Concerned about Neonicotinoids?

The plants grown by Denver Botanic Gardens for sale at Spring Plant Sale have not been treated with neonicotinoids. A list of vendors who have voluntarily stated that they do not use this class of chemical is available at each individual division. We continue to closely monitor scientific research surrounding this and all other chemicals that may be applied to plants sold or displayed at the Gardens.

CONTAINER GARDEN IN A BAG

PRICE RANGE: \$35-55 | Sometimes the hardest part of gardening can be choosing a design, but we've taken care of that for you! Our horticulturists have created six grab-and-go collections of plants specifically selected to create stunning container displays.

Below, you'll find the color palettes and light requirements of the six different collections offered at this year's sale. Specific plants in each collection will be finalized the week of the sale based on current availability. Each collection will include planting and care instructions.

Bubblegum

FULL SUN

Playful and refreshing, pink has the power to both energize and calm. This design celebrates the joy of pink in shades from shimmering gumball to Dubble Bubble.

Copper Beauty

FULL SUN

Bold and majestic, this dramatic design thrives in full sun and creates an inviting atmosphere for any garden.

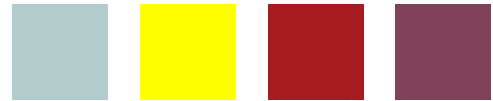

Marmalade

FULL SUN

Worthy of Paddington Bear, this design includes flowers the color of marmalade and a plant with paw-shaped blooms. From lemon-yellow to mandarin orange, the blooms in this collection will keep your container bright and happy.

Showstopper

PART SUN

Vibrant and shade-tolerant, this design will be the spotlight of any area with a mix of sensational foliage and flowers all season long, from spring through first frost.

Wowzas

FULL SUN

This design has "wow" factor. Bold colors and a variety of heights and textures make it a crowd-pleaser from spring through fall. Takes full sun with ease.

Yankee Doodle

FULL SUN

If flowers could sing, these would belt out a merry patriotic tune. This design celebrates all things red, white and blue with a succession of blooms reminiscent of fireworks.

FRUITS, BERRIES AND VEGETABLES

PRICE RANGE: \$2-110 | Whether it's on several acres in the country or a sunny corner of an apartment balcony, growing a portion of your own food is rewarding and delicious. The sale will feature a wide variety of seedlings, fruit trees, berry bushes and seeds perfect for culinary gardeners of every skill level.

PRICE RANGE: \$3-30 | It doesn't get more local than this! By shopping from a wide variety of plants grown in Denver Botanic Gardens' greenhouses and gardens both at York Street and Chatfield Farms, you can take home a little piece of the Gardens and plant it yourself.

Why no species list? The items we bring to Spring Plant Sale will depend on what we have growing at the time, so stop by the division to view our selection.

HANGING BASKETS

PRICE RANGE: \$35-50 | Looking for a last-minute Mother's Day gift? We've got you covered! Baskets bursting with blooms of every color instantly spruce up any porch or balcony and require very little effort to maintain.

WATER-SMART

PRICE RANGE: \$3-40 | Water-Smart plants are not just drought-tolerant: they thrive in dry soils and, in many cases, only need to be watered 6-12 times per year. And don't assume that less water yields duller gardens: water-smart plants offer a huge variety of bright, colorful plants that also happen to keep your water bill low.

PLANT SOMETHING. WIN SOMETHING.

When you plant something, good things happen. Property values can go up, energy bills can go down, and pollutants can go away. Plus when you plant something this summer, even better things can happen, like winning cool prizes. And with our 2018 focus on **low-maintenance plants**, we're here to help you hone your green thumb with tips on awesome plants that thrive right here in Colorado.
