code: 2176)
 The bright yellow, orange and red flowers are a magnet for butterflies. This meadow wildflower requires somewhat dry, well-drained soil and a sunny location. (24" x 18-24") Zn4.

Aster dumosus (*Symphytotrichum dumosus* var. *dumosus*)
'Professor Anton Kippenburg'
Aster (Code: 2192)
 Soft lavender-blue, semi-double flowers add color to the late summer garden. A butterfly favorite and nice for cut bouquets. (18" x 14") Zn3.

Aster dumosus (*Symphytotrichum dumosus* var. *dumosus*)
'Wood's Blue'
Wood's Aster (Code: 5905)
 Profuse cool blue, starry daisies cover this compact and disease-resistant selection with dark green foliage. Excellent choice for late season color in the mixed border. (10-16" x 20") Zn3.

Aster dumosus (*Symphytotrichum dumosus* var. *dumosus*)
'Wood's Pink'
Wood's Aster (Code: 6284)
 This compact Aster has dark green foliage with excellent resistance to mildew and rust. Beautiful pink flowers have yellow centers and bloom profusely in fall. (12-15" x 16") Zn3.

Aster dumosus (*Symphytotrichum dumosus* var. *dumosus*)
'Wood's Purple'
Wood's Aster (Code: 6927)
 Profuse royal purple, starry daisies cover this compact and disease-resistant selection with dark green foliage. A superior selection for late season color in the mixed border. (10-16" x 18") Zn3.

Aster dumosus (*Symphytotrichum dumosus* var. *dumosus*)
'Alice Haslam'
Bushy Aster (Code: 2179)
 Deep rose-hued, double flowers grace this cute and compact aster in late summer. Perfect for the front of the border, it prefers a sunny spot with moist soil. (10-16" x 20") Zn3.

Aster lateriflorus (*Symphytotrichum lateriflorum* var. *lateriflorum*)
'Prince'
Calico Aster (Code: 6384)
 Tiny, rosy-eyed white daisies top dense deep purple foliage. An absolutely stunning combination! A "Great Plant Pick" for the Pacific Northwest. (2' x 2') Zn4.

Aster novae-angliae **'Alma Potschke'**
New England Aster (Code: 2106)
 This tall cultivar is excellent for the back of the border. Clusters of bright rose-pink flowers grace this garden gem, from August to October. Excellent for cut flower arrangements. (4' x 4') Zn4.

Aster novae-angliae **'Hella Lacy'**
New England Aster (Code: 5374)
 Lovely, deep violet-purple flowers grace this back of the border stunner. Flowers are held in clusters on tall stems, perfect for cutting. Great for late season color! (30-42" x 32-36") Zn4.

Aster novae-angliae (*Symphytotrichum novae-angliae*) **'Purple Dome'**
New England Aster (Code: 5513)
 This classic, compact cultivar is loaded with gorgeous, rich deep purple blossoms in fall. The blossoms make excellent long lasting cut flowers. (12-18" x 18-24") Zn4.

Aster oblongifolius (*Symphytotrichum oblongifolium*) **'Dream of Beauty'**
Aster (Code: 4232)
 A superb high plains native known for its vigorous, low-spreading habit and amazing fall display of fragrant light pink flowers with burnt orange centers. It spreads to form a dense carpet of flowers and grows in almost any type of soil. (12" x 24-30") Zn4.

Aster oblongifolius (*Symphytotrichum oblongifolium*) **'October Skies'**
Aster (Code: 3901)
 Blue daisy-like flowers appear mid-fall above strong-growing, low-mounding foliage. It is quite tough and adaptable, tolerating drought and poor soils. (15-18" x 18-24") Zn4.

Aster pringlei **'Monte Cassino'**
Aster (Code: 2185)
 Clouds of tiny white asters are borne in natural bouquets. Bright green, needle-like foliage adds visual interest. This drought-tolerant aster is also an excellent cut flower. (3' x 3') Zn4.

Aster tongolensis **'Napsbury'**
East Indies Aster (Code: 5094)
 Single, large deep violet blue flowers with bright orange centers top deep green rosettes of foliage in late spring. It will spread to form a small colony. (18" x 24") Zn4.

Aster x frikartii **'Monch'**
Frikart's Aster (Code: 2205)
 Lovely large, single, lavender-blue flowers bloom for an extraordinarily long time - from summer through fall. This "Great Plant Pick" for the Pacific Northwest makes an excellent cut flower too! (2' x 2') Zn5.

Aster x lateriflorus (Symphyotrichum lateriflorum var. lateriflorum) 'Coombe Fishacre'
Aster (Code: 5554)
 This graceful fall bloomer has soft lilac daisies that develop nice rosy central buttons as they age. It's an excellent choice as a filler or weaver in the border. A cultivar of *A. lateriflorus*, it is extremely mildew resistant! (36" x 18") Zn5.

Astilbe 'Delft Lace'
False Spirea (Code: 7438)
 The foliage is a deep blue-green with a unique silver overlay. It flowers in midsummer with clusters of deep salmon pink buds that open to a soft warm pink. (24-36" x 18-24") Zn3. pp19839

Astilbe chinensis 'Pumila'
False Spirea (Code: 2222)
 This dwarf, spreading perennial has lavender-pink spikes from July to September. It will form a groundcover in moist shade. (8-12" x 18-24") Zn3.

Astilbe chinensis var. taquetii 'Purpurkerze'
False Spirea (Code: 2218)
 Very vigorous, clean foliage is topped by long rosy-purple columnar panicles from June to July. It prefers full shade, but it can tolerate some sun if kept moist. (30-36" x 18-24") Zn3.

Astilbe simplicifolia 'Hennie Graafland'
False Spirea (Code: 5515)
 Clear pink flowers top bronze-green leaves. The flower plumes are excellent for bouquets. Similar to *A. 'Sprite'*, the glossy foliage is very attractive even when not in flower. (12" x 18") Zn3.

Astilbe thunbergii 'Betsy Cuperus'
False Spirea (Code: 5265)
 Fountain-like, arching, light pink panicles top fresh green foliage. This tall *Astilbe* is very effective as a focal point when grown in moist shade. (40" x 24") Zn3.

Astilbe thunbergii 'Ostrich Plume'
False Spirea (Code: 2213)
 Gracefully-weeping, deep dusty rose plumes add an air of elegance for moist, shade. The pretty plumes make gorgeous cut flowers. (30" x 20") Zn3.

Astilbe thunbergii 'Professor Van der Wielen'
False Spirea (Code: 2265)
 Large, arching white plumes top fresh green foliage in summer. The impressively large and elegant flowers illuminate the shade. The flowers are wonderful for bouquets too. (40" x 24") Zn3.

Astilbe x arendsii 'Amethyst'
False Spirea (Code: 2264)
 Lavender-pink plumes top this shade-loving perennial in summer. It can tolerate some sun if it's in a moist location. (20" x 24") Zn3.

Astilbe x arendsii 'Bridal Veil'
False Spirea (Code: 5095)
 Elegant, airy sprays of clear white flowers appear from late spring through early summer. The ferny foliage adds a touch of class to the shade garden. (24" x 18") Zn3.

Astilbe x arendsii 'Bumalda'
False Spirea (Code: 2225)
 Creamy-white flowers with a pink flush top pretty green foliage. Adds a note of elegance to the shade garden. (24" x 24") Zn3.

Astilbe x arendsii 'Cattleya'
False Spirea (Code: 2210)
 Tall and loosely-clustered, rose pink plumes glow above dark foliage. It can tolerate some sun if kept moist. (3-4' x 2') Zn3.

Astilbe x arendsii 'Fanal'
False Spirea (Code: 2212)
 Deep pomegranate-red flower plumes grace this show-stopper from June to July. It's easy to grow with ample moisture. (2' x 2') Zn3.

Astilbe x arendsii 'Hyacinth'
False Spirea (Code: 2228)
 Fresh glossy green foliage holds graceful plumes of lilac colored flowers from June to July. If provided with rich, moist soil, it produces wonderful cut flowers. (24" x 30") Zn3.

Aster x arendsii 'Lilli Goos'
False Spirea (Code: 6210)
 Dark pink plumes rise atop distinctive dark green foliage. Prefers a shady site, but can tolerate some sun if kept moist. (20" x 24") Zn3.

Aster x arendsii 'Red Charm'
False Spirea (Code: 3931)
 Growing 3-4' tall, it has graceful arching plumes of true red that appear in June. It is wonderful for making a big impact in the back of the shady border. (36-48" x 24-30") Zn3. Propagation prohibited.

Aster x arendsii 'Snowdrift'
False Spirea (Code: 5825)
 Clean white plumes adorn graceful green, glossy foliage. This compact plant is the whitest Aster available. (14" x 12") Zn3.

Aster x japonica 'Avalanche'
False Spirea (Code: 2209)
 Short, airy plumes of pristine white adorn this shade garden favorite. Elegant green foliage adds contrast for the flowers. Nice for cut flower arrangements. (18" x 18") Zn3.

Aster x japonica 'Peach Blossom'
False Spirea (Code: 2224)
 Airy soft peachy-pink, 2' plumes arch gracefully over handsome green foliage in late spring. One of the first Asters to bloom. (24" x 18") Zn3.

Aster x japonica 'Rhineland'
False Spirea (Code: 2227)
 Vivid pink plumes top lustrous foliage on this easy to grow charmer! It prefers moist, shady locations. The elegant flowers are excellent for bouquets. (24" x 24") Zn3.

Baptisia 'Carolina Moonlight'
Wild Indigo (Code: 3946)
 Striking blue-green foliage glows beneath stunning 18" spires of soft creamy-yellow in early summer. Long-blooming, it makes an elegant statement in the perennial border. (3-4' x 3-4') Zn4.

Baptisia 'Purple Smoke'
False Indigo (Code: 6388)
 Smokey-violet flowers with purple eyes bloom in late spring on charcoal-hued stems. It grows to 4' tall, with gray-green foliage. A mature plant can bear over 50 blooming stalks! (4' x 3-4') Zn4.

Baptisia 'Twilite Prairieblues'TM
Wild Indigo (Code: 3947)
 Handsome blue-green foliage is topped by tightly-packed 32" tall spires of deep violet and lemon-yellow blooms. Robust and vigorous. (3-4' x 4-5') Zn4. PP19011 Propagation Prohibited.

Baptisia australis
False Indigo (Code: 2252)
 Panicles of indigo-blue, sweet pea flowers top attractive blue-gray foliage. An outstanding long-lived perennial, it was the PPA Plant of the Year for 2010. (3' x 4') Zn4.

Boltonia asteroides 'Snowbank'
False Starwort (Code: 2272)
 Tall, wiry stems are clothed in thousands of tiny white daisies. This sturdy, trouble-free plant reaches 4-5' in height, yet needs no staking! Wonderful for cut bouquets and adds a mass of color to the late-season garden. (4-5" x 30") Zn4.

Boltonia asteroides var. latsiquama 'Jim Crockett'
Bolton's Aster (Code: 3241)
 Medium to dark green foliage produces starry lavender flowers with yellow centers. Compact and very floriferous. (18-24" x 18-24") Zn4. PP16678 Propagation Prohibited.

Calamagrostis arundinacea brachytricha
Feather Reed Grass (Code: 2278)
 Upright fluffy flower spikes emerge briefly in early summer in Oregon, then bloom again in fall. A graceful and arching grass that grows well in moist locations. (3-4' x 3') Zn5.

Calamagrostis x acutiflora 'Avalanche'
Feather Reed Grass (Code: 5999)
 Medium-sized clumps showcase dramatically-stripped foliage. Airy, rose-tinged plumes take on warm golden hues later in the season. (3-5' x 3-5') Zn5.

Calamagrostis x acutiflora 'Karl Foerster'
Feather Reed Grass (Code: 5160)
 Upright soft green leaves are topped by tall, vertical, rose-colored plumes that mature to a golden-wheat color. This 2001 Perennial Plant Association Plant of the Year is also a "Great Plant Pick" for the Pacific Northwest! (5' x 2') Zn4.

Calamagrostis x acutiflora 'Overdam'
Feather Reed Grass (Code: 6007)
 Arching, green and white-striped leaves are topped by upright bronze flower spikes that gradually fade to buff. The foliage takes on a green-to-red tinge in the fall. (3' x 2') Zn5.

Callicarpa dichotoma 'Early Amethyst'
Beautyberry (Code: 6119)
 Clusters of stunning purple berries line bare branches of this standout deciduous shrub in fall. Berries appear earlier than other varieties. Pale lavender flowers appear in summer. (3-4' x 3-4') Zn5.

Calluna vulgaris 'Lady in White'
Heather (Code: 7796)
 This small evergreen shrub has bushy, upright branches covered with white flowers from August until January. Flowering branches make a wonderful addition to garlands and wreaths. Prefers cool summers and moist, but well-drained acidic soil. (8-18" x 8-14") Zn5. PP20530

Campanula 'Kent Belle'
Bellflower (Code: 7338)
 Numerous large 2" deep purple bells hang from tall, upright stems on this stunning cultivar. It will repeat bloom when spent flowers are removed. (36" x 24-36") Zn5.

Campanula 'Sarastro'
Bellflower (Code: 3959)
 Similar to C. 'Kent Belle', but grows just 18" tall with larger 3" violet-blue, bell-like flowers. It blooms repeatedly in summer if deadheaded. (15-18" x 18-24") Zn5.

Campanula glomerata 'Joan Elliott'
Clustered Bellflower (Code: 5373)
 Large purple bellflowers create a vivid show clustered atop short stems. This is one of the most floriferous bellflowers and it's excellent for cut flowers too! (16" x 16") Zn4.

Campanula latiloba 'Highcliffe'
Bellflower (Code: 5501)
 Tall stiff stems are thickly-lined with bright blue, saucer-shaped flowers which float over a low mound of green leaves. This showy and long blooming perennial is best in the middle of the border. (24" x 12-18") Zn4.

Campanula persicifolia 'Alba'
Peach-Leaved Bellflower (Code: 2304)
 Large sparkling-white bells on 24" tall stems are a perfect selection for the cutting garden or mixed perennial border. (2-3" x 18") Zn4.

Campanula persicifolia 'Hidcote Amethyst'
Peach Leaved Bellflower (Code: 2282)
 Lovely, large rosy-lavender bells line up 2' stalks. Adds a nice touch of mid-season color to the cottage garden. A hard to find old-fashioned variety. (24" x 18") Zn3.

Campanula persicifolia 'La Belle'
Peach-Leaved Bellflower (Code: 4456)
 Double China-blue bellflowers appear like little roses on short stems in early summer and grows to only 2' tall. The basal foliage is nearly evergreen. (24" x 18") Zn4.

Campanula persicifolia 'Telham Beauty'
Peach Leaved Bellflower (Code: 2303)
 Large, open blue flowers are carried on 3' stems. Easy to grow and maintain, makes a wonderful cut flower. A sweet addition to the mixed perennial border. (2-3" x 18") Zn4.

Campanula punctata 'Cherry Bells'
Bellflower (Code: 6527)
 Full bells of cherry-pink, neatly edged in white, dangle along the stems of this spreading cottage garden favorite. The flowers are wonderful for summer bouquets! (20-30" x 24") Zn4.

Campanula punctata 'Hot Lips'
Bellflower (Code: 4829)
 Long blooming, 2" tubular, white bellflowers are heavily speckled with burgundy-pink "lips". Excellent in the rock garden or use as a groundcover. (10" x 10") Zn4. PPAF Propagation Prohibited

Campanula trachelium 'Bernice'
Bellflower (Code: 6296)
 Stunning violet-blue, double flowers on upright stems are the perfect foil to this plant's bright green foliage. A gorgeous selection. (26" x 15") Zn4. PPAF Propagation Prohibited

Catananche caerulea
Cupid's Dart (Code: 2350)
 Lavender to lilac-blue daisy-like flowers bloom for many weeks in summer above strap-like, hairy leaves. The flowers are displayed on long stems, perfect for either cut or dried flowers. (18" x 12") Zn5.

Chasmanthium latifolium
Woodland Sea Oats (Code: 2374)
 Clusters of flattened, nodding spikelets top arching stems. The attractive seedheads persist through winter. In the Pacific Northwest, it needs a sunny site that stays moist in summer. Despite the name, it is not a dune grass. (3' x 2-3') Zn5.

Chasmanthium latifolium 'River Mist'
Woodland Sea Oats (Code: 6648)
 The striking green and white variegated foliage makes this a great specimen plant. Late summer and early fall brings dangling oat-like spikelets that provide interest well into the winter as they dry out. (30-36" x 24-30") Zn5. PPAF Propagation Prohibited

Chrysanthemopsis hosmariensis
Moroccan Daisy (Code: 2400)
 Large yellow-eyed, white daisies dance atop finely-cut, silver-gray leaves. This neat, low-growing form blooms on and off all summer. Choice selection for a protected spot in the rocky. (8" x 12") Zn8.

Cimicifuga (Actaea) 'Black Negligee'
Bugbane (Code: 6624)
 Lacy black foliage makes a striking contrast to white bottlebrush flowers that appear in fall. Flowers carry an exotic fragrance of grape and jasmine. Grow in sun to promote dark foliage. (4-6' x 2-3') Zn5.

Cimicifuga ramosa 'Atropurpurea'
Bugbane (Code: 2414)
 Deep purple, lacy foliage is topped by fragrant, creamy-white flower racemes (12-18" long) in late summer. Beautiful and long blooming. (6' x 3') Zn4.

Cimicifuga simplex 'White Pearl'
Bugbane (Code: 5107)
 Gracefully-arching stems have narrow racemes of fragrant white flowers in early fall. A beautiful addition to the mixed border. (2-3' x 2-3') Zn4.

Convallaria majalis 'Rosea'
Lily of the Valley (Code: 6010)
 This carefree groundcover has dainty, fragrant, pink bell-shaped flowers in spring followed by tiny orange berries. (6-10" x 18-24") Zn3.

Coreopsis 'Garnet'
Tickseed (Code: 7631)
 Bright garnet-red colored flowers bloom profusely from June to October. With a compact habit, it is well suited both for containers and landscape. (12" x 16-20") Zn7. PPAF

Coreopsis auriculata 'Elfin Gold'
Mouse Ear Coreopsis (Code: 3659)
 Beautiful golden-yellow, daisy-like flowers appear in late spring and summer on a compact plant with small leaves. It is excellent for borders, containers and rock gardens. (6" x 10") Zn4.

Coreopsis auriculata 'Jethro Tull'
Tickseed (Code: 3644)
 Unusual fluted, golden-yellow flowers bloom from mid spring through summer. The compact habit makes it suitable for containers as well as the front of the border. (12-15" x 18") Zn5. PP18789 Propagation Prohibited.

Coreopsis Big Bang 'Redshift'
Coreopsis (Code: 6717)
 A breakthrough in breeding, this truly cold hardy perennial has large cream colored flowers with deep red centers. Flower color shifts from red to cream with red centers as it ages. In fall the blooms are completely red. (24-36" x 24-36") Zn4. PP20412 Propagation Prohibited.

Coreopsis grandiflora 'Baby Sun'
Tickseed (Code: 2428)
 This compact, free-flowering form is enhanced by single gold flowers with maroon markings. A lovely, carefree selection. (15" x 12") Zn5.

Coreopsis grandiflora 'Flying Saucers'
Tickseed (Code: 6805)
 Large single, golden-yellow flowers are profuse and long-blooming summer through fall. An excellent selection for sunny locations. (24" x 18") Zn4. PP10299
 Propagation Prohibited.

Coreopsis grandiflora 'Sunray'
Tickseed (Code: 2432)
 This compact grower boasts numerous large double, golden flowers June to September. A lovely, sunny addition to the mixed perennial border. (12" x 12") Zn5.

Coreopsis grandiflora 'Tequila Sunrise'
Tickseed (Code: 4427)
 The leaves are variegated with creamy edges and are topped by bright golden-yellow, single flowers with red centers from late spring through summer. It makes a bold splash of color in the garden. (14-16" x 18") Zn5. PP9875
 Propagation Prohibited.

Coreopsis lanceolata 'Sterntaler'
Lanceleaf Coreopsis (Code: 5403)
 Profuse-blooming yellow flowers are enhanced by brown centers. This old-fashioned perennial favorite blooms most of the season when spent flowers are deadheaded. (16" x 16") Zn4.

Coreopsis rosea
Tickseed (Code: 2431)
 This small plant is covered with daisy-like rose-pink flowers from June to frost. A sweet accent for the mixed perennial border or rock garden. It prefers full sun. (12" x 12") Zn5.

Coreopsis rosea 'Dreamcatcher'
Tickseed (Code: 4271)
 Vivid deep rose-pink daisy-like flowers bloom all season. Airy, finely-textured foliage contrasts nicely to enhance either garden or container. (18" x 24") Zn6.

Coreopsis tripteris 'Flower Tower'
Tall Coreopsis (Code: 7665)
 This improvement on the native species sets hundreds of 2 1/2- to 3-inch daisies of bright yellow-gold. They appear in gigantic bouquets atop straight stems and tall, dense foliage, beginning in late summer and continuing through early fall. Finches love the seeds in winter! (6-10' x 3-5") Zn3.

Coreopsis verticillata 'Moonbeam'
Thread-Leaf Tickseed (Code: 2435)
 Pale yellow flowers bloom most of the summer on finely-textured, linear foliage that forms a low, rounded mound. 1992 Perennial Plant Association Plant of the Year. (18" x 18") Zn3.

Coreopsis verticillata 'Zagreb'
Thread-Leaf Tickseed (Code: 2437)
 Very showy golden-yellow, star-shaped flowers bloom on and off, summer to frost, with little attention. An excellent addition to the perennial border! (15" x 12") Zn3.

Coreopsis x 'Full Moon'
Tickseed (Code: 4514)
 Soft canary-yellow flowers are up to 3" across and appear from late summer into fall! The very floriferous plants are well branched with deep green foliage. (24-30" x 30-36") Zn5. PP19364 Propagation Prohibited.

Cornus alba 'Elegantissima'
Tatarian Dogwood, Redtwig Dogwood (Code: 6474)
 Reddish-purple winter stems and white-margined green leaves make this plant perfect for year-round interest in the garden. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 4-6') Zn4.

Cornus sanguinea 'Midwinter Fire'
Bloodtwig Dogwood, Redtwig Dogwood (Code: 6972)
 Unbelievable color for the winter landscape with stems in flickering shades of yellow, orange and red. It makes an impressive mass planting. Useful in cut and dried flower arrangements. (5-10' x 5') Zn4.

Cortaderia selloana 'Icalma'
Blue Pampas Grass (Code: 5576)
 This wonderful garden-sized pampas grass grows only 3-4' tall and blooms in late summer above blue-green foliage. The feathery white plumes make great fresh or dried cut flowers. (3-4' x 3-4') Zn7.

Cortaderia selloana 'Pumila'
Pampas Grass (Code: 3895)
 This smaller, hardier pampas grass has very showy, fluffy, white flowers. It creates an excellent 6' tall focal point near walls and corners from fall through winter. (6' x 6') Zn6.

Cosmos atrosanguineus
Chocolate Cosmos (Code: 2449)

Deep maroon flowers with a chocolate scent bloom profusely all summer! The flowers are held on long wiry stems and are wonderful in flower arrangements. Very late to emerge in the spring, but worth the wait. (18-30" x 18") Zn7.

Cotinus coggygia 'Daydream'
Smoke Tree (Code: 7466)

One of the best selections with green foliage because it's such a heavy bloomer. The pink flowers are very full and fluffy. Has a more compact habit than other varieties. (8-10' x 8-10') Zn5.

Crocosmia 'Emily McKenzie'
Montbretia (Code: 5556)

Gorgeous deep orange blossoms marked with maroon centers, grace this hummingbird magnet in late summer. It adds a touch of the exotic to the mixed border, but is very easy to grow. (30" x 24") Zn6.

Crocosmia 'Lucifer'
Montbretia (Code: 2455)

Dramatic, deep red flowers line tall stately stems, with a strong upright, dumping habit. This late-blooming hummingbird favorite is a "Great Plant Pick" for the Pacific Northwest! (36" x 24") Zn6.

Crocosmia 'Norwich Canary'
Montbretia (Code: 8306)

Profuse apricot-yellow flowers top green strap-like foliage in summer. Perfect for the middle of the border, it is an excellent selection for the cutting garden. (24-30" x 24") Zn5.

Crocosmia 'Woodside Select'
Montbretia (Code: 6809)

Solid red, tubular blooms are grouped in tight clusters along sturdy stems above sword-like foliage in summer. An enchanting addition to the sunny border. Hummingbirds love it! (30" x 24") Zn5.

Crocosmia masoniorum 'Bressingham Beacon'
Montbretia (Code: 5835)

This vigorous cultivar has arching panicles of bicolored, scarlet-orange and yellow flowers in summer. A favorite of hummingbirds, it adds an exotic touch to any garden. (3' x 3') Zn6.

Cynara cardunculus
Cardoon (Code: 5108)

Large silver-green, deeply-divided, spiny leaves are topped by 4-5" glowing blue-violet flowers in summer. Use as an unusual architectural plant specimen. A "Great Plant Pick" for the Pacific Northwest! (5' x 4') Zn7.

Dahlia 'Black Beauty'
Dahlia (Code: 4953)

Nearly black daisies with gold centers bloom in summer atop a low growing mound of foliage. No staking is needed and it's easy to grow. (18-24" x 18-24") Zn9.

Dahlia 'Dark Angel'® Dracula
Dahlia (Code: 7881)

Bright red blooms drip to a deep rose edge and then you are drawn to the dark center eye. Compact bronze-purple foliage with chocolate overtones completes the picture. Butterflies are drawn to this Dark Angel. (12-14" x 15-18") Zn9.

Dahlia 'Mystic Beauty'
Dahlia (Code: 7738)

This lovely single Dahlia has orchid-pink petals that curl delicately inwards at the edges to reveal a paler reverse. The eye of the flower is bright yellow, creating a splendid display in summer. (24-28" x 24") Zn9. PP19885 Propagation Prohibited

Dahlia 'Mystic Desire'
Dahlia (Code: 3840)

Filigreed bronze foliage with vivid scarlet daisy-like summer flowers add bold color to the landscape or container. It does not need staking and it's easy to grow. (18-24" x 18-24") Zn9. PP18989 Propagation Prohibited.

Dahlia 'Mystic Illusion'
Dahlia (Code: 3839)

Bright yellow daisies appear above filigreed bronze foliage in summer. It makes a bold color statement in the landscape or in containers. This compact form doesn't require staking and is easy to grow. (18-24" x 18-24") Zn9. PP18339 Propagation Prohibited.

Dahlia 'Mystic Spirit'
Dahlia (Code: 4721)

Filigreed bronze foliage with soft apricot-peach, daisy-like flowers in summer add an exotic touch to the landscape or container. This compact form requires no staking and is easy to grow. (18-24" x 18-24") Zn9. PPAF Propagation Prohibited.

Dahlia 'MysticA® Enchantment'

Dahlia (Code: 7831)

Glossy mahogany-black foliage bursting with unique fire engine red blooms with an elegant dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Dahlia 'MysticA® Haze'

Dahlia (Code: 7830)

Glossy mahogany-black foliage bursting with apricot to orange blooms that have soft yellow halos with a dark central eye. Compact rounded form and is a butterfly magnet! (24-31" x 20-24") Zn9. PPAF Propagation Prohibited

Delphinium elatum 'Guardian Blue'

Larkspur (Code: 3791)

Spikes of vivid dark blue flowers with white centers bloom on strong stems. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium elatum 'Guardian Lavender'

Larkspur (Code: 3793)

Lavender flowers edged in light blue make a stunning display in the garden or for flower arrangements. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium elatum 'Guardian White'

Larkspur (Code: 3794)

Double, pure white flower spikes on strong stems make excellent cut flowers for arrangements. The Guardian series is the best for cut flower production or for growing in hot climates as a winter annual. It blooms dependably the first year. (30-36" x 24-36") Zn4.

Delphinium grandiflorum 'Blue Butterfly'

Chinese Delphinium (Code: 2470)

Bright cobalt-blue flowers appear repeatedly when spent flowers are removed. Compact and heat tolerant, it needs no staking and is fabulous for smaller bouquets! (12-18" x 18") Zn3.

Delphinium Pacific Giants 'Black Knight'

Larkspur (Code: 2468)

Tall spires have deep violet-purple, semi-double flowers with black eyes. Stately and elegant, this classic English perennial is well worth the effort! (5-6' x 2') Zn3.

Delphinium x belladonna 'Connecticut Yankee'

Delphinium (Code: 2479)

A mix of light blue, dark blue, and white-spurred flowers borne singly on branched stems. This cottage garden classic has an open, delicate habit and blooms later than other Delphiniums. (4' x 3') Zn4.

Dendranthema 'Clara Curtis'

Garden Mum (Code: 2385)

This free-flowering variety produces sweet, single, pink daisies in late summer. Disease resistant, it is an excellent garden performer and produces long lasting cut flowers! (24" x 24") Zn5.

Dianthus 'Devon Cottagea, Miss Pinky'

Pinks (Code: 7696)

Large, double salmon-pink blooms are delightful as cut flowers. The plant has a compact habit with grass-like blue-green leaves and blooms continuously throughout the summer when deadheaded. Wonderful as a border plant, in rock gardens, or for edging walks. (10-14" x 12-16") Zn4. PPAF Propagation Prohibited

Dianthus 'Fire Star'

Dianthus (Code: 4728)

Perpetual flowering single, solid red flowers top blue-green grass-like evergreen foliage. The flowers rebloom dependably in fall. Ideal for front of the border or mixed containers. (4-8" x 8-10") Zn4. PP14895 Propagation Prohibited.

Dianthus 'Neon Star'

Pinks (Code: 4957)

Hot neon-pink, single flowers bloom all season when spent flowers are removed. The compact habit is ideal for the front of the border. (7-12" x 12") Zn5. PP14549 Propagation Prohibited.

Dianthus 'Raspberry Swirl'

Dianthus (Code: 4958)

Flowers look hand painted and bloom all season! White petals have a raspberry edge that fades to pink plus a raspberry central ring that fades at the center. (10-14" x 12-14") Zn5. PP14377 Propagation Prohibited.

Dianthus 'Shooting Star'

Dianthus (Code: 4729)

Perpetual flowering single, soft purple flowers top blue-green grass-like evergreen foliage. Very floriferous spring bloom that is ideal for front of the border or in mixed containers. (4-8" x 8-10") Zn4. PP16431 Propagation Prohibited.

Dianthus amurensis 'Siberian Blues'

Dianthus (Code: 4956)

Lavender-blue flowers arise in big clusters on tough, vigorous plants throughout the summer. The blue-green foliage is tolerant of heat and humidity, and stays neat and compact. (10-16" x 12-16") Zn3.

Dianthus caryophyllus 'Golden Sun'

Hardy Carnation (Code: 2342)

This large-flowered, dove-scented carnation boasts yellow blooms spring to summer. The long stems are good for cutting. A pretty addition to any cottage garden. (12-18" x 18") Zn4.

Dianthus caryophyllus 'Grenadin Cardinal Red'

Hardy Carnation (Code: 2339)

Large spicy-sweet, brilliant red, old-fashioned carnations all summer. Great in the perennial border and for cut flowers. (12-18" x 18") Zn4.

Dianthus caryophyllus 'Grenadin Pink'

Hardy Carnation (Code: 2338)

These large, double, pink carnations make wonderful bedding and border plants with their spicy-sweet-scented blooms, May through August. An excellent cut flower. (12-18" x 18") Zn4.

Dianthus caryophyllus 'King of the Blacks'

Hardy Carnation (Code: 2337)

This large-flowered, dove-scented carnation boasts exotic, reddish-black blooms spring to summer. Long stems are excellent for cutting. (12-18" x 18") Zn4.

Dianthus caryophyllus 'White'

Hardy Carnation (Code: 2340)

These large white carnations are wonderful bedding and border plants, with their spicy-sweet, double blooms, May through August. Terrific cut flowers too. (12-18" x 18-24") Zn4.

Dianthus deltoides 'Brilliance'

Maiden Pinks (Code: 2549)

A profusion of charming, deep scarlet flowers with dark markings appear on wiry stems above a dense mat of foliage. A heavy bloomer! (10" x 18") Zn4.

Dianthus deltoides 'Flashing Light'

Maiden Pinks (Code: 2548)

This Dianthus features ruby-red flowers on wiry stems that appear in summer above a low-growing mat of bronze-green foliage. (6-8" x 12") Zn4.

Dianthus Devon Cottag 'Blushing Maiden' ('Valda Judith')

Dianthus (Code: 6043)

Double, blush-pink carnations, up to 2" across, bloom in spring and again in summer when cut back. The flowers have a spicy fragrance and make excellent cut flowers. The blue-green grass-like foliage stays neat and compact. (10-14" x 20") Zn5. PP13914 Propagation Prohibited.

Dianthus Devon Cottag 'Ruby's Tuesday' ('Valda Kitty')

Dianthus (Code: 6116)

Double, ruby-red flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13872 Propagation Prohibited.

Dianthus Devon Cottage 'Fancy Knickers' ('Valda Isolde')

Dianthus (Code: 6087)

Double white flowers with red flecks are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13915 Propagation Prohibited.

Dianthus Devon Cottage 'Rosy Cheeks' ('Valda Louise')

Dianthus (Code: 6091)

Double rosy-pink flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP14045 Propagation Prohibited.

Dianthus gratianopolitanus 'Bath's Pink'

Cheddar Pink (Code: 5252)

Soft pink, single, fringed flowers bloom profusely in spring. Tough, heat tolerant, gray-green, evergreen foliage is attractive even when not in flower. This is the best Dianthus for groundcover. (6-8" x 24-30") Zn3.

Dianthus gratianopolitanus 'Bewitched'

Cheddar Pinks (Code: 3371)

The fragrant flowers have fringed petals that are light pink with a rose-pink halo and white center. The flowers bloom from spring through summer above neat powder-blue mounds of grassy evergreen foliage. (8-12" x 18") Zn3. PP13159 Propagation Prohibited.

Dianthus gratianopolitanus 'Firewitch' ('Feuerhexe')

Cheddar Pinks (Code: 6341)

Fragrant, hot-pink flowers appear in June over grassy, blue-green foliage that forms a marvelous low cushion. Great choice for the rock garden. 2006 Perennial Plant Association Plant of the Year. (6-8" x 12") Zn3.

Dianthus gratianopolitanus 'Little Jock'

Cheddar Pink (Code: 2510)

Charming, semi-double fringed pink flowers with a red eye appear in summer above dwarf, grassy mats. Highly recommended for rock gardens! (4-6" x 12-15") Zn3.

Dianthus gratianopolitanus 'Spotty'

Cheddar Pinks (Code: 2561)

Sweetly-fragrant, crimson petals with distinctive white blotches grace each flower. Low grassy-green foliage makes a great front of the border accent. (5-6" x 12") Zn3.

Dianthus plumarius 'Essex Witch'

Cottage Pink (Code: 2504)

Bright pink, double blooms grace this spicy-scented cottage pink. Ideal for the front of the border or the rock garden. (7-12" x 12") Zn5.

Dianthus plumarius 'Mrs. Sinkins'

Cottage Pink (Code: 5432)

This old-fashioned favorite displays fragrant, blowsy, double, white blooms. The low-growing mat of grassy foliage is topped by numerous blooms in May and June. A classic! (10' x 1') Zn6.

Dianthus x allwoodii 'Frosty Fire'

Maiden Pinks (Code: 2515)

This long-flowering brilliant red variety features attractive, low-growing blue-green foliage. The blooms appear in late spring. (4-10" x 18") Zn3.

Dianthus x gratianopolitanus 'Horatio'

Cheddar Pink (Code: 2524)

Bright pink, fragrant flowers cover this marvelous little cheddar pink in late spring. It creates an eye-catching splash of color in a sunny garden. (6-8" x 12") Zn3.

Dicentra 'Burning Hearts'

Fringed Bleeding Heart (Code: 4585)

Striking red bleeding hearts with white fringed tips bloom most of the season above blue-green, feathery foliage. (10-12" x 12") Zn4. PPAF Propagation prohibited.

Dicentra 'Ivory Hearts'

Fringed Bleeding Heart (Code: 4583)

Creamy-white bleeding hearts bloom May to September above gray-green, fern-like foliage. (10-12" x 12-15") Zn4. PP15599 Propagation prohibited.

Dicentra 'King of Hearts'

Bleeding Heart (Code: 4828)

Rosy-pink, heart-shaped flowers bloom all season above finely-cut, gray-green foliage. This dwarf is perfect for smaller shade gardens. A "Great Plant Pick" for the Pacific Northwest! (8" x 12") Zn4.

Dicentra spectabilis

Old Fashioned Bleeding Heart (Code: 2572)

This old-fashioned perennial favorite has arching stems that drip with pink heart-shaped flowers in late spring. It may go dormant in summer. (30" x 20") Zn3.

Dicentra spectabilis 'Alba'

Old Fashioned Bleeding Heart (Code: 2574)

This old-fashioned perennial favorite has large, arching stalks of pure white heart-shaped blooms that are set on light green foliage. It may go dormant in summer. (30" x 20") Zn3.

Dicentra spectabilis 'Gold Heart'

Old Fashioned Bleeding Heart (Code: 3967)

Rosy-pink hearts appear in spring, but the glowing chartreuse foliage commands attention all season! It goes dormant in summer, but returns next spring. (2-3' x 2-3') Zn4. EU4817, CPBR0974 Not for resale to Canada.

Digitalis grandiflora 'Carillon'

Foxglove (Code: 3342)

This compact foxglove blooms an unusual shade of yellow with tawny freckles. Thick, leathery foliage adds interest to this cottage garden favorite. (18-20" x 18") Zn3.

Digitalis purpurea 'Alba'

Foxglove (Code: 5034)

Tall and graceful stems are lined with white bell-shaped flowers. Beautiful for the back of the border or as a stately accent, it glows at dusk and shimmers in the moonlight! Biennial. (3' x 2') Zn4.

Digitalis purpurea 'Apricot'

Foxglove (Code: 5035)

Tall and graceful stems are lined with pink-to-apricot, bell-shaped flowers. It's beautiful for the back of the border or as a stately accent and nice for bouquets too. Biennial. (36" x 24") Zn4.

Digitalis purpurea 'Camelot Lavender'
Foxglove (Code: 3795)
 Spectacular lavender, bell-shaped flowers with speckled throats shine on stout stems. A nice subtle fragrance enhances its appeal. Biennial. (36-48" x 16-24") Zn4.

Digitalis purpurea 'Camelot Rose'
Foxglove (Code: 3796)
 Lovely rose-hued, bell-shaped flowers with speckled throats shine on stout stems. Subtle scent. Biennial. (3-4' x 2') Zn4.

Digitalis purpurea 'Camelot White'
Foxglove (Code: 3800)
 Large, fragrant flower spikes show off pretty white, bell-shaped flowers with speckled throats. Biennial. (3-4' x 2') Zn4.

Digitalis purpurea 'Excelsior Hybrids'
Foxglove (Code: 2579)
 Long spires of flowers in shades of pink, rose, or white grace this attractive cottage garden favorite, May to June. Excellent for cut bouquets! Biennial. (4-5' x 2-3') Zn4.

Digitalis purpurea 'Foxy Hybrids'
Foxglove (Code: 2575)
 Long spikes of lovely flowers in shades of carmine-red, pink, creamy-yellow or white grace this cottage garden favorite. It is excellent for cut flowers. Biennial. (24" x 18") Zn4.

Digitalis purpurea 'Gloxiniiflora'
Foxglove (Code: 5417)
 Extra large, rose-red bells dangle from tall, sturdy stalks. This beautiful background plant is easy to grow and great for cut flowers. Biennial. (48" x 30") Zn4.

Digitalis purpurea 'Pam's Choice'
Foxglove (Code: 4258)
 This compact foxglove has large white blooms with brilliant purple-red throats! A good cut flower and wonderful in the middle of the flower border. Biennial. (30" x 24") Zn4.

Digitalis thapsi 'Spanish Peaks'
Foxglove (Code: 7375)
 Pretty spikes of raspberry-rose blooms rise above a loose mound of gray-green, furry foliage. This compact form with smaller, fuzzy leaves thrives in a variety of sites and soils. (12-24" x 12-24") Zn4.

Digitalis x mertonensis
Strawberry Foxglove (Code: 2583)
 Strawberry-colored, bell-like flowers bloom on tall stalks. It makes an excellent cut flower. (24-30" x 18-24") Zn5.

Doronicum orientale 'Little Leo'
Leopard's Bane (Code: 2596)
 Sweet golden, semi-double daisies with yellow centers grace this compact perennial. It prefers moist soil and may go dormant in a hot summer. (12-15" x 12-18") Zn4.

Echinacea 'Hot Lava'
Coneflower (Code: 7451)
 Resembles a flaming pool of magma! Wide petals of deep orange-red turn to a deeper red at the base of the dark orange cone. Extra petals give the flowers a fuller look and the super-strong stems make it a natural for cut flowers. (32" x 24-32") Zn4. PPAF

Echinacea 'Hot Papaya'
Coneflower (Code: 7294)
 The blooms emerge with florescent, papaya-orange colored ray petals with a deep red-orange pompom. Each pompom has a remarkable papaya colored halo in the center that grows as it ages. (30-36" x 24-30") Zn4. PPAF Propagation prohibited.

Echinacea 'Hot Summer'
Coneflower (Code: 7302)
 Flowers open yellow and steadily turn to scarlet as they mature. The result is a harmony of fiery shades all on one plant, all at the same time! (30-36" x 24-30") Zn4. PPAF Propagation prohibited.

Echinacea 'Pink Poodle'
Coneflower (Code: 7463)
 Completely different from all other Echinacea! The flowers look like zinnias or dahlias - except it's a hardy perennial! The giant 4" double blooms have strong stems, perfect for cut flower arrangements. Plants thrive in heat and humidity. A magnet for butterflies and hummingbirds too! (28-32" x 18-24") Zn4. PP19428 Propagation Prohibited

Echinacea 'Red Knee High'
Coneflower (Code: 7297)
 Brilliant fuchsia-red, daisy-like flowers are richly contrasted by coppery centers from July to September. With vigorous compact growth, blooms are just as plentiful as its parent, E. 'Kim's Knee High'. (24-30" x 18-24") Zn4. PPAF Propagation prohibited.

Echinacea 'Solar Flare'
Coneflower (Code: 7590)
 The flowers burst forth with fiery orange-red petals that surround a dark cone. The fragrant blooms appear from mid to late summer. (30-36" x 24-30") Zn5. PPAF

Echinacea 'Tangerine Dream'
Coneflower (Code: 7680)
 Elegant 4" clear tangerine-orange flowers have wide, overlapping petals. The flowers hold their color very well and have a lovely honey scent. The multi-branching strong stems are super for the landscape, whether used en masse or in a mixed planting. Great for cutting. (18-24" x 24-30") Zn4. PPAF

Echinacea 'Tomato Soup'
Coneflower (Code: 6596)
 Stunning warm tomato-red coneflowers up to 5" across! Plants are well branched, vigorous and bloom mid-summer until frost. (36" x 24-36") Zn4. PP19427 Propagation Prohibited.

Echinacea Big Sky 'After Midnight' ('Emily Saul')
Coneflower (Code: 3665)
 The flowers have deep magenta petals with black-red centers and appear on black stems above beautiful blue-green foliage. This compact coneflower is one of the Big Sky™ series. (12-18" x 10-16") Zn5. PP18768 Propagation Prohibited.

Echinacea Big Sky™ 'Harvest Moon' (Matthew Saul)
Coneflower (Code: 3233)
 The flowers have lovely golden mango-colored petals that radiate around warm orange centers and bloom from mid to late summer. This is another vigorous coneflower from the Big Sky™ series. (24-30' x 2') Zn4. PP17652 Propagation Prohibited.

Echinacea Big Sky™ 'Sundown' ('Evan Saul')
Coneflower (Code: 3232)
 Fragrant and beautiful orange flowers radiate from a bronze cone atop tall, sturdy stems. It blooms mid-summer. Another vigorous coneflower from the Big Sky™ series. (3-4' x 3') Zn4. PP17659 Propagation Prohibited.

Echinacea Big Sky™ 'Sunrise'
Coneflower (Code: 2048)
 Fragrant, lemon-yellow, 5" blooms have orange central cones and arise in summer on sturdy, well-branched plants. It's just as hardy & stress tolerant as the common coneflower. One of the best from the Big Sky™ series. (30" x 30") Zn4. PP16235 Propagation Prohibited.

Echinacea Big Sky™ 'Twilight'
Coneflower (Code: 2125)
 The flowers have petals in a variety of rose shades surrounding a bronze-red central cone on sturdy, well-branched stems. Another marvelous introduction from the Big Sky™ Series. (24-26" x 18-24") Zn4. PP17651 Propagation Prohibited.

Echinacea purpurea 'Fatal Attraction'
Coneflower (Code: 3856)
 Intense purple-pink coneflowers have nearly black central cones. Flowers top deepest black stems making a dramatic contrast to the bright green foliage. (24-28" x 18") Zn4. PP18429 Propagation Prohibited.

Echinacea purpurea 'Flame Thrower'
Coneflower (Code: 7430)
 Flaming hot two-toned blooms of orange and yellow with a dark central cone light up the middle of the border! This Echinacea has a well-branched habit, is easy to grow, and will bloom all summer! (34-36" x 36-40") Zn4. PPAF,PVR Propagation Prohibited

Echinacea purpurea 'Green Envy'
Coneflower (Code: 4002)
 Unusual light green flower petals blend to light pink at their base, contrasting beautifully with the dark green cone. As the flowers age, they become more pink and the green central cone changes to burgundy. It's very compact with strong stems. Looks best in part shade. (20-30" x 18") Zn3. PPAF, PVR Propagation Prohibited.

Echinacea purpurea 'Kim's Knee High'
Coneflower (Code: 4434)
 This compact coneflower has more flowers over a longer time than other Echinacea cultivars. Striking, clear pink, drooping petals with brilliant orange central cones appear repeatedly from mid to late summer. (18-24" x 18") Zn3. PP12242 Propagation Prohibited.

Echinacea purpurea 'Magnus'
Coneflower (Code: 2600)
 Large, bright rose-pink daisies have prominent orange cones. Excellent for cutting and a butterfly magnet! 1998 Perennial Plant Association Plant of the Year. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Echinacea purpurea 'Merlot'
Coneflower (Code: 4087)
 Striking, nearly-black stems contrast magically with 5" rose-pink flowers with huge cones. This cultivar requires no staking. (34" x 30") Zn4. PP18814, PVR Propagation Prohibited.

Echinacea purpurea 'Pica Bella'
Coneflower (Code: 4088)
 Thin pink petals are elegantly displayed with large copper-red cones sitting atop clear green foliage. Attracts butterflies and it's excellent for cut flowers! (24-36" x 24-36") Zn4.

Echinacea purpurea 'Pink Double Delight'
Coneflower (Code: 3969)
 Unusual double form with vivid pink pompom centers surrounded by longer pink reflexed petals. Compact, it grows only 2' tall. (24" x 12-18") Zn4. PP18803, PVR Propagation Prohibited.

Echinacea purpurea 'Razzmatazz'
Coneflower (Code: 3852)
 A very unique double flower which looks like a pom-pom sitting atop matching petals in clear pink hues. Needs good light and space to promote strong stems. (30" x 18-24") Zn3. PP13894 Propagation Prohibited.

Echinacea purpurea 'Ruby Giant'
Coneflower (Code: 3930)
 Bright rose-pink, fragrant 4-5" flowers have a double row of horizontal petals appearing in July. Plants have larger leaves, are multi-branched and grow vigorously. (4" x 18-24") Zn4.

Echinacea purpurea 'Ruby Star' ('Rubinstern')
Coneflower (Code: 4478)
 Brilliant flowers with intense carmine-red petals gracefully top sturdy stems. It makes an excellent cut flower, or leave aging seed heads in place for birds to enjoy! (2-3' x 2-3') Zn4.

Echinacea purpurea 'Tiki Torch'
Coneflower (Code: 4091)
 Fiery pumpkin-orange, daisy-like flowers bloom in July. These 4.5" flowers have wide petals, a spicy fragrance and make excellent cut flowers. (3' x 2-3') Zn4. PP18839, PVR Propagation Prohibited.

Echinacea purpurea 'White Nathalie'
Coneflower (Code: 7472)
 Short, thick green stems are topped by pure white flowers, with overlapping petals and orange-brown centers. A long bloomer, producing many flowering stems. (18-24" x 18-24") Zn4.

Echinacea purpurea 'White Swan'
Coneflower (Code: 2599)
 Large white flowers with chartreuse cones are wonderful for bouquets. A beautiful selection and perfect for the mixed border. 2009 "Great Plant Pick" for the Pacific Northwest. (36" x 20") Zn3.

Echinacea Summer Sky™ (Katie Saul)
Coneflower (Code: 3669)
 Large (5-6") fragrant, orange-colored flowers blend to rose around a central cone. Tallest of the Big Sky™ Echinacea, with strong stems that make it resistant to stormy weather. (36-42" x 18-24") Zn5. PP18783 Propagation Prohibited.

Echinops sphaerocephalus 'Arctic Glow'
Globe Thistle (Code: 2065)
 Large round, silver-white blossoms on deep red stems are offset by silvery-green leaves, summer to fall. Adds texture and form to the border. Best in full sun. (2-3" x 24") Zn3.

Eragrostis tef 'Ruby Silk'
Lovegrass (Code: 4095)
 Rich burgundy seedheads gracefully drape over compact clumps of upright foliage. Excellent for cut or dried flower arrangements as color doesn't fade! (18-24" x 18") Zn10.

Erigeron speciosus 'Darkest of All'
Fleabane, Santa Barbara Daisy (Code: 2613)
 Purple daisy-like flowers adorn this very desirable cultivar in early summer. A spectacular perennial and good for flower arrangements. (18" x 24") Zn4.

Eryngium amethystinum 'Sapphire Blue'
Sea Holly (Code: 5889)
 Marvelous steely-blue flowers are larger and more colorful than other varieties. Performs best in sunny locations and tolerates most soil types. (28" x 18") Zn5. PP11088, COPF Propagation Prohibited.

Erysimum 'Fragrant Star'
Wallflower (Code: 7614)
 Sweetly scented yellow blooms are complemented with leaves that have creamy-yellow margins. Being sterile, flowering may continue to October! Chocolate-purple flower buds make a dramatic contrast to the flowers and foliage. (18-24" x 18-24") Zn7. PPAF

Eucomis comosa 'Oakhurst'
Purple Pineapple Lily (Code: 5928)
 Brilliant burgundy tropical leaves and purple pineapple-like flowers make this an outstanding garden perennial. Good for cut flowers and has an attractive persistent seedhead. (32" x 20") Zn7.

Eucomis comosa 'Sparkling Burgundy'
Purple Pineapple Lily (Code: 4302)
 An unusual perennial with strappy burgundy foliage. In late summer a miniature purple pineapple-shaped blossom emerges. A "Great Plant Pick" for the Pacific Northwest! (24-30" x 24") Zn6.

Eupatorium dubium 'Little Joe'
Dwarf Joe Pye Weed (Code: 6928)
 This compact form has beautiful mauve-purple flowers in late summer accented by large green leaves. Butterflies love E. 'Little Joe'! It prefers moist locations. (4' x 2-3') Zn3. PP16122 Propagation Prohibited.

Eupatorium maculatum 'Atropurpureum'
Joe Pye Weed (Code: 2652)
 Large clusters of tiny, rosy-purple flowers appear on towering stems in late summer. This butterfly favorite tolerates moist sites. (4-7' x 3') Zn5.

Eupatorium purpureum subsp. maculatum 'Gateway'
Joe Pye Weed (Code: 4056)
 Sturdy, upright black stems carry terminal heads of rich pink flowers late summer through fall. This tall, moisture loving perennial is best used as an architectural plant with color highlights in fall. A "Great Plant Pick" for the Pacific Northwest! (5-6' x 3') Zn4.

Eupatorium rugosum 'Chocolate'
White Snakeroot (Code: 6167)
 Cocoa-brown leaves are topped by clusters of white flowers late July to September. A unique and exciting addition to the back of the border. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 3') Zn4.

Euphorbia 'Blue Lagoon'
Spurge (Code: 6130)
 Blue-green foliage has red tinged new growth. Clouds of gold hang over plants for months. As it will naturalize, it's perfect for hard to grow, dry areas and slopes. (18-30" x 24") Zn6. PP14572 Propagation Prohibited.

Euphorbia 'Copton Ash'
 (Code: 6674)
 This striking herbaceous shrub-like plant has light ash-green linear foliage all year. Chartreuse flowers appear in spring. It prefers sunny, well-drained sites. (18-24" x 24-30") Zn7.

Euphorbia 'First Blush'
Spurge (Code: 3847)
 New growth appears with a rose-pink flush in cool conditions. Later, the foliage matures to pale green with white margins. Bright yellow flowers appear in spring. (12" x 12-18") Zn4. PP15292 Propagation Prohibited.

Euphorbia 'Silver Swan'
Spurge (Code: 3801)
 Striking gray-green & silver-white variegated foliage creates a tight mound. Flower spikes open to display green & white-variegated blooms in spring. The leaves are outstanding when contrasted with dark foliage plants. (24-36" x 24-36") Zn7. PPAF Propagation Prohibited.

Euphorbia 'Tasmanian Tiger'
Spurge (Code: 6148)
 Brightly-variegated blue-green leaves have creamy-white margins. Large creamy-golden flowers top the striking foliage in summer. It's ideal as a rockery specimen. (24-30" x 24-30") Zn7. PP15715 Propagation Prohibited.

Euphorbia amygdaloides var. robbiae
Robb's Spurge (Code: 6017)
 Handsome deep green leaves are offset by cinnamon-red stems and are topped by panicles of chartreuse bracts in spring. This excellent, spreading evergreen groundcover tolerates dry sites and blends well with a wide assortment of plants. (1-2' x 3') Zn6.

Euphorbia characias 'Bruce's Dwarf'
Spurge (Code: 4883)
 Dwarf form with gray-green foliage that forms an evergreen herbaceous shrub. Chartreuse flower bracts appear in spring and last through mid-summer. (24-30" x 24-36") Zn6.

Euphorbia characias 'Portuguese Velvet'
Spurge (Code: 6970)
 Compact and gorgeous! Striking velvety leaves change from burgundy to deep blue-green and jade. Large chartreuse flower bracts have maroon centers. (18-24" x 24") Zn6.

Euphorbia characias ssp. wulfenii
Mediterranean Spurge (Code: 2658)
 Large clusters of showy chartreuse bracts adorn this large-growing evergreen form from March to June. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6.

Euphorbia characias ssp. wulfenii 'John Tomlinson'
Spurge (Code: 4940)
 Blue-gray foliage is topped by large glowing chartreuse flower heads which are broad at the top and taper in at the bottom. Striking and easy to grow. 2009 "Great Plant Pick" for the Pacific Northwest! (32" x 24") Zn6.

Euphorbia cyparissias 'Fen's Ruby'
Cypress Spurge (Code: 3268)
 Very finely-textured leaves emerge ruby-red and fade to bluish-green. The leaves are topped in summer by heads of chartreuse flowers. It naturalizes to form a groundcover. (8-12" x 18-24") Zn5.

Euphorbia griffithii 'Fern Cottage'
Spurge (Code: 4154)
 Brilliant red bracts and burnt orange foliage combine to create a stunning focal point in the mixed border. Glowing yellow and orange fall color adds seasonal interest. (24" x 18") Zn5.

Euphorbia nicana x nicaeensis 'Blue Haze'
Spurge (Code: 3765)
 Powder-blue foliage on red stems contrast nicely with yellow-chartreuse flowers. A compact grower ideal for containers and garden beds. Requires good drainage. (12-18" x 18-24") Zn7. PP14868 Propagation Prohibited.

Euphorbia sikkimensis
Spurge (Code: 6729)
 Ruby-red rosettes of foliage turn green with age, topped by yellow-green flowers in midsummer. The leaves have white midribs. Although it spreads by runners, it is easily controlled. (3' x 3-4') Zn6.

Euphorbia x martinii
Martin's Spurge (Code: 5383)
 Chartreuse bracts with red pistils appear from May to July, then softly age to buff and coral hues. The gray-green foliage turns bronzy-red in fall and winter. It forms a nice, rounded evergreen mound. (24-30" x 24-30") Zn6.

Euphorbia x martinii 'Blackbird'
Spurge (Code: 3301)
 Deep burgundy-purple foliage with dark compact stems provides year-round color. Yellow-chartreuse flower bracts appear in late spring. (18-24" x 24-30") Zn6. PP17178 Propagation Prohibited.

Euphorbia x martinii 'Red Martin'
Spurge (Code: 3310)
 This sport of Euphorbia x martinii has a deeper burgundy-red cast to stems and leaves. Chartreuse flower-like bracts have red centers. A pleasing, rounded growth habit makes this form a great addition to any garden. (18-24" x 24-30") Zn6.

Euphorbia x martinii 'Redwing'
Spurge (Code: 4880)
 Deep red buds open to bright golden flowers. Long bronzy foliage forms a tight, compact mound. It requires good drainage. (18-24" x 24-30") Zn6.

Euphorbia x martinii 'Rudolph'
Spurge (Code: 4203)
 Vivid red bracts bring to mind Rudolph's famous nose, making it a marvelous addition to the winter garden. Yellow-green flowers with red centers appear in spring. (24-30" x 24-30") Zn6. PP17257 Propagation Prohibited.

Filipendula palmata 'Kokome'
Meadowsweet (Code: 4835)
 This dwarf form has fluffy pink, lightly fragrant flowers that top small maple-like leaves in summer. This is a moisture lover. (6-8" x 12") Zn4.

Filipendula palmata 'Nana'
Meadowsweet (Code: 5509)
 Dwarf plant with deep pink, feathery flower panicles in July and August. A charming addition for front of the border where the soil stays moist. (10" x 12") Zn3.

Filipendula purpurea 'Alba'

Meadowsweet (Code: 3449)

The astilbe-like panicles are composed of many tiny white flowers with pink stamens. The feathery flowers appear in summer above dark green leaves on a plant with a strong upright habit. (3' x 2') Zn5.

Filipendula purpurea 'Elegans'

Meadowsweet (Code: 2660)

Tiny red-purple flowers with red stamens are produced in large foamy masses in summer. It needs moist soil if planted in sun. (3' x 2') Zn5.

Filipendula rubra 'Venusta'

Queen of the Prairie (Code: 2661)

Masses of peachy-pink, fragrant flowers cover this statuesque giant. It needs plenty of moisture to be at its best. A stunning selection for the back of the mixed border or pond edge. (5-6' x 4') Zn3.

Filipendula vulgaris 'Flore Pleno'

Meadowsweet (Code: 5118)

Showy creamy-white, double blossoms shine atop lush green, ferny foliage. It begins blooming in June and flowers over a long period. Best performance occurs with constant moisture. (24" x 18") Zn3.

Gaillardia 'Amber Wheels'

Blanket Flower (Code: 3658)

Large golden blooms have fringed petals and prominent amber-red centers. This long-lived variety has distinctive flowers that are attractive to butterflies! (24-36" x 18-24") Zn4.

Gaillardia 'Arizona Sun'

Blanket Flower (Code: 4735)

Large 3" blooms have fiery-red petals with gold tips and cover low-mounding plants most of the summer. An All American Selection Winner! (8-10" x 8-10") Zn5.

Gaillardia 'El Fuego'

Blanket Flower (Code: 4971)

Fiery-red flowers with tubular petals, bloom for many weeks in summer. This dwarf plant thrives in heat and humidity and is excellent for the front of the border. (12" x 12") Zn4. PPAF Propagation Prohibited.

Gaillardia x grandiflora 'Burgundy'

Blanket Flower (Code: 2682)

Deep wine to rusty-red flowers attract attention in late summer. Deadhead to promote bloom. Colorful and easy to grow, it tolerates poor soils and dry conditions. (2' x 2') Zn3.

Gaillardia x grandiflora 'Fanfare'

Blanket Flower (Code: 3245)

Flower petals form a ring of scarlet-orange mini-trumpets with yellow tips that flare out, all surrounding a bronze-red cone. A compact grower and continuous bloomer. (10-16" x 18") Zn3. PP15892 Propagation Prohibited.

Gaillardia x grandiflora 'Goblin'

Blanket Flower (Code: 2686)

This easy front of the border charmer features large yellow and red flowers. Drought tolerant and carefree, it has a nice dwarf habit. (10" x 16") Zn3.

Gaillardia x grandiflora 'Oranges and Lemons'

Blanket Flower (Code: 3758)

Fantastic large yellow flowers with orange centers on green foliage appear in summer. A heavy bloomer, it will repeat bloom if spent flowers are deadheaded. (18-30" x 12-18") Zn6. PP17092 Propagation Prohibited.

Gaura 'Pink Fountains'

Indian Feather (Code: 3742)

New growth emerges red, with good branching, staying nice and compact. It displays tons of soft pink flowers in summer. (24" x 18") Zn6. PP15555 Propagation Prohibited.

Gaura lindheimeri 'Bijou Butterflies'

Wandflower (Code: 4117)

Green leaves have white edges and the new growth is a vivid deep pink. Rose-pink flowers bloom most of the season. It has a compact habit. (20-24" x 12-18") Zn6. PP15479 Propagation Prohibited.

Gaura lindheimeri 'Crimson Butterflies'

Indian Feather (Code: 4670)

A delightful new cultivar featuring dark crimson foliage on a compact plant. Deep pink flowers dance brightly on red stems from summer to frost! Heat and drought tolerant. (18" x 24") Zn6. PP13189 Propagation Prohibited.

Gaura lindheimeri 'Passionate Blush'

Indian Feather (Code: 3802)

Dark pink buds on pink stems open to pink flowers, and bloom most of the season. Burgundy new foliage matures to green. (18" x 20") Zn6. PP17293 Propagation Prohibited.

Gaura lindheimeri 'Pink Cloud'

Indian Feather (Code: 6395)

Profuse long bloomer with rich pink flowers and a more upright, less floppy habit. Glossy deep burgundy foliage. This stunning selection blooms summer to frost.

(30" x 24") Zn6.

Gaura lindheimeri 'Siskiyou Pink'

Indian Feather (Code: 6377)

Deep maroon buds open to glowing pink flowers with white stamens in summer and fall. Foliage is rich maroon. Lends a diffuse, airy quality to the border or mixed container. (3-4' x 2') Zn5.

Gaura lindheimeri 'Siskiyou Pink' (Red Leaf Form)

Red Leaf Siskiyou Pink Indian Feather (Code: 4487)

Similar to G. 'Siskiyou Pink', but it has deeper maroon foliage in summer and is more compact. Dainty, deep pink flowers appear in summer and fall. (24-36" x 18-24") Zn5.

Gaura lindheimeri 'So White'

Indian Feather (Code: 4672)

Profuse, small white flowers bloom on 18" green stems summer to fall, creating an effect that is bright, light, clean and airy. The foliage is remarkably clean and free of common spotting. (2' x 2') Zn5.

Gaura lindheimeri 'Sunny Butterflies'

Indian Feather (Code: 4671)

This lovely, compact, variegated cultivar is a sweet combination of light green and cream-edged leaves, with pink flowers on green stems. Great for containers or mid-border, it blooms summer to hard frost. (24" x 24") Zn6. PP14815 Propagation Prohibited.

Gaura lindheimeri 'Whirling Butterflies'

Indian Feather (Code: 5916)

A light, airy texture is created by a profusion of delicate white flowers that bloom in summer and dance in the wind on graceful, rosy-red, willow-leaved stems. Butterflies adore this plant! (3' x 2') Zn6.

Gentiana 'True Blue'

Gentian (Code: 7303)

Large 2" tubular blue flowers open at the nodes all up and down the stems, midsummer to early fall. The plant has smooth, green, lance-shaped leaves. Hummingbirds and butterflies love the flowers! (24-30" x 12-18") Zn4. PP20433 Propagation prohibited.

Geum 'Double Bloody Mary'

Avens, Grecian Rose (Code: 4101)

Bright scarlet-red flowers are semi-double with ruffled petals and are perfect for that summer bouquet. Full bloom occurs in late spring, then off and on through summer into fall. (24" x 24") Zn5.

Geum 'Queen of Orange'

Avens, Grecian Rose (Code: 4799)

An improved form that is more floriferous and earlier blooming than the species. In spring, this evergreen perennial is covered with orange flowers for over a month. (12-15" x 12-16") Zn5.

Geum 'Starker's Magnificum'

Avens, Grecian Rose (Code: 6611)

Long stems of ruffled tangerine-to-coppery-orange, double blossoms top this very robust and large growing evergreen cultivar. (15-24" x 24") Zn5.

Geum flore pleno 'Blazing Sunset'

Grecian Rose (Code: 4978)

Double scarlet flowers that look like small roses, bloom from May to September. Moderate in size and easy to grow. (24" x 18") Zn5.

Geum x 'Sangria'

Grecian Rose (Code: 4856)

Semi-double, intensely red flowers bloom from spring through summer. A great addition for the front of the border. (12-18" x 12-18") Zn5.

Gypsophila paniculata 'Bristol Fairy'

Creeping Baby's Breath (Code: 2735)

Airy sprays of large, white, double blossoms adorn this florist favorite in summer. Excellent for fresh bouquets and it dries beautifully too! (3' x 3') Zn4.

Gypsophila paniculata 'Viette's Dwarf'

Baby's Breath (Code: 2741)

Sprays of dainty double pink flowers fade to white. It will repeat bloom when spent flowers are cut back. The compact form is a plus. (12-18" x 12-18") Zn3.

Hebe 'Spender's Seedling'

Hebe (Code: 3899)

One of the most reliable, hardy and long flowering Hebe's available! Will form a large evergreen shrub with white-spiked flowers that bloom summer to fall. (4-5' x 4-5') Zn7.

Helenium 'Feuersiegel'

Helen's Flower (Code: 5454)

Striking golden ray flowers are suffused with fiery-reds. A wonderful drought tolerant selection. Long stems are excellent for flower arrangements. (3-4' x 3') Zn4.

Helenium 'Rubinzweg'

Helen's Flower (Code: 3971)

Dark brick-red flowers have yellow and brown centers and appear in late summer. It grows just 32" tall which makes it easy to combine with other late summer blooming perennials. (32" x 24") Zn3.

Helenium 'Sahin's Early Flowerer'

Helen's Flower (Code: 3972)

Yellow-orange-bronze bi-color, daisy-like flowers with brown central cones, bloom continuously through summer on strong 30-36" stems! A great companion for ornamental grasses. (30-36" x 24-30") Zn3.

Helenium 'Zimbelstern'

Helen's Flower (Code: 5843)

Clusters of golden flowers with maroon highlights surround chartreuse central cones that age to burnt sienna. An excellent free-flowering selection! (3-4' x 2-3') Zn5.

Helenium bigelovi 'Bishop'

Helen's Flower (Code: 5453)

Large golden-yellow flowers with darker central cones become more prominent as they age. Long stems are excellent as cut flowers! (3' x 3') Zn4.

Helenium x hybrida 'Moerheim Beauty'

Helen's Flower (Code: 2780)

Beautiful flowers in velvety, coppery-red hues, glow in the mixed border. It adds beautiful color and interest to any garden. A "Great Plant Pick" for the Pacific Northwest! (3-4' x 3') Zn4.

Helianthus 'Lemon Queen'

Sunflower (Code: 6713)

Clear lemon-yellow, single blooms adorn this lovely perennial sunflower. It adds interest to the back of the border late in the season. Great for bouquets. (5-7' x 3') Zn4.

Helianthus angustifolius 'Gold Lace'

Sunflower (Code: 4400)

The tall, thin, lacy foliage creates an airy appearance. 3-4" golden sunflowers appear like a fountain of color late in the season. It makes a magnificent cut flower! (5-6' x 3') Zn6.

Helianthus x multiflorus 'Flore Pleno'

Sunflower (Code: 2784)

Countless 3-4" golden-yellow, double sunflowers bloom late summer to frost. It's great for cutting or planting in the butterfly garden. (5-6' x 3') Zn4.

Heliopsis 'Tuscan Sun'

(Code: 7575)

NEW! The large single golden yellow daisies appear in mid-summer and are invaluable for brightening the summer garden. A rugged and exceedingly cold hardy plant, $\frac{1}{2}$ Tuscan Sun $\frac{1}{2}$ is the most compact Heliopsis available. (12-18" x 18-24") Zn3.

Helleborus 'Ivory Prince'

Lenten Rose (Code: 6036)

Large ivory-white flowers bloom from late winter through early spring, displayed upright rather than face down like most Hellebores. The tidy evergreen foliage is an added bonus! (12-15" x 12-16") Zn5. PP16199 Propagation Prohibited.

Helleborus argutifolius

Corsican Hellebore (Code: 2816)

Attractive apple-green flowers are held in large clusters above bold, holly-like evergreen leaves, late winter through spring. A "Great Plant Pick" for the Pacific Northwest! (30" x 30") Zn5.

Helleborus argutifolius 'Pacific Frost'
Corsican Hellebore (Code: 7308)

This striking variegated Hellebore is considered to be one of the best variegated forms. It has dark green leaves with white speckles that show throughout the winter. Ivory blossoms appear in late winter and age to a mint green. (24-30" x 24-30") Zn5.

Helleborus foetidus
Bear's Foot Hellebore (Code: 5303)

Large clusters of pale green, rose-edged flowers bloom January to April. Finely-divided, evergreen leaves are nice year round. A "Great Plant Pick" for the Pacific Northwest. (18" x 18") Zn5.

Helleborus foetidus Gold Bullion
Hellebore (Code: 4318)

This outstanding evergreen foliage plant has lemon-gold new growth that later changes to chartreuse, with red staining on the stems. The late winter flowers are greenish-yellow. Light shade prevents sunburned leaves in hot climates. (18-24" x 18-24") Zn5.

Helleborus x hybridus 'Mardi Gras Picotee Pink'
Lenten Rose (Code: 3537)

Exquisite white nodding flowers, edged in pink, glow above large leathery leaves. This evergreen perennial blooms late winter and early spring! From Charles Price. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras Pink'
Lenten Rose (Code: 3539)

'Exquisite nodding pink flowers shine above large, leathery, evergreen leaves. Provides color and substance to the winter garden. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras Slate'
Lenten Rose (Code: 3583)

Exquisite dark blue-gray flowers shine above large leathery, evergreen leaves. Deep burgundy new growth. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras White'
Lenten Rose (Code: 3591)

Exquisite nodding white flowers shine above large leathery, evergreen leaves. Blooms appear in late winter to early spring. From Charles Price. A "Great Plant Pick" for the Pacific Northwest. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mardi Gras Yellow'
Lenten Rose (Code: 3593)

Exquisite, nodding yellow flowers in late winter shine above large leathery evergreen leaves. From Charles Price. 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x hybridus 'Mellow Yellow'
Hellebore, Lenten Rose (Code: 7244)

The single flowers are bright yellow to apricot, some with purple splashes and picotee edges. It blooms from late winter to early spring on evergreen foliage. This seed strain was developed by Ernie and Marietta Obyrne. (18-24" x 24-30") Zn4.

Helleborus x hybridus (orientalis)
Lenten Rose (Code: 5322)

Lovely single flowers range from deep plum to creamy-white and bloom late winter to early spring. With evergreen foliage, it's a "Great Plant Pick" for the Pacific Northwest! 2005 Perennial Plant Association Plant of the Year. (18-24" x 24-30") Zn4.

Helleborus x nigercors 'Morning's Pride'
Hellebore (Code: 7309)

White flowers with green highlights bloom abundantly late winter through early spring. A cross between H. niger and H. argutifolius, the flowers are more abundant than other Hellebores and evergreen foliage stays compact. (12" x 12") Zn5.

Hemerocallis 'Roaring 20's'
Daylily (Code: 2832)

Indispensable border favorite! Slightly-ruffled, deep velvety-red flowers with chartreuse throats grace this attractive rebloomer. Fresh green, grassy leaves add interest. (20" x 20") Zn3.

Hemerocallis lilioasphodelus (syn. flava)
Lemon Lily (Code: 2840)

3.5" bright yellow, fragrant flowers appear on 20" stems early in the season. The first daylily to bloom, it is most impressive when planted in large groups. (30" x 24") Zn3.

Hesperis matronalis
Dame's Rocket (Code: 2844)

Tall, loose flowers of lavender, purple, or white, bloom from May to June and give off an intoxicating evening fragrance. The long stems are excellent for bouquets. Biennial, but naturalizes. (36" x 16") Zn5.

Heuchera 'Amethyst Myst'

Coral Bells (Code: 6408)

Rich burgundy, evergreen leaves have deep green veins and silver overlay. A truly stunning Coral Bell! (26" x 17") Zn4.

Heuchera 'Crimson Curls'

Coral Bells (Code: 4808)

Extremely ruffled, deep red, evergreen foliage topped by wands of near-white flowers in late spring. It has a tight, dumping habit. (12-18" x 12-18") Zn4. PP13729

Heuchera 'Ginger Ale'

Coral Bells (Code: 4261)

Light amber veins highlight silvery evergreen foliage with creamy-pink flowers appearing in June. A lovely contrast with darker Heucheras. (12" x 12-16") Zn4. PP18173, EU23085 Propagation Prohibited.

Heuchera 'Lipstick'

(Code: 7454)

Silver-veiled green leaves give rise to bright lipstick-red flowers. Many Heucheras feature foliage color, but the re-blooming flowers are the main attraction of this cultivar. An excellent choice for naturalistic landscapes. (7-15" x 10-12") Zn4. PPAF, PVR

Heuchera 'Marmalade'

Coral Bells (Code: 7543)

Evergreen leaves emerge bright reddish-bronze in early spring and fade to a mix of stunning amber, deep sienna and brick-red. Spires of deep red blooms appear in spring. (10-16" x 18") Zn4. PP15945, EU17452 Propagation Prohibited.

Heuchera 'Midnight Rose'

Coral Bells (Code: 4128)

In spring, dark purple-black, evergreen leaves have hot pink spots that nearly glow in the dark! By summer the foliage fades to medium purple with creamy-pink spots. White flowers appear in June. (10-12" x 15") Zn4. PP18551, PVR Propagation Prohibited.

Heuchera 'Peach Flambe'

Coral Bells (Code: 4004)

Glowing red, evergreen leaves have peach overtones in spring, summer and fall, then turn to plum shades in winter. White flowers appear in late spring. (12-18" x 12-18") Zn4. PP17195, EU20615 Propagation Prohibited.

Heuchera 'Purple Petticoats'

Coral Bells (Code: 4457)

Frilly dark purple, evergreen foliage looks like ruffled petticoats. One of the best plants for winter foliage. Small, creamy flowers appear in late spring. Winner of many awards. (12" x 28") Zn4.

Heuchera 'Rave On'

Coral Bells (Code: 4129)

Showy pink flowers bloom profusely spring through summer above evergreen, silvery foliage with burgundy veins. This is one of the few Heucheras where the flowers rival the foliage. (10-16" x 12") Zn4. PP18127, EU23086 Propagation Prohibited.

Heuchera 'Regina'

Coral Bells (Code: 5563)

Airy sprays of tiny pink bells rise on 24" tall stems above a compact mound of evergreen burgundy-bronze leaves overlaid with silver. (12-24" x 12-18") Zn3.

Heuchera americana 'Dale's Strain'

Coral Bells (Code: 2597)

Attractive silvery-blue, marbled foliage is topped with tiny creamy-white flowers in spring. An excellent evergreen, drought-tolerant native perennial. (18" x 24") Zn4.

Heuchera villosa 'Georgia Peach'

Coral Bells (Code: 4003)

Large evergreen, peach-colored leaves with silver overlay, turn rosy-purple with silver in winter. The foliage is tolerant of heat and humidity. White flowers appear in late summer. (18-24" x 18-24") Zn5. PP19375, PVR Propagation Prohibited.

Heuchera villosa 'Southern Comfort'

Coral Bells (Code: 6631)

Huge evergreen cinnamon-peach leaves change to burnished copper, then amber as the season progresses. Creamy white flowers appear in late summer. Tolerates heat and humidity. (15-20" x 24") Zn4. PPAF Propagation Prohibited.

Heucherella 'Dayglow Pink'

Foamy Bells (Code: 3982)

A color breakthrough! The brightest pink flowers of any Heuchera, Tiarella or Heucherella. It blooms profusely, with flowers lasting up to 6 weeks above the evergreen foliage! (10-18" x 12-18") Zn4. PP12164, EU11469 Propagation Prohibited.

Heucherella 'Rosalie'

Foamy Bells (Code: 3330)

Rounded green leaves with dark central spotting and prominent veining are topped by sprays of foamy pink flowers. Interesting and unique! Great choice for massing in a partly shady site. (12-18" x 18") Zn4.

Heucherella 'Snow White'

Foamy Bells (Code: 6830)

Long and heavy bloomer with multiple spires of foamy white flowers, May-July. Beautiful when planted in large drifts. (14" x 18") Zn3.

Heucherella 'Stoplight'

Foamy Bells (Code: 7534)

Very large leaves in spring have a bright yellow-green color with wide, deep red veining. The leaves mature in summer to a warm straw and green color. Pink flowers appear in spring. (16" x 12") Zn4. PP16835, EU20613 Propagation Prohibited.

Heucherella 'Tapestry'

Foamy Bells (Code: 4588)

Blue-green, evergreen foliage changes to green with dark centers and dark veins in fall and winter. Warm pink foamy bells bloom profusely in spring. (8-16" x 18-24") Zn4. PPAF Propagation Prohibited.

Holodiscus discolor

Oceanspray (Code: 4433)

This Northwest native deciduous shrub has slender arching branches and fuzzy green leaves. Creamy flowers bloom in drooping panicles 8" long from early to mid-summer. (8-10' x 4-8") Zn5.

Hosta 'Abba Dabba Do'

Plantain Lily (Code: 7484)

The leaves have subtle chartreuse-yellow margins that surround bright green centers. The foliage features nicely-undulated edges and the plant has an attractive vase-like habit. (2' x 3') Zn3.

Hosta 'Big Daddy'

Plantain Lily (Code: 6288)

Impressive deep blue, round and puckered leaves on a large, vigorous grower. Topped by off white flowers on 36" scapes in late spring. (2-3' x 3-4') Zn3.

Hosta 'Blue Cadet'

Plantain Lily (Code: 5957)

This excellent blue-leafed Hosta forms nice compact mounds. A wonderful selection for edging in the shade garden. (6-12" x 24") Zn3.

Hosta 'Blue Heart'

Plantain Lily (Code: 2859)

This attractive medium-sized Hosta sports blue-gray leaves with prominent veins. It's topped by purple blooms in summer. An excellent choice for deep shade. (14" x 18") Zn3.

Hosta 'Brim Cup'

Plantain Lily (Code: 7358)

Dark green leaves have irregular, creamy-yellow margins which turn white with age. Lavender flowers appear mid-summer. Slow growing and compact. (12-18" x 16") Zn3.

Hosta 'Buckshaw Blue'

Plantain Lily (Code: 6277)

Serene deep blue-green, intensely thick & corrugated leaves make this Hosta a knockout. Near-white flowers on 26" scapes appear midsummer. (16" x 36") Zn3.

Hosta 'Fragrant Blue'

Plantain Lily (Code: 6613)

Small flat, smooth, heart-shaped blue-green leaves. The flowers open to a very pale lavender. (8" x 12") Zn3.

Hosta 'Fragrant Bouquet'

Plantain Lily (Code: 6690)

Extremely-fragrant, nearly-white flowers shine above apple-green leaves with wide creamy margins. It forms a nice wide clump topped by tall blooms in late summer. (24" x 36") Zn3.

Hosta 'Gold Standard'

Plantain Lily (Code: 6032)

Dark green leaf margins surround centers that emerge light green then turn sunny-gold by summer. It grows and looks its best with some morning sun. Lavender flowers appear mid-season. (20-30" x 36") Zn3.

Hosta 'Golden Tiara'
Plantain Lily (Code: 2866)
 Adorable heart-shaped, light green leaves have wide gold margins. This compact grower shows good form, persistent color and is fast-growing. It will tolerate 3/4 day sun if kept moist. (12-18" x 24") Zn3.

Hosta 'Great Expectations'
Plantain Lily (Code: 7386)
 Bright creamy yellow puckered leaves boast extremely wide margins of blue-green. Pristine white flowers add interest in early summer. (24-36" x 40") Zn3.

Hosta 'Guacamole'
Plantain Lily (Code: 6718)
 This vigorous grower has yellow-gold foliage with smooth dark green margins. Fragrant, nearly-white flowers appear in summer (12-24" x 24-36") Zn3.

Hosta 'Invincible'
Plantain Lily (Code: 4325)
 Glossy green, wedge-shaped leaves have interesting undulating margins. It forms a lovely low and wide, shade-loving border addition or groundcover. Fragrant lavender flowers appear in early summer. (12-18" x 18-24") Zn3.

Hosta 'June'
Plantain Lily (Code: 7110)
 Stunning golden leaves framed with wide blue-green margins, shine in the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 15") Zn3.

Hosta 'King Tut'
Plantain Lily (Code: 4338)
 Small to medium Hosta with bright gold, heavily-textured, puckered leaves. White flowers appear in summer. (12-24" x 24") Zn3.

Hosta 'Krossa Cream Edge'
Plantain Lily (Code: 6102)
 Sage-colored leaves thinly-edged in cream add a cooling influence to the garden. An upright, vase-shaped grower featuring lavender flowers in summer. (10" x 10") Zn3.

Hosta 'Krossa Regal'
Plantain Lily (Code: 2871)
 This elegant, vase-shaped plant features thick and substantial blue-gray leaves. Lavender blooms on very tall scapes appear mid-season. (3' x 3') Zn3.

Hosta 'Northern Exposure'
Plantain Lily (Code: 6920)
 Flat and puckered blue-green leaves have very wide yellow-green margins that lighten to cream. Forms a nice mound. White flowers on 30" scapes. (30" x 40") Zn3.

Hosta 'Patriot'
Plantain Lily (Code: 4341)
 Dark, glossy heart-shaped leaves have very wide, showy margins of pure white. Absolutely stunning! (24" x 36") Zn3.

Hosta 'Pearl Lake'
Plantain Lily (Code: 6069)
 Heart-shaped gray-green leaves form a dense mound. Profuse lavender flowers appear over a long season. (18" x 18") Zn3.

Hosta 'Pilgrim'
Plantain Lily (Code: 6725)
 Heart-shaped light green leaves are edged in wide, almost iridescent, creamy-white borders. A vigorous grower topped with 20" tall scapes of light lavender flowers in midsummer. (20" x 20") Zn3.

Hosta 'Sage'
Plantain Lily (Code: 7356)
 Satiny blue-grey leaves have wonderfully-wide creamy margins. Very large grower with an upright, vase-shaped habit. A fabulous selection for the shade garden. Good slug resistance. (24" x 36") Zn3.

Hosta 'Sea Thunder'
Plantain Lily (Code: 4350)
 Upright, pointedly-oval leaves have eye-catching white centers and wide irregular green margins. A gorgeous addition to the shade garden. (24" x 24") Zn3.

Hosta 'Shade Fanfare'
Plantain Lily (Code: 6066)
 Excellent heart-shaped, bright green leaves with broad creamy-yellow margins glow beneath lavender flowers in midsummer. (24" x 30") Zn3.

Hosta 'So Sweet'
Plantain Lily (Code: 6731)
 Mid-sized, dark green leaves are irregularly-edged in creamy-yellow, fading to white. Exceptionally-fragrant white flowers appear in late summer. Good sun tolerance. 1996 Hosta of the Year. (16-28" x 48") Zn3.

Hosta 'Stained Glass'
Plantain Lily (Code: 3987)
 Chartreuse foliage with green veins, develops early in the season. Fragrant, near-white flowers appear in summer. This sun tolerant, rapid-growing cultivar is a sport of H. 'Guacamole'. (18-24" x 18-24") Zn3.

Hosta 'Sum & Substance'
Plantain Lily (Code: 6067)
 Huge rounded, chartreuse-green leaves create an enormous mound. Very slug resistant as well as sun tolerant, it is a "Great Plant Pick" for the Pacific Northwest! (3-4' x 4') Zn3.

Hosta 'Whirlwind'
Plantain Lily (Code: 4356)
 Curled, upright leaves have strong ivory-white centers edged with deep, dark green margins. The leaves have a nice heavy substance and a spreading habit. (18-20" x 24-30") Zn3.

Hosta 'Wide Brim'
Plantain Lily (Code: 5852)
 Round bluish-green leaves, enhanced with wide creamy margins, make this a popular variety for the shade garden. A nice medium-sized Hosta. (20" x 24") Zn3.

Hosta fortunei 'Francee'
Plantain Lily (Code: 2861)
 Charming dark green, heart-shaped leaves are edged in bright white. Lavender flowers are perfect for cutting in late summer. Vigorous and sun tolerant. (24" x 36") Zn3.

Hosta fortunei 'Hyacinthina'
Plantain Lily (Code: 2884)
 This vigorous grower has large gray-green leaves and deep violet-blue flowers on tall scapes which appear in August. (24" x 24") Zn3.

Hosta fortunei 'Twilight'
Plantain Lily (Code: 6756)
 Thick, dark green leaves are surrounded by a very wide, creamy margin. In midsummer the 3' wide dumps are topped by light lavender flowers on long stems. Excellent for the shade garden. (24-30" x 24-36") Zn3. PP14040 Propagation Prohibited.

Hosta montana 'Aureo-marginata'
Plantain Lily (Code: 6171)
 Huge pointed leaves feature wide, irregular yellow margins and retains good color all season. Light lavender flowers on tall scapes appear mid-July. (28-40" x 48") Zn3.

Hosta sieboldiana 'Blue Giant'
Plantain Lily (Code: 2889)
 Giant steel-blue leaves form a substantial dump. An excellent specimen for the shade garden. Lavender flowers appear in summer. (18" x 24") Zn3.

Hosta sieboldiana 'Dream Weaver'
Plantain Lily (Code: 3984)
 Leaves have a wide blue-green border with creamy-white patterned center. This is a more vigorous, improved sport of Hosta 'Great Expectations'. (24-36" x 24-30") Zn3.

Hosta sieboldiana 'Elegans'
Plantain Lily (Code: 5489)
 This larger growing Hosta features thick, round, and corrugated blue-gray leaves. Slow to establish and develop mature leaf size, but worth the wait!. (36" x 24") Zn3.

Hosta sieboldiana 'Golden Sunburst'
Plantain Lily (Code: 6033)
 Substantially-sized gold leaves form a large mounding plant. White flowers appear late summer. Excellent accent for the shade garden! (24" x 30") Zn3.

Hosta sieboldiana 'Thunderbolt'
Plantain Lily (Code: 3989)
 Leaves have wide blue-green margins and thin creamy centers. White flowers bloom in mid-summer. (18-24" x 24-36") Zn3. PP14232 Propagation Prohibited.

Hydrangea macrophylla 'Blue Wave'
Bigleaf Hydrangea (Code: 4168)
 One of the most vigorous lace-cap Hydrangeas, the showy giant blue flowers bloom from mid-to-late summer on old wood. Flowers are pink in alkaline soils. (4-6' x 4-6') Zn6.

Hydrangea macrophylla 'Fasan' ('Teller Red')
Bigleaf Hydrangea (Code: 7344)
 Stunning red lace-cap flowers have large, sterile florets in double rows. It is one of the Teller Series, from Switzerland. (3-5' x 3-4') Zn6.

Hydrangea macrophylla 'Frillibet'
Bigleaf Hydrangea (Code: 4916)
 Huge, multi-colored mophead flowers are composed of frilly, tightly-packed blue, pink and cream florets. The flower color changes with soil acidity. It's excellent for cut flowers too! (3-5' x 3-4') Zn6.

Hydrangea macrophylla 'Taube' ('Teller Pink')
Bigleaf Hydrangea (Code: 6135)
 Large, deep pink or violet-blue lace-cap blooms age to rich jewel tones on this long-blooming favorite. It requires neutral to alkaline soil to obtain pink color. Flowers are blue in acid soil. (3-5' x 3-5') Zn6.

Hydrangea macrophylla var. serrata 'Fuji Waterfall'
Sawtooth Hydrangea (Code: 4831)
 Large heads of sparkling-white double flowers are surrounded by dangling florets; reminiscent of a delicate waterfall. (3-5' x 3-6') Zn6. PPAF Propagation Prohibited

Hydrangea macrophylla var. serrata 'Preziosa'
Sawtooth Hydrangea (Code: 3357)
 Numerous pink-blushed, snowball flowers age to shades of lilac and crimson. As the flowers deepen in color, so does the foliage! It prefers cool, moist soils. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 5') Zn6.

Hydrangea paniculata 'Unique'
Hydrangea (Code: 7348)
 Open shrub with large, pointed, dark green leaves. It bears enormous conical panicles of white flowers, aging to deep pink, in late summer and early fall. Deciduous. (8-10' x 9') Zn4.

Hydrangea quercifolia 'Snow Queen'
Oakleaf Hydrangea (Code: 4769)
 Bold, cone-shaped panicles of large sterile, white florets gradually deepen to russet-pink. This deciduous shrub has deep red-bronze fall color and cinnamon-hued winter stems. A "Great Plant Pick" for the Pacific Northwest. (7-10' x 7') Zn5.

Hyssopus officinalis 'Dwarf Blue'
Blue Hyssop (Code: 8065)
 This perennial sub-shrub features dark green leaves topped by marine-blue flower spikes. It attracts bees and makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Hyssopus officinalis 'Roseus'
Rose Hyssop (Code: 8064)
 This perennial sub-shrub features dark green leaves topped by soft pink flower spikes. Attractive to bees, it makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Iris chrysographes
Iris (Code: 4367)
 Deepest maroon-black flowers have narrow golden-yellow stripes on their falls. An outstanding but little known species that requires constantly moist soil. (20-24" x 18") Zn4.

Iris ensata
Japanese Iris (Code: 6813)
 Graceful, upright, sword-shaped leaves with distinct raised mid-rib. Large flowers on 4' stems range in colors of purple, violet, pink, rose, red or white often edged in a contrasting shade. (2-4' x 2') Zn4.

Iris ensata 'Cry of Rejoice'
Japanese Iris (Code: 5130)
 Broad deep violet flowers have pale white veining and yellow flares which dance on tall stems above a substantial foliage clump. Prefers rich, moist soil, and perfect for around ponds. (32" x 20") Zn4.

Iris ensata 'Dace'

Japanese Iris (Code: 5181)

Gorgeous, soft blue flowers have contrasting yellow flares that fade beautifully to creamy-white. Very large blooms, to 5" across! Prefers rich, moist soil. (32-38" x 24") Zn4.

Iris ensata 'Fortune'

Japanese Iris (Code: 4826)

Elegant and stately white and purple blooms sparkle in the mixed border. It needs plenty of water to be at its best. (30" x 12") Zn4.

Iris ensata 'Henry's White'

Japanese Iris (Code: 6275)

This Iris features elegant pure white flowers of unmatched beauty. Perfect for borders, around ponds, or for cut flowers. (36" x 24") Zn4.

Iris ensata 'Jedo Jima'

Japanese Iris (Code: 6034)

Stunning, large rosy-violet flowers with cream-hued veins are on tall stems. It prefers moist soils such as the edge of a pond. (24-36" x 12-24") Zn4.

Iris ensata 'Lion King'

Japanese Iris (Code: 7434)

Breathtaking, double purple flowers with frilled edges and a white central markings on each fall, plus some yellow on the signals. Long, sword-like leaves have prominent midribs, lending a tall and stately form. (30-36" x 24") Zn4.

Iris ensata 'Variegata'

Japanese Iris (Code: 2936)

Eye-catching, slender green leaves are variegated with wide ivory margins that intensify as the season progresses. A stunning foil to the violet-blue flowers. It needs plenty of moisture. (24-36" x 12-24") Zn4.

Iris laevigata 'Variegata'

Japanese Water Iris (Code: 5184)

Striking creamy-white-striped leaves hold their color all year. Light blue flowers bloom in late spring. It needs moist soil and will even grow in standing water! (30" x 18") Zn4.

Iris Pacific Coast 'Lavender'

Pacific Coast Iris (Code: 4476)

Delicate lavender flowers on slender stems top attractive tufts of thin, evergreen leaves. Performs best in light shade with well-drained soil and minimum summer water. (8-12" x 18") Zn6.

Iris pallida 'Variegata'

Dalmatian Iris (Code: 2945)

Elegant lilac-blue flowers top sword-like leaves with strong white variegation. The flowers have a grape jelly fragrance! Very showy, trouble-free and easy to grow, it is a "Great Plant Pick" for the Pacific Northwest! (28" x 16") Zn5.

Iris sibirica 'Aqua Whispers'

Siberian Iris (Code: 6035)

A very garden-worthy plant with rich green, reed-like foliage topped by stunning white-edged, lavender-pink flowers. Performs best in a cool location with slightly moist soil. (36" x 12-24") Zn3.

Iris sibirica 'Bennerup Blue'

Siberian Iris (Code: 6846)

Deep, rich cobalt and pale blue blooms shimmer in the garden. It performs best in a cool site with slightly moist, acidic soil. Long-lived and easy to grow. (30" x 24") Zn3.

Iris sibirica 'Bountiful Violet'

Siberian Iris (Code: 5135)

Lovely, mottled blue-violet blossoms with lighter styles rise above rich green, reed-like foliage late spring to early summer. Provide a cool site with slightly moist, acidic soil. (3' x 2') Zn3.

Iris sibirica 'Butter and Sugar'

Siberian Iris (Code: 6096)

Flowers have sparkling white standards with sunny-yellow falls. Long-lived and pest resistant. (28" x 24") Zn3.

Iris sibirica 'Caesar's Brother'

Siberian Iris (Code: 2968)

Deep velvety purple flowers top deep green, reed-like foliage. This is the most popular Siberian Iris. (24-30" x 18") Zn3.

Iris sibirica 'Chartreuse Bounty'
Siberian Iris (Code: 5390)
 Unique chartreuse-yellow falls combine with creamy standards on this nice rebloomer. Provide a cool site with slightly moist, acidic soil for it to flourish! (36" x 24") Zn3.

Iris sibirica 'Cleve Dodge'
Siberian Iris (Code: 6847)
 Striking deep violet-purple flowers top rich green foliage. It blooms late spring to early summer. (30" x 24") Zn3.

Iris sibirica 'Flight of Butterflies'
Siberian Iris (Code: 5761)
 Small and delicately-veined violet-blue flowers are gracefully held above tall, fine-textured, green blades. Absolutely beautiful. (36" x 24") Zn3.

Iris sibirica 'Harpwell Hallelujah'
Siberian Iris (Code: 6175)
 Large, round and ruffled, blue-violet flowers top deep green, reed-like foliage. Performs best in a cool site with moist soil. Long-lived and pest resistant. (24-36" x 24-36") Zn3.

Iris sibirica 'Lady Vanessa'
Siberian Iris (Code: 6038)
 Graceful bicolor blooms feature pale wine-red standards and true wine-red falls. Blooms are elegant and attractive. Performs best in cool site with slightly moist acidic soil. (36" x 24") Zn3.

Iris sibirica 'Liberty Hills'
Siberian Iris (Code: 6098)
 Attractive blue-violet flowers with darker centers top rich green foliage. Blooms late spring to early summer. Performs best in a cool site with slightly moist acidic soil. (32" x 24") Zn3.

Iris sibirica 'Lilting Laura'
Siberian Iris (Code: 6176)
 Sophisticated blossoms feature pale violet standards that deepen at the midrib and violet falls. Performs best in a cool site with slightly moist, acidic soil. (36" x 36") Zn3.

Iris sibirica 'Ruffles Plus'
Siberian Iris (Code: 6317)
 Heavily-ruffled blooms are a lovely shade of deep violet. Wonderful vertical border accent. Prefers a cool site with slightly moist, acidic soil. (3' x 2') Zn3.

Iris sibirica 'Serenade in Blue'
Siberian Iris (Code: 6040)
 This stunning Iris features breathtaking blooms of blue-violet with turquoise styles and ruffled, flaring falls. (34" x 24") Zn3.

Iris sibirica 'Windwood Serenade'
Siberian Iris (Code: 6041)
 This Iris sports ruffled, sweet violet-red flowers with a tiny white blaze. An enchanting lower-growing selection. Performs best in a cool site with slightly moist, acidic soil. (24-36" x 24-36") Zn3.

Iris x spuria 'Lavender'
Iris (Code: 6693)
 An overlooked iris species that is very tall, with flowers that are lavender and gold signals. It makes a long-lived and carefree landscape perennial and is also one of the best iris for cut flowers. Easy to grow and virtually disease and pest free. (3-5' x 2-3') Zn6.

Juncus effusus 'Gold Strike'
Common Rush (Code: 5198)
 Good selection for gardens with wet, boggy areas or standing water. Distinctive gold stripe runs full length of each blade giving the plant a strong vertical emphasis. (2-3' x 2') Zn5.

Juncus inflexus 'Afro'
Blue Medusa Rush (Code: 5199)
 Powdery-blue spiraling stems twist and contort to 18". Great in containers, as a shallow pond specimen or in a moist garden. Very vigorous and easy to grow. (18" x 24") Zn6.

Kniphofia 'Coral Glow'
Poker Lily (Code: 6321)
 Large, glowing coral and red bicolor pokers top broad, evergreen sword-like foliage in summer. It lends an exotic air to the garden year-round. Great as a cut flower too. Dramatic! (3' x 2') Zn6.

Kniphofia 'Corallina'
Poker Lily (Code: 6322)
 Lovely, luminous coral-red pokers add a touch of the exotic to any landscape. It makes a dramatic cut flower! (40" x 24") Zn7.

Kniphofia 'Gladness'
Poker Lily (Code: 4397)
 Glowing apricot flowers open from deep orange buds in summer. The sword-like foliage is exotic year-round. A good cut flower, it is also a hummingbird magnet. (30" x 24") Zn6.

Kniphofia uvaria 'Border Ballet'
Red Hot Poker, Torchlily (Code: 3736)
 Classic tall spikes in an assortment of colors such as cream, yellow, orange, red or pink. The flowers appear in summer above gray-green, sword-like foliage. (24" x 24") Zn5.

Kniphofia uvaria 'Vanilla'
Poker Lily (Code: 4558)
 Striking pale creamy-yellow torches add vertical drama to the mixed border. Protect the crown from extreme winter wet and cold. (36" x 24") Zn5.

Kniphofia x hybrida 'Peachy Cheeks'
Red Hot Poker, Torchlily (Code: 3876)
 Creamy light yellow pokers with peach highlights bloom late spring and early summer. Finely textured, sword-like foliage grows just 2' tall. (18-24" x 18-24") Zn7. PP20313 Propagation prohibited.

Lavandula angustifolia 'Betty Blue'
English Lavender (Code: 4683)
 This English Lavender cultivar is excellent for fresh cut flowers or for drying. The deep blue-violet flowers have a dark purple calyx with a violet corolla. The flowers are somewhat taller than the species. (2-3' x 2') Zn5.

Lavandula angustifolia 'Bowles'
English Lavender (Code: 8072)
 Spikes of lavender flowers and aromatic gray-green foliage makes this herb a standout in the garden. Maintains a tidy rounded habit. (18" x 16") Zn5.

Lavandula angustifolia 'Buena Vista'
English Lavender (Code: 3102)
 Showy deep lavender flowers shine on this sweetly-fragrant strain. It may bloom twice each season if cut back. Excellent for dry flowers too! (2' x 2') Zn5.

Lavandula angustifolia 'Hidcote Pink'
English Lavender (Code: 4312)
 A wonderful compact grower, just like the popular L. 'Hidcote', but with pink flower spikes. Good for mid-border or near walkways, it performs best in full sun. (18" x 18") Zn5.

Lavandula angustifolia 'Hidcote'
English Lavender (Code: 8075)
 This is the most popular and well-known cultivar of Lavender. The fragrant flowers have dark purple calyxes and violet corollas. Beloved for its compact growth habit and superb dried flowers. (14" x 14") Zn5.

Lavandula angustifolia 'Jean Davis'
English Lavender (Code: 8077)
 Pale rose-pink, fragrant flowers appear in summer on a compact plant. An attractive and unusual color for lavender. Deer resistant and evergreen. (18" x 16") Zn5.

Lavandula angustifolia 'Lavance'
English Lavender (Code: 3803)
 Rich dark purple flowers shine above fragrant, compact gray-green foliage. Plant beside pathways to release fragrance as visitors brush past. Good for cut or dried flowers. (10" x 10-16") Zn5.

Lavandula angustifolia 'Maillette'
English Lavender (Code: 3266)
 French cultivar selected for its fine oil content and attractive silvery foliage. Extremely fragrant, bright lavender flowers are excellent in potpourri also. (18-20" x 24") Zn5.

Lavandula angustifolia 'Martha Roderick'
English Lavender (Code: 3116)
 Plentiful flower spikes of medium blue cover this heavy bloomer in early summer. It forms a dense, compact mound of fragrant silvery leaves. (2' x 2') Zn5.

Lavandula angustifolia 'Munstead'

English Lavender (Code: 8073)

This compact growing herb features light purple flowers and an earlier bloom time than most Lavender. The fragrant flowers dry well. (14" x 12-18") Zn5.

Lavandula angustifolia 'Premier'

English Lavender (Code: 3100)

Fragrant gray-green, evergreen foliage is topped by aromatic purple flower spikes. Dries well, and even reblooms in fall. (2' x 2') Zn5.

Lavandula angustifolia 'Purple Bouquet'

English Lavender (Code: 3234)

This Lavender has long stems and very dark purple blooms in summer. An attractive addition to any garden, it also rewards with bouquets of sweetly fragrant blossoms. (18-24" x 24-30") Zn5.

Lavandula angustifolia 'Sachet'

English Lavender (Code: 3098)

Sweetly-scented lavender flower spikes top this gray-green, compact sub-shrub. It prefers a sunny spot with well-drained soil. (12-15" x 18-24") Zn5.

Lavandula angustifolia 'Thumbelina Leigh'

English Lavender (Code: 3992)

This dwarf Lavender grows only 6" tall! Dark violet flowers appear in summer on short stems above the foliage and often reblooms if deadheaded. (6" x 12") Zn5. PP15231 Propagation Prohibited.

Lavandula angustifolia 'Twinkle Purple'

English Lavender (Code: 4666)

Fragrant, dark purple flower spikes on long stems fan out around compact plant. Excellent dried for potpourri. Deer resistant and evergreen. (24" x 24") Zn5.

Lavandula angustifolia 'Violet Intrigue'

English Lavender (Code: 4887)

Vibrant violet flowers bloom on long stems in summer. Excellent for use in cut and dried flower arrangements, this Lavender will rebloom when spent flowers are removed. It also makes a great hedge. (18-24" x 18-24") Zn5. PP15344 Propagation Prohibited.

Lavandula dentata var. candicans

Grey French Lavender (Code: 8067)

A stunning French lavender cultivar noted for its gray-hued foliage color. The dense, compact growth habit makes it perfect for sculpting, shearing or mid-border planting. (2-4' x 2-4') Zn9.

Lavandula lanata 'Silver Frost'

Lavender (Code: 4921)

This lovely fragrant Lavender has deep violet flowers on a compact sub-shrub. Gray-green foliage has a silvery tone making this a great addition to a dry rockery or "silver" border. (2' x 2') Zn7.

Lavandula lanata x angustifolia 'Ana Luisa'

Lavender (Code: 3727)

Lovely sub-shrub has fragrant dark purple flowers on long spikes in summer. Good as a dried flower in sachets and potpourri. (2' x 2') Zn5.

Lavandula lanata x angustifolia 'Richard Grey'

Lavender (Code: 4186)

Dark violet flower spikes grace this aromatic, compact herb. White felted foliage adds interest. (2' x 2') Zn7.

Lavandula multifida

Fern Leaf Lavender (Code: 6445)

Deeply-lobed silver leaves give foliage a lacy, fern-like appearance. Violet-blue flower bracts appear continuously all season on long stems. It will withstand both hot and wet conditions better than many other types of Lavender. (24" x 24") Zn8.

Lavandula stoechas 'Blueberry Ruffles'

Spanish Lavender (Code: 7053)

Light pink bracts look like rabbit ears and appear above violet-blue flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Lavandula stoechas 'Boysenberry Ruffles'

Spanish Lavender (Code: 4014)

Stunning bicolor flowers have light pink "rabbit ears" shining above dark purple flowers. This long-blooming cultivar has light green foliage and stays compact. (12-18" x 15") Zn7. PP18256 Propagation Prohibited.

Lavandula stoechas 'Helmsdale'
Spanish Lavender (Code: 9021)
 A robust, long-blooming cultivar with rich, red-purple flowers that have burgundy "rabbit ears," atop bright green, upright foliage. It will bloom mid-spring to early fall. (30" x 30") Zn7.

Lavandula stoechas 'Madrid Blue'
Spanish Lavender (Code: 6732)
 Aromatic foliage can be used for culinary purposes and for mixed containers in spring and summer. Vibrant lavender-blue flowers with white "wings". (18-24" x 18-24") Zn7. PP12573 Propagation Prohibited.

Lavandula stoechas 'Mulberry Ruffles'
Spanish Lavender (Code: 7049)
 Light pink bracts look like rabbit ears that appear above deep rose-pink flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Lavandula stoechas 'Otto Quast'
Spanish Lavender (Code: 4616)
 Small purple flowers are crowned by purple, petal-like bracts. It flowers freely spring through summer above gray-green leaves. A popular cultivar. (18-24" x 24-36") Zn7.

Lavandula stoechas 'Red Star'
Spanish Lavender (Code: 4283)
 Dark pink "rabbit-eared" flowers with pale pink bracts appear from spring through summer above silver-gray, needle-like foliage. It has a better growth habit than Lavender 'Kew Red'. (14-16" x 16") Zn7.

Lavandula stoechas 'Wings of Night'
Spanish Lavender (Code: 4688)
 Stunning showy, clear purple "wings" characterize this Lavender with exceptionally bushy growth and heavy summer flowering. Plant where it will be backlit for a great show. (30" x 30") Zn7.

Lavandula x 'Goodwin Creek Grey'
Lavender (Code: 5369)
 Silver-gray, deeply toothed woolly leaves create a richly-textured plant. Lavender-blue flowers bloom all summer. (24" x 30") Zn7.

Lavandula x intermedia 'Alba'
Lavandin (Code: 8071)
 Tall spikes of pure white, fragrant flowers top lovely silver foliage. This gorgeous evergreen selection often reblooms. It prefers a sunny location with well-drained soil. (2' x 2') Zn5.

Lavandula x intermedia 'Dilly Dilly'
Lavandin (Code: 4732)
 Beautiful long flower spikes of palest purple rise above compact silvery-gray foliage. Flowers are excellent for cutting or potpourri when dried. A simply heavenly scent! (12-24" x 12-24") Zn5.

Lavandula x intermedia 'Fred Boutin'
Lavandin (Code: 5368)
 This robust plant produces masses of violet blooms on 8" stems that hold their color nicely when dried. The large silvery leaves are quite striking. (30" x 30") Zn5.

Lavandula x intermedia 'Goldburg'
Lavandin (Code: 4546)
 The creamy-yellow and green-variegated foliage is topped by lavender-blue flower spikes in summer. It has a compact, mounding habit. Unusual! (18" x 18") Zn5. PP12709 Propagation Prohibited.

Lavandula x intermedia 'Gros Bleu'
Lavandin (Code: 3861)
 One of the darkest purple-flowering Lavenders. Borne on exceptionally-long stems, this is the first choice for fresh or dried flowers. It also makes a handsome shrub or hedge in the landscape. (30" x 24-30") Zn5.

Lavandula x intermedia 'Grosso'
Lavandin (Code: 8074)
 Violet-blue flowers bloom repeatedly on this vigorous, disease resistant cultivar. It makes excellent dried flowers and is one of the best Lavenders for producing essential oil. (24-36" x 24") Zn5.

Lavandula x intermedia 'Hidcote Giant'
Lavandin (Code: 3813)
 A fragrant, medium-sized shrub with large, branched stems smothered by big purple flowers. (30-36" x 24") Zn5.

Lavandula x intermedia 'Impress Purple'

Lavandin (Code: 4384)

Purple summer flowers are especially impressive in dried floral bouquets and have a sweet fragrance. An upright, tall growth habit and gray foliage appeals too. (24-30" x 24-30") Zn5.

Lavandula x intermedia 'Provence'

Lavandin (Code: 8081)

Sweet-smelling, light purple flowers on long stems are excellent cut or dried. Lighter gray-green foliage adds a soothing contrast. This vigorous grower is disease resistant and often reblooms. (2' x 2') Zn5.

Lavandula x intermedia 'Silver Edge'

Lavandin (Code: 4774)

Beautiful variegated foliage! Blue-green leaves are edged with creamy-gold, fading to silver. Violet-blue flowers appear in summer. (3' x 2') Zn5. PP13091 Propagation Prohibited.

Lavandula x intermedia 'Super'

Lavandin (Code: 3106)

Tall, pale violet flower spikes adorn this large, mounding lavender. One of the best varieties for producing high-quality essential oil! It also creates an aromatic hedge for the garden. (3' x 3') Zn5.

Lavatera 'Bredon Springs'

Tree Mallow (Code: 5732)

Very refined, uniform rose-pink flowers adorn fresh green leaves in summer. A wonderfully tall herbaceous shrub for the mixed border. (4-6' x 3-4') Zn6.

Lavatera 'Burgundy Wine'

Tree Mallow (Code: 5360)

Dark rosy-pink flowers on tall stalks top gray-green leaves. Invaluable for adding season-long color to the garden. (4' x 3-4') Zn6.

Lavatera 'Candy Floss'

Tree Mallow (Code: 5668)

Very soft pink flowers with darker centers are sometimes semi-double. It blooms from June to September. An attractive addition for the back of the border. (4-6' x 3-4') Zn6.

Lavatera 'Red Rum'

Tree Mallow (Code: 4531)

Profuse clusters of deep red-pink flowers adorn this lovely, bushy Lavatera. It grows into a large, beautiful herbaceous shrub, perfect for the back of the border. (4' x 4') Zn7. PP13898 Propagation Prohibited.

Lavatera oblia 'Aurea'

Tree Mallow (Code: 6769)

Pink, cup-shaped flowers shimmer against golden-chartreuse foliage. A bit less vigorous than other Lavatera and a stunning addition to the mixed border. (4-5' x 3') Zn7.

Lavatera thuringiaca 'Barnsley'

Tree Mallow (Code: 3008)

This large herbaceous shrub has blooms resembling hollyhocks. The flowers open white, then turn pale pink with a deeper pink flush. This is the most popular Lavatera. (5-6' x 3-4') Zn6.

Lavatera thuringiaca 'Rosea'

Tree Mallow (Code: 5451)

Rosy-pink flowers resembling single hollyhocks adorn this very popular shrubby perennial. Gray-green foliage adds interest. (5' x 3') Zn6.

Lavatera x clementii 'Chamallow'

Tree Mallow (Code: 4484)

Single, non-fading, bright pink saucer-shaped flowers bloom over a long period in summer. This bushy, upright form has velvety, gray-green leaves. (36-48" x 30-36") Zn6. PP15478 Propagation Prohibited.

Leucanthemum x suberbum 'Ice Star'

Shasta Daisy (Code: 3814)

Bright white, fully double flowers top strong, sturdy stems. Dark green foliage contrasts beautifully! Blooms are more double than any other cultivar. (18-24" x 24") Zn5.

Leucanthemum x suberbum 'Aglaia'

Shasta Daisy (Code: 2381)

Large, fringed, semi-double, white daisies top deeply-toothed, glossy green foliage in summer. As a cut flower, it can be used to create a focal point or massed for a bouquet. (24" x 24") Zn5.

Leucanthemum x superbum 'Becky'
Shasta Daisy (Code: 6540)
 Single white daisies flower from June to October when deadheaded. This sturdy and clean selection was the 2003 Perennial Plant Association Plant of the Year and it is also a "Great Plant Pick" for the Pacific Northwest! (2-3' x 2-3') Zn3.

Leucanthemum x superbum 'Esther Reed'
Shasta Daisy (Code: 2389)
 An old-fashioned favorite, this sturdy plant boasts large, double, white pincushion daisies. (24" x 24") Zn4.

Leucanthemum x superbum 'Goldrausch' ('Gold Rush')
Shasta Daisy (Code: 4277)
 This flamboyant daisy boasts huge 3 1/2" semi-double blooms in creamy-white & yellow hues. Compact and perfect for the front of the border, it reblooms when spent flowers are removed. (14" x 14") Zn4. PP15204 Propagation Prohibited.

Leucanthemum x superbum 'Snowcap'
Shasta Daisy (Code: 2393)
 Large, perfect white daisies with yellow centers shine on a compact and very well-behaved plant. This is a good performer regardless of the weather. (12" x 12") Zn3.

Leucanthemum x superbum 'Victorian Secret'
Shasta Daisy (Code: 7705)
 Long-lasting, semi-double ruffled daisies appear in summer. The flowers wear well, even through extreme heat! The compact habit requires no staking. Flowers are odor-free, (a good thing in daisies). (12-15" x 18-24") Zn5. PPAF, PVR

Liatris spicata 'Kobold'
Blazing Star (Code: 3996)
 One of the best perennials for cut flowers, the violet-purple flower spikes are just 30" tall. The blooms appear in July and open at the top of the stem and then continue opening downward. (30" x 12-18") Zn3.

Ligularia 'Britt-Marie Crawford'
Bigleaf Ligularia (Code: 3646)
 A remarkable yellow-orange, daisy-like flower with large shiny chocolate-maroon foliage. Leaves are round to triangular in shape with wavy margins. (24" x 36") Zn4. PP16113, EU12794 Propagation Prohibited.

Ligularia 'Last Dance'
Golden Ray (Code: 6650)
 This compact Ligularia has very large dark green leaves that create a bold contrast in the shade garden. Bright yellow, daisy-like flowers appear in the fall. The foliage makes a bold contrast with ferns. (18" x 24") Zn5. PP20947 Propagation Prohibited

Ligularia dentata 'Desdemona'
Golden Ray (Code: 3020)
 Outstanding deep purple foliage gives a dramatic tropical air to the border. Clusters of golden-yellow daisies appear late summer. Requires ample water. (3' x 3') Zn3.

Ligularia dentata 'Osiris Fantaisie'
Golden Ray (Code: 7638)
 The thick, dark-green leaves have serrated edges which curl over to reveal glossy, burgundy undersides. Deep purple-red stems rise in late summer holding clusters of golden-yellow daisy-like flowers. Plants have a good, full habit and make an attractive focal point. (12-20" x 18-24") Zn4. PP19302

Ligularia dentata 'Othello'
Golden Ray (Code: 5251)
 Large and rounded, deep purple foliage makes a bold garden accent. Golden yellow daisies top sturdy stalks in late summer. (30-42" x 36-48") Zn4.

Ligularia stenocephala 'The Rocket'
Golden Ray (Code: 3017)
 A stately plant for moist sites. Sturdy spikes of crowded 3 ray, golden-yellow flowers on purple stems rise above green, very large and almost triangular foliage. Exotic! (4' x 3') Zn5.

Ligularia x hessei 'Gregynog Gold'
Golden Ray (Code: 5138)
 Layers of handsome green, heart-shaped foliage is crowned by orange-yellow, daisy-like flowers on tall conical spikes. This wonderful specimen plant is perfect near water. (6' x 3') Zn4.

Lilium washingtonianum
Washington Lily (Code: 7649)
 Fragrant, trumpet-shaped pink flowers appear on tall stems, up to 20 per stem in summer. The flowers have red spots that fade to dark pink. Plant in the woodland garden. May need staking to keep the stems upright. Pacific Northwest native. (48-72" x 6-24") Zn6.

Limonium latifolium 'Blue Diamond'
Statice (Code: 3581)
 Delicate sprays of purple-blue flowers brighten up the garden on this florist's favorite. Excellent for dried arrangements or rock gardens. (10" x 8") Zn4.

Linum perenne 'Sapphire'
Blue Flax (Code: 3042)
 Sky-blue flowers bloom continuously late spring through summer. This dwarf plant looks deceptively delicate, with a wildflower appearance. A good cut flower too! (10" x 16") Zn5.

Lobelia 'Monet Moment'
Cardinal Flower (Code: 6633)
 Bright, rose-pink flowers make a dramatic contrast against dark green foliage. Hummingbirds love the blooms which appear from August into October. (30-36" x 18-24") Zn6. PPAF Propagation Prohibited

Lobelia cardinalis 'Golden Torch'
Cardinal Flower, Lobelia (Code: 6632)
 Scarlet flowers bloom from July to September above bright gold foliage. Foliage is most dramatic in spring and early summer. (18-24" x 18") Zn3. PPAF Propagation Prohibited.

Lobelia fulgens 'Queen Victoria'
Lobelia (Code: 3055)
 Dark bronze-red foliage is topped by luminous scarlet flowers in summer. This stunning color combination makes it very popular. Like most Lobelia, it requires moist soil. (2' x 1') Zn6.

Lobelia laxiflora
Cardinal Flower (Code: 3057)
 Yellow and red "firecracker" flowers grace this exotic-looking, shrubby perennial late summer through fall. It will re-sprout from the roots if frozen. (18-30" x 18-36") Zn7.

Lobelia siphilitica
Blue Lobelia (Code: 3059)
 Dramatic spikes of large deep blue flowers make this a mixed border knockout! Provide rich soil and ample moisture for best performance. The flowers are great for bouquets! (24" x 18") Zn5.

Lobelia x gerardii
Purple Lobelia (Code: 3056)
 Long spikes of deep purple-violet blooms top dark green foliage for many weeks in summer and are excellent for bouquets. (24" x 18") Zn5.

Lobelia x speciosa 'Compliment Deep Red'
Cardinal Flower (Code: 5420)
 Beautiful bright red blooms highlight this upright perennial. An excellent plant for the mid-summer border, it prefers moist soils. (24" x 18") Zn3.

Lupinus 'Popsicle Mix'
Lupine (Code: 5846)
 This compact, sturdy and early blooming selection has stately flower spikes in reds, blues, purples, yellows and whites. Plant several for a vivid display of color! (18" x 18") Zn3.

Lupinus Russell Hybrids 'Chandelier'
Lupine (Code: 3069)
 Primrose-yellow flower spikes bloom above green palmate foliage. An excellent cut flower, great for mixed borders, it is also drought tolerant. (3' x 2') Zn3.

Lupinus Russell Hybrids 'My Castle'
Lupine (Code: 3063)
 Spires of brick-red flowers appear above palmate foliage in late spring. It makes a vibrant cut flower and grows best in dry, sunny locations. (3' x 2') Zn3.

Lupinus Russell Hybrids 'The Governor'
Lupine (Code: 3060)
 Beautiful spikes of blue and white flowers appear late spring and early summer. It makes an excellent addition for the cut flower garden. (3' x 2') Zn3.

Lupinus Russell Hybrids 'The Pages'
Lupine (Code: 3064)
 Cherry-red flowers on tall stalks adorn this lovely late spring bloomer. It makes a marvelous and vibrant cut bouquet, perfect for dry, sunny locations. (36" x 24") Zn3.

Lychnis x arkwrightii 'Orange Gnome'
Maltese Cross (Code: 5024)
 This dwarf form has dark bronze foliage. The orange-red flowers bloom in early summer and resemble a Maltese cross. (8-12" x 8-12") Zn6.

Lychnis x arkwrightii 'Vesuvius'
Arkwright's Champion (Code: 4386)
 Heavy blooming selection with deep burgundy buds that open to deep orange flowers that resemble a Maltese cross. Unusual bronzed-purple foliage is lovely in the spring border. (12-18" x 12") Zn5.

Lysimachia atropurpurea 'Beaujolais'
Purple Loosetrife (Code: 4481)
 Heavy blooming selection with gooseneck-like spikes of deep burgundy buds opening to deep burgundy-pink flowers. Long blooming and superb as a cut flower! (18" x 18") Zn6.

Lysimachia ciliata 'Purpurea'
Fringed Loosetrife (Code: 3087)
 Deep burgundy-purple leaves provide striking foliage color in winter and spring. Delicate yellow flowers are borne in airy clusters on stalks in summer. It will spread vigorously with ample moisture. (24" x 36") Zn5.

Lysimachia clethroides
Gooseneck Loosetrife (Code: 3090)
 Gracefully-arching spikes of white flowers appear in summer and are adored by butterflies. This cottage garden favorite is wonderful for cut flowers. It will spread to form a colony. (24-36" x 24-36") Zn4.

Lysimachia punctata 'Golden Alexander'
Yellow Loosetrife (Code: 4667)
 Brilliant golden-variegated foliage grows into a sturdy, upright clump. Sports buttery-yellow flowers in summer. Perfect for brightening moist, shady areas! (18-24" x 18-24") Zn4. PP13547 Propagation Prohibited.

Miscanthus 'Huron Sunrise'
Japanese Silver Grass, Eulalia (Code: 7263)
 One of the best Miscanthus for northern climates, it flowers profusely in August so you can enjoy the graceful blooms long before frost. The burgundy flower plumes are held well above the foliage with no flopping. (5-6' x 3-4') Zn4. PPAF Propagation prohibited.

Miscanthus oligostachyus 'Purpurascens'
Flame Grass, Eulalia (Code: 3117)
 One of the best grasses for fall color! Silvery inflorescences appear above broad, reddish-purple leaves in autumn. The winter foliage is a rich bronze-brown. (3' x 2') Zn4.

Miscanthus sinensis 'Adagio'
Dwarf Japanese Silver Grass (Code: 6601)
 This truly superior dwarf selection is topped by pink flowers that fade to white. Finely-textured, silver-gray blades lend an elegant touch to the landscape. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn6.

Miscanthus sinensis 'Cosmopolitan'
Japanese Silver Grass (Code: 6829)
 Vivid variegation! The leaf blades have wide, dazzling white edges. Coppery plumes appear in fall. This outstanding border accent is a "Great Plant Pick" for the Pacific Northwest! (6-8' x 4-5') Zn6.

Miscanthus sinensis 'Gilt'
Japanese Silver Grass (Code: 5440)
 Bright green new growth matures to gold and green with white-striped midrib. Excellent as a privacy screen. (7' x 3-4') Zn7.

Miscanthus sinensis 'Gold & Silver'
Maiden Grass (Code: 5548)
 Slender, arching foliage produces golden flowers that turn silver with age. Creates a striking effect in fall. (5-6' x 3') Zn5.

Miscanthus sinensis 'Gold Bar'
Japanese Silver Grass (Code: 3277)
 The leaf blades have dramatic horizontal gold banding that really glows in the sun. This dwarf form is perfect for smaller gardens or containers. A "Great Plant Pick" for the Pacific Northwest! (3-4' x 20") Zn5. PP15193 Propagation Prohibited.

Miscanthus sinensis 'Gracillimus'
Japanese Silver Grass (Code: 5776)
 This finely-textured, narrow-leaved grass forms erect clumps. Leaves turn orange in fall. Copper-colored flowers appear in late September, maturing to silver through winter. A "Great Plant Pick" for the Pacific Northwest! (6' x 3') Zn4.

Miscanthus sinensis 'Graziella'
Japanese Silver Grass (Code: 4538)
 Finely-textured blades with slender silvery midribs, create an overall stately upright habit. Flower plumes appear in August, at first emerging silky rose-pink, then aging to a nice silvery-white. Good orange fall color. (5-6' x 3') Zn5.

Miscanthus sinensis 'Grosse Fontaine'
Japanese Silver Grass (Code: 6598)
 Showy bronze plumes top large fountain-like foliage. Excellent fall color. Great as a specimen plant. (6-7' x 5') Zn5.

Miscanthus sinensis 'Malepartus'

Japanese Silver Grass (Code: 5885)

Strong-growing grass with large pink-purple flower plumes in August that fade to silvery-taupe by fall. The plumes are highlighted with gorgeous fall color in rainbow shades. (6-7' x 4') Zn5.

Miscanthus sinensis 'Morning Light'

Japanese Silver Grass (Code: 3121)

Of great refinement and elegance, this grass has thin leaves with silver-variegated edges that shimmer when backlit. Inflorescences have a pink tinge at first, turning deep reddish-bronze later in fall. A "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn4.

Miscanthus sinensis 'Positano'

Japanese Silver Grass (Code: 6815)

Striking reddish plumes top this tall, graceful grass. Use as an eye-catching garden accent or specimen. Wonderful fall color. (6-7' x 5') Zn5.

Miscanthus sinensis 'Puenktchen'

Japanese Silver Grass (Code: 6691)

Coppery-pink seedheads top stiffly-upright blades banded with gold. Adds an exotic look to the landscape. (5-7' x 3') Zn5.

Miscanthus sinensis 'Rigoletto'

Japanese Silver Grass (Code: 4510)

Beautiful dwarf, variegated grass with a fine texture. Similar in appearance to Miscanthus 'Variegatus', but grows only 3 feet tall and therefore stays upright. (3' x 3') Zn6.

Miscanthus sinensis 'Silberfeder'

Japanese Silver Grass (Code: 3120)

Large, showy white flower plumes tower above fountain-like foliage. Blooming fall through winter, it makes an excellent landscape accent. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 3') Zn5.

Miscanthus sinensis 'Strictus'

Japanese Silver Grass (Code: 5848)

Stiffly-upright green blades, with strong horizontal bands of yellow, are very showy. Coppery flower spikes rise several feet above the foliage in fall. A great addition to any garden! (6-8' x 3-4') Zn4.

Miscanthus sinensis 'Zebrinus'

Japanese Silver Grass (Code: 5542)

Large, arching, green leaves have horizontal bands of yellow and cream variegation. Coppery flower spikes rise several feet above the foliage in fall. It imparts a graceful and informal look to the landscape. (4-6' x 3') Zn5.

Molinia arundinacea 'Skyracer'

Moor Grass (Code: 5628)

Stiffly-upright, 5' tall, wiry stems carry delicate, airy yellow flowers above a foliage clump that remains 2-3' tall. The flowers have a translucent fountain-like effect when backlit. (4-5' x 2-3') Zn4.

Molinia caerulea 'Moorflamme'

Purple Moor Grass (Code: 6994)

Airy clouds of dark flowerheads on fine 2' stems dance above a compact foliage clump. Very attractive rich purple fall colors. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn5.

Molinia caerulea 'Strahlenquelle'

Purple Moor Grass (Code: 6816)

Airy, radiating flowerheads create a graceful fountain-like effect in late summer. Buttery-yellow fall color adds to the show. It prefers moderately moist soil. (3' x 3') Zn4.

Molinia caerulea 'Variegata'

Purple Moor Grass (Code: 6110)

Dark green and cream leaves give off a golden glow, accented by ochre flower plumes in late summer. A compact grass and excellent for containers. A "Great Plant Pick" for the Pacific Northwest! (24" x 12") Zn5.

Monarda 'Mahogany'

Bee Balm (Code: 5922)

Striking deep wine-red blossoms combine well with many other flowers in the mixed border, particularly blues and whites. Excellent for cut flowers. Attracts hummingbirds and butterflies. (2-3' x 2') Zn3.

Monarda 'Raspberry Wine'

Bee Balm (Code: 6720)

Clear wine-red flowers emerge from raspberry-hued buds. A long lasting, fragrant, heavy bloomer that's mildew resistant to boot! (30-42" x 36") Zn3.

Monarda didyma 'Aquarius'
Bee Balm (Code: 2007)
 Fragrant, dark mauve flowers with rosy-pink overtones emerge from purplish bracts in summer. A striking mildew resistant selection! (48" x 36") Zn4.

Monarda didyma 'Coral Reef'
Bee Balm (Code: 5894)
 Glowing coral-pink summer blooms shine on tall, sturdy stems. This lovely border accent has good mildew resistance. (36-42" x 24-30") Zn3. PP16741 Propagation Prohibited.

Monarda didyma 'Jacob Cline'
Bee Balm (Code: 6239)
 Large true red blooms top tall, green, mildew resistant foliage on this vigorous growing cultivar. The flowers are very attractive to hummingbirds and butterflies. (4-5' x 2-3') Zn3.

Monarda didyma 'Marshall's Delight'
Bee Balm (Code: 3125)
 The stunning vivid pink flowers and shiny light green leaves make this Monarda a striking perennial border addition. Mildew resistant too! (2-3' x 2-3') Zn3.

Monarda didyma 'Petite Delight'
Bee Balm (Code: 3140)
 Lavender-pink flowers top this cultivar that grows just 12-18" tall. The flowers appear in midsummer. (12-18" x 18") Zn3. PP10784 Propagation Prohibited.

Monarda didyma 'Petite Red' ('Fireball')
Bee Balm (Code: 4015)
 This dwarf form of Bee Balm grows just 16-20" tall, with bright red flowers appearing July and August. Mildew resistant foliage. (16-20" x 12-18") Zn4. PP14235 Propagation Prohibited.

Nassella (Stipa) tenuissima
Mexican Feather Grass (Code: 3690)
 Silky creamy-gold inflorescences undulate like waves with any breeze. This marvelous grass contributes grace and elegance to the garden or container. (2' x 2') Zn7.

Nemesia 'Serengeti Upright Violet & White'
Nemesia (Code: 7608)
 Soft violet flowers with white highlights bloom continuously when temperatures are cool to moderate. Excellent for mixed containers or as a bedding plant. (6-12" x 6-12") Zn9.

Nemesia 'Serengeti® Sunset'
Nemesia (Code: 4571)
 An unbelievable kaleidoscope of color combines yellow, orange and fuchsia-red in a single gorgeous trailing form. Perfect for mixed containers or hanging baskets, this Nemesia adds warmth to the garden too. (6-10" x 6-12") Zn9.

Nemesia fruticans 'Elph Dark Blue'
Nemesia (Code: 7018)
 Vibrant deep blue flowers, dotted with a white center bloom when temperatures are cool to moderate. Excellent for mixed containers or as a bedding plant. (8-10" x 8-12") Zn9.

Nemesia hybrida 'Serengeti Yellow'
Nemesia (Code: 7019)
 Cheerful yellow flowers bloom continuously when temperatures are cool to moderate. Excellent for mixed containers or as a bedding plant. (6-10" x 6-12") Zn9.

Nemesia strumosa 'Angelart Orange'
Nemesia (Code: 6682)
 True orange mini-snapdragon flowers with a dark eye, bloom all season. It has vigorous growth, uniform mounding habit, improved heat resistance and flowers earlier than most Nemesia. (12" x 12") Zn9.

Nepeta 'Joanna Reed'
Catmint (Code: 5579)
 This lovely catmint has larger blooms that flower profusely, late spring through fall. The large leaves form a nice green, mounding base under luminous cornflower-blue blooms. (24-36" x 24") Zn3.

Nepeta 'Pink Pixie'
Catmint (Code: 4894)
 A real breakthrough, this dwarf Catmint has medium pink flowers that bloom in early summer above gray-green foliage. It will rebloom when spent flowers are removed. Easy to grow. (6-9" x 12-16") Zn4.

Nepeta racemosa 'Little Titch'

Dwarf Catmint (Code: 7115)

Sweet blue flowers grace this dwarf Catmint repeatedly. Low mounds of gray-green foliage stay compact and carefree. (6-10" x 12") Zn3.

Nepeta sibirica 'Souvenir d'Andre Chaudron'

Catmint (Code: 5919)

Bright lavender-blue, tubular flowers bloom over a very long period. This tall-growing form adds wonderful late-season color to the garden. (24-36" x 24") Zn3.

Nepeta subsessilis

Catmint (Code: 2655)

Dense spikes of deep blue, trumpet-shaped flowers are held in clusters over bushy foliage. It has larger blooms and is more moisture tolerant than other catmints. (24" x 24") Zn3.

Nepeta subsessilis 'Pink Dreams'

Catmint (Code: 4201)

Bushy plant with deep green, fragrant leaves that produce clusters of trumpet-like, bright pink flowers in abundance. The flowers mature to a soft pink. (24-30" x 18-24") Zn4.

Nepeta x faassenii 'Dropmore'

Catmint (Code: 6537)

Dark violet-blue flowers appear in abundance throughout summer. Shear hard after initial bloom for a second long-lasting flush of color. (18" x 18") Zn4.

Nepeta x faassenii 'Walkers Low'

Catmint (Code: 6362)

A profusion of violet-blue flowers top soft gray-green foliage repeatedly late spring through fall. An excellent plant to soften hot colors in the border. 2007 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (15" x 18") Zn5.

Nepeta yunnanensis 'Blue Dragon'

Catmint (Code: 7410)

Large showy "dragon head" blooms on this Catmint makes it a must-have in the garden. Shorter than *N. yunnanensis*, it will stay upright in a sunny border. (28-30" x 24-30") Zn6. PPAF Propagation Prohibited

Nicotiana langsdorfii

Flowering Tobacco (Code: 5575)

Airy, graceful plant with spires of small chartreuse, bell-like flowers. It makes a wonderful border accent. (3' x 2') Zn9.

Nicotiana x sanderae 'Fragrant Cloud'

Flowering Tobacco (Code: 4635)

Sweetly-scented white, upward-facing, trumpet flowers grace this sturdy plant. Large blossoms are richly-fragrant at twilight. Half-hardy annual. (3' x 2') Zn9.

Origanum 'Amethyst Falls'

Oregano (Code: 4453)

Large sprays of pendulous, chartreuse bracts with protruding bright purple flowers appear in summer. Attractive, fragrant leaves enhance this amazing, long-blooming ornamental Oregano. It performs best in well-drained soil. (8-12" x 24") Zn5. PPAF Propagation Prohibited.

Origanum 'Barbara Tingey'

Ornamental Oregano (Code: 4355)

Flowers with small corollas surrounded by showy, rosy-green, papery bracts bloom profusely above leathery leaves and wiry trailing stems in late summer. Good for hanging baskets or as a dried flower. (10-12" x 12-16") Zn8.

Origanum 'Rosenkuppel'

Showy Oregano (Code: 3670)

Pink flowers above rounded green leaves bloom from midsummer through fall. Excellent as a dried flower or in the landscape. (18-24" x 18-24") Zn5.

Origanum laevigatum 'Hopley's Purple'

Oregano (Code: 3151)

Ideal plant for difficult garden situations. Very long-lasting burgundy-purple flowers. It thrives on dry slopes and makes an excellent dried flower. (18" x 12") Zn5.

Origanum rotundifolium 'Kent Beauty'

Oregano (Code: 6162)

Delicate drooping clusters of unusual, pink hop-like flowerheads accent pale gray, heart-shaped leaves that have the scent of Oregano. The flowers retain their color beautifully when dried. (12" x 18") Zn5.

Osteospermum 'Nuansa Copper Purple'

African Daisy (Code: 4489)

Purple daisy-like flowers with copper tips bloom all season when in moderate temperatures. Plant in well-drained soil. (12" x 12") Zn9.

Osteospermum 'Side Show Bicolor Pink'

African Daisy (Code: 7477)

White daisy-like flowers have pink edges and bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9. Zn9 White daisy-like flws w/ pink edges all season!

Osteospermum 'Side Show Bicolor Purple'

African Daisy (Code: 7546)

Purple daisy-like flower petals have a white halo in the center and bloom profusely all season on compact plants with improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show Copper Apricot'

African Daisy (Code: 7555)

Coppery-apricot, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show Golden Yellow'

African Daisy (Code: 7476)

Golden-yellow, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show White'

African Daisy (Code: 7552)

White, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Wildside'

African Daisy (Code: 3694)

Dazzling dark purple-pink daisies have attractive lavender centers. This is an excellent container plant with a nice compact growth habit. (12" x 12") Zn9. PP10603 Propagation Prohibited.

Osteospermum barberae var. compactum 'Lavender Mist'

African Daisy (Code: 4189)

A hardy African Daisy! Flowers open white and then mature to lavender, and bloom all season when temperatures are moderate. It requires sharply drained soil. (12" x 18") Zn6.

Osteospermum barberae v. compactum 'Purple Mountain'

African Daisy (Code: 7563)

Bright purple, daisy-like flowers cover a mat of rich green leaves most of the season. This is a hardy form of African daisy, that if provided with excellent drainage, should survive in areas with cold winters. (10" x 12") Zn6.

Osteospermum ecklonis 'Nasinga Purple'

African Daisy (Code: 2100)

Vivid purple, spoon-shaped petals radiate from a blue center and are simply stunning! It has a compact, mounding habit. (12" x 12") Zn9. PP12262 Propagation Prohibited.

Paeonia 'Double Carmine Red'

Peony (Code: 5142)

Large silken, warm red, double flowers grace this elegant garden favorite. Excellent for cut bouquets. (30" x 30") Zn3.

Paeonia 'Double White'

Peony (Code: 3240)

This old fashioned garden favorite boasts beautiful double flowers of sparkling pure white. Wonderful for long-lasting cut bouquets. (30" x 30") Zn3.

Paeonia 'Felix Crousse'

Peony (Code: 6100)

This old-fashioned garden favorite boasts beautiful double flowers of carmine-red. Wonderful for long-lasting cut bouquets. One of the best reds, with a light scent. (36" x 30") Zn3.

Paeonia 'Karl Rosenfeld'

Peony (Code: 5756)

Huge, fluffy, double rosy-crimson flowers on strong stems make this a cottage garden favorite. It makes an exceptional cut flower. (38" x 30") Zn3.

Paeonia Itoh 'Callie's Memory'

Itoh Peony (Code: 7682)

The fragrant flowers have beautiful creamy apricot petals with darker red centers. Once established each plant can produce up to 50 blooms in one season and requires no staking! The handsome foliage stays until frosts. Good as a cut flower too! (36" x 48") Zn3. PP12159

Paeonia Itoh 'Sequestered Sunshine'

Itoh Peony (Code: 7683)

Large, bright canary-yellow blossoms with showy stamens stand above the lush, dark green, deeply dissected foliage. An especially vigorous plant, the sturdy flower stems require no staking and make good cut flowers. (36-42" x 36-42") Zn3.

Paeonia Itoh 'Visions of Sugar Plums'

Itoh Peony (Code: 7684)

The large, single flowers are soft pink blending to a deeper pink at the petal edge. Each petal has huge plum-colored flares towards the center. It forms a bushy shrub-like plant that is very long-lived. Fabulous in late spring when in bloom! (3' x 3') Zn3.

Paeonia lactiflora 'Edulis Superba'

Peony (Code: 6461)

Beautiful clear rose-red outer petals surround magenta-rose inner petals that have a silver edge. This old-fashioned garden favorite is still one of the best for cut flower bouquets. (34-36" x 30-36") Zn3.

Paeonia lactiflora 'Raspberry Sundae'

Peony (Code: 5075)

Unusual multi-color, double flowers are blush-pink with frilly cream and pink centers. Very fragrant and wonderful for long-lasting cut bouquets. (28" x 24") Zn3.

Paeonia lactiflora 'Sarah Bernhardt'

Peony (Code: 3230)

Frilly double blooms of medium-to-pale pink grace this very fragrant, old-fashioned garden favorite. Makes an excellent cut flower. (36" x 36") Zn3.

Paeonia lactiflora hybrid 'Eliza Lundy'

Peony (Code: 6187)

This old-fashioned garden favorite boasts beautiful double flowers in tightly-quilled, cranberry-red hues. Wonderful for long-lasting cut bouquets. (34" x 30") Zn3.

Paeonia lactiflora hybrid 'Shirley Temple'

Peony (Code: 5624)

Double blooms of blushing pink, lightening to ivory, grace this very fragrant old-fashioned garden favorite. Excellent cut flower. (36" x 36") Zn3.

Paeonia lactiflora hybrids 'Duchess de Orleans'

Peony (Code: 6101)

Sweetly fragrant, double, deep pink flowers have light lavender-pink central petals. This late spring bloomer makes an excellent cut flower. (36-40" x 30-36") Zn3.

Paeonia lactiflora hybrids 'President Roosevelt'

Peony (Code: 3238)

This old fashioned garden favorite boasts beautiful double flowers in dark red with pronounced yellow stamens. Blooms are very large and fragrant. Wonderful for long-lasting cut bouquets. (34-36" x 30") Zn3.

Paeonia lactiflora hybrids 'Single Red'

Peony (Code: 6491)

Silken single, crimson flowers with golden centers attract attention to this old-fashioned garden favorite. It makes an excellent cut flower. (24-36" x 24-36") Zn3.

Paeonia x 'Itoh Bartzella'

Itoh Peony (Code: 4208)

Up to 6" double to semi-double, pure yellow flowers are evenly distributed over the entire shrub in spring. Very vigorous growth. A cross between a tree peony and an herbaceous peony. (3-4' x 3-4') Zn3.

Paeonia x 'Itoh Cora Louise'

Itoh Peony (Code: 4216)

Pure white, fragrant, semi-double flowers have lavender flares. Strong stems hold 6" blooms above dark green foliage. A cross between a tree peony and an herbaceous peony. (30-36" x 30-36") Zn3.

Paeonia x 'Itoh First Arrival'

Itoh Peony (Code: 4492)

Enormous 6" double, pink blooms have attractive lavender overtones with flares of darker lavender in the center. Strong stems hold the blooms above dark green foliage. A cross between a tree peony and an herbaceous peony. (3' x 3') Zn3.

Paeonia x 'Itoh Going Bananas'

Itoh Peony (Code: 4217)

This cross between a tree peony and an herbaceous peony has resulted in large 6" single yellow flowers; a new color for herbaceous peonies. Strong stems hold the enormous flowers upright. (2-3' x 2-3') Zn3.

Paeonia x 'Itoh Hillary'

Itoh Peony (Code: 4493)

Loose double, 6" red flowers fade to cream on the outside of each petal while inner petals remain vibrant red. Strong stems hold the flowers upright above dark green foliage. A cross between a tree peony and an herbaceous peony. (3' x 3') Zn3.

Paeonia x 'Itoh Julia Rose'

Itoh Peony (Code: 4206)

Single to semi-double 6" blooms open rose-red and quickly turn to an apricot-yellow hue. Strong stems hold the flowers above dark green foliage. A cross between a tree peony and an herbaceous peony. (30-36" x 30-36") Zn3.

Paeonia x 'Itoh Kopper Kettle'

Itoh Peony (Code: 4219)

Semi-double to double, multi-color 6" blooms of red, yellow and orange give this peony a copper-hued effect from a distance. Handsome dark green foliage is supported by a sturdy well-shaped plant. A cross between a tree peony and herbaceous peony. (24-36" x 30-36") Zn3.

Paeonia x 'Itoh Magical Mystery Tour'

Itoh Peony (Code: 4222)

Blooms are semi-double in a creamy-pink blend and can reach up to 6-7" across, in late spring. Strong stems hold the flowers upright above dark green foliage. A cross between an herbaceous peony and a tree peony. (3' x 3') Zn3. Propagation prohibited.

Paeonia x 'Itoh Morning Lilac'

Itoh Peony (Code: 4223)

Semi-double, lavender-pink flowers have white and fuchsia striping with red-tipped carpels. Very floriferous with medium-sized (up to 6") blooms on strong plants, with excellent foliage. A cross between a tree peony and an herbaceous peony. (2-3' x 2-3') Zn3.

Paeonia x 'Itoh Singing in the Rain'

Itoh Peony (Code: 4207)

Considered the most floriferous Itoh peony, side buds open 7-10 days after primary buds and go to 20 days of bloom! Semi-double, multicolored 6" flowers open pink then fade to yellow. Vigorous bushy growth and very hardy. (3' x 3') Zn3. Propagation prohibited.

Paeonia x 'Itoh Yankee Doodle Dandy'

Itoh Peony (Code: 4225)

Semi-double, 6" flowers in creamy-pink hues bloom in late spring. Strong stems hold the flowers upright above dark green foliage. A cross between an herbaceous peony and a tree peony. (3' x 3') Zn3. Propagation prohibited.

Panicum virgatum 'Cloud Nine'

Switch Grass (Code: 6689)

Airy golden inflorescence create a soft transparent effect for the back of the border in late summer. Lovely light blue blades turn golden in fall. (6-8' x 3') Zn4.

Panicum virgatum 'Dallas Blues'

Switch Grass (Code: 7553)

This robust grower has incredible blue foliage! Lofty plum colored panicles emerge in late summer or early fall and can grow to over 22" long! Good winter color. (5-6' x 3') Zn4. PP11202 Propagation Prohibited.

Panicum virgatum 'Haense Herms'

Switch Grass (Code: 6622)

Airy crimson inflorescences dance atop green blades with an elegant, slightly-weeping habit. The foliage turns to brilliant orange-red and burgundy from late summer through fall. (3-4' x 2') Zn4.

Panicum virgatum 'Heavy Metal'

Switch Grass (Code: 6325)

Rigidly-upright, steel-blue foliage makes a great vertical accent. Airy, bronze plumes in late summer-to-fall creates a translucent effect. (4' x 2') Zn4.

Panicum virgatum 'Northwind'

Switch Grass (Code: 3510)

Strongly vertical blue-green foliage is topped by beautiful narrow, erect plumes from late summer through fall. (5' x 2-3') Zn4.

Panicum virgatum 'Prairie Sky'

Switch Grass (Code: 4295)

This true-blue grass makes an excellent vertical accent. The upright, softly-arching foliage has airy bronze clouds of tiny seedheads that glimmer from late summer to fall. (4' x 2') Zn4.

Panicum virgatum 'Rotstrahlbusch' (Red Ray Bush)
Switchgrass (Code: 5162)
 Airy crimson flowerheads dance atop red-tipped blades. Creates an upright arching mass. Burnished-red fall color makes this an outstanding grass. A "Great Plant Pick" for the Pacific Northwest! (3' x 2') Zn4.

Panicum virgatum 'Shenandoah'
Switch Grass (Code: 4403)
 This Panicum is unmatched for its burgundy-red foliage! The leaves start out green, then turn dark red by July, and eventually turn wine-colored by September. Airy red flower plumes appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn4.

Papaver nudicaule 'Gnome'
Iceland Poppy (Code: 5036)
 Large, papery flowers of mixed colors appear on slender stems in summer and fall on this dwarf plant. The flowers can be yellow, orange, scarlet, white or pink. (1' x 1') Zn2.

Papaver nudicaule 'Wonderland Pink'
Iceland Poppy (Code: 3188)
 Vibrant pink to salmon and coral flowers grace this beautiful, compact perennial. Excellent for the front of the border or rockery. (16" x 12") Zn2.

Papaver nudicaule 'Wonderland Yellow'
Iceland Poppy (Code: 3190)
 Large, delicate yellow flowers appear on slender, upright, sturdy stems. Invaluable for early season color. It is best suited for the rockery or alpine gardens. (16" x 12") Zn2.

Papaver orientale 'Brilliant'
Oriental Poppy (Code: 3168)
 Large, brilliant orange-scarlet flowers appear in June. It often goes dormant in summer, so combine it with companion plants that will cover the spent foliage. Drought tolerant. (2-3' x 2') Zn3.

Papaver orientale 'Fatima'
Oriental Poppy (Code: 3163)
 Large flamboyant flowers are ruffled light salmon with a clear pink edge. Eye-catching and beautiful. May go summer dormant. (18" x 24") Zn3.

Papaver orientale 'Juliane'
Oriental Poppy (Code: 3175)
 Large soft pink, spotless flowers on strong stems glow in the late spring border. May go dormant in summer. (24-30" x 18") Zn3.

Papaver orientale 'Picotee'
Oriental Poppy (Code: 5639)
 Delightful and distinctive poppy with white papery petals edged in brilliant orange. Beautifully detailed, silky blooms are ideal for adding a distinctive splash to the garden. Summer dormant. (28" x 18") Zn3.

Papaver orientale 'Pizzicato'
Oriental Poppy (Code: 6371)
 Huge flowers of mixed colors have black markings from early spring through mid-summer. The bright color mix includes: red, scarlet, orange, salmon, and white. Compact and trouble-free. (20" x 18") Zn3.

Papaver orientale 'Princess Victoria Louise'
Oriental Poppy (Code: 3174)
 Large satin pink, crepe-paper flowers have dark centers in late spring. Plants may go dormant in summer so combine with companion plants to cover the spent foliage. (30-36" x 18") Zn3.

Papaver orientale 'Raspberry Queen'
Oriental Poppy (Code: 5651)
 Beautiful crepe-paper petals of deepest rose-pink form large blooms in late spring. Plant in the middle of border where the spent foliage will be obscured by other plants. It needs good drainage. (34" x 30") Zn3.

Papaver orientale 'Royal Wedding'
Oriental Poppy (Code: 6184)
 Large and flamboyant sparkling white poppy has a vivid dark spot at the base of each petal. Combine with companion plants to cover the spent foliage in summer. (30" x 18") Zn3.

Papaver orientale 'Turkenlouis' ('Turkish Delight')
Oriental Poppy (Code: 3162)
 Fringed brilliant reddish-orange flowers glow on slender, wiry stems in late spring. A colorful addition to the garden or use for cut flowers. It goes dormant in summer. (2' x 2') Zn3.

Pennisetum alopecuroides

Fountain Grass (Code: 3202)

9" long, arching foxtail flower-heads of marvelous silvery-purple. Clean and finely-textured, bright green foliage sways delightfully in the subtlest breeze. (4' x 4') Zn6.

Pennisetum alopecuroides 'Burgundy Bunny'

Fountain Grass (Code: 7687)

Clumps of fine leaves start green in spring, then have red accents in summer, topped with creamy white bunny-tail flowers. In autumn, the foliage color deepens until the entire plant is glowing red! (10-12" x 12-15") Zn6. PPAF

Pennisetum alopecuroides 'Cassian'

Fountain Grass (Code: 6042)

Excellent orange-red fall color is displayed on this bushy fountain grass. Showy bronze flower plumes from August to September rise above compact foliage to 36". (30-36" x 30-36") Zn6.

Pennisetum alopecuroides 'Hameln'

Fountain Grass (Code: 5163)

Dwarf cultivar with a much earlier bloom time than the species. Somewhat stiffer foliage and pale bronze foxtails. This is the most popular grass with designers. (2' x 2') Zn6.

Pennisetum alopecuroides 'Little Bunny'

Miniature Fountain Grass (Code: 6111)

Cute, bronzy "bunny tail" plumes top this dwarf grass. Excellent planted en masse or as a specimen in the rock garden. Very easy to grow. (12" x 12") Zn6.

Pennisetum alopecuroides 'Moudry'

Fountain Grass (Code: 3203)

Dramatically-arching, bright green grass is invaluable for late-season interest. Striking fat, blackish-brown bottle brush spikes appear in late summer. Excellent cut flower. (2' x 2') Zn5.

Pennisetum alopecuroides 'Piglet'

Fountain Grass (Code: 4857)

Dwarf fountain grass taller than P. 'Little Bunny', but shorter than P. 'Hameln'. Foxtail-like plumes are showy and contrast nicely with other summer blooming perennials. (15-18" x 18-24") Zn6. PP19074 Propagation Prohibited.

Pennisetum messiacum 'Red Buttons'

Fountain Grass (Code: 4712)

This compact grass has stunning inflorescences that emerge red, then mature to cream. The narrow foliage is green, touched with burgundy. It's superb as a groundcover or specimen in the garden border. (2-3' x 3-4') Zn6.

Pennisetum orientale 'Karley Rose'

Fountain Grass (Code: 4436)

Smokey, rose-purple flower plumes add incredible texture and color to the garden all summer long. Deep olive-green leaf blades form uniform clumps. A "Great Plant Pick" for the Pacific Northwest! (36-40" x 30") Zn5. PP12909 Propagation Prohibited.

Pennisetum orientale 'Tall Tales'

Fountain Grass (Code: 4539)

Vigorous upright grower forms an arching clump 4-5' tall. Tan plumes to 9" long are tinged pink and held another 12" above the foliage. An outstanding selection. (4-6' x 4') Zn6.

Pennisetum setaceum 'Rubrum'

Purple Fountain Grass (Code: 4108)

Stunning smokey-purple blades with red highlights and foxtail-like plumes bloom midsummer through frost. A fabulous vertical accent for containers. (30-36" x 24-36") Zn9.

Pennisetum setaceum 'Skyrocket'

Fountain Grass (Code: 7594)

Bright green & pristine white variegated foliage explodes with pink plumes in summer. A sport of P. 'Fireworks'. Highly recommended for containers! (24-30" x 18-24") Zn9. PPAF

Pennisetum spathiolatum

Slender Veldt Grass (Code: 6989)

Unique "bunny tail" flower spikes studded with black seeds, rise to 3' on this easy to grow beauty. Gray-green, evergreen foliage adds interest and grows to 12". (3' x 3') Zn8.

Penstemon 'Blackbird'

Beard Tongue (Code: 6711)

Slender dark burgundy flowers bloom all summer on red stems. A real knockout for the sunny border. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 18") Zn7.

Penstemon 'Catherine de la Mare'
Beard Tongue (Code: 5667)
 Many blue-purple, tubular blooms fade to opalescent sky blues and pinks. This vigorous, floriferous, somewhat compact cultivar is great for rock gardens. (16" x 12") Zn6.

Penstemon 'Enor'
Beard Tongue (Code: 4898)
 Shiny foliage is markedly darker green than other Penstemons. It produces a generous display of medium-sized tubular, purple flowers from June through September. (3' x 2-3') Zn7.

Penstemon 'Mother of Pearl'
Beard Tongue (Code: 3276)
 Small, opalescent, bell-shaped flowers have shades of pink and lavender on petal edges and cranberry streaks in the throat. (24-36" x 12-18") Zn7.

Penstemon 'Papal Purple'
Beard Tongue (Code: 3766)
 The narrow green foliage has an abundance of deeply-throated, dark purple flowers from summer through fall. (2' x 2') Zn7.

Penstemon 'Raven'
Beard Tongue (Code: 5657)
 This charming selection is an easy, reliable favorite with dark, velvety purple-red blossoms on dark green foliage. It blooms summer to frost and prefers well-drained soil. (3' x 3') Zn7.

Penstemon 'Stapleford Gem'
Beard Tongue (Code: 3774)
 Light, lilac-blue, bell-shaped flowers have creamy-white throats and are streaked with lilac. The blooms of this vigorous grower appear in summer. (36" x 12-16") Zn7.

Penstemon 'Thorn'
Beard Tongue (Code: 6702)
 Creamy-white buds, blushed with rosy-red, open to shades of palest pink. The long blooming flowers are attractive to hummingbirds and appear from summer through fall. (36" x 32") Zn7.

Penstemon digitalis 'Dark Towers'
Beard Tongue (Code: 4132)
 Glossy bronze-red foliage is topped by masses of pink flowers in July and August. Tall dark bronze foliage is showy even when not in flower. Tolerates heat and humidity. (36" x 18-24") Zn3. PP20013 Propagation Prohibited.

Penstemon digitalis 'Husker's Red'
Beard Tongue (Code: 3210)
 Gorgeous deep red foliage is topped with lavender-white flowers in early summer, providing stunning contrast! 1996 Perennial Plant Association Plant of the Year. (30" x 24") Zn3.

Penstemon pinifolius 'Mersea Yellow'
Beard Tongue (Code: 6724)
 Small, bright yellow, tubular flowers and needle-like foliage enhance this shrubby, compact and hardy native cultivar. (8" x 18") Zn4.

Penstemon x barbatus 'Prairie Dusk'
Beard Tongue (Code: 4989)
 Tall, vivid purple, tubular blooms appear all summer and are a favorite of hummingbirds. It's drought tolerant, deer resistant, and easy to grow. Remove spent flowers for best rebloom. (30" x 12-18") Zn3.

Penstemon x campanulatus 'Garnet'
Beard Tongue (Code: 3212)
 Gorgeous wine-red flowers bloom all summer and are a favorite of hummingbirds! An excellent cut flower too. (2' x 2') Zn7.

Penstemon x hartwegii 'Appleblossom'
Beard Tongue (Code: 3226)
 Large white flowers have a soft pink blush. Willow-like foliage adds elegance to this extremely long-blooming perennial. It prefers good drainage. (24" x 18") Zn7.

Penstemon x hartwegii 'Blue Midnight'
Beard Tongue (Code: 3208)
 Large deep blue-purple bells on long stalks bloom all summer and into early fall! It is long-lived when grown in a sunny, well-drained spot. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn7.

Penstemon x hartwegii 'Firebird'
Beard Tongue (Code: 3223)
 Large fiery-red flowers on tall stems bloom from mid-summer to frost above semi-evergreen foliage. (24-30" x 24") Zn7.

Perovskia atriplicifolia
Russian Sage (Code: 3250)
 Smokey-blue flowers on stiff silver stems are lovely in flower arrangements. A stunning addition to the late season border. 1995 Perennial Plant Association Plant of the Year. A "Great Plant Pick" for the Pacific Northwest! (36-48" x 24-36") Zn5.

Perovskia atriplicifolia 'Little Spire'
Russian Sage (Code: 3267)
 A shorter version of the award winning Russian Sage that remains upright with beautiful airy, blue-green foliage. Fragrant, delicate blue flowers appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (24-36" x 30") Zn5. PP11643 Propagation Prohibited.

Persicaria affinis 'Dimity'
Fleeceflower (Code: 5727)
 A low-growing, very showy groundcover. It forms a carpet of green leathery foliage that turns bronze in the fall. Short spikes of pink flowers appear in summer. (8-12" x 8") Zn3.

Persicaria campanulata
Fleeceflower (Code: 6887)
 Branching heads of tiny pink flowers appear on spikes, June to September. Deeply-veined, dark green, oval leaves have a brown felted underside. Compact and mat-forming. (12-18" x 36") Zn5.

Persicaria polymorpha
Giant Fleeceflower (Code: 7021)
 This bold and dramatic plant boasts large white Astilbe-like plumes on ruby stems 3-5' tall. It has a tidy, clumping habit. An excellent selection for the mixed border and bouquets. A "Great Plant Pick" for the Pacific Northwest! (3-5' x 3') Zn3.

Phlomis fruticosa
Jerusalem Sage (Code: 3254)
 Woolly, silver, lanceolate leaves have 3-4' stalks of yellow-whorled flowers in summer. Very unusual border accent and cut flower. (3-4' x 3') Zn6.

Phlomis russeliana
Russel's Jerusalem Sage (Code: 3253)
 Sage-green fuzzy leaves create a beautiful groundcover effect for much of the year. Successive whorls of soft yellow flowers are magnificent. A "Great Plant Pick" for the Pacific Northwest! (3' x 3') Zn5.

Phlox paniculata 'Becky Towe'
Tall Garden Phlox (Code: 4736)
 The bright gold and green-variegated foliage makes a big splash of color in the perennial border. Fragrant, coral-rose flowers with darker magenta centers appear in late summer. (20-28" x 24") Zn4. PP12908 Propagation Prohibited.

Phlox paniculata 'Blue Paradise'
Tall Garden Phlox (Code: 7522)
 This fragrant, upright phlox has compact dark green leaves with large blue flowers that darken to violet. Perfect for bouquets and garden borders. (30" x 18") Zn4.

Phlox paniculata 'Blushing Shortwood'
Phlox (Code: 6604)
 This compact form displays clusters of bi-colored blooms of soft lavender-pink and white in midsummer. Nice upright habit makes it a great addition to the perennial garden. Disease resistant. (20" x 12-16") Zn4. PPAF Propagation Prohibited.

Phlox paniculata 'Bright Eyes'
Tall Garden Phlox (Code: 3273)
 Pink blossoms with large, dark ruby eyes form lovely 7" round flower heads atop tall, stately dumps. It blooms mid summer to fall. Excellent for bouquets. (30" x 24") Zn3.

Phlox paniculata 'David'
Tall Garden Phlox (Code: 5989)
 Fragrant, sparkling white flowers in late summer top very mildew resistant leaves. This tall, easy to grow perennial is wonderful for cut flowers. 2002 Perennial Plant Association Plant of the Year. (36-48" x 12-24") Zn4.

Phlox paniculata 'David's Lavender'
Tall Garden Phlox (Code: 2248)
 A vegetative sport of Phlox 'David', this mildew-resistant plant has lilac colored blooms with deeper raspberry-purple eyes. (4-5' x 3') Zn4. PP17793 Propagation Prohibited.

Phlox paniculata 'Flame Coral Red'
Phlox (Code: 7314)
 Large, fragrant, coral-red flowers appear from July to September. Phlox makes a terrific cut flower, perfuming your home with a sweet scent. The dwarf habit of the Flame series makes it a good selection for growing in containers. Mildew resistant. (15-18" x 12-15") Zn4. PPAF

Phlox paniculata 'Flame Light Pink'
Tall Garden Phlox (Code: 3817)
 Large clusters of slightly-fragrant, light pink flowers have dark pink eyes. It blooms July through August. Compact and disease resistant. (18-24" x 8-10") Zn4. PP11805
 Propagation Prohibited.

Phlox paniculata 'Flame Purple'
Tall Garden Phlox (Code: 3818)
 Large clusters of lightly-fragrant purple flowers have darker purple-red eyes. It's compact and disease resistant. (10-12" x 8-10") Zn4. PP12605, CPBR1095
 Propagation Prohibited.

Phlox paniculata 'Flame White with Red Eye'
Phlox (Code: 7315)
 Large, fragrant, snow-white flowers have red eyes and appear from July to September. The dwarf habit of the Flame series makes it a good selection for growing in containers. A terrific, sweetly fragrant cut flower too! Mildew resistant. (15-18" x 12-15") Zn4. PPAF

Phlox paniculata 'Orange Perfection'
Tall Garden Phlox (Code: 3284)
 Richly-hued blooms of deep orange are flushed with magenta. Deep green foliage has good mildew resistance. Excellent cut flower. (36-48" x 12-24") Zn4.

Phlox paniculata 'Red Eyes'
Tall Garden Phlox (Code: 6872)
 Clusters of fragrant deep pink flowers with dark rose eyes top this cottage garden favorite. Excellent for cut flowers or as a dramatic border accent. (30" x 24") Zn4.

Phlox paniculata 'Sherbet Cocktail'
Garden Phlox (Code: 4992)
 A color breakthrough! Flowers have light creamy-yellow petals that are outlined and overlaid with lavender-pink! A true eye-catcher for the sunny perennial border, especially when planted en masse. (28" x 20") Zn4. PPAF
 Propagation Prohibited.

Phlox paniculata 'Shortwood'
Tall Garden Phlox (Code: 4017)
 Bright pink blooms with rose eyes are very showy in mid-to-late summer. Attracts butterflies and hummingbirds. Excellent for bouquets and very mildew resistant. (35-43" x 18-24") Zn4. PP10379, COPF
 Propagation Prohibited.

Phlox paniculata 'Starfire'
Tall Garden Phlox (Code: 3288)
 Bright cherry-red flowers in late summer appear above bronze-green leaves. One of the best reds. (2' x 2') Zn4.

Phygelius 'Cherry Ripe'
Cape Fuchsia (Code: 4993)
 Pendant, tubular, bright cherry-red flowers bloom spring to fall on arching stems with soft green leaves. It attracts hummingbirds all season. (24-30" x 24-36") Zn7. PP17948
 Propagation Prohibited.

Phygelius 'Croftway Snow Queen'
Cape Fuchsia (Code: 4994)
 Tubular, pure white flowers dangle from long stems and bloom repeatedly when spent flowers are cut back. A favorite of hummingbirds. (18-24" x 18-24") Zn7. PP18366
 Propagation Prohibited.

Phygelius 'Funfare Wine'
Cape Fuchsia (Code: 3864)
 Lovely spires of wine-colored, tubular flowers grow in clusters. The flowers are quite attractive to hummingbirds. With a compact habit, it's perfect in the garden or in containers. (24" x 18") Zn7. PPAF
 Propagation Prohibited.

Phygelius 'Sunshine'
Cape Fuchsia (Code: 3403)
 This unusual, gold-leaved form is topped by tubular candelabras of drooping, burnt-orange/coral-red flowers. It performs best in part shade. (36" x 36") Zn7.

Phygelius aequalis 'Yellow Trumpet'
Cape Fuchsia (Code: 3321)
 Soft yellow, trumpet-like flowers dangle from upright stems on this choice shrubby perennial. (30" x 18") Zn7.

Phygelius x rectus 'African Queen'
Cape Fuchsia (Code: 3320)
 Exquisite pendulous salmon-orange flowers with lemon-yellow throats bloom in abundance all summer. A favorite of hummingbirds. (24-36" x 18-24") Zn7.

Phygelius x rectus 'Pink Elf'
Cape Fuchsia (Code: 5379)
 Tubular, dusky pink flowers with crimson throats dangle from upright stems on this shrubby perennial. An elegant and eye-catching addition to the garden. (30" x 24") Zn7.

Phygelius x rectus 'Winchester Fanfare'
Cape Fuchsia (Code: 5381)
 Deep reddish-pink tubular flowers with scarlet lobes dangle on tall, candelabra-like stems. A graceful and stunning garden accent. (30" x 24-36") Zn7.

Physostegia virginiana 'Miss Manners'
Obedient Plant (Code: 4402)
 Charming, pure white, snapdragon-like flowers appear late summer and last through frost. New and improved variety has a non-spreading habit. (18-24" x 24") Zn3. PP12637 Propagation Prohibited.

Polemonium boreale 'Heavenly Habit'
Jacob's Ladder (Code: 4280)
 Beautiful clusters of large, fragrant, blue flowers with yellow halos and white eyes appear repeatedly throughout the season. Glossy, fern-like foliage forms a compact mound. (20" x 20") Zn3.

Polemonium caeruleum 'Brise d'Anjou'
Variegated Jacob's Ladder (Code: 3461)
 Delicate creamy-edged foliage and violet-blue flowers are a knockout combination. A stunning selection for the shade garden. Prefers rich, moist, well-drained soil. (18" x 18") Zn5. PP9781, COPF Propagation Prohibited.

Polemonium reptans 'Stairway to Heaven'
Jacob's Ladder (Code: 4163)
 Dramatic variegated leaves have wide creamy margins. The foliage is remarkably heat resistant and takes on a beautiful pink flush in cool weather. Sky-blue flowers appear in spring. (12-16" x 12-18") Zn4. PP15187, EU15723 Propagation Prohibited.

Polemonium yezoense 'Purple Rain'
Jacob's Ladder (Code: 4102)
 Dramatic, nearly black, ferny leaves are topped by large blue flowers. The foliage fades to dark green with a silvery sheen as the season progresses. A beautiful selection for the shady border. (24" x 18") Zn5.

Polygonatum biflorum
Solomon's Seal (Code: 3337)
 Arching single stems feature dangling clusters of chartreuse, bell shaped blossoms in spring. Blooms become black berries in late summer. An excellent companion for ferns, Hostas, and hellebores. (24" x 8") Zn3.

Polygonatum odoratum 'Variegatum'
Variegated Solomon's Seal (Code: 3339)
 Fragrant white flowers top arching stems of silver-edged leaves in spring. This woodland favorite has a nice creeping habit that is simply stunning when it forms a colony. A "Great Plant Pick" for the Pacific Northwest. (24" x 12") Zn4.

Polygonum odoratum
Vietnamese Coriander (Code: 6439)
 Fragrant white flowers top arching sprays of green leaves edged in silver. It's beautiful in mass plantings or in woodland gardens. Excellent for culinary use. (2' x 1') Zn8.

Polystichum munitum
Sword Fern (Code: 7422)
 Dramatic, upright fronds reach up to 4' tall! This evergreen NW native fern is a fabulous shade garden accent. A "Great Plant Pick" for the Pacific Northwest! (2-4' x 2-4') Zn5.

Primula 'Green Jade'
Primrose (Code: 6634)
 Frilly green flowers with a yellow eye bloom from spring to early summer. A great garden performer for moist sites. (4" x 9") Zn6.

Primula japonica 'Alba'
Japanese Primrose (Code: 6517)
 Pure white flowers are arranged in whorls up tall, graceful stalks in summer. A gorgeous selection for the shade garden. (12-18" x 12") Zn5.

Primula japonica 'Miller's Crimson'
Japanese Primrose (Code: 3366)
 Bright crimson-red flowers are arranged in whorls up tall, graceful stalks in spring making it a gorgeous selection for the shade garden. A "Great Plant Pick" for the Pacific Northwest! (20" x 12") Zn5.

Primula veris 'Sunset Shades'
Cowslip Primrose (Code: 4057)
 This fragrant primrose has blooms in sunset colors of oranges, reds and yellows, that appear on short stems. It adds a spot of bright color to the shade garden and will naturalize in moist shade. (8-10" x 10") Zn2.

Ribes sanguineum 'King Edward VII'
Flowering Currant (Code: 5422)
 Stunning crimson blossoms in long, pendant clusters are followed by small, bluish-black berries. A "Great Plant Pick" for the Pacific Northwest. (6' x 6') Zn5.

Rosa 'Climbing Cecile Brunner'
Rose (Code: 6218)
 Climbing form of the popular 'Sweetheart' Rose, with fragrant double, light pink flowers with repeat bloom. This vigorous and healthy climber is long-lived. (15-26' x 15') Zn5.

Rosa 'Morning Colors'
Rose (Code: 4899)
 Extraordinary single flowers bloom repeatedly all summer in an array of sunrise colors that start out tangerine, then turn to melon and then age to amber. Disease resistant and easy to grow. (3-4' x 3-4') Zn5.

Rosa 'Spray Cecile Brunner'
Rose (Code: 4521)
 These small, fragrant, light pink roses are perfect for corsages and earned 'Cécile Brünner' its nickname, 'The Sweetheart Rose'. This large shrub form was planted at our nursery by Sally Dinsdale over 50 years ago. It blooms all season with little care. (5-7' x 5') Zn5.

Rosa glauca
Redleaf Rose (Code: 3998)
 This Rose is grown more for its dusty mauve foliage than flowers. It contrasts well with tall blue foliage plants like Panicum 'Dallas Blue'. Single pink flowers appear in June. Very hardy and carefree, it grows up to 7' tall. (7' x 5-7') Zn3.

Rosa mutabilis
China Rose (Code: 6542)
 A vigorous rose with purple young shoots and coppery new foliage. Flowers open buff colored, then turn orange, and then age to rose and crimson. The flowers are tea-scented and bloom continuously all season. (4-6' x 4-6') Zn5.

Rosmarinus 'Bonnie Jean'
Rosemary (Code: 4997)
 The evergreen foliage has a low-growing, dense habit with dark bluish-purple flowers from late fall to early winter. Reputed to be resistant to winter damage. (18-24" x 36-48") Zn7.

Rosmarinus 'Gold Dust'
Rosemary (Code: 4845)
 Fragrant, narrow, evergreen leaves are bright green with gold variegation. Blue flowers appear in spring. Extremely heat tolerant, it makes an excellent ornamental shrub. (24-36" x 24-36") Zn7. PP19949 Propagation Prohibited.

Rosmarinus officinalis 'Arp'
Rosemary (Code: 8159)
 This culinary form has a strong upright and vigorous habit. The aromatic foliage has marvelous light blue flowers in early spring. Known for its superior cold hardiness and tolerance of wet conditions. A "Great Plant Pick" for the Pacific Northwest! (2-3' x 2') Zn7.

Rosmarinus officinalis 'Barbecue'
Rosemary (Code: 2279)
 Long, upright stems of aromatic foliage are perfect for cutting and grilling! A superb culinary selection. Blue flowers in early spring, excellent evergreen accent. (40" x 24") Zn7.

Rosmarinus officinalis 'Blue Spires'
Rosemary (Code: 6902)
 This essential culinary herb is also an excellent and undervalued landscape plant. It has an upright, branching habit with pretty blue flowers in early spring. With superior cold hardiness, it is a "Great Plant Pick" for the Pacific Northwest! (4-5' x 3') Zn7.

Rosmarinus officinalis 'Majorca Pink'
Rosemary (Code: 6450)
 Lavender-pink flowers top dark green, upright, aromatic foliage. A repeat bloomer, this rosemary blooms in spring and then again in fall. (2-4' x 2') Zn8.

Rosmarinus officinalis 'Miss Jessop's Upright'
Rosemary (Code: 8168)
 This strong, upright growing rosemary is excellent for culinary use. Fragrant, needle-like foliage has a wonderful flavor. Light blue flowers appear in spring. (3-4' x 2-3') Zn7.

Rosmarinus officinalis 'Salem'
Rosemary (Code: 6281)
 This essential culinary herb is also an excellent and undervalued evergreen shrub. It features neat, fine-needled, aromatic foliage. Blue flowers appear in early spring. A "Great Plant Pick" for the Pacific Northwest! (3-5' x 2-3') Zn8.

Rosmarinus officinalis 'Tuscan Blue'
Rosemary (Code: 8169)
 This vigorous, hardy rosemary has thick, dark green foliage and bright violet-blue flowers in winter and spring. It's excellent for flavoring food! A "Great Plant Pick" for the Pacific Northwest! (2-3' x 3') Zn7.

Rudbeckia fulgida 'Early Bird Gold'TM
Black-eyed Susan (Code: 4574)
 The number one selling perennial of all time just got better! This black-eyed Susan blooms several weeks earlier and longer than any other perennial Rudbeckia cultivar! Easy to grow and truly durable. (24-30" x 18-24") Zn4. PP20286 Propagation Prohibited.

Rudbeckia fulgida 'Goldsturm'
Black-Eyed Susan (Code: 3399)
 This popular low maintenance perennial has golden daisies with brown central cones from July to October. 1999 Perennial Plant Association Plant of the Year and a "Great Plant Pick" for the Pacific Northwest! It's an excellent cut flower too! (30" x 24") Zn4.

Rudbeckia hirta 'Cherry Brandy'
Black-Eyed Susan (Code: 4998)
 A color breakthrough! 3" muted cherry-red, daisy-like flowers have a brown eye and bloom all summer. It's an excellent cut flower. (20" x 18-24") Zn9.

Rudbeckia hirta 'Denver Daisy'[®]
Black-eyed Susan (Code: 7852)
 Named for the Mile High City, this daisy sports giant 8" flowers of the purest yellow the a deep, rusty-red radiating up the petal creating a halo effect around the chocolate brown cone. Selected for it's heat tolerance, summer long flower power and its ability to stand up to extreme conditions, it was used by Denver for their 150th anniversary city beautification project. (22-26" x 18-20") Zn3.

Rudbeckia hirta 'Irish Eyes'
Black-Eyed Susan (Code: 4999)
 Cheerful yellow daisy-like flowers have lime-green eyes and bloom all summer. It provides easy color for mixed borders or containers, and also makes a superb cut flower. (24-30" x 24-36") Zn9.

Rudbeckia hirta 'Prairie Sun'
Gloriosa Daisy, Black-eyed Susan (Code: 7853)
 Best when treated as an annual, this Rudbeckia has 5" flowers featuring light orange rays tipped with lemon yellow all surrounding a greenish center disk. Robust, free-flowering and heat tolerant. (30-36" x 18-24") Zn3.

Rudbeckia nitida 'Herbstsonne' ('Autumn Sun')
Black-Eyed Susan (Code: 3319)
 This tall, commanding Rudbeckia blooms late summer through fall, displaying large single, lemon-yellow flowers with prominent green cones. (5-6' x 3') Zn3.

Rudbeckia subtomentosa 'Henry Eilers'
Black-Eyed Susan (Code: 4135)
 Unusual quilled gold petals surround chocolate-brown centers, blooming late summer. This tall Rudbeckia makes a great specimen for the back of the border. (5' x 2-3') Zn4.

Salvia 'Indigo Spires'
Sage (Code: 5268)
 Deep violet-blue flower spikes reach up to 14" long and bloom from July to fall. Excellent to fill in empty spots in the border late in the season or as a centerpiece for large mixed containers. (4-5' x 3') Zn8.

Salvia 'Mystic Spires'
Meadow Sage (Code: 3868)
 Deep violet-blue flower spikes bloom repeatedly from summer well into fall! This improved form of Salvia 'Indigo Spires', has a shorter habit that requires less pruning to keep it within bounds. (2-3' x 2-3') Zn7. PP18054 Propagation Prohibited.

Salvia darcy
Galeana red sage (Code: 7425)
 Long, terminal, bright red flower spikes rise above foliage in late spring and early summer. It spreads by stolons to produce wide clumps that are densely covered with the pastel green triangular shaped leaves. (24-36" x 24-36") Zn8.

Salvia elegans 'Frieda Dixon'
Pineapple Sage (Code: 6222)
 This gorgeous herb boasts profuse, clear watermelon-colored flowers. Bright lime-green leaves and a pure, fresh pineapple scent adds to its charm. Delicious and aromatic in fruit salad! (3-4' x 3') Zn8.

Salvia elegans 'Golden Delicious'
Pineapple Sage (Code: 4278)
 This delicious sage boasts emerging foliage in brilliant shades of gold. In fall, vivid red blooms contrast marvelously with pineapple-scented leaves. (36" x 24") Zn8. PP17977 Propagation Prohibited.

Salvia elegans 'Honeymelon'
Melon-Scented Sage (Code: 6701)
 Delicate spikes of deep red, tubular flowers grace this compact plant. An excellent culinary accent in teas, garnishes, or fruit salads, the leaves have melon scent when crushed. (18" x 18") Zn8.

Salvia elegans 'Scarlet Tangerine'
Citrus-Scented Sage (Code: 3677)
 Delicate spikes of brilliant red, tubular flowers appear above citrus-scented leaves. With a marvelous fragrance, it is an excellent choice for teas, potpourri or garnishes. (3' x 3') Zn8.

Salvia guaranitica 'Black and Blue'
Anise Sage (Code: 4252)
 Long, deep blue spikes of snapdragon-like flowers emerge from black buds, midsummer to frost. The leaves are bright green with a soft fuzzy texture. (3-4' x 3') Zn7.

Salvia microphylla 'Hot Lips'
Sage (Code: 4202)
 Flowers have red-hot "lips" with white centers and bloom spring through summer! Flower color is deeper red in cooler weather and lighter in warm. (2-3' x 2-3') Zn8.

Salvia nemorosa 'Amethyst'
Garden Sage (Code: 6083)
 Gorgeous spikes of clear rose-purple flowers add bold color to the summer border. This trouble-free and easy to grow selection is excellent as a cut flower. (2' x 2') Zn5.

Salvia nemorosa 'Blue Hill' ('Blauhugel')
Garden Sage (Code: 5745)
 Lovely periwinkle-blue flowers top numerous spikes in summer. It has an excellent compact and bushy habit. The flowers are nice for cut flower arrangements. (15" x 12") Zn5.

Salvia nemorosa 'Caradonna'
Garden Sage (Code: 4804)
 Violet-purple flowers line dramatic, glowing purple stems. This excellent selection from Germany is extremely long blooming. (24-30" x 24") Zn4.

Salvia nemorosa 'East Friesland'
Garden Sage (Code: 3409)
 This popular favorite has masses of deep violet spikes in summer. It reblooms when deadheaded and has an excellent tight, bushy growth habit. (18" x 18") Zn4.

Salvia nemorosa 'Marcus'™
Garden Sage (Code: 5631)
 This dwarf Salvia has intense violet-blue flower spikes that top dense gray-green foliage. It reblooms all summer if cut back after it blooms. (12" x 12") Zn3. PP13322 Propagation Prohibited.

Salvia nemorosa 'May Night' ('Mainacht')
Garden Sage (Code: 3412)
 Masses of deep violet spikes appear in June and again in late summer. This excellent border plant and cut flower was the 1997 Perennial Plant Association Plant of the Year. (20" x 18") Zn4.

Salvia nemorosa 'Viola Klose'
Garden Sage (Code: 4704)
 This European introduction features sultry dark blue flowers and a tight, compact habit. It begins blooming in spring. (15-18" x 15") Zn3.

Salvia patens
Gentian Sage (Code: 4810)
 Deep sea-blue, 2" dragon-mouth flowers are extremely showy. Fuzzy, fresh green leaves add texture and interest. It's excellent in containers. (18" x 12") Zn9.

Salvia pratensis 'Rhapsody in Blue'
Meadow Sage (Code: 4019)
 Large showy, 24" tall violet-blue flower spikes bloom in June and later in the summer, if deadheaded. Gray-green textured leaves form a dense mound. (20-24" x 18-24") Zn4. PP15148 Propagation Prohibited.

Salvia roemeriana 'Hot Trumpets'
Cedar Sage (Code: 5000)
 Tubular crimson flowers bloom all summer on a low-growing perennial with heart-shaped, aromatic leaves. A very attractive Salvia for the front of the border. (12-15" x 12-16") Zn8.

Salvia verticillata 'Purple Rain'
Garden Sage (Code: 5857)
 Fuzzy leaves provide a backdrop for arching, boysenberry-colored flowers in summer. A "Great Plant Pick" for the Pacific Northwest! (18" x 18") Zn4.

Salvia x pratensis 'Eveline'
Garden Sage (Code: 3892)
 Tall, upright spikes have large bicolor flowers of light and dark pink hues. The bushy habit works well near the front of the border or in containers. (15-24" x 18-24") Zn4. PP14905 Propagation Prohibited.

Salvia x pratensis 'Rose Rhapsody'
Meadow Sage (Code: 4025)
 Long stems of hooded pink flower spikes appear above mounds of green wrinkled leaves in early summer. It will bloom again when spent flowers are removed. (18-20" x 24") Zn4.

Sanguisorba obtusa
Burnet (Code: 5623)
 Arching, wiry stems hold nodding pink bottlebrush spikes above elegant, lacy leaflets in summer. This tough and long-lived perennial prefers moist sites. (30" x 24") Zn4.

Sanguisorba officinalis 'Tanna'
Burnet (Code: 4738)
 Superb dwarf form of this cucumber-flavored perennial. Small burgundy-red spires top foot long stems in summer over a compact, mounding plant. Great for use in smaller borders or herb garden. (18" x 10") Zn4.

Sanguisorba tenuifolia 'Pink Elephant'
Burnet (Code: 4677)
 Tall, thin stems are topped by long, deep pink, cylindrical flowers in summer. The leaves have a neat fern-like appearance. (4' x 2') Zn4.

Saxifraga stolonifera 'Maroon Beauty'
Strawberry Geranium (Code: 4879)
 Showy rounded, reddish-green leaves with silver veins. Airy sprays of white flowers appear in early summer. It will politely colonize to make a beautiful groundcover. (12-18" x 15") Zn6.

Saxifraga x urbium 'Aurea-punctata'
Rockfoil (Code: 3437)
 Airy clouds of delicate tiny white flowers on red stems top rosettes of green and gold-splashed leaves. It makes a bright accent for shady locations. (1' x 1') Zn7.

Saxifraga x urbium 'London Pride'
Rockfoil (Code: 3435)
 Airy clouds of pale rosy flowers make this plant a perennial favorite. Large, robust, spatheolate leaves add interest. (1' x 18") Zn7.

Scabiosa atropurpurea 'Beaujolais Bonnet'
Pincushion Flower (Code: 7693)
 Rich burgundy flowers with contrasting paler outer petals and white stamens appear for months on long wiry stems, perfect for cut flowers. Ideal for attracting butterflies to your borders or containers. (20-24" x 18-24") Zn.

Scabiosa atropurpurea 'Chat Noir'
Pincushion Flower (Code: 4454)
 Very large, fragrant, double, dark red flowers bloom all season. It makes excellent cut flowers. (30-36" x 18-24") Zn10.

Scabiosa columbaria 'Butterfly Blue'
Pincushion Flower (Code: 5914)
 Loads of lavender-blue flowers bloom spring through fall on this compact plant. A rewarding garden performer, it was the Perennial Plant Association Plant of the Year for 2000. (18" x 18") Zn5.

Scabiosa columbaria 'Harlequin Blue'

Pincushion Flower (Code: 3819)

This improved pincushion flower is more vigorous with greater quantities of bloom! Large, lacy, lavender-blue flowers appear from late spring through fall. (18" x 12-18") Zn6.

Scabiosa columbaria nana 'Blue Note'

Pincushion Flower (Code: 5253)

This dwarf alpine plant has blue flowers that appear for many weeks in late spring & early summer. The flowers are attractive to butterflies. Perfect for the front of the border or rock garden. (5-6" x 6") Zn3.

Schizachyrium scoparium 'Blaze'

Little Bluestem (Code: 6852)

Bluish-green, medium to finely-textured blades form a nice-sized clump. The leaves are ablaze with reddish-hues in fall and winter. (3' x 2') Zn4.

Schizachyrium scoparium 'The Blues'

Little Bluestem (Code: 6192)

Finely-textured, silver-blue grass is topped with narrow willowy plumes in late summer. It has fantastic reddish-burgundy fall color. A native cultivar from the prairies, it tolerates heat and humidity. (12" x 12") Zn4.

Schizostylis coccinea 'Coral'

Crimson Lily (Code: 2077)

This outstanding perennial displays cup-shaped, coral-pink blooms above vigorous, narrow, iris-like foliage. It adds that glowing detail to any garden. (2' x 2') Zn7.

Schizostylis coccinea 'Red'

Crimson Lily (Code: 2080)

This gorgeous perennial produces star-shaped, vibrant red flowers above narrow, iris-like foliage. (2' x 2') Zn7.

Scrophularia auriculata 'Variegata'

Variegated Figwort (Code: 5004)

Tall spikes of tiny wine-red flowers dance above bold green and creamy-white variegated foliage with a crinkly texture. It needs rich, moist soil. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn5.

Sedum 'Matrona'

Stonecrop (Code: 6248)

Large flower heads of soft pink top this succulent award-winner in summer. Gray-green leaves edged in rosy-pink mimic the tints of the flowers. Absolutely gorgeous! (24" x 18") Zn3.

Sedum 'Sunkissed'

Stonecrop (Code: 7032)

This Sedum forms upright grayish/blue-green foliage that contrasts dramatically with creamy-yellow flowers; a novel flower color for an upright sedum! (12-18" x 12-18") Zn3. PP16927 Propagation Prohibited.

Sedum spectabile 'Neon'

Stonecrop (Code: 6936)

Wild, deep rose-pink flowers appear backlit! This excitingly-vibrant color will draw you to the garden. Succulent foliage is drought tolerant and lovely. (24" x 24") Zn3.

Sedum spectabilis 'Pink Chablis'

Stonecrop (Code: 6015)

This variegated form of Sedum 'Brilliant' has vigorous growth with an improved compact habit. Broad green succulent leaves have a clean white edge that is well displayed. Pink flowers appear in late summer from white buds. (18" x 18-24") Zn3. PP19060 Propagation Prohibited.

Sedum telephium 'Munstead Dark Red'

Stonecrop (Code: 5021)

Blooms midsummer to frost with multi-toned flowers, from raspberry-red hues to deep bronze. Dusky, blue-green leaves dothe upright maroon stems. (12-18" x 18") Zn3.

Sedum telephium 'Strawberries and Cream'

Stonecrop (Code: 4791)

Lovely lavender and purple succulent foliage is topped by red-hued buds that open to creamy-white flowers in late summer. A striking and unusual variety! (12-18" x 12-18") Zn5.

Sedum x 'Thundercloud'

Stonecrop (Code: 4865)

Cloudy gray-green succulent foliage forms a compact mound. White flowers bloom in September and make a bold contrast against the foliage. (12-15" x 12-16") Zn3.

Sidalcea 'Purpetta'
False Mallow, Prairie Mallow (Code: 3545)
 Dainty reddish-purple flowers line tall narrow stems above fresh green foliage mid-summer. A beautiful addition to the butterfly or hummingbird garden. (40" x 18-24") Zn5.

Sidalcea malviflora 'Brilliant'
False Mallow, Checkermallow (Code: 3548)
 Attractive plant with carmine-red Malva-like flowers that appear from June to September on 30" stems. (30" x 18") Zn4.

Sidalcea malviflora 'Mr. Lindbergh'
False Mallow (Code: 5858)
 Strong spikes support vivid, deep rosy-red blooms. Extremely showy and free-flowering with a bushy habit. (24-30" x 24") Zn6.

Sidalcea malviflora 'Palustre'
False Mallow (Code: 6521)
 Rosy-pink 1.5" cup-shaped flowers sparkle atop dark, scalloped foliage. Creeping stems weave through the border. This rare form makes a very pretty groundcover. (4-10" x 12-24") Zn6.

Sisyrinchium bellum
Western Blue-eyed Grass (Code: 3555)
 Violet-purple flowers with yellow centers arise above thin, iris-like foliage in spring. It requires well-drained soil. Native to the Pacific Northwest. (7-16" x 12-16") Zn8.

Sisyrinchium striatum
Yellow-Eyed Grass (Code: 3560)
 The Iris-like leaves are arranged like a fan. 1" cream-colored flowers with yellow centers are arranged up and around sturdy stems. Very showy when in bloom. (30" x 18") Zn7.

Solanum crispum 'Glasnevin'
Potato Bush (Code: 6692)
 Clusters of yellow-eyed, purple "shooting star" flowers adorn this attractive shrub throughout summer. It needs winter protection in colder areas. (10' x 9') Zn7.

Solanum jasminoides 'Album'
White Potato Vine (Code: 6150)
 Cheerful and vigorous twining vine with billowing clusters of yellow-eyed, white "shooting star" flowers. Profuse and long blooming, it needs a protected spot. (15' x 4') Zn8.

Solidago 'Crown of Rays'
Goldenrod (Code: 6828)
 Impressive late bloomer with large sprays of tiny golden-yellow flowers. Beautiful and easy to grow, it makes a great cut flower! (24" x 18") Zn4.

Solidago canadensis 'Baby Gold'
Goldenrod (Code: 3567)
 Golden sprays of flowers in large curving panicles make this an essential garden addition for late summer color. Easy to grow. (24" x 18") Zn4.

Solidago rugosa 'Fireworks'
Goldenrod (Code: 7280)
 The golden-yellow flowers arch gracefully downward like glittering trails from exploding fireworks! This late summer/early fall bloomer is a very easy plant to grow provided it has regular moisture. (30-36" x 24-30") Zn4.

Solidaster x luteus 'Lemore'
Golden Aster (Code: 5707)
 Hundreds of tiny lemon-yellow flowers in dense panicles cover deep green lanceolate leaves. A lovely late bloomer for cut flowers. (36" x 12-24") Zn6.

Stachys grandiflora 'Superba'
Betony (Code: 6195)
 Spikes of rosy-lavender blooms shine above scalloped, heavily textured fresh green leaves. Nice as a border addition. (18-24" x 12-24") Zn5.

Stachys monieri
Betony (Code: 3760)
 Grown for its flower, this Stachys has erect stems to 8", rising from neat low mounds of green foliage. Medium-pink flowers bloom over a long period. (8" x 10") Zn5.

Stipa gigantea
Giant Feather Grass (Code: 3578)
 Numerous golden seeds dangle from tall stiff stalks, creating an "aura" when back-lit. Magnificent as a specimen grass or for cut flower arrangements. A "Great Plant Pick" for the Pacific Northwest! (6-9' x 3-6') Zn6.

Stipa lessingiana 'Capriccio'
Needle Grass (Code: 4848)
 This finely-textured green grass creates a soft, delicate appearance in mixed containers or the landscape. (14-16" x 24-30") Zn6.

Stokesia laevis 'Blue Star'
Stoke's Aster (Code: 3582)
 Light blue lacy flowers are held gracefully atop sturdy stalks. This very showy summer bloomer makes a wonderful cut flower. (16" x 18") Zn5.

Stokesia laevis 'Honeysong Purple'
Stoke's Aster (Code: 6020)
 Excellent late season color! Large royal purple, cornflower-like blooms reach up to 4" across. Contrasting white stamens add to the show! (14" x 24") Zn5.

Stokesia laevis 'Mary Gregory'
Stoke's Aster (Code: 6612)
 Fluffy, cornflower-like yellow flowers top erect, leafy stems. Long summer bloom time. (12-18" x 12") Zn5.

Stokesia laevis 'Silver Moon'
Stoke's Aster (Code: 3584)
 Opalescent-white, aster-like flowers with tightly quilled rays resemble an exquisite Shasta daisy. A fantastic addition to the sunny border. (12" x 12") Zn5.

Tanacetum coccineum 'Double Market'
Painted Daisy (Code: 3386)
 Large and colorful daisies bloom in a mix of brilliant shades that include red, rose, pink or white; all with yellow centers. (24" x 18") Zn3.

Tanacetum coccineum 'Duro'
Painted Daisy (Code: 3390)
 Large double, carmine-purple, daisy-like flowers dance above ferny green foliage. A bright, eye-catching selection for the mixed border. (24" x 18") Zn5.

Tanacetum coccineum 'Robinson's Red'
Painted Daisy (Code: 3388)
 Large red, double flowers shine above lacy green foliage. A knockout in the garden, and also great for cutting. Blooms appear June through August. (24" x 18") Zn5.

Tanacetum parthenium 'Aureum'
Feverfew (Code: 2403)
 Bright golden leaves are set off by 1" white daisies with yellow centers. This great container plant blooms from summer through fall. (2' x 2') Zn4.

Tanacetum vulgare 'Crispum'
Tansy (Code: 3587)
 Luxurious, finely-cut, bright green foliage makes a lovely foil for spring and summer blossoms. Small yellow button-like flowers emerge late summer. It may require staking. (30" x 24") Zn4.

Tanacetum vulgare 'Isla Gold'
Tansy (Code: 4868)
 Brilliant gold, lacy foliage holds its color until frost. The button-like yellow flowers and gold foliage complement each other to excellent effect. It's easy to grow in full sun. (2' x 2') Zn4.

Thalictrum 'Black Stockings'
Meadow Rue (Code: 3623)
 Showy lavender-pink flowers top luxurious black stems and bright green leaves. Tall and beautiful for back of the border. (48" x 24") Zn5. PPAF

Thalictrum flavum 'Illuminator'
Meadow Rue (Code: 4164)
 Intriguing columbine-like foliage emerges pale gold/chartreuse with bronzy-pink highlights. Airy clusters of tiny yellow, fragrant flowers on tall stems, June and July. Excellent for creating unique color combinations in the border. (5' x 2') Zn5.

Thalictrum minus 'Adiantifolium'
Meadow Rue (Code: 5054)
 Foliage resembling that of a maidenhair fern is excellent for use in floral arrangements. Dainty chartreuse flowers add visual interest. A unique and beautiful selection that can naturalize nicely. (12-18" x 12") Zn5.

Thalictrum rochebrunianum
Meadow Rue (Code: 5751)
 Lovely, fern-like foliage is topped by purple-mauve flowers. Doesn't require staking and is good for coastal sites. (4-5' x 2') Zn5.

Tricyrtis formosana 'Samurai'
Speckled Toad Lily (Code: 4554)
 Clusters of starry purple flowers grace glossy green leaves with crisp white edges. An easy to grow and vigorous plant for dappled shade and moist soil. A "Great Plant Pick" for the Pacific Northwest! (16" x 24") Zn5.

Typha latifolia 'Variegata'
Variegated Cattail (Code: 4218)
 Bold green and white-striped leaves highlight cinnamon-brown cattails. Wonderful for water gardens or perpetually-moist areas. It does not spread as aggressively as the species. (5-6' x 2') Zn4.

Verbascum 'Dark Eyes'
Mullein (Code: 4143)
 Pale yellow spikes with large dark red centers bloom repeatedly. Large silver-green leaves have a rough texture and combines easily with other plants for the front of the border. (10-12" x 12") Zn5. PP16986, EU19206 Propagation Prohibited.

Verbascum 'Eleanor's Blush'
Mullein (Code: 7307)
 A chance seedling with large, gray-green leaves and strong flower spikes of peachy-orange with lighter centers. Remove spent flowers for rebloom. (36-48" x 12-18") Zn5.

Verbascum 'Jackie in Pink'
Mullein (Code: 4029)
 18" spires of pure pink blooms appear above large rosettes of foliage in summer and will rebloom if deadheaded. It performs best in well-drained soil. (18" x 12") Zn5. PP15735 Propagation Prohibited.

Verbascum 'Lavender Lass'
Mullein (Code: 3626)
 An abundance of velvety lavender flowers top compact ruffled foliage. Loads of color! Requires good drainage and will rebloom if deadheaded. (9-24" x 14") Zn5. PP16658, PVR Propagation Prohibited.

Verbascum phoeniceum 'Violetta'
Mullein (Code: 4482)
 Stunning dark purple candles rise above rosettes of fresh green leaves. Will rebloom all summer if spent flowers are removed. Prefers sun in well-drained soil. (3' x 2') Zn6.

Verbena 'Homestead Purple'
Verbena (Code: 5227)
 Rich dark purple flowers appear all summer long and are very attractive to butterflies! The dark green spreading foliage is mildew resistant. It's very vigorous and trouble-free. (8-16" x 24-36") Zn7.

Verbena 'Lapis Lazuli Blue'
Verbena (Code: 5215)
 Clusters of brilliant deep blue-purple flowers provide non-stop color spring until frost! It has a cascading habit that is a perfect choice for planters. (6-10" x 12") Zn7.

Verbena 'St. Paul' ('Sissinghurst')
Verbena (Code: 3749)
 Showy green foliage is covered with hot pink flowers in early spring. Perfect for retaining walls or between stepping stones. It forms a low-growing mat. (6" x 24-36") Zn7.

Viola 'Columbine'
Violet, Pansies (Code: 4114)
 Delicately tie-dyed violet and white miniature pansies are lightly fragrant with nice stems for cutting. A wonderful long-blooming and low maintenance selection. (4-6" x 12") Zn6.

Viola 'Heartthrob'
Hardy Violet (Code: 4145)
 Heart-shaped leaves with bronze-purple markings appear in spring. Creates a nice groundcover when planted en masse. (4-8" x 12") Zn5. PP19996 Propagation Prohibited.

Viola 'Irish Molly'
Violet (Code: 5245)
 An absolutely stunning old-fashioned cottage garden favorite! Petals are maroon-brown overlaid with a shimmer of iridescent bronze and yellow shining through on lower petals. (6" x 12") Zn6.

Viola 'Molly Sanderson'
Violet (Code: 5246)
 Unique velvety black flowers with vivid yellow centers make this cultivar stand out in any garden or container. Blooms from late winter through spring. (6" x 12") Zn6.

Viola 'Purple Showers'

Violet (Code: 4432)

Deep purple flowers bloom continuously May through July, above deep green, glossy foliage. It often blooms again in fall. (6" x 18") Zn4.

Viola 'Rebecca'

Violet (Code: 4878)

Charming pure white violets feature slightly-ruffled, feathered purple edges spring through fall. A well-behaved addition to the mixed border or container planting. (6-10" x 8-12") Zn6.

Viola cornuta 'Bowler's Black'

Violet (Code: 6458)

Deepest midnight-blue, nearly-black, velvety violets grace this heavy-blooming, compact plant. Beautiful as it is unusual. (6-9" x 12") Zn6.

Viola cornuta 'Etain'

Violet (Code: 3821)

Lovely light yellow flowers with lavender edges have a sweet fragrance. Compact and very free-flowering. It makes a great border and container plant. (4-6" x 6") Zn5.

Viola obliqua 'Royal Robe'

Marsh Violet (Code: 3702)

Remarkably-fragrant, dark purple flowers cover this charming perennial violet in early spring. A good choice for underplanting shrubs or massing in drifts. The blooms are edible. (6-8" x 12") Zn4.

Viola odorata 'Blue Remington'

Sweet Violet (Code: 5157)

Large blue violets appear in profusion from late winter through spring and sometimes in fall. The glossy green foliage is neat and trouble-free. (6" x 15") Zn5.

Viola odorata 'Rosina'

Sweet Violet (Code: 4248)

Dusky pink, sweetly-fragrant flowers bloom in early spring over heart-shaped leaves. It prefers moist conditions. (2-4" x 6") Zn5.
