TRANSCRIBED AND TYPED
by
CAPE GIRARDEAU COUNTY GENEALOGICAL SOCIETY

1985

Members of the Cape Girardeau County Genealogical Society have tried to transcribe the 1870 Federal Census of Cape Girardeau County, Missouri, as accurately as possible. However, the quality of ink used for this particular census is of such poor quality that the task was indeed tedious--if not impossible at times.

Scattered throughout the printed census you will find many question marks and underlinings (i.e. ? and) indicating that the transcriber was unable to determine the information or definitely questioned his/her interpretation of the data. Also, there appears to be many discrepancies in the numbering system throughout the entire census. Some are minor. But a major error is quite evident in the Applecreek Township (pp 1 - 27). We urge you to check the original microfilm.

The data culled from the original 1870 Federal Census of Cape Girardeau County, Missouri, for this book is as follows:

- a. Dwelling Number
- b. Name
- c. Age
- d. Sex
- e. Place of Birth
- f. Color

Abbreviations used throught the census are:

- a. Sex - Male (M) Female (F)
- b. State - United States Postal Abbreviations
- c. Country - See List Below
