NURSERY NEWS

Packaging– New for 2020, we have launched our new grey packaging design across all pots and packs. Our printed pot design has been updated to inform consumers about the recyclability of the new packaging as well as bringing the design in line with the rest of our packaging to give one look and feel. Above all we highlight our plants are ‘Grown in Sussex’ a local producer, supporting the local economy and reducing ‘plant miles’.

Plant Labelling– New for 2020 we will be rolling out our plant labelling service. Many ranges already come with barcodes either on the growers pot or on the label, we can now offer a plant labelling service across all ranges. This enables our customers to add their retail price to the product, barcode and any other information that can fit on the label. At this stage and in order to determine preferences from our customers this service will be chargeable at 5p per unit. To opt for this service please select this option when ordering.

Peat Reduction– We have been making progress reducing peat in our perennial and Cyclamen compost mixes, for 2020 we will begin to trial reduced peat in our bedding range, this is a long term aim to reduce peat usage only when we are confident there will be no compromise to the quality of the product.

Nursery investments– We’re well underway with new investments in the nursery for 2020, we will be rolling out automated irrigation as a means of improving precision of watering and reducing labour costs, investing in thermal screens and automated shading to both reduce cost and improve quality. As always if you would like to visit the nursery we would be delighted to host you and show you around.

OUR PLANT RANGES;

We split our plant ranges (and this catalogue) into 3 categories;

Instant impact—This range includes all our annual and biennial bedding plants, as the name suggests they are there to brighten up any spot in the garden- instantly!

Kitchen Garden— Here we list all our herbs, veg, salad and fruit plants, growing in popularity these ranges are for the vegetable patch but can also be planted in a variety of other places.

Perennial Investments— For a longer lived impact on the garden our perennial range pays back over several years depending on the variety.

Autumn / Early Spring— Autumn bedding/ Cyclamen/ bulbs and polyanthus are our main ranges at this time of year and we cover these at the back of our catalogue.

In addition to these ranges we also produce a **Christmas range** and a **Mothers' day range** which includes gifting and home decorating products. These are sent out ahead of each season via our trade availability list.

HOW TO ORDER;

To order simply follow these steps;

- 1) **Sign up** to our weekly trade availability list via our website.
- 2) **Order** from the availability list for delivery same week via telephone or email.
- 3) **Delivery** is free for orders over £150 ex vat, see our website to see where we deliver to.
- 4) We send out a **monthly sample van**— contact us if you would like a visit.
- 5) In some areas we run a weekly round where you can buy direct off the van, (no minimum order), contact us for details.

NEW VARIETIES FOR 2020

New varieties are the life blood of our business. We take a keen interest in developments in breeding across a wide range of breeders. Our show garden continues to provide us with invaluable information as to how a plant performs in the garden, informing our choice of varieties that grow well both on the nursery and in the garden. New for 2020;

Impatiens– 2020 is the year when impatiens make a comeback for us after a gap of almost a decade due to a lack of downy mildew resistance. New series have been launched and we're encouraged by their performance in the garden and confident to launch them in 5 colours plus mixed in 2020. These will be sold in our 6 pack bedding range.

Geranium Marcada– A new single flowered, interspecific trailing geranium that flowers all summer long. We will be listing this in our 10.5cm patio pot range as well as our 14 inch hanging baskets. Look out for the dark red in particular, although all the colours are vibrant and eye catching.

Petunia Sky Series– Novelty trailing petunias have been a growing segment for us for several years, we're excited to be adding to the successful night sky petunia, Petunia Lavender Sky and Lightning sky. We also add rim magenta that has a RHS AGM to join our very successful Black Velvet. This is complemented by a wide range of surfinia petunia as well as our smaller range of trailing double petunia, meaning we have a petunia for every situation and every customer preference!

Nemesia- We continue to trial heavily in this category as it is growing in popularity and produces stunning results in the garden. New this year is the Lady series (Dawn, Emma and Jane), these join our extensive range of nemesias in both 10,5cm pots and 13cm pots.

Perennials; We have lots more developments in our perennial range for 2020, particularly in Penstemon, Grasses, Heuchera and French lavender, look out for these in our A-Z perennial listing in this catalogue.

NOTES

TERMS AND CONDITIONS 2019– CADE STREET NURSERY- WHOLESALE

1. BASIS OF SALE

1.1 The Buyer shall purchase the Goods in accordance with any written order acknowledgement of the Seller which is accepted by the Buyer or any written order of the Buyer which is accepted by the Seller. These conditions shall govern the contract unless any special term or condition is agreed in writing between the Buyer and Seller. No variation to these Conditions shall be binding unless agreed to in writing between the authorised representatives of the Buyer and the Seller.

1.2 Any typographical clerical or other error or omission in any sales literature, quotation, price lists, order acknowledgement, invoice or other documentation or information issued by the Seller shall be subject to correction without liability on the part of the Seller.

1.3 Any advice or recommendation given by the Seller or its employees or agents to the Buyer or its employees or agents as to the storage, display or use of the Goods which is not confirmed in writing by the Seller is followed or acted upon entirely at the Buyer's own risk and accordingly the Seller shall not be liable for any such advice or recommendation which is not so confirmed.

2. ORDERS

2.1 The Buyer shall be responsible for ensuring the accuracy of any order placed with the Seller and supplying any necessary information within a sufficient time to enable the Seller to perform the contract.

2.2 The quantity and description of and any specifications for the Goods shall be those set out in the Seller's quotation or the Buyer's order.

2.3 Orders are accepted subject to Goods being available from the Seller's stock at the time delivery is due, thus the Seller may substitute what in the Seller's opinion is the nearest equivalent of any variety not available unless the Buyer indicates that they object to such a substitution.

2.4 Plant orders - carriage is inclusive for orders over £150 + vat (within our delivery area– see website for details). A charge may apply to orders less than this amount. Prices are subject to any applicable VAT for which the Buyer is additionally liable.

3. TERMS OF PAYMENT

3.1 All Goods shall be paid for by the Buyer on pro-forma invoice prior to collection/delivery of the Goods unless the Seller has agreed to provide account facilities to the Buyer and in which case the Buyer shall pay the price of the Goods within 30 days of the end of the month in which the invoice was raised. If payment is not made within this timescale, the Seller reserves the right at its absolute discretion to charge interest of 1.5% per month (18% per annum) on any outstanding balance and the Buyer acknowledges and accepts that this penalty clause is reasonable and properly incorporated into the contract.

3.2 Goods will be deemed paid for when cleared funds have been deposited in the UK bank account of Seller, and are available to Seller. Proof of payment is not proof of receipt of funds.

3.3 If, in order to recover overdue monies, the Seller passes the Buyer's account to a debt collection agency for collection, the fees incurred in such action shall be added to the Buyer's account.

3.4 The Seller will only consider granting the Buyer account facilities subject to relevant credit searches. The granting and withdrawal of account facilities to the Buyer is subject to the absolute discretion of the Seller.

4. DELIVERY

4.1 Any dates quoted for delivery of the Goods are approximate only and the Seller shall not be liable for any delay in delivery of the Goods howsoever caused. Time for delivery shall not be of the essence unless previously agreed by the Seller. The Goods may be delivered by the Seller in advance of the quoted delivery date upon giving reasonable notice to the Buyer.

4.2 Delivery of the Goods utilises the CC Danish Trolley system and if the Buyer retains a trolley he must therefore provide a replacement trolley of equivalent quality.

4.3 The Buyer is to provide staff to assist in unloading consignments which is at the Buyer's risk.

4.4 It is the Buyer's responsibility to examine the Goods upon receipt. The Buyer has 7 days in which to notify the Seller of any delivery discrepancies or other queries.

4.5 Seller will cooperate with Buyer to establish any legitimate claim against a carrier for loss or damage in transit. All such defects must be noted on the delivery docket and supported by photographic evidence taken at the time of delivery.

5. RISK AND PROPERTY

5.1 Until the Seller has received full payment of all Goods whatsoever supplied and all services rendered at any time by the Seller to the Buyer the property in all such Goods shall remain with the Seller.

6. LIABILITIES

6.1 The Seller shall be under no liability in respect of any defect arising from wilful damage, negligence, abnormal storage conditions and failure to follow the Seller's instructions (whether oral or in writing).

6.2 Any claim by the Buyer which is based on any defect in the quality or condition of Goods or their failure to correspond with specification shall in all cases be notified to the Seller within the 7 days from the date of delivery. Where delivery has been accepted and the Buyer has not notified the Seller accordingly the Buyer shall not be entitled to reject the Goods and the Seller shall have no liability for any defect or failure and the Buyer shall be bound to pay the contract price.

6.2.1 All claims must be supported by photographic evidence.

6.3 The Seller will assess the Buyer's claim and in the Seller's absolute discretion replace the Goods (or the part in question) or refund to the Buyer the price of the Goods paid by the Buyer (or a proportionate part of the price) and refund the Buyer for reasonable carriage charges but the Seller shall have no further liability to the Buyer, whether for damages, consequential loss or otherwise.

6.4 Seller will not be responsible for the loss of plants after they are sold and removed from the Buyer's premises.

6.5 The Seller shall not be liable to the Buyer or be deemed to be in breach of contract by reason of any delay in performing or failure to perform any of the Seller's obligations in relation to the Goods if the delay or failure was due to any cause beyond the Seller's reasonable control (Force Majeure) and without prejudice to the generality of the foregoing to include strike, lock out, restrictions, embargoes, adverse weather, disease, infestation and such like.

7. INSOLVENCY OF BUYER

7.1 This clause applies if:- A) The Buyer makes any voluntary arrangement with his creditors or becomes subject to an administration order or becomes bankrupt or goes into liquidation or B) An encumbrancer takes possession or a receiver is appointed to any of the property or the assets of the Buyer or C) The Buyer ceases or threatens to cease to carry on business or D) The Seller reasonably suspects that any of the above events is about to occur.

7.2 If this clause applies then without prejudice to any of the other right or remedy available to the Seller the Seller shall be entitled to cancel the contract or suspend any further deliveries under the contract without any liability to the Buyer and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.

7.3 Should any of the events listed in Clause 7.1 occur, Seller shall be entitled to recover all Goods in the possession of Buyer in which Seller retains legal property.

8. GENERAL

8.1 The placing of an order implies acceptance of these Terms and Conditions.

8.2 These Conditions shall be governed by the laws of England and Wales, and the Buyer and Seller hereby irrevocably submit to the non-exclusive jurisdiction of the English Courts.
