Welkom Welcome

Beste Collega - Tuinder,

Dat een goede samenwerking en duidelijke informatie in deze Corona-tijden belangrijk zijn, heeft dit drukke voorjaarsseizoen 2020 des te sterker benadrukt.

Wat aanvankelijk als moeilijk en niet evident bleek te worden, heeft uiteindelijk voor U en ons een positieve wending gekregen. Doordat "de consument" meer en meer verplicht is om thuis, of in eigen land, te blijven, heeft deze de rust van de groene beleving in eigen woonkamer en tuin teruggevonden.

Met deze catalogus 2021 wil Denis-Plants bv, zijn volledige assortiment vaste planten, kamerplanten en Helleborussen, met zijn vernieuwingen aan U voorstellen. Tevens zullen wij niet nalaten om U via sociale media, LinkedIn en Facebook, verder te informeren over onze nieuwe soorten en andere weetjes.

Neem nu reeds kennis van ons uitgebreid gamma, en laten we samen aan een gezonde groene en bloeiende toekomst werken.

Denis-Plants, Your Quality Label

Dear Colleague and Gardener,

The Corona Epidemic has made abundantly clear the need for close collaboration and transparent information during this busy 2020 pre-season.

What initially threatened to become an extremely difficult time has eventually taken a positive turn for both of us. Because customers were increasingly forced to stay at home or in their own country, they rediscovered the peace and quiet of the 'green' experience in their living room and garden.

With this 2021 catalog, Denis-Plants bv presents its complete range of perennials, houseplants and hellebores and innovations thereof. We will also continue to inform you via social media, LinkedIn and Facebook about our new varieties as well as other related news.

We invite you to familiarize yourself with our extensive offerings. Let us work together on a healthy green and flourishing future.

Algemene handels- en verkoopvoorwaarden BVBA DENIS-PLANTS

Artikel 1

Huidige algemene voorwaarden zijn de enige welke toepasbaar zijn, zelfs indien de klant gebruik maakt van eigen voorwaarden. Afwijkingen van deze voorwaarden zijn slechts mogelijk mits uitdrukkelijke schriftelijke instemming.

Artikel 2

Alle offertes zijn vrijblijvend en slechts geldig tijdens de aangegeven termijn. Bestellingen zijn slechts bindend voor BVBA Denis-Plants na schriftelijke bevestiging. De afgifte van een pro-forma rekening geldt niet als schriftelijke bevestiging. BVBA Denis-Plants behoudt zich het recht voor bestellingen te weigeren en geen verkoopsovereenkomst af te sluiten wanneer de koper nog tot betaling gehouden is van één of meer reeds vervallen facturen. BVBA Denis-Plants behoudt zich het recht voor de aanvaarding van een bestelling afhankelijk te maken van de voorlegging door de koper van een bankgarantie of een documentair krediet of van de aanvaarding van de overeenkomst door een kredietverzekeraar. Indien door overmacht BVBA Denis-Plants enige overeenkomst niet of slechts gedeeltelijk kan uitvoeren, zal zij geen vergoeding verschuldigd zijn. Onder overmacht worden niet-limitatief volgende gevallen begrepen: vervoersproblemen, overheidsmaatregelen, verlies, weersomstandigheden enz. BVBA Denis-Plants verbindt er zich in deze omstandigheden wel toe te trachten de bestelde goederen te vervangen door gelijkaardige goederen. Indien de levering van de bestelde soorten, maten en aantallen niet mogelijk is, heeft BVBA Denis-Plants het recht deze door de dichtst benaderende te vervangen, ten ware anders overeengekomen werd.

Artikel 3

De facturen zijn, behoudens andersluidend beding, contant betaalbaar zonder korting op de zetel van BVBA Denis-Plants. De gefactureerde bedragen zijn verschuldigd, zelfs als deze afwijken van bedragen vermeld in een offerte. Bij niet-betaling op de vervaldag wordt de schuldvordering, zonder voorafgaandelijke ingebrekestelling, geheel en onmiddellijk opeisbaar, onverminderd een conventionele rente per jaar van 10 % en een conventionele schadevergoeding van 10 % met een minimum van 125,00 euro, onverminderd iedere aansprakelijkheid van de koper voor eventueel koersverlies.

Artikel 4

De koper wordt slechts eigenaar van de verkochte goederen nadat de koopprijs zal betaald zijn. De koper verbindt er zich toe de goederen niet te vervreemden, onroerend te maken of te verwerken alvorens volledige betaling te hebben verricht. Dit eigendomsvoorbehoud kleeft enkel aan de betreffende geleverde goederen die nog niet betaald zijn. De verkoop houdt nooit afstand in van enig intellectueel eigendomsrecht tenzij uitdrukkelijk schriftelijk anders overeengekomen.

Artikel 5

Geen enkele klacht nopens gebreken aan de geleverde goederen of de uitvoering van de verkoopovereenkomst zal ontvankelijk zijn indien deze niet binnen 48 uur na ontvangst van de goederen wordt geformuleerd. Ieder protest dient binnen de 8 dagen na ontvangst van de goederen of bij voorafgaande facturatie binnen de 8 dagen na ontvangst ervan, per aangetekend schrijven bevestigd te worden. Welkdanig gebrek aan het geleverde levert aan de koper geen ander recht dan de vervanging ervan, t.t.z. de aansprakelijkheid van BVBA Denis-Plants is beperkt tot levering van het vervangend product, zonder welkdanige andere vergoeding uit welken hoofde ook lastens BVBA Denis-Plants te kunnen eisen.

Artikel 6

Het vervoer van de verkochte goederen geschiedt, behoudens andersluidende voorafgaandelijke overeenkomst, steeds voor rekening van en op risico van de koper. Behoudens andersluidende voorafgaandelijke overeenkomst, worden alle goederen afgehaald op de zetel van de verkoper. Tenzij de verkoper aanvaard heeft zelf voor het vervoer van de verkochte goederen in te staan of te laten gebeuren, draagt de verkoper nooit enige verantwoordelijkheid voor het transport of levering bij de koper of derden. Bij vertraging van levering door de verkoper zal de koper nooit recht hebben op enige schadevergoeding. De verpakkingskosten en andere voorgeschoten kosten worden aangerekend tegen kostprijs en tegen rembours genomen.

Artikel 7

Door het plaatsen van een bestelling stemt de klant er mee in dat BVBA Denis-Plants alle megedeelde gegevens van de klant mag opslaan en gebruiken conform de GDPR regelgeving.

Artikel 8

Alle overeenkomsten en handelsrelaties worden beheerst door het Belgisch recht. Alle twistingen dienen beoordeeld te worden door de bevoegde rechtbanken te Gent.

General Terms and Conditions of Trade and Sales BVBA DENIS-PLANTS

Article 1

Present general terms and conditions are the only ones that are applicable, even if the customer uses his own terms and conditions. Derogations from the present terms and conditions are only possible with explicit written consent.

Article 2

No offer is binding and offers are only valid during the indicated period. Orders are only binding for BVBA Denis-Plants after written confirmation. The issue of a pro forma invoice does not have the value of a written confirmation. BVBA Denis-Plants reserves the right to refuse orders and not to conclude a sales agreement if the buyer is still liable to pay one or more already expired invoices. BVBA Denis-Plants reserves the right to make the acceptance of an order dependent on the buyer's submission of a bank guarantee or documentary credit or the acceptance of the agreement by a credit insurer. If by force majeure BVBA Denis-Plants cannot execute wholly or only partially any agreement, it will not be liable to pay any compensation. Force majeure includes non-exhaustive following cases: transport problems, government measures, loss, weather conditions etc. In these circumstances BVBA Denis-Plants undertakes to try to replace the ordered goods with similar goods. If delivery of the ordered types, sizes and quantities is not possible, BVBA Denis-Plants has the right to replace it by the nearest approximate, unless otherwise agreed.

Article 3

The invoices are, unless otherwise agreed, payable in cash without discount at the registered office of BVBA Denis-Plants. The invoiced amounts are due even if they deviate from the amounts stated in an offer. In the event of non-payment on the due date, the claim will be due and payable in full and immediately, without prior notice of default, notwithstanding a conventional interest of 10% per year and a conventional compensation of 10% with a minimum of 125,00 euros, without prejudice to any liability on the part of the buyer for any currency exchange loss.

Article 4

The buyer only becomes the owner of the goods sold after the purchase price has been paid. The buyer undertakes not to alienate the goods, to transform them into real property or to process them before full payment has been made. This retention of title only applies to the delivered goods that have not yet been paid. The sale never implies a waiver of any intellectual property rights unless expressly otherwise agreed in writing.

Article 5

No complaint regarding defaults in the delivered goods or the execution of the sales agreement will be acceptable if it is not formulated within 48 hours of receipt of the goods. Every protest must be confirmed by registered letter within 8 days of receipt of the goods or in the event of a previous invoice within 8 days of receipt thereof. Any default in the delivered goods does not give the buyer any other right than the replacement thereof, i.e. the liability of BVBA Denis-Plants is limited to the delivery of the replacement product, whereby no other compensation can be claimed from BVBA Denis-Plants.

Article 6

The transport of the sold goods is, unless otherwise agreed in advance, always at the risk and expense of the buyer. Unless otherwise agreed, all goods are collected at the seller's head office. Unless the seller has accepted to take care of the transport of the sold goods or to have them done, the seller never bears any responsibility for the transport or delivery to the buyer or third parties. In case of delay of delivery by the seller, the buyer will never be entitled to any compensation. The packaging costs and other advanced costs are charged at cost price and cash on delivery.

Article 7

By placing an order, the customer agrees that BVBA Denis-Plants may register and use all the data provided by the customer in accordance with the GDPR regulations.

Article 8

All agreements and trade relations are governed by Belgian law. All disputes must be judged by the competent courts in Gent.
