

Rockery or Alpine Plant

Achillea tomentosa 'Lemon' (aka 'Lemon Yellow Form')
Yarrow (Code: 2020)
 Lovely lemon yellow flowers are set off by ferny, evergreen foliage. Excellent in rock gardens or as a groundcover. (3-4" x 16") Zn4.

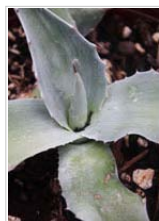

Achillea x kellereri
Yarrow (Code: 2027)
 Attractive white flowers top ferny leaves with a silvery-green, woolly appearance. Wonderful as a groundcover or for the rockery. (8" x 18") Zn3.

Agave gentryi 'Jaws'
Hardy Century Plant (Code: 7279)
 The name reflects the fantastic shape of the glossy evergreen leaves which are concave and heavily toothed. It forms a large clump that commands attention. (24" x 36-48") Zn7.

Agave montana 'Baccarat'
Mountain Agave (Code: 7282)
 This Agave features broad, blue-green evergreen leaves with beautiful silver markings on the back of the leaf, reminiscent of crystal etching. Perfect for desert rock gardens. (24-36" x 24-36") Zn7.

Agave ovatifolia 'Frosty Blue'
Agave (Code: 7627)
 One of the largest cold hardy Agaves, it can eventually grow up to 6 feet tall by 6 feet wide. The rounded rosette of short wide gray leaves are distinctively cupped with small teeth along their margins and a 1- inch long dark gray terminal spine. (6-8" x 4-6') Zn7.

Agave parryi 'J.C. Raulston'
Parry's Agave (Code: 7285)
 This Agave forms symmetrical rosettes of blue-gray wedge-shaped evergreen leaves. Slow to form offsets, it is a good choice where space is small, or for use in containers. (24" x 24-36") Zn7.

Agave parryi ssp. huachucensis
Huachuca Agave (Code: 7284)
 This Agave forms very attractive rosettes of glaucous blue-gray, wedge-shaped evergreen leaves. Perfect for xeriscaping or for containers. (24" x 24") Zn7.

Agave parryi ssp. truncata
Silver Agave (Code: 7286)
 Blue-gray succulent leaves form a marvelous symmetrical rosette. Each rounded evergreen leaf terminates with a dark pointed spike. A classic and favorite among Agave collectors. (18" x 18") Zn7.

Agave schidigera 'Black Widow'
Agave (Code: 7288)
 Rigid, dark green succulent leaves have silver marking and edges with curly fibers. The compact symmetrical growth habit makes it useful in the rock garden or in containers. (12" x 18") Zn8.

Agave striata
Hedgehog Agave (Code: 6305)
 Symmetrical, spherical rosettes consist of hard curved, narrow leaves with a pronounced terminal spike. Makes an excellent container plant. (24-36" x 36-40") Zn10.

Ajuga 'Chocolate Chip'
Bugleweed (Code: 4468)
 Bright blue flower spikes top miniature chocolate colored foliage in spring. This marvelously-dense, vigorous, spreading groundcover is excellent in containers or rock gardens. (3" x 18") Zn4.

Ajuga reptans 'Blueberry Muffin'
Carpet Bugle (Code: 7393)
 Blueberry-blue blooms on 8" spikes shine above small-leaved foliage in spring. Faster and stronger growing than A. 'Chocolate Chip', this vigorous groundcover is weather resistant as well. (5-6" x 24-30") Zn4. PPAF, PVR
 Propagation Prohibited

Alchemilla alpina
Alpine Lady's Mantle (Code: 2042)
 Tiny chartreuse flowers float above ground-hugging, glossy-green leaves. This is an excellent choice for the rockery or border edge. (6-8" x 8-12") Zn3.

Allium cernuum
Nodding Onion (Code: 2047)
 Lavender-pink, nodding flower heads are an excellent addition to the rock garden. It may naturalize under optimum conditions. (18" x 9") Zn3.

Rockery or Alpine Plant

Allium senescens 'Glaucum'
Ornamental Onion (Code: 5084)
 Soft lavender-pink, ball-shaped flowers top interesting curly blue foliage. Lovely and long-blooming, it is great for rock gardens. (6" x 12") Zn3.

Alyssum montanum 'Luna'
Basket of Gold (Code: 4891)
 Vibrant yellow flowers bloom from March to June. This beautiful rock garden plant is easy to grow in any sunny, well-drained location. (5" x 8-10") Zn3.

Anacyclus depressus 'Silver Kisses'
Mt. Atlas Daisy (Code: 2076)
 Gray, filigreed leaves form a prostrate mat. Pretty white daisies with maroon reverse sides appear in abundance May to August. An excellent groundcover or rockery specimen. (4" x 8-10") Zn6.

Antennaria dioica 'Rubra'
Pussy Toes (Code: 6663)
 Deep red flowerheads appear on 4-8" stems above tufts of tiny, tight gray leaves. Forms a low, creeping mat that is perfect between paving stones or for the sunny rock garden. This is a tough plant that will take hot spots and poor, dry soil. (4-6" x 12") Zn4.

Aquilegia 'Biedermeier'
Columbine (Code: 2118)
 Compact grower with spurred flowers in a bright mix of colors including carmine, lilac, blue, pink and cream. A great spring bloomer for front of the border or rock garden. (8-12" x 12") Zn4.

Aquilegia alpina
Alpine Columbine (Code: 2128)
 Sturdy deep azure-blue flowers grace this tight dignified plant. A wonderful, delicate accent for the border, rockery, or woodland. (18-24" x 20") Zn5.

Aquilegia canadensis 'Little Lanterns'
Columbine (Code: 4234)
 This dwarf columbine has flowers with long bright red spurs and yellow corollas. Adored by hummingbirds, it is a native cultivar of the eastern U.S. (8" x 8") Zn3.

Aquilegia flabellata 'Blue Angel'
Columbine (Code: 6909)
 Bright violet-blue flowers with sparkling-white centers grace this compact charmer. A wonderful early spring bloomer for containers or the rockery. (10" x 12") Zn3.

Arabis caucasica 'Pixie Cream'
Rock Cress (Code: 4067)
 Creamy-yellow flowers with bright yellow eyes cover velvety gray-green foliage in spring. This rock garden plant prefers well-drained soil, and moderate temperatures. (3-4" x 12") Zn3.

Arabis caucasica 'Snowcap'
Rock Cress (Code: 2140)
 This low-growing perennial is great for rock gardens or cascading over walls. Beautiful pure white flowers sparkle in spring. (4" x 12") Zn3.

Arabis caucasica 'Variegata'
Rock Cress (Code: 5356)
 Striking emerald and cream, felted evergreen leaves are topped with pure white flowers in spring. The late season foliage is very attractive. A collector's plant. (8" x 24") Zn3.

Arabis ferdinandi-coburgi 'Old Gold'
Rock Cress (Code: 5720)
 This vigorous low spreader has great evergreen leaves with wide chartreuse margins. White flowers appear in May. (4" x 18") Zn4.

Arabis x arendsii 'La Fraicheur'
Rock Cress (Code: 4069)
 Rose-pink flowers cover gray-green foliage in April. This rock garden plant prefers well-drained soil and moderate temperatures. (3-4" x 12") Zn3.

Arenaria montana
Sandwort (Code: 2147)
 Charming, low growing perennial with profuse, cup-shaped, white flowers that bloom atop small, deep green leaves. Perfect for tucking into spaces in a rock wall, or into cracks between pavers. (4" x 18") Zn4.

Rockery or Alpine Plant

Armeria 'Victor Reiter'
Sea Thrift (Code: 5090)
 This small, tufting Armeria resembles a dwarf Dianthus. A profusion of tiny pink ball-shaped flowers bloom for a long time over grassy evergreen leaves. (3-5" x 12") Zn4.

Armeria maritima 'Dusseldorf'
Sea Thrift (Code: 2151)
 Deep rose-pink, global flowers grace this compact evergreen perennial from spring into summer and again in fall. Perfect for the alpine or rock garden. (6-8" x 12") Zn4.

Armeria maritima 'Rubrifolia'
Sea Thrift (Code: 2938)
 Grassy burgundy foliage forms a tight evergreen clump, topped by numerous rose-pink clusters of flowers from spring into summer. (6" x 9") Zn4.

Artemisia pycnocephala 'David's Choice'
Wormwood (Code: 2167)
 Delicate silver foliage forms attractive soft mounds. This beautiful dwarf evergreen selection makes an excellent addition to the rock garden. (12" x 24-36") Zn7.

Artemisia schmidtiana 'Silver Mound'
Wormwood (Code: 2162)
 Attractive fern-like, silvery foliage has a dumping habit that is perfect as a rock garden plant or for edging. A great companion for geraniums or roses. (12-16" x 24") Zn3.

Aster x alpeus 'Triumph'
Aster (Code: 5321)
 Stunning violet flowers with bright orange centers are borne above semi-succulent foliage. An eye-catching addition to the summer border. (8-12" x 12") Zn4.

Aubrieta 'Dr. Mules Variegata'
Rock Cress (Code: 2107)
 This wonderful perennial has violet-purple flowers in spring that brightly contrast creeping cream and green-variegated foliage. (4" x 12") Zn4.

Aubrieta 'Dr. Mules'
Rock Cress (Code: 2235)
 Stunning blue-violet flowers smother a carpet of foliage in spring. This old-time variety is perfect for the alpine garden or tumbling over rock walls. (5" x 18") Zn4.

Aubrieta 'Red Flowering Variegated'
Rock Cress (Code: 2108)
 Variegated cream and green foliage has a trailing habit perfect for the rock garden or edge of the border. Red flowers appear in early spring. (4-8" x 10-16") Zn4.

Aubrieta x cultorum 'Rokey's Purple'
Rock Cress (Code: 2241)
 A profusion of true purple blooms cover this low-growing perennial. A very long and repeat bloomer, it is ideal for the rockery or border's edge. (3-6" x 24") Zn3.

Aubrieta x cultorum Large Flowered Mix
Rock Cress (Code: 2243)
 Varying shades of purple, plum, and violet grace this early blooming rockery favorite. Cascades down walls and sunny hillsides beautifully. Shear after flowering to keep compact. (5" x 18") Zn4.

Aurinia saxatile 'Gold Ball'
Basket of Gold (Code: 2069)
 Clouds of golden-yellow flowers shine in the garden in late spring. Perfect for cascading over walls or rock gardens. This improved selection is especially compact and full. (8" x 12") Zn4.

Azorella trifurcata 'Nana' (Bolax glebaria 'Nana')
Cushion Plant (Code: 5456)
 Small, tough, rigid leaves grow tightly together, forming a textured mound. An unusual and wonderful, evergreen spreader, great for spilling around rocks or edging paths. (12" x 6") Zn3.

Ballota acetabulosa 'All Hallow's Green'
Horehound (Code: 2257)
 This excellent drought resistant sub shrub is a great foliage accent! Quilted chartreuse leaves add wonderful texture to the garden. Tiny pale green flowers are not showy, appearing from mid to late summer. (16" x 24") Zn8.

Bellis perennis 'Pomponette Mix'
English Daisy (Code: 5773)
 Miniature, double daisies in red, pink, and white bloom profusely for many weeks in spring. Biennial. (4-6" x 12") Zn4.

Bellis perennis 'Pomponette Red'
English Daisy (Code: 2263)
 Shades of rose-red double daisies with yellow centers cover bright green foliage in spring. A colorful accent for rock gardens. Biennial. (4-6" x 12") Zn4.

Rockery or Alpine Plant

Bellis perennis 'Pomponette Rose'
English Daisy (Code: 5772)
 Rose-hued, double daisies cover bright green foliage in spring. A colorful accent for rock gardens. Biennial. (4-6" x 12") Zn4.

Bergenia 'Abendglocken'
Elephant Ears (Code: 5097)
 This clump form has large glossy, leathery evergreen foliage which turns a beautiful maroon color in fall and winter. Flower spikes are a rich magenta. (14" x 14") Zn3.

Bergenia 'Abendglut'
Elephant Ears (Code: 5629)
 This improved form has lovely deep-magenta, semi-double bells lining upright red stems, March to May. The evergreen foliage adds substance to the border and turns maroon in winter. An excellent selection! (18" x 12") Zn3.

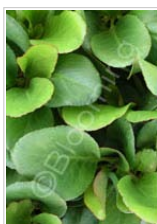

Bergenia 'Bressingham Ruby'
Elephant Ears (Code: 3648)
 Best known for its ruby-red winter foliage, this Bergenia has deep rose-pink flowers in spring. It's useful as a groundcover or as an accent in containers. (14" x 12") Zn4. PP7344, COPF Propagation Prohibited.

Bergenia 'Glockenturm'
Elephant Ears (Code: 5098)
 Sturdy evergreen leaves turn purple-maroon in winter. Deep magenta flowers appear in spring, then sporadically through summer & fall. A wonderful textural accent for the late season garden. (18" x 18") Zn3.

Bergenia 'Morgenrote'
Elephant Ear (Code: 5099)
 Short racemes of deep carmine flowers top crinkled deep green leaves. This pretty rebloomer has very attractive burgundy fall and winter foliage. (18" x 12") Zn3.

Bergenia 'Ruby Elf'
Dwarf Elephant Ears (Code: 5901)
 A lovely dwarf, compact plant with succulent green summer leaves that turn burgundy-red in winter. Pretty clusters of ruby-red bells display on 10" stems in spring. A great addition to the semi-shade border and wonderful for mixed containers. (12" x 12") Zn3.

Bergenia 'Silberlicht'
Elephant Ear (Code: 5100)
 Delicate white flowers age to pink and appear above large medium-green foliage. This vigorous grower exhibits nice red-tinted fall and winter color and is great for mass planting. (18" x 24") Zn3.

Bergenia agavifolia
Elephant Ears (Code: 4820)
 This unusual bergenia has round, olive green leaves, edged in burgundy. White blooms with pink calyxes appear in early spring. (12" x 12-16") Zn3.

Bergenia cordifolia 'Winterglut'
Elephant Ears (Code: 2390)
 Showy magenta-red flowers bloom in spring and periodically in fall. Large, rounded evergreen foliage turns glowing burgundy in fall and winter and is excellent for mass planting. (12-15" x 18") Zn3.

Bergenia hybrida 'Baby Doll'
Elephant Ears (Code: 6006)
 Delicate pink flowers age to a deeper pink in spring. The foliage is smaller than most varieties of bergenia, reaching a mere 10" tall. An excellent evergreen accent. (12-24" x 18-24") Zn3.

Bergenia purpurascens
Elephant Ears (Code: 2267)
 Reddish-purple flowers in spring enhance deep-green leaves that have a reddish hue to their undersides. This easy to grow evergreen turns burgundy in winter and early spring. (15" x 24") Zn3.

Bergeranthus jamesii
Ice Plant (Code: 4359)
 This ice plant relative blooms in summer with yellow, daisy-like flowers among tight clusters of succulent, triangular leaves. It's best suited to rock gardens or on a slope with sharp drainage. (2" x 6") Zn7.

Brachycome dilatata
Swan River Daisy (Code: 6307)
 A profusion of starry, lavender-blue 1" daisies with yellow centers bloom profusely spring to fall on this low-growing mounding plant. (4" x 12") Zn9.

Rockery or Alpine Plant

Calceolaria biflora 'Goldcap'
Pocketbook Flower (Code: 7024)

This petite charmer is adorned with sweet, pouch-like blooms of golden-yellow, dotted with red. The evergreen foliage rosette adds interest. Perfect for the shady rock garden. (12" x 8") Zn6.

Calocephalus (Leucophyta) brownii
Cushion Bush (Code: 5429)

This heavily-branched, chalk white, woolly shrub is dramatic and unusual. Topped by yellow button flowers in summer, it is a wonderful twiggy accent for containers and an excellent choice for the rockery. (18-24" x 24") Zn8.

Campanula 'Birch Hybrid'
Adriatic Bellflower (Code: 2280)

Spectacular 1" bell-shaped violet flowers cover this perennial for many months. It vigorously spreads to form a small groundcover. A "Great Plant Pick" for the Pacific Northwest. (6" x 10") Zn5.

Campanula carpatica 'Deep Blue Clips'
Carpathian Bell Flower (Code: 5965)

Stunning large, deep blue flowers cover this alpine garden classic in summer. An attractive compact habit makes it ideal for the front of the mixed border. (6" x 8-12") Zn4.

Campanula carpatica 'Samantha'
Carpathian Bell Flower (Code: 3610)

Beautiful blue-violet, upward-facing flowers are very fragrant. This little charmer re-blooms nicely with a little deadheading. A great addition to any garden or container. (3-5" x 14") Zn5. PPAF Propagation Prohibited

Campanula carpatica 'White Clips'
Carpathian Bellflower (Code: 2284)

Sparkling white, large cup-shaped flowers cover a tidy foliage clump. It makes an excellent rock garden plant, edging or groundcover. (3-4" x 12") Zn4.

Campanula carpatica x 'Royal Wave'
Carpathian Bellflower (Code: 4077)

A carpet of very fragrant purple flowers with white centers bloom for several weeks in spring. Flowers face upwards and can be up to 2" across. (8-10" x 12") Zn5. PP17761, PVR Propagation Prohibited.

Campanula cochlearifolia 'Bavarian Blue'
Carpathian Bellflower (Code: 2307)

A profusion of blue, thimble-shaped flowers sparkle all summer over this neat, mat-forming foliage. Ideal for edging, rockery, or containers. Prefers good drainage. (4" x 12") Zn3.

Campanula garganica 'Dickson's Gold'
Adriatic Bellflower (Code: 5937)

Starry lavender-blue flowers top brilliant golden foliage. An eye-catching compact charmer, it brightens partial shade even when not in flower. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 6-12") Zn5.

Campanula portenschlagiana
Bellflower (Code: 5476)

This vigorous evergreen creeper bears large clusters of open, violet-blue, bell-shaped flowers that bloom for months. Drought tolerant, it's a "Great Plant Pick" for the Pacific Northwest. It will re-seed and naturalize to form a small colony. (4" x 24") Zn4.

Campanula punctata 'Hot Lips'
Bellflower (Code: 4829)

Long blooming, 2" tubular, white bellflowers are heavily speckled with burgundy-pink "lips". Excellent in the rock garden or use as a groundcover. (10" x 10") Zn4. PPAF Propagation Prohibited

Campanula x pulloides 'Jelly Bells'
Bellflower (Code: 4587)

Large, deep violet-blue nodding bells bloom over a bright green mat of foliage in spring. A vigorous and attractive low growing perennial, it often reblooms. (8-12" x 12-15") Zn5. PPAF Propagation Prohibited.

Carex dolichostachya 'Kaga nishiki'
Gold Fountain Sedge (Code: 4805)

Fine green leaves have a gold stripe along each edge. Low and fountain-like, this sedge works well in drifts, as a formal border or specimen. Tolerant of many conditions and exposures. (12" x 24") Zn5.

Carex flacca
Blue Sedge (Code: 3734)

Evergreen chalky-blue blades spread to form a groundcover that will tolerate shade. Blue flowers on blue stems appear in early summer. (15" x 15") Zn4.

Rockery or Alpine Plant

Cerastium tomentosum 'Silver Carpet'
Snow-in-Summer (Code: 2365)
 The silvery-white mat of foliage is smothered with white flowers from April to May. Lovely as a groundcover in well drained soil. (3-6" x 18") Zn3.

Chaenorrhinum origanifolium 'Summer Skies'
Fairy Snapdragon (Code: 3785)
 Beautiful blue-purple, snapdragon-like flowers have yellow throats. Blooms in abundance all summer over dark green foliage. It makes an excellent border plant for pathways and rock gardens. (8" x 12-16") Zn6.

Chrysanthemopsis hosmariensis
Moroccan Daisy (Code: 2400)
 Large yellow-eyed, white daisies dance atop finely-cut, silver-gray leaves. This neat, low-growing form blooms on and off all summer. Choice selection for a protected spot in the rockery. (8" x 12") Zn8.

Cyclamen hederifolium
Hardy Cyclamen (Code: 7580)
 Delightful pink flowers with reflexed petals appear in fall. The low-growing, green leaves have silver markings in winter. In late spring and summer the plant goes dormant, but reappears in fall. Do not water in summer and plant so the corms are only 1/2" below the soil surface. (2-4" x 12-15") Zn5.

Cymbalaria aequitriloba
Kenilworth Ivy (Code: 3035)
 Pretty soft blue snapdragon-like flowers cover this dainty groundcover in spring and summer. It forms a completely prostrate mat that makes a nice addition to any shady woodland garden. (1" x 6") Zn6.

Delosperma 'Mesa Verde'™ ('Kelaidis')
Hardy Ice Plant (Code: 4275)
 This vigorous, compact form blooms spring to fall in iridescent hues of salmon-pink. It is perfect for the carefree sunny border or rock garden. (2" x 18") Zn5. PP13876 Propagation Prohibited.

Delosperma 'Oberg'
Ice Plant (Code: 6274)
 A profusion of small daisy-like flowers first open pink then fade to white, producing a bicolor effect in summer. The low growing mat of succulent gray-green leaves is very drought tolerant. (1-2" x 6-12") Zn7.

Delosperma 'Table Mountain' ('John Proffitt')
Hardy Ice Plant (Code: 4954)
 Fast spreading groundcover with thick succulent leaves topped by small, fuchsia colored, daisy-like blooms all summer. (2-3" x 12-16") Zn5.

Delosperma basuticum
White-eyed Hardy Ice Plant (Code: 4339)
 Glossy bright yellow flowers with white centers cover congested mats of succulent foliage in summer. This is an excellent choice for the rock garden. (1" x 8") Zn6.

Delosperma congestum 'Gold Nugget'
Ice Plant (Code: 3903)
 Low-growing succulent leaves with bright gold, daisy-like flowers bloom in summer. This is a great plant for dry soils and rock gardens. (1-2" x 12") Zn5.

Delosperma cooperi
Cooper's Hardy Ice Plant (Code: 2459)
 Vivid magenta daisies cover succulent evergreen foliage, July to September. It requires sharply drained soil to avoid damage from prolonged wet winters. (2-4" x 18") Zn6.

Delosperma dyeri 'Red Mountain'™
Ice Plant (Code: 4460)
 Brilliant scarlet-red, daisy-like flowers bloom throughout summer on this succulent, low-growing groundcover. Very drought tolerant, it prefers gritty, well-drained soil. (2" x 18") Zn5. PPAF Propagation Prohibited.

Delosperma floribundum 'Starburst'
Hardy Ice Plant (Code: 7373)
 Succulent foliage has shimmering bright pink flowers with eye-catching white centers. It blooms June through fall and does best in full sun and well-drained soil. (2-4" x 12") Zn6.

Delosperma nubigenum
Hardy Ice Plant (Code: 2460)
 Succulent, bright green foliage has red tints in the fall. Single, yellow daisy-like flowers appear late spring and early summer. This is an excellent low growing evergreen for the rock garden. (1-2" x 32-36") Zn5.

Rockery or Alpine Plant

Delosperma nubigenum 'Basutoland'

Hardy Ice Plant (Code: 3904)

From the higher elevations in Africa, this hardy Delosperma has thick fleshy leaves and brilliant yellow flowers in late spring and early summer. Very drought tolerant, it forms a low growing evergreen mat of foliage. (1-3" x 6") Zn5.

Dianthus 'Devon Cottage', Miss Pinky'

Pinks (Code: 7696)

Large, double salmon-pink blooms are delightful as cut flowers. The plant has a compact habit with grass-like blue-green leaves and blooms continuously throughout the summer when deadheaded. Wonderful as a border plant, in rock gardens, or for edging walks. (10-14" x 12-16") Zn4. PPAF Propagation Prohibited

Dianthus 'Eastern Star'

Dianthus (Code: 4724)

Perpetual flowering single, solid red flowers top dwarf blue-green grass-like evergreen foliage. Ideal for front of the border or mixed containers. (4-8" x 10") Zn4. PP14437 Propagation Prohibited.

Dianthus 'Fire Star'

Dianthus (Code: 4728)

Perpetual flowering single, solid red flowers top blue-green grass-like evergreen foliage. The flowers rebloom dependably in fall. Ideal for front of the border or mixed containers. (4-8" x 8-10") Zn4. PP14895 Propagation Prohibited.

Dianthus 'Neon Star'

Pinks (Code: 4957)

Hot neon-pink, single flowers bloom all season when spent flowers are removed. The compact habit is ideal for the front of the border. (7-12" x 12") Zn5. PP14549 Propagation Prohibited.

Dianthus 'Raspberry Swirl'

Dianthus (Code: 4958)

Flowers look hand painted and bloom all season! White petals have a raspberry edge that fades to pink plus a raspberry central ring that fades at the center. (10-14" x 12-14") Zn5. PP14377 Propagation Prohibited.

Dianthus 'Shooting Star'

Dianthus (Code: 4729)

Perpetual flowering single, soft purple flowers top blue-green grass-like evergreen foliage. Very floriferous spring bloom that is ideal for front of the border or in mixed containers. (4-8" x 8-10") Zn4. PP16431 Propagation Prohibited.

Dianthus amurensis 'Siberian Blues'

Dianthus (Code: 4956)

Lavender-blue flowers arise in big clusters on tough, vigorous plants throughout the summer. The blue-green foliage is tolerant of heat and humidity, and stays neat and compact. (10-16" x 12-16") Zn3.

Dianthus deltooides 'Brillianty'

Maiden Pinks (Code: 2549)

A profusion of charming, deep scarlet flowers with dark markings appear on wiry stems above a dense mat of foliage. A heavy bloomer! (10" x 18") Zn4.

Dianthus deltooides 'Flashing Light'

Maiden Pinks (Code: 2548)

This Dianthus features ruby-red flowers on wiry stems that appear in summer above a low-growing mat of bronze-green foliage. (6-8" x 12") Zn4.

Dianthus Devon Cottag 'Blushing Maiden' ('Valda Judith')

Dianthus (Code: 6043)

Double, bluish-pink carnations, up to 2" across, bloom in spring and again in summer when cut back. The flowers have a spicy fragrance and make excellent cut flowers. The blue-green grass-like foliage stays neat and compact. (10-14" x 20") Zn5. PP13914 Propagation Prohibited.

Dianthus Devon Cottag 'Ruby's Tuesday' ('Valda Kitty')

Dianthus (Code: 6116)

Double, ruby-red flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13872 Propagation Prohibited.

Dianthus Devon Cottage 'Fancy Knickers' ('Valda Isolde')

Dianthus (Code: 6087)

Double white flowers with red flecks are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP13915 Propagation Prohibited.

Dianthus Devon Cottage 'Rosy Cheeks' ('Valda Louise')

Dianthus (Code: 6091)

Double rosy-pink flowers are up to 2" across and have a spicy fragrance! Flowers bloom in spring above blue-green grass-like foliage and then again in summer if deadheaded. (10-14" x 20") Zn5. PP14045 Propagation Prohibited.

Rockery or Alpine Plant

Dianthus gratianopolitanus 'Bath's Pink'

Cheddar Pink (Code: 5252)

Soft pink, single, fringed flowers bloom profusely in spring. Tough, heat tolerant, gray-green, evergreen foliage is attractive even when not in flower. This is the best *Dianthus* for groundcover. (6-8" x 24-30") Zn3.

Dianthus gratianopolitanus 'Bewitched'

Cheddar Pinks (Code: 3371)

The fragrant flowers have fringed petals that are light pink with a rose-pink halo and white center. The flowers bloom from spring through summer above neat powder-blue mounds of grassy evergreen foliage. (8-12" x 18") Zn3. PP13159 Propagation Prohibited.

Dianthus gratianopolitanus 'Firewitch' ('Feuerhexe')

Cheddar Pinks (Code: 6341)

Fragrant, hot-pink flowers appear in June over grassy, blue-green foliage that forms a marvelous low cushion. Great choice for the rock garden. 2006 Perennial Plant Association Plant of the Year. (6-8" x 12") Zn3.

Dianthus gratianopolitanus 'Little Jock'

Cheddar Pink (Code: 5210)

Charming, semi-double fringed pink flowers with a red eye appear in summer above dwarf, grassy mats. Highly recommended for rock gardens! (4-6" x 12-15") Zn3.

Dianthus gratianopolitanus 'Spotty'

Cheddar Pinks (Code: 2561)

Sweetly-fragrant, crimson petals with distinctive white blotches grace each flower. Low grassy-green foliage makes a great front of the border accent. (5-6" x 12") Zn3.

Dianthus gratianopolitanus 'Tiny Rubies'

Cheddar Pinks (Code: 2514)

Tiny old-fashioned, double, jewel pink flowers bloom in profusion. Low grassy-green foliage makes a great front border accent plant. (2-6" x 10") Zn3.

Dianthus plumarius 'Essex Witch'

Cottage Pink (Code: 2504)

Bright pink, double blooms grace this spicy-scented cottage pink. Ideal for the front of the border or the rock garden. (7-12" x 12") Zn5.

Dianthus plumarius 'Mrs. Sinkins'

Cottage Pink (Code: 5432)

This old-fashioned favorite displays fragrant, blowsy, double, white blooms. The low-growing mat of grassy foliage is topped by numerous blooms in May and June. A classic! (10' x 1') Zn6.

Dianthus x allwoodii 'Frosty Fire'

Maiden Pinks (Code: 2515)

This long-flowering brilliant red variety features attractive, low-growing blue-green foliage. The blooms appear in late spring. (4-10" x 18") Zn3.

Dianthus x gratianopolitanus 'Horatio'

Cheddar Pink (Code: 2524)

Bright pink, fragrant flowers cover this marvelous little cheddar pink in late spring. It creates an eye-catching splash of color in a sunny garden. (6-8" x 12") Zn3.

Diascia 'Blackthorn Apricot'

Twinspur (Code: 5961)

Apricot-peach flowers bloom abundantly all season. Cut back occasionally to encourage rebloom and tidy habit. (6-12" x 12-18") Zn8.

Diascia 'Hector Harrison'

Twinspur (Code: 6398)

An English selection with abundant, rich salmon-colored flowers that appear in waves above bright green foliage. A fantastic container accent that blooms all summer long! (12" x 12") Zn7.

Diascia 'Jacqueline's Joy'

Twinspur (Code: 6687)

Large, rosy-pink flowers cover wiry green stems lined with tiny heart-shaped leaves. This very long bloomer is excellent for containers. (12-16" x 16") Zn7.

Diascia 'Katherine'

Twinspur (Code: 7015)

Rosy-pink flowers adorn eye-catching olive-green leaves, narrowly edged with silver. Excellent for hanging baskets or containers. (6-10" x 12-16") Zn7.

Rockery or Alpine Plant

Diascia 'Langthorn's Lavender'

Twinspur (Code: 6399)

Very pretty, small lavender flowers top this attractive rambling perennial. Excellent for container plantings! It will flower all season long if sheared occasionally. (12" x 12") Zn7.

Diascia 'Lucy'

Twinspur (Code: 6688)

Large, light coral flowers bloom in profusion above bright green foliage. It cascades beautifully over border edges and containers and blooms all summer long! (12-16" x 14") Zn7.

Diascia 'Piccadilly Denim Blue'

Twinspur (Code: 6780)

Large light violet-blue flowers appear non-stop all season above compact, slightly spreading plants. For best performance, plant in a sunny location and shear occasionally. (12" x 12") Zn8.

Diascia 'Redstart'

Twinspur (Code: 7445)

Vivid deep coral-red flowers are good for containers and the front border. Flowers throughout the summer if kept moist and sheared occasionally. (5" x 18") Zn7.

Diascia 'Ruby Field'

Twinspur (Code: 2563)

Masses of ruby-pink flowers smother this long bloomer, if kept moist and sheared occasionally. A fantastic container accent that blooms from May to October. (5" x 18") Zn7.

Diascia fetcaniensis

Twinspur (Code: 2566)

Masses of salmon-pink flowers bloom all season above fuzzy, olive-green leaves that trail and turn up on the ends. A quaint Victorian bedding plant used in baskets and border edging. (8-15" x 24") Zn6.

Diascia integerrima 'Coral Canyon'™

Twinspur (Code: 3905)

Soft pink flowers are displayed on graceful spikes. This long-blooming beauty will brighten the garden all season! It makes a nice compact display in the front of the border. (12-15" x 12-16") Zn6.

Diascia x hybrida 'Pinkie'

Twinspur (Code: 3771)

Compact and low-growing to 8" with large soft pink blooms that appear from spring through fall. It performs best in partial shade in hot climates. (8" x 8") Zn7.

Dorycnium hirsutum

Hairy Canary Clover (Code: 5178)

Pink-tinged white flowers adorn this fuzzy silver-leaf sub-shrub in late summer and fall. The flowers are followed by reddish fruit pods. It needs a sunny, well-drained site. (12-20" x 18-24") Zn8.

Erigeron glaucus

Beach Aster (Code: 2610)

Small, lavender-rose, fringed daisies shine over a compact, dark-green mound. This NW native thrives in coastal conditions! (6" x 12") Zn6.

Erigeron karvinskianus 'Profusion'

Santa Barbara Daisy (Code: 2612)

Small white daisies mature to pink and are borne in "profusion" on this charming, long-blooming perennial. (10" x 16") Zn7.

Erigeron linearis

Fleabane (Code: 6673)

Bright yellow daisies bloom for a long time in spring. Ornamental thread-leaf foliage an added bonus. This NW native plant grows best in sunny, dry, well-drained sites. (12" x 12-16") Zn5.

Erigeron x moerheimii

Santa Barbara Daisy (Code: 4042)

Soft pink daisies smother this trailing, airy plant. Seldom out of bloom, it is useful as a small scale groundcover, trailing over walls or in containers. (4" x 12-24") Zn7.

Eriogonum umbellatum ssp. polyanthum var. subalpinum

Sulfur Flower, Buckwheat (Code: 5918)

Umbels of yellow flowers age to orange-red and persist for weeks in late spring and early summer. The gray-green spoon-shaped leaves form a low mound. Requires gravelly soil. This species is found in the mountains of Southern Oregon and Northern California. (8-12" x 15-24") Zn3.

Rockery or Alpine Plant

Erodium chrysanthum

Heron's Bill (Code: 2629)

Diminutive plant with a long display of light primrose-yellow flowers above fern-like, fuzzy, gray-green foliage. Grows best in full sun and gravelly, well-drained soil. Drought tolerant. (5" x 12") Zn5.

Erysimum 'Sunlight'

Wallflower (Code: 2642)

Sweetly-scented, sunny-yellow flowers grace this mounding perennial. An excellent low-growing accent; perfect for the rock garden. (6" x 18") Zn6.

Erysimum 'Wenlock Beauty'

Wallflower (Code: 2376)

In spring, dusky-mauve flowers turn a variety of rose shades, then fade to buff. The flowers bloom above bushy, deep green foliage. (12" x 20") Zn6.

Erysimum kotschyianum 'Orange Flame'

Creeping Alpine Wallflower (Code: 2638)

Lovely, warm orange flowers adorn this prostrate alpine charmer. Adds bright color to the rockery garden or mixed border. (6" x 12") Zn6.

Erysimum perovskianum 'Gold Rush'

Wallflower (Code: 4960)

An extremely fragrant variety with large yellow flower spikes in spring. This uniform, compact plant is an ideal choice for the rock garden. (6" x 10") Zn6.

Euphorbia 'First Blush'

Spurge (Code: 3847)

New growth appears with a rose-pink flush in cool conditions. Later, the foliage matures to pale green with white margins. Bright yellow flowers appear in spring. (12" x 12-18") Zn4. PP15292 Propagation Prohibited.

Euphorbia cyparissias 'Fen's Ruby'

Cypress Spurge (Code: 3268)

Very finely-textured leaves emerge ruby-red and fade to bluish-green. The leaves are topped in summer by heads of chartreuse flowers. It naturalizes to form a groundcover. (8-12" x 18-24") Zn5.

Festuca 'Silver Heron'

Blue Fescue (Code: 2173)

This unique fescue exhibits a marvelous multi-hued effect. Most of the narrow, needle-like blades are a lovely sea-blue, others are green. Rounded tufts bloom with pale beige spikes in summer. (8-10" x 12") Zn4.

Festuca californica

California Fescue (Code: 7420)

Finely-textured grayish blue-green blades form a soft evergreen mound. Drooping, violet-tinged flower stems are held above the foliage from late spring to early summer. It's wonderful as a groundcover or edging plant. (12-18" x 12-16") Zn7.

Festuca glauca 'Boulder Blue'

Blue Fescue (Code: 4678)

This wonderful small mounding fescue has a deep, frosty-blue hue. Golden inflorescences bloom in spring, then fade to a wheat color that lasts through fall. (8-10" x 12") Zn4.

Festuca glauca 'Elijah Blue'

Blue Fescue (Code: 5990)

Compact, soft powder-blue mound of finely-textured leaves is followed by narrow, wheat-colored plumes. Great as edging or in the front of the border, it is also good for the rockery. (8-12" x 8-12") Zn4.

Festuca idahoensis 'Siskiyou Blue'

Fescue (Code: 4662)

This elegant grass has frosty blue-green, finely-textured foliage all year. Clump forming, it stands up to heat and drought. Tall flowering plumes appear in late spring. (12-18" x 12") Zn5.

Festuca idahoensis 'Stanislaus River'

Fescue (Code: 4651)

This evergreen grass is more compact than the species, with blue-green foliage. Tan flowerheads appear from late spring through early summer. (12" x 12-16") Zn5.

Festuca ovina 'Blauglut'

Blue Fescue (Code: 6168)

This compact, clumping grass features narrow blades of intense silver-blue. Thin, taupe flower spikes appear in late summer. (18" x 18") Zn4.

Rockery or Alpine Plant

Gaultheria procumbens

Wintergreen (Code: 2690)

Elegant, North American native, evergreen groundcover for moist, well-drained, shaded areas. Tiny white bell-shaped flowers in spring produce red berries in fall with the taste of wintergreen. (2-3" x 24") Zn3.

Geranium cinereum 'Lawrence Flatman'

Grayleaf Geranium (Code: 2694)

Magenta-veined, dark lavender flowers top small, divided, wedge-shaped leaves in spring and summer. An excellent choice for the rock garden, it is also a "Great Plant Pick" for the Pacific Northwest! (10" x 18") Zn5.

Geranium cinereum 'Purple Pillow'

Grayleaf Geranium (Code: 3932)

Cup-shaped flowers are reddish-plum in color and accentuated by darker plum veins and central eye. It blooms all summer long at moderate temperatures. The low-growing, gray-green, deeply-lobed foliage is perfect in the rock garden. (2-4" x 12-16") Zn5. PP12829 Propagation Prohibited.

Geranium sanguineum 'Max Frei'

Bloody Cranesbill (Code: 5808)

This lovely dwarf cultivar has a spreading habit and large rosy-magenta flowers that bloom from May to August. (4-6" x 12") Zn4.

Geranium x oxonianum 'Orkney Cherry'

Cranesbill, Hardy Geranium (Code: 4793)

Bright pink flowers bloom from June to September over purple-bronze trailing foliage. It makes a stunning addition to the front of the border. (8-10" x 12") Zn5. PP18263 Propagation Prohibited.

Geum 'Mango Lassi'

Avens, Grecian Rose (Code: 4167)

A Blooming Advantage introduction. Large and delicate double flowers display warm shades that vary from apricot to mango. The evergreen foliage clump remains neat and compact. (12" x 12") Zn5.

Geum 'Pumpkin'

Avens, Grecian Rose (Code: 4900)

A Blooming Advantage™ introduction! Large pumpkin-orange flowers cover this dwarf Geum, lending cheer and glowing color to any border. (12" x 12") Zn5.

Geum 'Queen of Orange'

Avens, Grecian Rose (Code: 4799)

An improved form that is more floriferous and earlier blooming than the species. In spring, this evergreen perennial is covered with orange flowers for over a month. (12-15" x 12-16") Zn5.

Geum montanum

Mountain Avens (Code: 2730)

This is alpine Avens forms a low mat of leaves that remain fresh throughout the summer. The large, golden flowers are produced from late spring to early summer. It's easily grown in a well drained soil. (6-8" x 12") Zn3.

Geum x coccineum 'Borisii'

Avens, Grecian Rose (Code: 2731)

This petite rockery gem produces many brilliant orange flowers mid-to-late spring. The low-spreading, evergreen foliage adds year-round interest. (8" x 10") Zn5.

Geum x coccineum 'Fire Lake'

Avens, Grecian Rose (Code: 2729)

This upright-growing perennial has large 6" leaves and vivid, red-orange flowers that rise on tall stems. Great for rock gardens. (12" x 12") Zn5.

Gypsophila cerastioides

Creeping Baby's Breath (Code: 2740)

Profuse, white, single flowers with violet veins, bloom on low-spreading foliage in spring. An excellent choice for rockery or edging. (2-3" x 24") Zn5.

Gypsophila repens 'Rosea'

Pink Creeping Baby's Breath (Code: 2745)

Clouds of pink flowers on prostrate gray-green foliage have stems that are often tinted red. A great choice for the rockery. (4-6" x 18-24") Zn3.

Hebe 'Blue Eyes'

Hebe (Code: 4749)

Tiny emerald leaves densely line black-purple stems on this fabulous compact Hebe. Clusters of tiny, icy-blue flowers deepen to violet. Excellent as an evergreen groundcover or rockery accent. (6-8" x 18-24") Zn7.

Rockery or Alpine Plant

Hebe 'Emerald Gem'

Hebe (Code: 4615)

Compact, tight-mounding shrub with miniature green foliage. Excellent in rock gardens, containers, or mixed in front of the border. (2' x 2') Zn7.

Hebe 'Inverey'

Hebe (Code: 6665)

This small, low-growing shrub, has charming sage-colored leaves that are beautifully offset by dark purple leaf bases and stems. Lavender-purple flowers appear from late spring into summer and sometimes again in fall. (6-8" x 18-24") Zn7.

Hebe 'Lavender Spray'

Hebe (Code: 4600)

Fast growing, spreading plant with rich green leaves and lavender-mauve flowers that bloom spring to early summer. Excellent as a groundcover or spilling over walls. (4-6" x 18-24") Zn7.

Hebe 'Walter Buccleugh'

Hebe (Code: 4515)

This low-growing evergreen shrublet is perfect for rock gardens. The spear-shaped leaves are gray-green with red edges and flower spikes of red-purple appear in early summer. (12-18" x 18") Zn7.

Hebe albicans prostrata

Hebe (Code: 4187)

Low-growing, spreading form of Hebe albicans. Forms a multi-branched, bushy shrub that's evergreen and twice as wide as tall. Reddish buds become spikes of white flowers in June and July. (8-10" x 16-24") Zn7.

Hebe cupressoides 'Boughton Dome'

Hebe (Code: 5736)

A dense, rounded, dwarf evergreen shrub of unusually good form and deep green color. Although it doesn't flower, it makes an excellent foliage plant. This is one of the hardiest Hebes! (18-24" x 12-24") Zn7.

Hebe pimeleoides ssp. pimeleoides (var. minor)

Hebe (Code: 4361)

This is a low, spreading Hebe just 6" tall with small blue-gray evergreen leaves. Lavender-purple flowers bloom at the ends of its black stems in summer. An excellent choice for the rock garden. (6" x 12") Zn7.

Hebe pinguifolia 'Sutherlandii'

Hebe (Code: 6880)

Profuse short spikes of white blossoms with blue anthers grace this evergreen shrublet in late spring. The small, densely-branched foliage is sea-foam green in color. It's harder than many other Hebes. (10-16" x 36") Zn7.

Hebe vernicosa

Hebe (Code: 6879)

White flowers with purple anthers top small glaucous, shell-like leaves. Reputedly one of the hardiest Hebes. This dwarf spreading form is suitable for the rock garden or as an evergreen groundcover. (6-12" x 15") Zn7.

Hebe x pimeleoides 'Clear Skies'

Hebe (Code: 4772)

Beautiful triangular blue leaves on dark stems grace this hybrid from Graham Hutchins of County Park Nursery in England. Blue flowers appear in summer. A great container accent. (12-18" x 18") Zn8. PP15746 Propagation Prohibited.

Helianthemum 'Annabel'

Sun Rose (Code: 5615)

Fully-double, rosebud-pink flowers are held on short, wiry stems above evergreen foliage. Drought tolerant, it is excellent for the rockery or mixed border. (12" x 18") Zn4.

Helianthemum 'Belgravia Rose'

Sun Rose (Code: 3775)

Vivid deep rose-hued flowers are borne in abundance, late spring through early summer. This mounding gray-green, evergreen shrublet is versatile and drought tolerant. (12" x 18") Zn4.

Helianthemum 'Cheviot'

Sun Rose (Code: 6877)

Soft, papery, peach blooms with yellow centers top eye-catching silvery foliage. Drought-tolerant, it is an attractive evergreen groundcover or edging. (12" x 18") Zn4.

Helianthemum 'Dazzler'

Sun Rose (Code: 2792)

Bright crimson flowers on wiry stems are held above glossy, green foliage. This drought tolerant, fast growing perennial nicely accentuates the front of the border. (12" x 18") Zn4.

Rockery or Alpine Plant

Helianthemum 'Fire Dragon'

Sun Rose (Code: 5679)

Warm translucent orange blooms cover the plant in late spring. Low growing, evergreen foliage is perfect for the rock garden or front of the perennial border. (10" x 18") Zn4.

Helianthemum 'Henfield Brilliant'

Sun Rose (Code: 2797)

Bright coppery orange-red flowers provide vivid contrast to gray-green leaves! This drought tolerant, fast growing evergreen sub-shrub nicely accentuates the front of the border. (12" x 18") Zn4.

Helianthemum 'Mesa Wine'

Sun Rose (Code: 4893)

Rich violet-red flowers cover dark green foliage in spring. This low growing, evergreen shrublet is also drought tolerant. (12" x 18") Zn4.

Helianthemum 'Raspberry Ripple'

Sun Rose (Code: 2800)

Deep rose and white, bi-color flowers on wiry stems are held above narrow silvery foliage. This drought tolerant perennial makes an attractive evergreen groundcover when planted in groups. (12" x 18") Zn4.

Helianthemum 'St. Mary's'

Sun Rose (Code: 2806)

Large single, white flowers cover sturdy, deep green foliage. Tough and drought tolerant, it's perfect for rock gardens and the front of the border. It can also be used as an evergreen groundcover when planted in groups. (12" x 18") Zn4.

Helianthemum 'Wisley Pink'

Sun Rose (Code: 2810)

Single, rose-pink flowers top soft silvery foliage. This drought tolerant, fast growing perennial makes an attractive evergreen groundcover when planted in groups. (12" x 18") Zn4.

Helianthemum 'Wisley Primrose'

Sun Rose (Code: 2812)

Soft yellow flowers cover silvery, evergreen foliage. This drought tolerant plant is excellent in rock gardens or mixed into borders. (1' x 2') Zn4.

Helianthemum nummularium 'Ben Ledi'

Sun Rose (Code: 5649)

Single, vibrant rose flowers have a deeper flush to their centers. This carefree, glossy-leaved perennial is evergreen and drought tolerant! (12" x 18") Zn4.

Helianthemum nummularium 'Ben Nevis'

Sun Rose (Code: 3767)

Brilliant orange flowers with red centers cover evergreen foliage in spring. A perfect addition to the rock garden or hot sunny border. (12" x 18") Zn4.

Helianthemum x 'Peach'

Sun Rose (Code: 2799)

Soft peach-hued flowers on wiry stems are held above green, glossy, evergreen foliage. This drought tolerant, fast growing perennial nicely accentuates the front of the border. (12" x 18") Zn4.

Helichrysum italicum 'Dwarf'

Dwarf Curry (Code: 6889)

Lovely silvery-white foliage has the fragrance and flavor of curry. The yellow flowers also dry well. A great accent for the herb garden or mixed planters. (12" x 12") Zn8.

Herniaria glabra

Rupturewort (Code: 2843)

This evergreen, prostrate groundcover creates a thick mat that is excellent for banks and between pavers. The red-tinged winter foliage adds interest to any garden. (12" x 12") Zn4.

Herniaria glabra 'Sea Foam'

Striped Rupturewort (Code: 4242)

This ground-hugging mat of foliage slowly spreads to 12" wide, with tiny green leaves edged in creamy-white. It has better heat resistance than variegated thyme, but is similar in appearance (1" x 12") Zn4. PP15989 Propagation Prohibited.

Heuchera 'Amethyst Myst'

Coral Bells (Code: 6408)

Rich burgundy, evergreen leaves have deep green veins and silver overlay. A truly stunning Coral Bell! (26" x 17") Zn4.

Rockery or Alpine Plant

Heuchera 'Can Can'

Coral Bells (Code: 3347)

Ruffled burgundy, evergreen foliage with metallic-silver overlay and dark veining, forms a compact 9" mound. Excellent for massing in the mixed border, as a specimen, or container accent. (9-26" x 16") Zn4. PPAF Propagation Prohibited

Heuchera 'Caramel'

Coral Bells (Code: 3945)

The glowing caramel-colored, evergreen foliage is also heat resistant! A vigorous grower with creamy-white flowers in early summer. It provides dramatic foliage contrast and combines well with warm color schemes. (18-24" x 18-24") Zn5. PP16560 Propagation Prohibited.

Heuchera 'Crimson Curlys'

Coral Bells (Code: 4808)

Extremely ruffled, deep red, evergreen foliage topped by wands of near-white flowers in late spring. It has a tight, dumping habit. (12-18" x 12-18") Zn4. PP13729 Propagation Prohibited.

Heuchera 'Malachite'

Coral Bells (Code: 4981)

Ruffled and curled, soft green foliage is topped by hundreds of dainty white flowers in spring. The evergreen foliage is durable and easy to grow. (12-18" x 12-18") Zn4.

Heuchera 'Marmalade'

Coral Bells (Code: 7543)

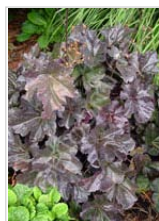

Evergreen leaves emerge bright reddish-bronze in early spring and fade to a mix of stunning amber, deep sienna and brick-red. Spires of deep red blooms appear in spring. (10-16" x 18") Zn4. PP15945, EU17452 Propagation Prohibited.

Heuchera 'Midnight Rose'

Coral Bells (Code: 4128)

In spring, dark purple-black, evergreen leaves have hot pink spots that nearly glow in the dark! By summer the foliage fades to medium purple with creamy-pink spots. White flowers appear in June. (10-12" x 15") Zn4. PP18551, PVR Propagation Prohibited.

Heuchera 'Obsidian'

Coral Bells (Code: 2102)

This cultivar has the darkest foliage of any Heuchera! The large satiny, purple-black, evergreen foliage only gets darker in sunlight. An excellent specimen in borders or containers. (12-18" x 12") Zn4. PP14836, EU15761 Propagation Prohibited.

Heuchera 'Peach Flambe'

Coral Bells (Code: 4004)

Glowing red, evergreen leaves have peach overtones in spring, summer and fall, then turn to plum shades in winter. White flowers appear in late spring. (12-18" x 12-18") Zn4. PP17195, EU20615 Propagation Prohibited.

Heuchera 'Plum Pudding'

Coral Bells (Code: 6826)

Heart-shaped, plum-colored, evergreen foliage has pewter tones and deeper-hued veins. Airy green and maroon flowers on tall stems last until mid-summer. A popular and excellent accent plant. (12" x 18-24") Zn3. EU3330, COPF Propagation Prohibited.

Heuchera 'Purple Petticoats'

Coral Bells (Code: 4457)

Frippy dark purple, evergreen foliage looks like ruffled petticoats. One of the best plants for winter foliage. Small, creamy flowers appear in late spring. Winner of many awards. (12" x 28") Zn4.

Heuchera 'Rave On'

Coral Bells (Code: 4129)

Showy pink flowers bloom profusely spring through summer above evergreen, silvery foliage with burgundy veins. This is one of the few Heucheras where the flowers rival the foliage. (10-16" x 12") Zn4. PP18127, EU23086 Propagation Prohibited.

Heuchera 'Regina'

Coral Bells (Code: 5563)

Airy sprays of tiny pink bells rise on 24" tall stems above a compact mound of evergreen burgundy-bronze leaves overlaid with silver. (12-24" x 12-18") Zn3.

Heuchera 'Sashay'

Coral Bells (Code: 4130)

Deeply-cut, ruffled, green leaves are contrasted by warm burgundy undersides. Extensive ruffling creates a marvelous two-tone effect on the evergreen foliage. A Garden Merit winner. (10-12" x 10-16") Zn4. PPAF Propagation Prohibited

Heuchera 'Stormy Seas'

Coral Bells (Code: 4698)

Ruffled evergreen leaves emerge maroon-purple and age to bronze-green with purple undersides. Pink flowers emerge late spring to early summer. (12-18" x 18-24") Zn4. PPAF Propagation Prohibited

Rockery or Alpine Plant

Heuchera americana 'Dale's Strain'

Coral Bells (Code: 2597)

Attractive silvery-blue, marbled foliage is topped with tiny creamy-white flowers in spring. An excellent evergreen, drought-tolerant native perennial. (18" x 24") Zn4.

Heuchera americana 'Green Spice'

Coral Bells (Code: 4889)

Large silvery-green leaves have dark purple venation and deeper-green edges. Insignificant flowers appear on tall stems in June but the evergreen foliage provides great fall and winter color. Very popular and one of the best! (12-24" x 18-24") Zn4. PPAF Propagation Prohibited

Heuchera micrantha 'Palace Purple'

Coral Bells (Code: 2851)

Beautiful mahogany-red leaves form a large evergreen mound. Creamy-white flower spikes rise to 20" from mid-spring to early summer. 1991 Perennial Plant Association Plant of the Year. (18" x 16") Zn3.

Heuchera villosa 'Georgia Peach'

Coral Bells (Code: 4003)

Large evergreen, peach-colored leaves with silver overlay, turn rosy-purple with silver in winter. The foliage is tolerant of heat and humidity. White flowers appear in late summer. (18-24" x 18-24") Zn5. PP19375, PVR Propagation Prohibited.

Heucherella 'Dayglow Pink'

Foamy Bells (Code: 3982)

A color breakthrough! The brightest pink flowers of any Heuchera, Tiarella or Heucherella. It blooms profusely, with flowers lasting up to 6 weeks above the evergreen foliage! (10-18" x 12-18") Zn4. PP12164, EU11469 Propagation Prohibited.

Heucherella 'Rosalie'

Foamy Bells (Code: 3330)

Rounded green leaves with dark central spotting and prominent veining are topped by sprays of foamy pink flowers. Interesting and unique! Great choice for massing in a partly shady site. (12-18" x 18") Zn4.

Hyssopus officinalis 'Dwarf Blue'

Blue Hyssop (Code: 8065)

This perennial sub-shrub features dark green leaves topped by marine-blue flower spikes. It attracts bees and makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Hyssopus officinalis 'Roseus'

Rose Hyssop (Code: 8064)

This perennial sub-shrub features dark green leaves topped by soft pink flower spikes. Attractive to bees, it makes a nice dwarf hedge for rock gardens. (12" x 10") Zn3.

Iberis 'Snow Cushion'

Candytuft (Code: 7695)

This dwarf form of candytuft has showy, white blossoms in spring. It has a low spreading form with glossy, fine textured evergreen foliage that is deep green in color. Highly recommended for rock gardens! (4-6" x 12-18") Zn3.

Iberis sempervirens 'Kingwood Compact'

Candytuft (Code: 2902)

This evergreen plant has a tidy habit with tiny leaves and pure white flowers in spring. An excellent addition to the rock garden. (8" x 12") Zn3.

Iberis sempervirens 'Purity'

Candytuft (Code: 2906)

Large white flower clusters cover glossy deep green foliage for months in spring. A carefree evergreen accent, perfect for massing or for the rockery. (8-10" x 12") Zn3.

Iberis sempervirens 'Snowflake'

Candytuft (Code: 2907)

Pure white flowers top short, broad, evergreen leaves. Grows to form a wide cushion that is perfect for rock gardens. (10" x 18") Zn3.

Iris pumila 'Blue Denim'

Dwarf Bearded Iris (Code: 2958)

Attractive ruffled, light blue flowers top this compact and floriferous selection in spring. Excellent for borders or the rock garden. (12-18" x 12") Zn4.

Iris pumila 'Claret'

Dwarf Bearded Iris (Code: 5974)

Deep, lustrous wine-red flowers top this compact and floriferous selection. Excellent for edging or the rock garden. (8-12" x 8") Zn4.

Rockery or Alpine Plant

Iris pumila 'Deep Purple'

Dwarf Bearded Iris (Code: 5131)

Rich, royal purple blooms top this charming dwarf Iris in spring. Excellent for the front of the border or rockery. (12" x 12") Zn4.

Iris pumila 'Peppermint Twist'

Dwarf Bearded Iris (Code: 6345)

Sweet as candy! White flowers have reddish-purple veins at petal edges. Perfect for the rockery or edge of the border. (12" x 12") Zn4.

Iris pumila 'Yo Yo'

Dwarf Bearded Iris (Code: 5760)

Soft ivory flowers with a lavender flush make a striking accent for the rockery. Soft yellow falls add nice contrast on this dwarf Iris. (12" x 12") Zn4.

Koeleria 'Tiny Tot'

Blue Hair Grass (Code: 7659)

This dwarf ornamental grass has distinctly blue-green fine-textured foliage that's topped by narrow erect flower panicles in late spring. The inflorescences open light green and then age to a pleasing buff color. Excellent when used as a filler in mixed containers. (8-10" x 8-12") Zn5.

Lavandula angustifolia 'Thumbelina Leigh'

English Lavender (Code: 3992)

This dwarf Lavender grows only 6" tall! Dark violet flowers appear in summer on short stems above the foliage and often reblooms if deadheaded. (6" x 12") Zn5. PP15231 Propagation Prohibited.

Lavandula stoechas 'Blueberry Ruffles'

Spanish Lavender (Code: 7053)

Light pink bracts look like rabbit ears and appear above violet-blue flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Lavandula stoechas 'Mulberry Ruffles'

Spanish Lavender (Code: 7049)

Light pink bracts look like rabbit ears that appear above deep rose-pink flowers in late spring. Fragrant gray-green, needle-like foliage is mostly evergreen. (24" x 24") Zn7. PPAF Propagation Prohibited.

Leptinella squalida

Brass Buttons (Code: 2450)

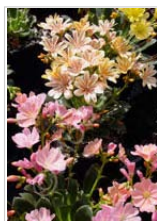

Small, bronze-green, feathery foliage is great between stepping stones. This very tight, low-growing evergreen groundcover is exceptional! (1" x 24") Zn6.

Lewisia cotyledon 'Alba'

Bitter Root (Code: 5137)

Sparkling pure white flowers grace this succulent-leaved alpine for rockery or trough garden. It prefers partial sun and fast drainage. (10" x 18") Zn6.

Lewisia cotyledon 'Regenbogen'

Bitter Root (Code: 5264)

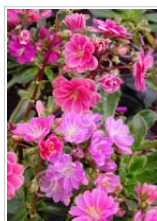

Succulent rosettes are topped by clusters of rainbow-hued flowers in late spring and early summer. This choice alpine requires excellent drainage. (10" x 36") Zn4.

Lewisia cotyledon 'Sunset Strain'

Bitter Root (Code: 5621)

Blooms glow in marvelous shades of pink, orange, and yellow. The succulent leaves form an evergreen rosette. This alpine charmer is perfect for containers as well as the garden. (10" x 18") Zn4.

Lewisia x cotyledon 'Little Plum'

Bitter Root (Code: 4480)

Intensely rose-purple flowers have the slightest orange highlights. Blooms appear in late spring and often again in fall. A choice rockery selection. (6" x 12") Zn5.

Limonium latifolium 'Blue Diamond'

Statice (Code: 3581)

Delicate sprays of purple-blue flowers brighten up the garden on this florist's favorite. Excellent for dried arrangements or rock gardens. (10" x 8") Zn4.

Mazus radicans 'Albiflorus'

Swamp Musk (Code: 5346)

This groundcover forms a dense, flat carpet of bright green. White flowers with a creamy-yellow throat, give brightness and color in spring and summer. (2-4" x 24-36") Zn5.

Rockery or Alpine Plant

Mazus reptans

Creeping Mazus (Code: 5523)

Lavender flowers speckled with yellow top a bright green foliage mat. An excellent accent for the rockery, between pavers, or borders. Spreads quickly. (2" x 24") Zn5.

Monarda 'Cranberry Lace'

Bee Balm (Code: 7863)

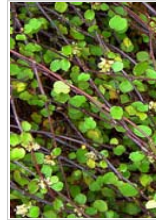

This compact Monarda has spring green aromatic foliage covered in pink-purple hummingbird magnet blooms! (12-18" x 12-24") Zn4.

Monarda 'Pink Lace'

Bee Balm (Code: 7864)

Pink Lace produces an abundance of lipstick-pink flowers with purple centers atop dark stems from midsummer to early fall. She also offers a compact alternative at 16 inches to the historically taller cultivars. (12-16" x 14-20") Zn4.

Muehlenbeckia axillaris

Creeping Wire Vine (Code: 6848)

Low-growing New Zealand native has dark wiry stems that contort, curl and bend. Small attractive green leaflets and fruit is a translucent white with black seeds. Great for topiary. (4-10" x 12-18") Zn3.

Myosotis sylvatica 'Alba'

Forget-Me-Not (Code: 3133)

Clouds of white Forget-Me-Nots shine above green foliage, making this plant an adorable companion for all those spring-flowering bulbs. Biennial. (9" x 12") Zn3.

Myosotis sylvatica 'Rosea'

Forget-Me-Not (Code: 3134)

Clouds of pink forget-me-nots shine above green foliage, making this a wonderful little companion plant for spring-flowering bulbs. Biennial. (9" x 12") Zn3.

Nemesia 'Serengeti Upright Violet & White'

Nemesia (Code: 7608)

Soft violet flowers with white highlights bloom continuously when temperatures are cool to moderate. Excellent for mixed containers or as a bedding plant. (6-12" x 6-12") Zn9.

Nemesia 'Serengeti® Sunset'

Nemesia (Code: 4571)

An unbelievable kaleidoscope of color combines yellow, orange and fuchsia-red in a single gorgeous trailing form. Perfect for mixed containers or hanging baskets, this Nemesia adds warmth to the garden too. (6-10" x 6-12") Zn9.

Nemesia hybrida 'Serengeti Yellow'

Nemesia (Code: 7019)

Cheerful yellow flowers bloom continuously when temperatures are cool to moderate. Excellent for mixed containers or as a bedding plant. (6-10" x 6-12") Zn9.

Nepeta 'Pink Pixie'

Catmint (Code: 4894)

A real breakthrough, this dwarf Catmint has medium pink flowers that bloom in early summer above gray-green foliage. It will rebloom when spent flowers are removed. Easy to grow. (6-9" x 12-16") Zn4.

Nepeta racemosa 'Little Titch'

Dwarf Catmint (Code: 7115)

Sweet blue flowers grace this dwarf Catmint repeatedly. Low mounds of gray-green foliage stay compact and carefree. (6-10" x 12") Zn3.

Nierembergia repens

Cup Flower (Code: 3145)

This wonderful groundcover has 2" wide, showy white cups above mat-forming bright green leaves. (2" x 16") Zn7.

Oenothera fremontii 'Shimmer'

Evening Primrose (Code: 7694)

Bright lemon-yellow saucer-like blooms appear in spring, then bloom again mid summer and fall! The fine textured silver and green variegated foliage is showy even when not in flower. Compact habit. (10" x 18") Zn4. PP19663 COPF

Ophiopogon japonicus 'Nanus'

Dwarf Mondo Grass (Code: 5078)

Dark forest-green, grass-like foliage forms a low-growing, spreading groundcover. Light lavender flowers in summer become navy-blue berries in fall. Great for underplanting or edging. (5" x 18") Zn7.

Rockery or Alpine Plant

Ophiopogon planiscapus 'Ebony Knight'

Black Mondo Grass (Code: 4429)

Eye-catching, strap-like leaves of an almost black hue lend subtle sophistication to the perennial garden. Palest purple-white flowers appear in summer. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12") Zn6.

Origanum 'Amethyst Falls'

Oregano (Code: 4453)

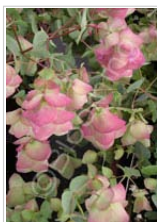

Large sprays of pendulous, chartreuse bracts with protruding bright purple flowers appear in summer. Attractive, fragrant leaves enhance this amazing, long-blooming ornamental Oregano. It performs best in well-drained soil. (8-12" x 24") Zn5. PPAF Propagation Prohibited.

Origanum 'Barbara Tingey'

Ornamental Oregano (Code: 4355)

Flowers with small corollas surrounded by showy, rosy-green, papery bracts bloom profusely above leathery leaves and wiry trailing stems in late summer. Good for hanging baskets or as a dried flower. (10-12" x 12-16") Zn8.

Origanum rotundifolium 'Kent Beauty'

Oregano (Code: 6162)

Delicate drooping clusters of unusual, pink hop-like flowerheads accent pale gray, heart-shaped leaves that have the scent of Oregano. The flowers retain their color beautifully when dried. (12" x 18") Zn5.

Origanum sp.

Sicilian Oregano (Code: 6447)

This upright, culinary Oregano has gray-green foliage with a strong spicy aroma and flavor. The leaves are topped by tiny white flowers in summer. (18" x 18") Zn6.

Origanum vulgare 'Aureum'

Golden Marjoram (Code: 8100)

Beautiful crinkled golden foliage is a nice color contrast for the rockery or garden edge. It has a mild oregano flavor that will enhance food when used fresh or dried. (4" x 16") Zn6.

Origanum vulgare 'Dark Leaf'

Oregano (Code: 5932)

Rich dark green leaves have a robust flavor and a wonderful spicy aroma too! The foliage is equally beautiful in the herb garden, rockery or the mixed border. (10-12" x 14") Zn5.

Origanum vulgare 'Dr. Letswaart'

Golden Oregano (Code: 8136)

Beautiful golden foliage adds great color contrast to the garden. Nice mild flavor makes it good for culinary use, fresh or dried. (3-4" x 18") Zn5.

Origanum vulgare 'Hot & Spicy'

Oregano (Code: 2139)

One of the tastiest cultivars of culinary Oregano available. The foliage is very aromatic with a marvelous spicy flavor. (12-24" x 12-24") Zn5.

Origanum vulgare 'Humile'

Dwarf Greek Oregano (Code: 8140)

Creeping stems form a mat of evergreen foliage on this flowering groundcover. The leaves have a pungent aroma and flavor, and can be used fresh or dried. (2" x 16") Zn5.

Origanum vulgare 'Nana'

Dwarf Marjoram (Code: 8101)

Dark green compact mounds produce a layer of pink flowers. Flavorful leaves can be picked fresh or dried for culinary use. (6-12" x 12-24") Zn5.

Origanum vulgare 'Variegata'

Tricolored Marjoram (Code: 8102)

Beautiful prostrate marjoram has variegated leaves splashed with green, gold and cream. Excellent for contrast in the border or herb garden. Use fresh or dried leaves for flavoring food. (5" x 18") Zn6.

Origanum vulgare 'Variegatum'

Variegated Oregano (Code: 4170)

Spreading green leaves are streaked with creamy-ivory. The foliage is equally beautiful in the herb garden or mixed border. (6-10" x 24") Zn6.

Origanum x majoricum

Hardy Marjoram (Code: 5638)

This excellent culinary marjoram is truly a hardy perennial. White flowers that appear in summer add to its appeal. (16" x 18") Zn5.

Rockery or Alpine Plant

Osteospermum 'Side Show Bicolor Pink'
African Daisy (Code: 7477)
 White daisy-like flowers have pink edges and bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9. Zn9 White daisy-like flws w/ pink edges all season!

Osteospermum 'Side Show Bicolor Purple'
African Daisy (Code: 7546)
 Purple daisy-like flower petals have a white halo in the center and bloom profusely all season on compact plants with improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show Copper Apricot'
African Daisy (Code: 7555)
 Coppery-apricot, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show Golden Yellow'
African Daisy (Code: 7476)
 Golden-yellow, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum 'Side Show White'
African Daisy (Code: 7552)
 White, daisy-like flowers bloom profusely all season on compact plants that have improved heat tolerance. It prefers somewhat dry, well-drained soil and moderate temperatures for best performance. (10-14" x 12-16") Zn9.

Osteospermum barberae var. compactum 'Lavender Mist'
African Daisy (Code: 4189)
 A hardy African Daisy! Flowers open white and then mature to lavender, and bloom all season when temperatures are moderate. It requires sharply drained soil. (12" x 18") Zn6.

Osteospermum barberiae v. compactum 'Purple Mountain'
African Daisy (Code: 7563)
 Bright purple, daisy-like flowers cover a mat of rich green leaves most of the season. This is a hardy form of African daisy, that if provided with excellent drainage, should survive in areas with cold winters. (10" x 12") Zn6.

Oxalis oregana
Redwood Sorrel (Code: 5473)
 This charming NW native shamrock features simple white flowers in spring and summer. A sweet addition for the woodland garden, it will spread to form an excellent groundcover. (7" x 30") Zn3.

Papaver nudicaule 'Gnome'
Iceland Poppy (Code: 5036)
 Large, papery flowers of mixed colors appear on slender stems in summer and fall on this dwarf plant. The flowers can be yellow, orange, scarlet, white or pink. (1' x 1') Zn2.

Papaver nudicaule 'Wonderland Pink'
Iceland Poppy (Code: 3188)
 Vibrant pink to salmon and coral flowers grace this beautiful, compact perennial. Excellent for the front of the border or rockery. (16" x 12") Zn2.

Papaver nudicaule 'Wonderland Yellow'
Iceland Poppy (Code: 3190)
 Large, delicate yellow flowers appear on slender, upright, sturdy stems. Invaluable for early season color. It is best suited for the rockery or alpine gardens. (16" x 12") Zn2.

Parahebe catarractae
Parahebe (Code: 4319)
 This wonderful compact perennial produces 18" spires of delicate, pale lavender to white flowers, summer through fall. It's excellent for low borders, rock gardens and containers. (18" x 24") Zn8.

Parahebe catarractae 'Snowcap'
Parahebe (Code: 3731)
 Low-spreading sub-shrub has clouds of small white flowers with purple veins. It makes a great container plant. Native to New Zealand. A "Great Plant Pick" for the Pacific Northwest! (12-18" x 24") Zn7.

Penstemon 'Catherine de la Mare'
Beard Tongue (Code: 5667)
 Many blue-purple, tubular blooms fade to opalescent sky blues and pinks. This vigorous, floriferous, somewhat compact cultivar is great for rock gardens. (16" x 12") Zn6.

Rockery or Alpine Plant

Penstemon 'Papal Purple'

Beard Tongue (Code: 3766)

The narrow green foliage has an abundance of deeply-throated, dark purple flowers from summer through fall. (2' x 2') Zn7.

Penstemon pinifolius 'Mersea Yellow'

Beard Tongue (Code: 6724)

Small, bright yellow, tubular flowers and needle-like foliage enhance this shrubby, compact and hardy native cultivar. (8" x 18") Zn4.

Penstemon procerus var. brachanthus

Pincushion Penstemon (Code: 7711)

This charming, mat-forming Penstemon has spikes of small purple flowers to 10" tall in late spring. Native from northern California through Oregon. (3-10" x 18-24") Zn6.

Penstemon x campanulatus 'Garnet'

Beard Tongue (Code: 3212)

Gorgeous wine-red flowers bloom all summer and are a favorite of hummingbirds! An excellent cut flower too. (2' x 2') Zn7.

Penstemon x hartwegii 'Appleblossom'

Beard Tongue (Code: 3226)

Large white flowers have a soft pink blush. Willow-like foliage adds elegance to this extremely long-blooming perennial. It prefers good drainage. (24" x 18") Zn7.

Penstemon x hartwegii 'Blue Midnight'

Beard Tongue (Code: 3208)

Large deep blue-purple bells on long stalks bloom all summer and into early fall! It is long-lived when grown in a sunny, well-drained spot. A "Great Plant Pick" for the Pacific Northwest! (2' x 2') Zn7.

Penstemon x hartwegii 'Firebird'

Beard Tongue (Code: 3223)

Large fiery-red flowers on tall stems bloom from mid-summer to frost above semi-evergreen foliage. (24-30" x 24") Zn7.

Polypodium glycyrrhiza

Licorice Fern (Code: 7653)

This Northwest native fern commonly grows on tree branches or on rocks in the coastal forests. The rhizomes have a sweet, licorice flavor. The fronds are evergreen in winter and dormant in summer. (6-18" x 18-36") Zn6.

Pratia angulata 'Treadwellii'

White Star Creeper (Code: 4375)

Large white, starry flowers top this very flat creeper. Dark green, spreading foliage forms a dense mat that is excellent between pavers. (2" x 12") Zn7.

Pratia pedunculata 'Celestial Spice'

Blue Star Creeper (Code: 4755)

Deepest violet-blue, starry flowers cover a dark green, spreading foliage mat, June to August. It takes some foot traffic and looks great between stepping stones. (3" x 12") Zn7.

Pratia pedunculata 'County Park'

Blue Star Creeper (Code: 6772)

Vivid azure-blue flowers cover a dark green, spreading mat of foliage. It's excellent used around stepping stones and pavers, or as edging. (3-4" x 12") Zn7.

Prunella 'Summer Daze'

Self Heal (Code: 3506)

Masses of large showy, vibrant pink flowers appear in summer. The semi-evergreen oak leaf-shaped foliage is beautiful in spring before flowering and remains compact. (9-12" x 10-12") Zn4. PP19609 Propagation Prohibited.

Raoulia australis

Sheep Plant (Code: 3392)

Low-spreading mat of succulent silvery foliage gets a dusty gold bloom in late summer. An unusual accent for the rockery or trough garden. Sensitive to prolonged winter wet. (12" x 16") Zn6.

Rosmarinus prostratus 'Haifa'

Trailing Rosemary (Code: 2681)

Dense, trailing foliage is accented by delicate pale blue flowers that appear in spring and summer. Great for hanging baskets or containers. It needs excellent drainage. (6" x 30") Zn8.

Rosmarinus prostratus 'Irene'

Trailing Rosemary (Code: 6344)

Beautiful trailing habit makes this a winner for draping over walls and banks. Profuse deep blue flowers appear in late winter and early spring. A choice selection! (6-12" x 30-36") Zn7. PP9124 Propagation Prohibited.

Rosularia muratdaghensis

Rosularia (Code: 3910)

Similar in appearance to hens & chicks, it has small hairy rosettes. Creamy-white-to-yellow tubular flowers appear on short, erect spikes in summer. (1-3" x 5-12") Zn5.

Rockery or Alpine Plant

Sagina subulata

Irish Moss (Code: 2985)

This moss-like, dense green mat of foliage is occasionally covered with tiny white flowers. Excellent for use between pavers, in rockeries or as an evergreen groundcover. It needs regular moisture and good drainage. (1-2" x 12") Zn4.

Sagina subulata 'Aurea'

Scotch Moss (Code: 3463)

The moss-like, evergreen, golden mat of foliage is occasionally covered with tiny white flowers. Excellent between pavers, in rockeries and the shade garden. It needs regular moisture and good drainage. (1-2" x 12") Zn4.

Salvia elegans 'Frieda Dixon'

Pineapple Sage (Code: 6222)

This gorgeous herb boasts profuse, clear watermelon-colored flowers. Bright lime-green leaves and a pure, fresh pineapple scent adds to its charm. Delicious and aromatic in fruit salad! (3-4' x 3') Zn8.

Salvia elegans 'Golden Delicious'

Pineapple Sage (Code: 4278)

This delicious sage boasts emerging foliage in brilliant shades of gold. In fall, vivid red blooms contrast marvelously with pineapple-scented leaves. (36" x 24") Zn8. PP17977 Propagation Prohibited.

Salvia elegans 'Scarlet Tangerine'

Citrus-Scented Sage (Code: 3677)

Delicate spikes of brilliant red, tubular flowers appear above citrus-scented leaves. With a marvelous fragrance, it is an excellent choice for teas, potpourri or garnishes. (3' x 3') Zn8.

Salvia officinalis 'Berggarten'

Sage (Code: 5382)

This excellent compact form has wide gray leaves and dark violet flowers. One of the best Sages for culinary use, it is also valuable as an ornamental accent in the garden. (18" x 24") Zn6.

Salvia officinalis 'Grower's Friend'

Sage (Code: 4513)

Fragrant, gray-green textured leaves are evergreen in mild climates. This non-flowering, or late flowering, form is the best Sage for culinary use. (24-30" x 24-30") Zn6.

Salvia officinalis 'Icterina' (Golden Variegated)

Golden Variegated Sage (Code: 8190)

Gorgeous golden-variegated leaves with a splash of dark green. Marvelously textured foliage with small oval, aromatic leaves. A mild-flavored culinary selection. (16" x 24") Zn6.

Salvia officinalis 'Minor'

Green Sage (Code: 8185)

This savory culinary herb features small silvery, mounding foliage and bright blue flowers. Used to season meats and sauces, it has excellent flavor. (12-16" x 18") Zn6.

Sanguisorba officinalis 'Tanna'

Burnet (Code: 4738)

Superb dwarf form of this cucumber-flavored perennial. Small burgundy-red spires top foot long stems in summer over a compact, mounding plant. Great for use in smaller borders or herb garden. (18" x 10") Zn4.

Santolina 'Lemon Fizz'

Lavender Cotton (Code: 7646)

Spicy scented chartreuse foliage is accented by creamy yellow flowers that resemble tiny buttons. It forms a low mound of evergreen foliage. Prefers well-drained soils. (12-15" x 12-18") Zn6. PPAF

Santolina chamaecyparissus var. nana

Dwarf Gray Santolina (Code: 6715)

Fine silver, aromatic foliage is topped by yellow button flowers. Compact habit is perfect as edging or a small hedge. Needs good drainage. (12" x 12") Zn6.

Satureja montana 'Nana'

Dwarf Winter Savory (Code: 8266)

A wonderful evergreen container accent! Neat emerald-green foliage drapes nicely and is covered by small pale mauve or white flowers in summer. It has a spicy aroma and flavor. (4" x 18") Zn6.

Saxifraga arendsii 'Harder Zwerg'

Rock Soapwort (Code: 6679)

In spring this alpine plant has cup-shaped, upward-facing red flowers that are carried on short stems. It forms a low cushion of bright green leaves and requires gravelly soil. (5" x 10") Zn5.

Rockery or Alpine Plant

Saxifraga hypnoides

Rockfoal (Code: 3429)

Lovely finely-textured mossy foliage forms a low-spreading mat. Pretty and delicate white flowers on slender stems appear in early summer. Protect from hot sun. (3" x 12") Zn6.

Saxifraga stolonifera 'Maroon Beauty'

Strawberry Geranium (Code: 4879)

Showy rounded, reddish-green leaves with silver veins. Airy sprays of white flowers appear in early summer. It will politely colonize to make a beautiful groundcover. (12-18" x 15") Zn6.

Saxifraga x urbium 'Aurea-punctata'

Rockfoal (Code: 3437)

Airy clouds of delicate tiny white flowers on red stems top rosettes of green and gold-splashed leaves. It makes a bright accent for shady locations. (1' x 1') Zn7.

Saxifraga x urbium 'London Pride'

Rockfoal (Code: 3435)

Airy clouds of pale rosy flowers make this plant a perennial favorite. Large, robust, spatheolate leaves add interest. (1" x 18") Zn7.

Scabiosa columbaria 'Butterfly Blue'

Pincushion Flower (Code: 5914)

Loads of lavender-blue flowers bloom spring through fall on this compact plant. A rewarding garden performer, it was the Perennial Plant Association Plant of the Year for 2000. (18" x 18") Zn5.

Scabiosa columbaria nana 'Blue Note'

Pincushion Flower (Code: 5253)

This dwarf alpine plant has blue flowers that appear for many weeks in late spring & early summer. The flowers are attractive to butterflies. Perfect for the front of the border or rock garden. (5-6" x 6") Zn3.

Sedeveria (unknown species)

Sedeveria (Code: 6571)

Sedeveria is a cross between Sedum and Echeveria. Rounded, light green leaves form exotic, spiraling rosettes. Excellent plant for desert dish gardens. (4-5" x 12-16") Zn10.

Sedum 'Matrona'

Stonecrop (Code: 6248)

Large flower heads of soft pink top this succulent award-winner in summer. Gray-green leaves edged in rosy-pink mimic the tints of the flowers. Absolutely gorgeous! (24" x 18") Zn3.

Sedum 'Silver Moon'

Stonecrop (Code: 3462)

A NW native hybrid between S. laxum and S. spathulifolium was discovered by the late Helen Payne. Interesting chartreuse-silver, evergreen rosettes are marked with pink and red tones. (4" x 12") Zn6.

Sedum 'Xenox'

Stonecrop (Code: 4027)

A very garden-worthy, compact, bushy form of upright Sedum. Gray-purple foliage with pink flowers appear in September. This recent introduction is one of the best! (12-14" x 18") Zn3. PP16888 Propagation Prohibited.

Sedum album 'Athoum'

Stonecrop (Code: 7645)

Plump, round, evergreen leaves are much larger than the species and remain apple-green in winter. The leaves will often turn slightly red in the heat of summer when the white flowers appear. It's wonderful as a groundcover for sunny sites. (2-4" x 18-24") Zn4.

Sedum album 'Black Pearl'

White Flowering Stonecrop (Code: 6271)

The creeping bronze-purple succulent evergreen foliage holds its color well into summer. White panicles appear in summer. It can be used in containers, rock gardens, trailing over rock walls or as a groundcover. (2-3" x 12-24") Zn4.

Sedum album 'Chloroticum'

Stonecrop (Code: 4581)

Miniature, pale green, evergreen leaves brighten alpine planters or rock gardens. White starry flowers bloom in summer. (1-3" x 12") Zn3.

Sedum album 'Coral Carpet'

White Flowering Stonecrop (Code: 3467)

Succulent foliage is red in cooler temperatures, turning green in summer. Lovely white flowers appear in summer. Use in the rock garden or as an evergreen groundcover. (3" x 12") Zn4.

Rockery or Alpine Plant

Sedum album 'Green Ice'
Stonecrop (Code: 4426)
 Rich olive-green, evergreen foliage forms a low-growing mat and does not turn red in winter like others in this genus. Icy-white, star-shaped flowers appear mid-summer. (1-3" x 12-18") Zn3.

Sedum album var. micranthum 'Orange Ice'
Stonecrop (Code: 4441)
 Tiny evergreen foliage takes on orange hues in fall and winter and then turns green again in spring and summer. White flowers appear in July. (1-3" x 12-18") Zn3.

Sedum album var. micranthum 'Red Ice'
Stonecrop (Code: 4443)
 Named for the deep red color of the tiny evergreen foliage in fall and winter. The foliage turns blue-green again in spring and summer. White flowers appear in July. (1-2" x 6-12") Zn3.

Sedum anacampseros
Stonecrop (Code: 3468)
 This low, spreading Sedum has attractive grayish-blue, rounded leaves. Rosy-purple flowers appear in July. A great choice for the rockery. (4-6" x 12") Zn5.

Sedum anglicum 'Love's Triangle'
Stonecrop (Code: 7700)
 Mats of tiny, powder blue leaves are topped by single, pale pink bloom in late spring and early summer. An excellent plant for the rock garden, alpine trough or between stepping stones. (1-2" x 6-12") Zn3.

Sedum bithynicum 'Sea Stars'
Turkish Stonecrop (Code: 6592)
 Finely textured, gray-green leaves are topped by small star-shaped white flowers in summer. This is an excellent evergreen, low maintenance plant for rock gardens. (2" x 18-24") Zn3.

Sedum caucicola 'Bertram Anderson'
Stonecrop (Code: 6801)
 Clusters of dusky pink, starchy flowers top fabulous dark maroon foliage with gray-blue overtones. This stunning groundcover or rockery plant is a "Great Plant Pick" for the Pacific Northwest! (5" x 12") Zn5.

Sedum caucicola 'Lidakense'
Stonecrop (Code: 5317)
 Eye-catching small deep purple leaves adorn this compact succulent. Rosy-red flowers appear from late summer to fall. Perfect for the rockery, it is a "Great Plant Pick" for the Pacific Northwest! (4" x 12") Zn5.

Sedum confusum
Stonecrop (Code: 6226)
 This mounding, evergreen Sedum is bushy and compact in growth. Large, bright yellow terminal panicles 3-4" across top shiny oval, green leaves. (10-12" x 12-15") Zn8.

Sedum cyaneum
Stonecrop (Code: 3471)
 Showy rose-hued flowers adorn strikingly-beautiful, succulent blue leaves in summer. A lovely, low-growing addition to any garden. It is a "Great Plant Pick" for the Pacific Northwest! (3" x 16") Zn6.

Sedum dasyphyllum 'Major'
Stonecrop (Code: 6933)
 This low-growing Sedum has pebble-like, succulent bluish-green foliage that has a purple-mauve tint. A good groundcover for hot, dry conditions. Tiny white flowers appear in early summer. (4" x 18") Zn6.

Sedum divergens
Cascade Stonecrop (Code: 4391)
 Chubby, shiny deep green, evergreen leaves turn blush-red in sun and cold. It slowly spreads to form a groundcover that is great for rock gardens and rock walls. Yellow flowers appear midsummer. (1-3" x 12-18") Zn3.

Sedum ellacombianum
Stonecrop (Code: 4392)
 Light green fleshy, succulent foliage grows vigorously to form a groundcover. Lemon-yellow flowers appear in June. A "Great Plant Pick" for the Pacific Northwest! (3-4" x 12-24") Zn3.

Sedum ewersii
Stonecrop (Code: 3474)
 Pretty gray leaves with red margins are topped by pink flowers in late summer. An attractive accent for the sunny garden. A "Great Plant Pick" for the Pacific Northwest! (3" x 12") Zn6.

Sedum hakonense 'Chocolate Ball'
Stonecrop (Code: 7462)
 Needle-like, succulent foliage ranges in color from milk-chocolate brown in the spring to dazzling red in the fall. Yellow flowers appear in summer. (4-6" x 12-16") Zn7.

Sedum hybridum 'Immergrunchen'
Stonecrop (Code: 4431)
 A vigorous, semi-evergreen, green leaf form of Sedum with yellow flowers in July and again in September. Foliage turns amber in winter. (1-3" x 12-24") Zn3.

Rockery or Alpine Plant

Sedum kamtschaticum 'Takahira Dake'

Kamtschatka Stonecrop (Code: 4435)

Vibrant green succulent leaves have scalloped edges. A strong bloomer, it is covered with bright yellow flowers in early summer. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12-18") Zn3.

Sedum kamtschaticum 'The Edge'

Kamtschatka Stonecrop (Code: 4455)

Light green foliage with distinct yellow margins make this plant very striking even when not in flower. Star-shaped yellow flowers appear in summer. (6" x 12") Zn4.

Sedum kamtschaticum 'Variegatum'

Kamtschatka Stonecrop (Code: 3475)

This low-growing and deciduous form has glowing green and cream-variegated leaves that are occasionally tinged pink. Golden-yellow flowers emerge from red buds in summer. A "Great Plant Pick" for the Pacific Northwest! (8" x 16") Zn4.

Sedum kamtschaticum 'Weihenstephaner Gold'

Kamtschatka Stonecrop (Code: 3913)

This easy to grow, spreading groundcover with semi-evergreen succulent foliage has bright yellow flowers in June. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12-16") Zn3.

Sedum laxum

Stonecrop (Code: 3476)

Blue-green evergreen rosettes of 3/4" spatulate leaves are topped with light yellow flowers in late summer. An excellent NW native plant for the rockery, it should be planted more often! (4-6" x 12") Zn6.

Sedum lydium

Stonecrop (Code: 3477)

Very low-growing, textural bright green mat takes on an attractive red tint in cool weather. Small white flowers appear in summer. (1" x 8") Zn3.

Sedum makinoi 'Limelight'

Stonecrop (Code: 7334)

Lime-green, dime-sized leaves form a dense and spreading mat. Yellow flowers appear in summer. It grows best in filtered shade. (3" x 12") Zn6.

Sedum makinoi 'Ogon'

Stonecrop (Code: 6971)

Fabulous contrast plant with bright golden foliage, very tiny leaves, and a low, creeping habit. Greenish-yellow flowers appear in summer. It grows best in filtered shade. (2" x 12") Zn6.

Sedum makinoi 'Variegata'

Stonecrop (Code: 4343)

This low-growing, mat-forming Sedum has small light green leaves with creamy-white edges. Yellow flowers appear in summer. An excellent choice for the rockery or containers. (1" x 12") Zn6.

Sedum nevi 'Pink Form'

Stonecrop (Code: 7699)

Tiny, blue-green, succulent leaves form evergreen rosettes with starry light pink flowers with purple anthers on 4 inch stalks. Although delicate in appearance, it's really quite tough if given very good drainage and sun. (2-3" x 6-12") Zn4.

Sedum oregonum

Oregon Stonecrop (Code: 3499)

Rosettes of smooth evergreen leaves are periodically tinged with pink. Yellow flowers appear in summer. Excellent spreading NW native groundcover for the rockery or container. (2-3" x 12") Zn5.

Sedum pachyclados

Stonecrop (Code: 3918)

Low-growing succulent with gray-blue, evergreen foliage and silvery-pink flowers in summer. A great plant for the rock garden or rock wall. 2009 "Great Plant Pick" for the Pacific Northwest! (1-3" x 6") Zn3.

Sedum palmeri

Stonecrop (Code: 5313)

The waxy, succulent blue-green leaves form a carpet that drapes over stones or walls. Yellow, star-like flowers appear in late winter or early spring. A great textural foliage plant! (4-6" x 12") Zn7.

Sedum pluricaule 'Island of Sakhalin'

Stonecrop (Code: 5802)

This slender, sprawling perennial features rosy-pink flowers. Green succulent foliage becomes tinged with red in cool weather. (3" x 12") Zn3.

Rockery or Alpine Plant

Sedum reflexum 'Blue Spruce'

Stonecrop (Code: 6932)

The blue-green spruce-like, succulent foliage is topped by bright yellow flowers in early summer. A great evergreen groundcover for hot, dry conditions, but it also thrives in part shade. (6-8" x 24") Zn3.

Sedum reflexum 'Green Spruce'

Stonecrop (Code: 3914)

The low-growing evergreen, spruce-like, succulent foliage is perfect for a sunny rock garden. Yellow flowers appear in July. (1-3" x 18") Zn3.

Sedum rupestre 'Angelina'

Stonecrop (Code: 3306)

The brilliant golden-yellow, needle-shaped, evergreen foliage is terrific for containers, beds or as a groundcover. Yellow flowers appear in summer. (4" x 12-24") Zn3.

Sedum rupestre 'Sea Gold'

Stonecrop (Code: 4444)

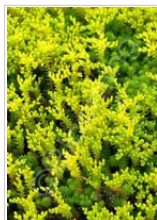

From late spring to late summer, needle-like, evergreen foliage turns chartreuse-yellow. In fall, the foliage has red tips and then in winter turns primarily green. Bright gold flowers appear in July. (1-3" x 12-18") Zn3.

Sedum rupestre 'Variegata'

Stonecrop (Code: 6334)

Mat-forming, blue green needle-like foliage has bright yellow growing tips. Yellow flowers appear in early summer. This evergreen, drought tolerant succulent can be used in rock gardens, borders or containers. Easy to grow in well-drained, average soil. Attractive to butterflies and is deer resistant. (4-8" x 18-24") Zn3.

Sedum sexangulare

Stonecrop (Code: 3920)

This low-growing carpet of evergreen foliage has bright yellow flowers in spring. The foliage turns a rich burnt-copper hue in strong sun. (4" x 10") Zn3.

Sedum sitchotense

Stonecrop (Code: 3921)

A rare, very small, slow-growing species with tiny, flat leaves that grow on purple stems. Clusters of yellow blossoms appear in summer. Native to eastern Ukraine. (2-3" x 6") Zn4.

Sedum sieboldii 'October Daphne'

Stonecrop (Code: 3481)

Gray-green succulent leaves with red margins are topped by bright pink flowers in late summer. A stunning addition to the sunny garden. A "Great Plant Pick" for the Pacific Northwest! (4-6" x 12") Zn3.

Sedum spathulifolium 'Cape Blanco'

Stonecrop (Code: 3484)

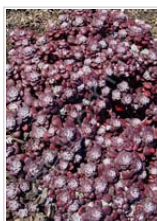

Tight rosettes of evergreen, succulent leaves are covered with a dense silvery-white coating, causing the entire plant to look very white. This attractive and unusual NW native is named after Cape Blanco, Oregon. (4" x 24") Zn6.

Sedum spathulifolium 'Carnea'

Broadleaf Stonecrop (Code: 4895)

Compact evergreen NW native succulent with silvery rosettes edged with red to vermillion. The foliage turns deep crimson in winter. Yellow, star-like flowers appear in summer. (4" x 12") Zn3.

Sedum spathulifolium 'Purpureum'

Stonecrop (Code: 3485)

Eye-catching silvery-blue & reddish-purple leaves age to burgundy on this dump-forming NW native succulent. Yellow flowers appear in June. It creates a dramatic, spreading evergreen groundcover. (4" x 12-18") Zn6.

Sedum spectabile 'Neon'

Stonecrop (Code: 6936)

Wild, deep rose-pink flowers appear backlit! This excitingly-vibrant color will draw you to the garden. Succulent foliage is drought tolerant and lovely. (24" x 24") Zn3.

Sedum spurium 'Dragon's Blood' ('Schorbuser Blut')

Two Row Stonecrop (Code: 4246)

This vigorously-spreading groundcover has bronze foliage that turns deep red in cool weather. Red flowers appear in late summer. A "Great Plant Pick" for the Pacific Northwest! (1-3" x 18-30") Zn3.

Sedum spurium 'Elizabeth' ('Red Carpet')

Two Row Stonecrop (Code: 3922)

This vigorous groundcover has starry deep pink-to-red flowers in late spring and summer. The foliage is red in spring, then turns green in summer, and finally turns deep red again in fall. (3-4" x 12-24") Zn3.

Rockery or Alpine Plant

Sedum spurium 'Fuldaglut'

Two Row Stonecrop (Code: 4288)

This improved form of Sedum 'Dragon's Blood' has more consistent bronze-red foliage throughout the season. Rose-red, star-like flowers appear in summer. A Great Plant Pick for the Pacific Northwest! (1-3" x 12-24") Zn3.

Sedum spurium 'Pink Jewel'

Stonecrop (Code: 3495)

Neat, green succulent leaves form a spreading carpet and pretty pink flower clusters appear in summer. It makes a nice drought tolerant groundcover. A "Great Plant Pick" for the Pacific Northwest! (4" x 12-18") Zn4.

Sedum spurium 'Purpurteppich' ('Purple Carpet')

Purple Carpet Two Row Stonecrop (Code: 3497)

Succulent bronze-red foliage forms a dense evergreen mat. Dark rose flowers in summer add color and drama to this popular groundcover selection. A "Great Plant Pick" for the Pacific Northwest! (4" x 12-18") Zn3.

Sedum spurium 'Tricolor'

Two Row Stonecrop (Code: 3500)

This incredible succulent has foliage that's variegated pink, white, gray and green. Jewel pink flowers appear in late summer. Beautiful! A "Great Plant Pick" for the Pacific Northwest! (3" x 12-18") Zn4.

Sedum stefco

Stonecrop (Code: 4447)

Tiny evergreen succulent leaves turn scarlet-purple in winter. White flowers appear in summer. It is similar in appearance to Sedum album, but with tighter flowering and growth habit. (1-3" x 6-12") Zn3.

Sedum telephium 'Munstead Dark Red'

Stonecrop (Code: 5021)

Blooms midsummer to frost with multi-toned flowers, from raspberry-red hues to deep bronze. Dusky, blue-green leaves clothe upright maroon stems. (12-18" x 18") Zn3.

Sedum telephium 'Red Cauli'

Stonecrop (Code: 4578)

Forms a low growing mound of attractive blue-green foliage flushed with purple. Extremely floriferous, from July to October it is carpeted by small clusters of intense, deep rose-red flowers. (10-12" x 12-15") Zn3. PPAF Propagation prohibited.

Sedum telephium 'Strawberries and Cream'

Stonecrop (Code: 4791)

Lovely lavender and purple succulent foliage is topped by red-hued buds that open to creamy-white flowers in late summer. A striking and unusual variety! (12-18" x 12-18") Zn5.

Sedum telephium 'Sunset Cloud'

Stonecrop (Code: 5924)

Rounded bluish-purple leaves line arching stems to form a nice, mounding clump. Deep pinkish-red flower clusters appear late in the season. A great choice for the rockery or path edging. (1' x 2') Zn4.

Sedum x hybrida 'John Creech'

Stonecrop (Code: 3916)

This is one of the best Sedums for a groundcover! It forms a mat of foliage 2"-3" tall and spreads 12" or more. Pink flowers appear in June. A "Great Plant Pick" for the Pacific Northwest! (2-3" x 12-18") Zn3.

Sempervivum 'El Toro'

Hens & Chicks (Code: 5277)

Succulent, evergreen rosettes have a copper-red color and can be as large as 9" across! A fascinating choice for edging or for the rockery (4-6" x 9-12") Zn3.

Sempervivum 'Icicle'

Hens & Chicks (Code: 3529)

Succulent evergreen rosettes are heavily-tufted, fringed, and frosty-red in color. It makes an excellent selection for rockeries and containers. (2-3" x 6") Zn3.

Sempervivum 'Jubilee'

Hens & Chicks, Houseleek (Code: 7470)

This variety changes color during the year. Leaves start out light green then age to dark red late in the year. It is also lightly covered in hairs. (2-3" x 4-6") Zn3.

Sempervivum 'Jungle Shadows'

Hens & Chicks (Code: 3530)

Rosettes of dark purplish-gray, evergreen foliage with bright purple edges. Dramatic container or rockery accent! (2-4" x 12") Zn3.

Rockery or Alpine Plant

Sempervivum 'Lavender & Old Lace'

Hens & Chicks (Code: 3531)

Smokey gray-green rosettes are highlighted with rosy-lavender. Fine silver hairs appear along the evergreen leaf margins. A great addition to any rockery. (2-3" x 6") Zn3.

Sempervivum 'Pekinese'

Hens & Chicks (Code: 5267)

Small mounds of light to creamy-green, evergreen rosettes exhibit a flush of red in the spring. Pale rose flowers bloom in summer on short stalks. (2-3" x 6") Zn3.

Sempervivum 'Rojin'

Hens & Chicks (Code: 5444)

Medium-sized evergreen rosettes hold deep rose-blush color year round with starry pink blossom clusters in summer. Excellent for rockeries and containers. (2" x 14") Zn3.

Sempervivum 'Rubikon'

Hens & Chicks (Code: 5337)

Very fine, ruby-red rosettes have smooth, waxy, evergreen leaves that hold their color year round. Maintains its best appearance when the blooms are removed. A great addition to containers or rockeries. (4" x 12") Zn3.

Sempervivum 'Topaz'

Hens & Chicks (Code: 5443)

Soft blue-green rosettes with a hint of light violet radiating from the center; topped by pink flowers on short stalks in summer. (2-3" x 6") Zn3.

Sempervivum 'Twilight Blue'

Hens & Chicks (Code: 4247)

Lavender & gray-green succulent rosettes have purple edges. The evergreen foliage is perfect for the rockery. (2-3" x 6") Zn3.

Sempervivum arachnoides 'Large Form'

Cobweb Houseleek (Code: 6574)

Succulent green rosettes, larger than the species, have a light spidery webbing of white threads. The foliage turns crimson in winter. It offsets freely to form a dense mat. (2-4" x 8-12") Zn3.

Sempervivum arachnoideum 'Cebenense'

Hens and Chicks, Houseleek (Code: 7469)

Rosettes of tight, succulent, red-green triangular leaves, are connected with fine white hairs, giving the appearance of being covered in cobwebs. Pink to red flowers appear in summer. (2-3" x 4-6") Zn3.

Sempervivum arachnoideum 'Stansfieldii'

Cobweb Houseleek (Code: 3691)

White, frosty "webs" cover flat-topped rosettes that take on a red tinge in spring. Good choice for crevices or rockery. (2-3" x 12") Zn5.

Sempervivum arachnoideum ssp. tomentosum

Hens & Chicks (Code: 3725)

Heavy cobwebs cover tiny green, rose-edged rosettes. A mysterious and unique variety for tucking into rockery crevices. (3" x 12") Zn3.

Sempervivum calcareum 'Mrs. Giuseppi'

Hens & Chicks (Code: 3926)

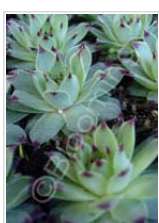

Large, green-gray, evergreen rosettes have deep red tips and pink flowers in summer. It has a more compact growth habit than the species. (1-3" x 6") Zn3.

Sempervivum montanum var. braunii

Hens & Chicks (Code: 3925)

Small green, evergreen rosettes can display a pinkish hue early in the season. Sharply-pointed tips are occasionally flushed with red. Yellow flowers appear midsummer. (2-3" x 6") Zn3.

Sempervivum tectorum var. calcareum

Common Houseleek (Code: 6575)

Evergreen succulent with rosettes of pointed, thick green leaves with red tips. Star-shaped, reddish-purple flowers are held in flat cymes on the terminal ends of hairy, upright stems. (2-3" x 8-12") Zn3.

Silene uniflora 'Druett's Variegated'

Alpine Campion (Code: 6452)

Distinctive cream and silver-variegated, glaucous leaves, are topped by white blooms in summer. The evergreen foliage is tinged pink in cool weather. (2" x 12") Zn3.

Sisyrinchium angustifolium 'Lucerne'

Blue-eyed Grass (Code: 5559)

From late spring into summer, deep blue blooms with yellow-starred centers dot sword-like foliage. It adds a neat appearance for edging the front of the border, or mixed plantings. (6-10" x 8-10") Zn3.

Sisyrinchium bellum

Western Blue-eyed Grass (Code: 3555)

Violet-purple flowers with yellow centers arise above thin, iris-like foliage in spring. It requires well-drained soil. Native to the Pacific Northwest. (7-16" x 12-16") Zn8.

Rockery or Alpine Plant

Sisyrinchium californicum 'Yellow Stone'

Golden Blue-eyed Grass (Code: 5585)

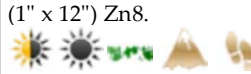

This easy-care West Coast native has grass-like leaves and yellow star-like flowers in summer. Thrives in poor soil and stays neat and compact. (5-6" x 6") Zn7.

Soleirolia soleirolli

Baby Tears (Code: 3563)

Tiny bright green leaves and white flowers make this an excellent groundcover. Use between pavers and in shady areas. Tender, but it often comes back from the roots. (1" x 12") Zn8.

Stachys b. 'Countess Helen von Stein Zeppelin'

Lamb's Ear (Code: 5717)

Felted silver, evergreen leaves resist rot more than many in this group and have distinct veining. Leaves are longer and broader than the species. It rarely blooms. (12" x 18-24") Zn4.

Stachys byzantina 'Primrose Heron'

Lamb's Ear (Code: 5716)

Large, soft, chartreuse foliage is delightful in spring. The foliage later fades to silver. It adds a wonderful touch of color to the garden year-round. (12" x 18") Zn4.

Stachys byzantina 'Silky Fleece'

Lamb's Ear (Code: 3672)

A dwarf form of lamb's ear, it forms a soft dense evergreen mat that will carpet well-drained soils. Short spikes of tiny plum-colored flowers appear in summer. (4-10" x 12-18") Zn4.

Stachys byzantina 'Silver Carpet'

Lamb's Ear (Code: 3573)

Fuzzy, silvery, evergreen leaves are invaluable for providing nice foliage contrast in the mixed border. This variety rarely blooms, but has a nice low & spreading habit. (8" x 24") Zn4.

Stachys chrysantha

Lamb's Ear (Code: 4896)

Round silvery-white woolly leaves add dramatic texture to the garden. Compact spikes of light creamy-yellow flowers appear in summer. (12" x 18-24") Zn7.

Teucrium chamaedrys 'Nanum'

Germander (Code: 8237)

This lovely dwarf edging plant is an excellent addition to the herb garden. The glossy, evergreen, scallop-edged foliage is aromatic and contrasts beautifully with rosy-purple flowers. (6" x 12") Zn5.

Teucrium fruticans 'Azureum'

Silver Germander (Code: 6684)

Vivid blue flowers contrast nicely against silvery-white leaves on this small evergreen shrub. It prefers a sunny, sheltered position in well-drained soil. (3-4' x 3') Zn7.

Thymus 'Gold Transparent'

Creeping Thyme (Code: 3603)

Shimmering gold and green foliage grows low and fast for a sun-loving, hardy, evergreen groundcover. Lilac blooms appear late summer. (3" x 12") Zn5.

Thymus doerfleri 'Bressingham'

Creeping Thyme (Code: 5943)

A carpet of fuzzy gray-green, evergreen leaves and soft pink flowers makes it a dainty accent for the rockery, between pavers, or at borders edge. Best in full sun with good drainage. (4" x 18") Zn4.

Thymus herba-barona

Caraway Thyme (Code: 8245)

Dark green leaves have a delightful caraway scent and flavor. Good in culinary dishes; especially stir fry and meat. It's ideal for the rock garden. (4" x 16") Zn6.

Thymus longicaulis

Creeping Thyme (Code: 7716)

This spreading evergreen carpet of foliage has pink flowers in summer. Small pine scented leaves can be used to flavor meats. (3-5" x 18-24") Zn5.

Thymus praecox 'Albus'

Creeping Thyme (Code: 3614)

Starry white flowers top tiny bright green leaves. It forms a fragrant, tightly-matted groundcover underfoot; perfect along pathways or between pavers. (1" x 12") Zn4.

Rockery or Alpine Plant

Thymus praecox 'Coccineus'

Creeping Thyme (Code: 3612)

Dainty rose-red flowers completely cover this creeping thyme in summer. The evergreen foliage turns somewhat red in winter. (2-3" x 18") Zn4.

Thymus praecox 'Hartington Silver'

Silver Creeping Thyme (Code: 4709)

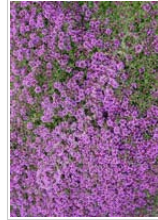

Creeping English thyme with beautiful, aromatic, tiny green leaves edged in gold. It makes an excellent mat-forming, evergreen groundcover or use between pavers. (2-3" x 12") Zn4.

Thymus praecox 'Minus'

Miniature Creeping Thyme (Code: 3615)

Tiny, overlapping, gray-green, evergreen leaves form a low mat. Small pink flowers appear midsummer. Nice for planting between pavers. (1" x 10") Zn4.

Thymus praecox 'Nutmeg'

Creeping Thyme (Code: 8256)

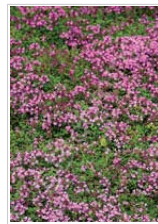

A profusion of deep purple-carmine blooms cover this tight, deep green, evergreen groundcover in summer. It is drought tolerant and sun loving. (1" x 12") Zn4.

Thymus praecox 'Pink Chintz'

Creeping Thyme (Code: 3609)

Soft, hairy, gray-green, evergreen foliage is topped by pale pink flowers in summer. It's drought tolerant and sun loving. (1-3" x 12") Zn4.

Thymus praecox 'Reiter's Red'

Creeping Thyme (Code: 4449)

Rich olive-green, evergreen foliage grows thick and tough, making it an ideal groundcover or alternative for grass. Lavender-pink flowers add to its appeal mid-summer. (2-3" x 18") Zn5.

Thymus pseudolanuginosus

Woolly Thyme (Code: 3606)

Soft, completely prostrate, silvery-green, evergreen foliage has pink flowers in summer. It handles foot traffic well and is excellent for use between pavers. (1" x 12") Zn4.

Thymus pulegioides 'Foxy'

Variegated Thyme (Code: 4448)

Mounds of soft, shiny, cream & green-variegated evergreen foliage contrasts nicely with dark pink blooms in summer. Perfect in rockeries, along paths or the herb garden. (8" x 12") Zn7.

Thymus thracicus 'Lavender'

Lavender-Scented Thyme (Code: 5461)

Wonderful needle-leaved culinary thyme has a rich fragrance similar to lavender. It can also be used as a drought tolerant, evergreen groundcover. (10" x 18") Zn5.

Thymus vulgaris 'Dot Wells'

French Thyme (Code: 3759)

An upright grower ideal for the culinary garden. Pale pink flowers bloom from summer to fall over the very fragrant foliage. (6-12" x 12") Zn4.

Thymus vulgaris 'English Wedgewood'

French Thyme (Code: 5412)

This lovely mound-forming, evergreen thyme has good flavor and is excellent for the culinary herb garden. Pink flowers appear in early summer. (9" x 14") Zn6.

Thymus vulgaris 'Narrow Leaf French'

French Thyme (Code: 5460)

Fine gray leaves hold small white flowers during the summer. Excellent flavor for cooking. It may also be used as an evergreen groundcover or rockery accent. (12" x 18") Zn6.

Thymus vulgaris 'Orange Balsam'

Orange Thyme (Code: 5531)

Wonderful orange fragrance and flavor! Small gray, evergreen leaves are topped by the tiniest, palest lavender flowers. It's both ornamental and edible. (12" x 18") Zn5.

Thymus vulgaris 'Silver Posie'

Variegated Thyme (Code: 6860)

This beautiful thyme features fragrant deep green, evergreen leaves, each edged with a wide silvery-white margin. New growth appears with a nice rosy tinge. (6-10" x 18-24") Zn6.

Rockery or Alpine Plant

Thymus x 'Pink Ripple'

Pink Ripple Thyme (Code: 5430)

Light green, lemon-scented foliage creates a spreading evergreen carpet topped by pink flowers in summer. An excellent choice for pathways, between pavers, or in the rockery. (6" x 12") Zn5.

Thymus x citriodorus 'Archer's Gold'

Lemon Thyme (Code: 3602)

Creeping thyme with brilliant golden, evergreen foliage that is especially bright in winter and spring. Excellent between pavers or spilling around stones. (2" x 12") Zn5.

Thymus x citriodorus 'Argentus'

Silver Variegated Lemon Thyme (Code: 8253)

Glossy ivory and gray-green foliage adds interest to the rockery. This slow-growing variety has an excellent lemon flavor. (8" x 12") Zn5.

Thymus x citriodorus 'Aureus'

Gold Variegated Thyme (Code: 8251)

Small evergreen thyme with bright gold and gray-green foliage. Wonderful strong lemon flavor combines well with many chicken or fish dishes. Perfect in containers. (8" x 12") Zn6.

Thymus x citriodorus 'Doone Valley'

Variegated Thyme (Code: 5173)

Green foliage has irregular golden patches, which become red-tinted in winter. Fragrant lavender flowers appear from August through September. (4" x 12") Zn5.

Thymus x citriodorus 'Lemon Frost'

Lemon Thyme (Code: 4160)

This excellent selection exudes the sweet and pure fragrance of lemons when walked upon. Profuse white flowers provide the "frost" in June and July. An excellent choice for an evergreen groundcover or between pavers. (4" x 12") Zn6.

Thymus x citriodorus 'Lime Gold'

Thyme (Code: 7779)

Creeping evergreen lime-gold foliage has a citrus fragrance. Pink flowers appear in summer. Excellent when used between flagstone or in the rock garden. (2-4" x 12-18") Zn5.

Thymus x citriodorus 'Lime'

Lime Thyme (Code: 3761)

Bright chartreuse leaves brighten up any garden. It has a lovely citrus scent and pink flowers. A nice plant to border pathways or as an evergreen groundcover. (4" x 12-16") Zn5.

Thymus x citriodorus 'Spicy Orange'

Citrus-Scented Thyme (Code: 6896)

This prostrate, needle-leaved thyme makes an excellent evergreen groundcover. Releasing a refreshing scent of oranges when crushed, it is perfect between pavers. (4" x 24") Zn5.

Veronica 'Reavis' ('Crystal River')

Speedwell (Code: 6666)

This evergreen groundcover form is both heat tolerant and vigorous. It grows rapidly and covers the garden with small, true blue flowers in mid-spring. (2-3" x 18-36") Zn4.

Veronica liwanensis

Turkish Speedwell (Code: 3671)

Clusters of bright blue flowers top tiny, round, glossy, evergreen leaves in summer. An excellent prostrate Veronica well suited to gardens in the Rocky Mountains and west coast. (1-3" x 24") Zn5.

Veronica montana 'Corrine Tremaine'

Speedwell (Code: 6742)

Beautiful low-growing groundcover with creamy-white and green-variegated leaves and tiny lilac flowers. Excellent selection for rockery or edge of the border. (3" x 12") Zn3.

Veronica peduncularis 'Georgia Blue'

Speedwell (Code: 6082)

This low-spreading, evergreen mound is smothered by round blue flowers with white eyes. This repeat bloomer is a "Great Plant Pick" for the Pacific Northwest! (6" x 18") Zn4.

Veronica prostrata 'Aztec Gold'

Speedwell (Code: 4041)

Bright gold, spreading mat of foliage forms a groundcover with 6" violet spikes in the spring. The foliage will turn chartreuse in partial shade. (4-6" x 12") Zn3. PP13354, EU13144 Propagation Prohibited.

Rockery or Alpine Plant

Veronica repens

Speedwell (Code: 4425)

Dainty flowers of palest blue last all spring. It forms a deep green, spreading evergreen mat. An excellent lawn substitute; it fills in fast and suppresses weeds. (1" x 18") Zn5.

Veronica repens 'Sunshine'

Speedwell (Code: 4756)

Tiny yellow leaves form an incredible golden carpet similar in habit to baby tears. Dainty ice-blue flowers appear in June. It makes an excellent groundcover. (1" x 18") Zn5.

Veronica x hybrida 'Christy'

Speedwell (Code: 3869)

Blooms profusely late spring through early summer, in shades of violet-blue with white eyes. Perfect for front of the border or the rock garden. (6-9" x 12-16") Zn3. PP18142 Propagation Prohibited.

Zaluzianskya ovata

Night Phlox (Code: 5863)

Rare and unusual charmer featuring white pinwheel flowers that have a maroon reverse. Blooms open during the day and then release a strong chocolate fragrance at night. Yum! (3" x 12") Zn8.
