Drug means any substance capable of affecting the performance or behaviour of a horse by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

Any exhibit which has been brought to the Show Grounds and is found by the Society or the Director to have had administered to it any drug as defined above may be disqualified for any event or class for which it has competed at the Show.

When any horse which is on the Show Grounds for the purpose of taking part in a class or event at the Show is found to have had administered to it a drug as defined above the owner and any other person who was in charge of the horse may be disqualified or otherwise penalized by the Society.

Any person who at any time administers or causes to be administered for the purpose of affecting the performance of a horse in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be disqualified or otherwise penalized by the Society. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on competing horses. At the discretion of the Council there will be blood testing of horses prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquiliser drugs but that analysis for all classes of prohibited substances will be included. The collection of samples will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Council may also select any horse for examination for desensitized limbs. Any horse found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a Prohibited Substance and penalised accordingly.

An obligatory "Drug Testing and Enforcement Levy" is payable by all Exhibitors.

The levy has been set at \$10.00 per Exhibitor for the 1986 Royal Melbourne Show.

CONDUCT OF EXHIBITORS

Persons in charge of exhibits must not leave their exhibits unattended and such persons or exhibitors shall not address the judge unless authorised by the Steward in Charge of the class or the Judge himself.

39. The Judge may award a second or third prize, instead of a first, or may withhold a prize altogether, where he considers the exhibits are not of sufficient merit.

40. The Judge is requested to make a reserve number, by marking it as such, of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

50. The Society's Veterinary Surgeons may refuse to attend an animal previously examined and treated by a Veterinary Surgeon who is not a member of the Society's Panel.

51. Unless otherwise specifically stated, only members of the Society's Veterinary Panel may give Veterinary Certificates required by the Society.

52. If in the opinion of one of the Society's Veterinary Surgeons an animal on the Show Grounds should be destroyed or removed from the Show Grounds the Society or the Director shall be entitled to have the animal destroyed and/or removed from the Show Grounds or shall be entitled to require the owner or his deputy at the Show Grounds to forthwith remove the animal from the Show Grounds. All costs incurred by the Society in connection with such animal shall be paid by the owner to the Society.

The horse/s in question cannot be exhibited in any other class/s until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show may entail non-acceptance of entries at any subsequent Show.

Exception forms can be obtained from the Office of the Horse Superintendent.

Led exhibits must not wear any clothing or boots.

DOES YOUR CURRENT BANK HAVE A HABIT OF MAKING YOU SWEAT?

Does your current bank treat you like it doesn't need your business?

Working at a pace that suits itself rather than your needs?

Does it keep you waiting, guessing, sweating on major decisions?

At State Bank, we can change the face of business banking by responding to your needs with two simple promises.

Our rates are extremely competitive. Our decision process is fast.

And there's a bonus. We offer service that a lot of large trading banks don't.

The kind of service that will immediately demonstrate just how important we think you and your business are.

Unlike the large national banks, that seem to virtually take your repeat business for granted.

If you want to remain competitive, it will pay you to call and discuss your next financial proposition with Peter Rodda on (03)604 7390.

Re-think your way to Europe!

WITH A FREE OVERNIGHT STOP IN JAPAN!

Think of Japan as your new gateway to Europe. A fascinating gateway if you take advantage of one of JAL's unique new Tokyo stopover offers.

Or a most practical gateway if what you want is speed and comfort.

Japan Air Lines fly you Sydney-Tokyo in one easy hop. Then either on over the Pole or across to Moscow and straight on to any of ten major European cities.

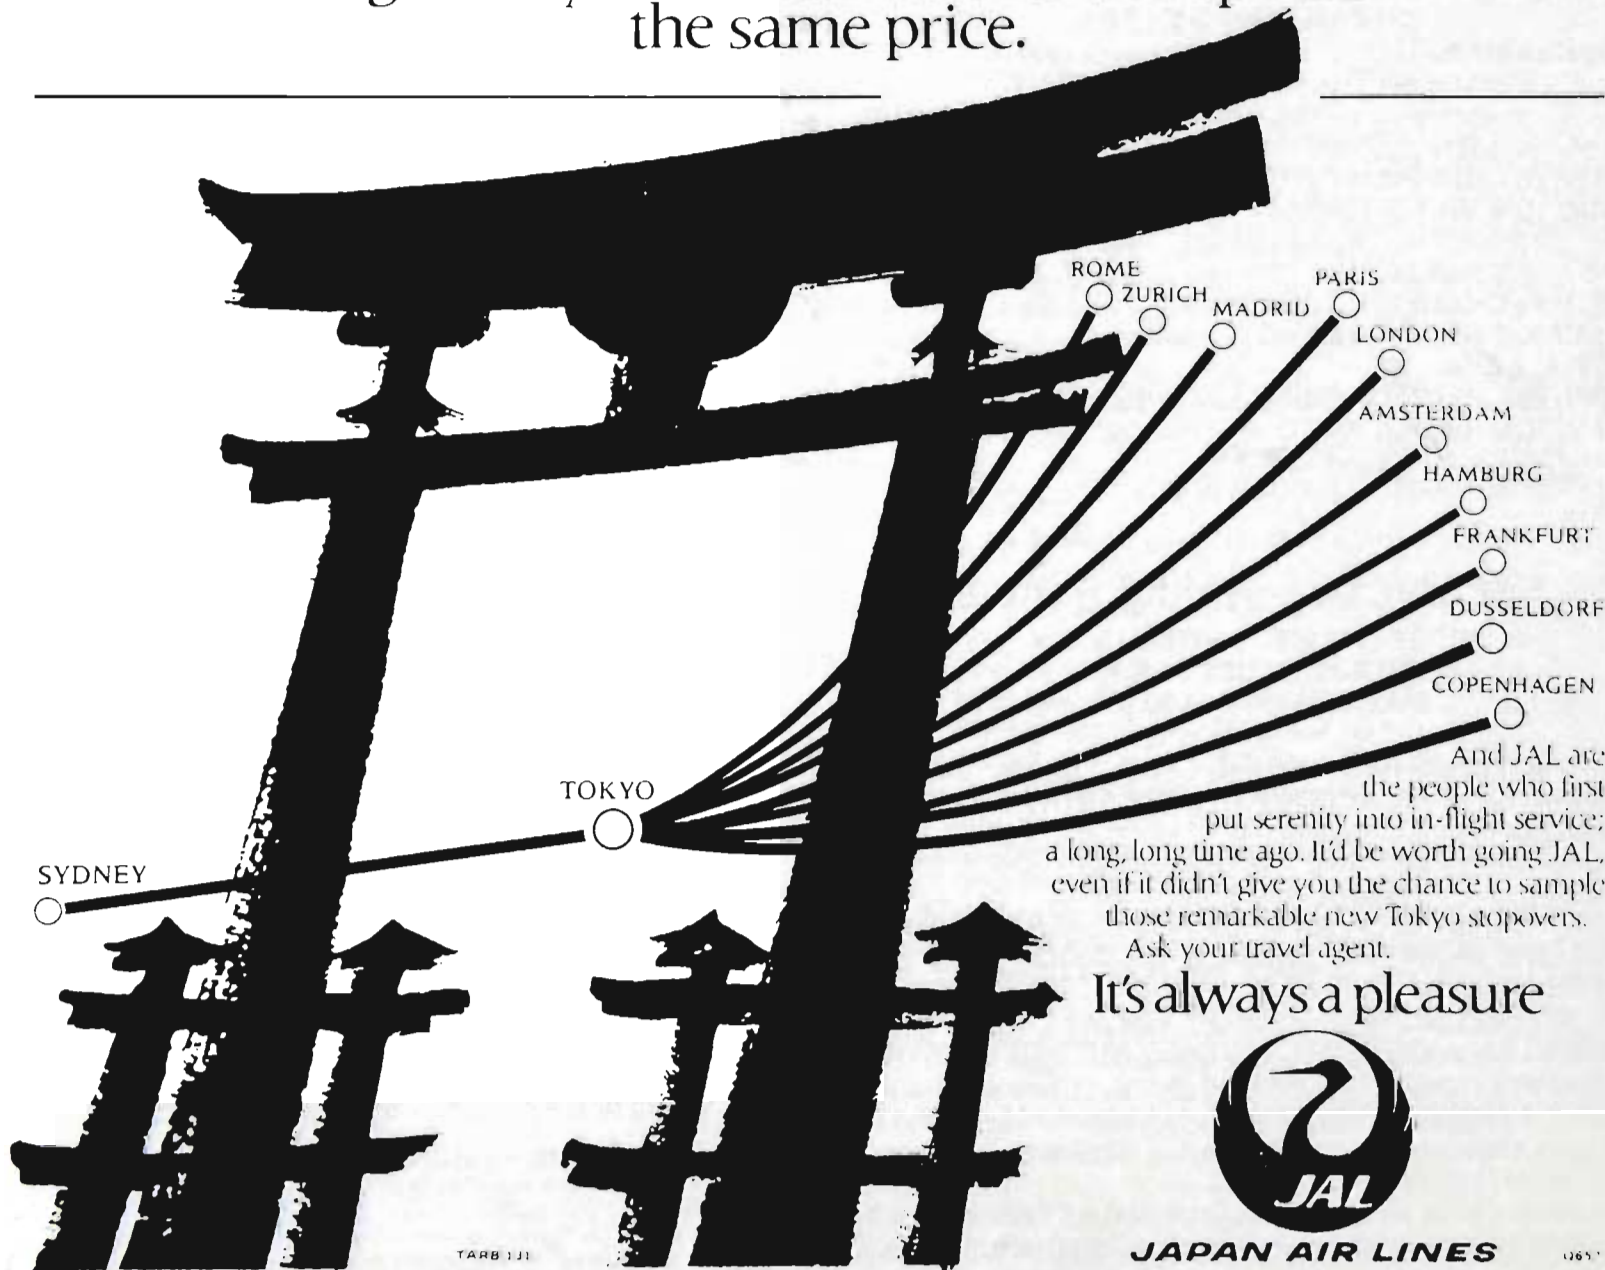

In fact no-one else gives you all these European destinations just two easy stops from Sydney.

Because the earth's not flat, it takes a real globe of

the world to show truly how direct and practical this fast and gently curving JAL route is. Or you could fly it and see. Depending which European destination you're heading for, it'll take about the same time as more ordinary routes. Or somewhat less, allowing for plane-changing you won't have to do at European airports.

Other things you may not know about JAL is that they are actually the world's largest I.A.T.A. airline. Flying the world's most advanced Jumbos. And touching down or taking off somewhere around the globe about every four minutes. Every day.

Look at the world JAL's way and you've discovered the gateway to a better route to Europe for the same price.

And JAL are the people who first put serenity into in-flight service; a long, long time ago. It'd be worth going JAL, even if it didn't give you the chance to sample those remarkable new Tokyo stopovers. Ask your travel agent.

It's always a pleasure

PROTECT YOURSELF AND YOUR PROPERTY

It's absolutely vital you protect yourself, your family and your property from those often quite devastating events — such as fire, theft and accident.

*Westpac Insurance Services can arrange policies to cover your personal property, home contents, motor vehicles and even mortgage repayments.

We've also developed a special insurance package for primary producers which, on top of the usual items, will cover virtually anything and everything you own. Like other farm buildings and contents, goods and livestock being transported, mobile agricultural machinery, silos and contents, windmills and water tanks, harvested crops, public liability, personal liability and more. Goods and

stock in transit can even be protected against fire, flood, overturning and collision (with other vehicles).

You don't have to take the full package either. Westpac's Primary Producers Insurance Package is very flexible. You can simply select the elements most suitable for your current requirements.

Best of all, our rates are very competitive. So no matter what your insurance needs are, ask the Bank for the Land.

A WHOLLY OWNED SUBSIDIARY OF:

BONLAC FOODS LTD.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.

REFINED TOUGH

FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

"GOOD HANDS" COMPETITIONS**Class 561 — THE "GOOD HANDS" CHALLENGE TROPHY FOR GIRLS. Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.**

Entries must be lodged with the Director, Royal Agricultural Society, by 5 p.m. on Thursday, September 18. 2517

Class 562 — THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS. Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

Entries must be lodged with the Director, Royal Agricultural Society, by 5 p.m. on Thursday September 18. 3339

QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre, the mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Thursday, September 18.

ENTRY FEES: \$22, R.A.S. of V. Members, \$11.

FLAG RACE CONDITIONS

Four barrels to be placed in a straight line 10 yards apart, the outside barrels at least 10 yards from the nearest fence or obstacle.

Flags to be placed nine yards (27 ft.) apart in straight rows of six (6). Each row to be 10 yards apart.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.
 4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
 - (b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
 - (c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
 - (d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
 - (e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.

- (b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
- (c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
- (d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
- (b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.
7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

Class 570 – THE OPEN FLAG RACE. SPECIAL PRIZES, \$150.

To be run in heats as directed by the Stewards.

2. All competitors take part in the first round. The following competitors may start the second round; all competitors except those eliminated during the first round and those who have withdrawn from the competition.

3. These two rounds will be judged as follows:

Under Table A not against the clock for the first round and under Table A against the clock for the second round.

The classification is obtained by adding the faults of the two rounds and the time over the second round — in the case of an equality of penalties for first place after two rounds, there will be a compulsory jump-off against the clock over a reduced course with obstacles eventually increased in height and/or spread.

GROUP B SPECIAL EVENTS & TEAMS**Class 612 — THE "COMMERCIAL UNION" TOP SCORE STAKES.**

F.E.I. Rules — (article 246).

SPECIAL PRIZES, \$600 (presented by COMMERCIAL UNION ASSURANCE CO. OF AUST. LTD., 422 COLLINS STREET, MELBOURNE.) First, \$170; Second, \$140; Third, \$120; Fourth, \$80; Fifth, \$60; Sixth, \$30.

1. In this competition, each obstacle is allotted a number of points, from 10 to 120 according to its difficulty. A water jump may be included but no combinations are allowed.
2. Competitors are credited with the number of points allotted to each obstacle provided it is jumped clear. No point is awarded for an obstacle knocked down.
3. Each competitor is allowed a time of 60 seconds. During this time, he can jump all the obstacles he chooses in the order and the direction that he desires. The starting line is obligatory and can be taken in either direction.
4. The bell will indicate the end of the course. The competitor must then cross the finishing line, from either direction so that the Jury can register the time.

5. At the expiration of the time allowed for the course, the competitor will be credited with the number of points allotted at the last obstacle if it is jumped clear and if the forelegs of his horse have touched the ground on landing when the bell sounds.
6. An obstacle knocked down during the course will not be rebuilt and if it is re-jumped, no points will be credited to the competitor. The same applies when a lower element sited in the same vertical plane is displaced. If a flag at an obstacle is knocked down, it will not be replaced and if the obstacle is re-jumped, no points will be credited to the competitor.
7. Each obstacle can be jumped twice to count. Jumping, voluntarily or not, an obstacle for the third time or passing through the flags of an obstacle already knocked down, entails no elimination but scores no points.
8. Disobediences and falls are penalised by the time lost by the competitor but, after three disobediences, the bell will be rung to stop the competitor who must then cross the finishing line. In this case, the competitor will be placed according to his points and time but after any other competitor with the same points and time.
9. The competitor scoring the greatest number of points will be the winner. In the case of an equality of points, the fastest time between the starting and the finishing lines will be decisive. In the case of equality of points and time, there will be a jump-off according to the same formula with a time allowed of 40 seconds.

Section 23 Jumping Competitions

Riders may ride in one team only and may ride only one horse in that team. In the case of a State, Dominion or Country nominating more than one team they are required to be nominated as the State, Dominion or Country's A and B team. No rider may be nominated for any State, Dominion or Country other than that in which he or she is resident and no horse may be nominated for any State, Dominion or Country except that in which its nominator is resident. The Committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50 of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested. Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round. If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

Specified rate — 400 metres per minute.

4. **Tentpegs**
 - (a) Pegs used shall be approved softwood, bound in two places by wire. They shall be painted white on one side, while the reverse side is left unpainted to allow pegs to be soaked thoroughly before use. Each peg is to be identified on the reverse side if parcticle.
 - (b) Peg size for lance and sword drill shall be 30 cm. (1 ft.) high x 7.5 cm. (3 ins.) wide x a minimum of 2.5 cm. (1 in.) depth.
 - (c) Pegs of smaller dimensions will be used at the discretion of the judge to determine the winner, or winners of any compenion.
5. Pegs shall be placed in the ground two metres (6 ft. 7 ins.) distance from each other in single file and three metres (9 ft. 10 ins.) intervals in line abreast when using lances or swords.
6. A round shall consist of at least one run single file, followed by one run in line abreast. (A competitive event shall consist of at least three (3) rounds).
7. The terms of scoring points shall be:
 - "Carry" (6) Peg removed 20 metres (65 ft. 7 ins.) or more, distance to be measured from the point at which the peg was placed. In single file run, there shall be four carry markers each one being 20 metres (65 ft. 7 ins.) from its respective peg. The peg is to be removed by point of weapon.
 - "Draw" (4) Peg removed from the ground by the point of weapon, but not carried 20 metres (65 ft. 7 ins.)
 - "Strike" (2) Peg struck by point of weapon, but not removed from the position in the ground. Pegs must be struck on the face of the peg by the point of the lance or sword. In the case of a split peg, provided it is struck in excess of 2 cm (inch) from either side, full points shall be awarded.

Tentpegging

8. The Judge may allot up to 8 bonus points (with provision for half points), for each round for drill, pace and style of the run. Drill points are allotted as BONUS points ONLY, and must not be deducted from the pegging points. The judging of drill will commence from the time of salute at the beginning of the round, not when in the marshalling area, and finish when lances are returned to the carry position after removal of pegs after the four abreast run. The Judge will nominate a point of commencement of drill.
 9. The pace required shall be a full gallop, which must be attained at the 30 metre gallop marker "A" and maintained by all riders until reaching the 40 metre marker "D" (refer attached diagram).
 10. Each member shall retain their numerical position in the Section throughout the contest in both Single File and Line Abreast. The Section will be numbered from the right and the run in Single File must be carried out in numerical sequence and at approximately 20 metres (65 ft. 7 ins.) distance between files. Similarly No. 1 must be on the right of his Section for the run in Line Abreast. If competitor rides out of sequence, there shall be no peg points allotted for the rider in that run, or drill points for the team, over the complete round.
If a competitor rides at a distance greater than 40 metres (131 ft. 3 ins.) in single file OR if the first and last rider in line abreast have more than 20 metres (65 ft. 7 ins.) distance between them at the pegs, then no drill points shall be allotted for the complete round.
 11. Each competitor must engage riders own Peg. In Single File No. 1 takes the first peg rider meets, No. 2 the second peg, etc., in Line Abreast No. 1 takes the right hand peg, No. 2 the second from the right, etc. If a rider takes another's peg rider loses any score achieved and prevents the other rider from scoring as well. Rider who took peg will also lose three points for drill.
If rider engages another's peg but misses it, three points shall be deducted for drill.
The Rider whose peg is accidentally dislodged from the ground (i.e. by a horse's hoof), the rider may still attempt to pick up the peg and if he does so will be credited with full points (carry only), but drill point will be lost.
 12. **Lance Drill**
In the approach to a peg in either Single File or Line Abreast the lance will be carried in a uniform position at the carry or at the trail on the approach to Marker Flag "B". Upon a competitor reaching this marker, the lance is to be presented by thrusting smartly forward in a vertical position, approximately midway along the horse's neck, prior to the lance being lowered to engage the competitor's respective peg. After engaging the peg, the lance is to be returned with a smooth recovery through the present to the carry or trail position.
 13. **Sword Drill**
In the approach to the peg in either Single File or Line Abreast, the sword must be carried at the slope. On reaching Marker Flag "A", the sword must be brought to the engage at the hip. On reaching Marker Flag "B" the sword is "in line" (straight arm engage) and the point lowered to engage the peg in an even sweep. After engaging the peg, the sword is to be returned with a smooth recovery to the slope position.
 14. **Horses**
The minimum height of horses used shall be 14.2 hands unshod. An allowance of 16 mm (inch) will be made for shoes. Horses are to be measured by a measurer appointed by the organising committee prior to the commencement of the competition on the request of the Judge or his deputy on complaint by a team captain. The registration of horses is optional.
 15. The changing of a horse or rider in a team throughout the competition shall not be allowed, except on presentation of a Veterinary or Doctor's Certificate respectively, or Judges authority if other are not available.
If an injured, sick or lame rider or horse recovers during the competition they may be permitted to re-enter at the discretion of the Judge.
Horses may not be exchanged within the team during the currency of a contest.
 16. If, in the opinion of the Judge, a competitor mistreats his horse, he may disqualified from the competition.
 17. **Safety Equipment**
Crash Helmets must be worn in all tentpegging competitions, with the exception of service personnel. A competitor who loses his crash helmet during the course of a round will be recapped before continuing the competition, and two (2) drill points will be deducted. Each horse used in a competition must be fitted with a breast plate.
 18. Broken gear — no time off will be allowed and a competitor may carry on or retire.
 19. **Disarmed Competitor**
A disarmed competitor shall be one who loses his weapon at any time from the commencement of the run, until the completion of the round (as per Rule 6). He will not be re-armed before completion of the round, but may score points prior to being disarmed or during the process. He will be penalised for faulty weapon handling with an automatic loss of three drill points.
A competitor who breaks his weapon cannot be re-armed during the round, and will not be granted a re-run.
 20. **Dismounted Competitor**
A competitor who is dismounted whether by his mount falling or stumbling, etc., at the commencement or during the run is disqualified until the completion of the round with an automatic loss of three drill points. However, he may score points prior to being dismounted or during the process.
 21. Pegging up will be carried out by either the reserves of competing teams or by the stewards appointed by the controlling body. Judges will be responsible to see that pegging up is carried out correctly.
 22. Officials in the centre of the ring shall be limited to an absolute minimum.
 23. The rules and regulations of Section Tentpegging shall also apply to Individual and Pairs events. Drill points shall be four points per round.
 24. A disputes committee to settle any queries affecting results of competitions shall be formed from the captains of each team and the judge or judges. All protests are to be lodged with the penciller within one hour of completion of the competition. A fee of \$10.00 must be paid with the protest. This fee will be refunded if the protest is upheld.
 25. Each competitor must be a current financial member of their respective Sate Tentpegging Association.
 26. These rules may be added to or changed by the Australian Tentpegging Association.
- ENTRY:**
Entries should be made in writing to the Royal Agricultural Society of Victoria, Show Grounds, Epsom Road, Ascot Vale, 3032. The name and address of each team member to be shown. **Entry Free.**

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is
Glenys O'Brien
who can be contacted on
(03) 617 6510
or through any AMP office.

REFINED TOUGH

FOR LONGER DIESEL ENGINE LIFE

rimula x

the oil that protects.

Use only Rimula X Oil 15W/40 multigrade, the oil ingeniously refined "tough" to better protect high performance diesel engines against wear, and to extend their operating life. You get extra protection with Rimula X Oil because the remarkable base oil is further strengthened by formidable additives that extend its long life lubrication capability well beyond most diesel engine manufacturers specifications.

Change now to Rimula X Oil 15W/40 multigrade. Your engine will start more easily. The extreme temperatures and stresses created by hard working conditions will be contained, and the engine's moving parts will be kept exceptionally clean. With Rimula X Oil your engine will run more smoothly, and emissions will be minimised. All of which means reduced down time and a better return on your diesel engine investment.

Rimula X 15W/40 multigrade is a multi-purpose oil which is excellent for lubricating your petrol engine as well as a range of transmissions and hydraulic equipment.

Convert to Rimula X Oil now. It is compatible with almost any other oil which may be in your engine.

'Farmpol' means a good night's sleep for the man on the land.

Many farmers and graziers believe their problems are peculiar to their industry.

At Federation we think that there's a lot of truth in that belief.

In fact, we have spent so much time and effort over many years working with the man on the land, that we have designed a special 'umbrella' policy called Farmpol that covers most of a Farmer's needs.

But, if you believe you have special insurance problems that are causing you a few sleepless nights, discuss them with us, we're there to help and it's all part of the service.

It is precisely because Federation has the depth of experience in the Farming and Agricultural Industry, that we can package your insurance needs like nobody else and still keep your bank manager smiling.

Instant Banking at the Royal Melbourne Show.

The Show is one of those occasions when you may need cash fast, and be right out of luck.

Not any more.

National Australia Bank has installed a FlexiTeller Automatic Teller Machine at this year's Show, for your convenience. You'll find it on the corner of Plummer Avenue and Smith Street, open from 6am to midnight.

All you need to withdraw up to \$500 a day or \$1,000 a week, is a FlexiCard with a Personal Identification Number. You can also transfer from one account to another, lodge deposits and obtain account information. All this from your Cheque Account or Everyday Savings Account!

If you don't already have a FlexiCard, now's an ideal time to apply at your local branch.

The Show must go on! So if you need cash fast, simply pop over to your FlexiTeller

machine and get together with National Australia Bank. Your bank.

Financial Strategies for Women

AMP has successfully launched a major new marketing campaign to promote a greater awareness of AMP's products and services to Australian women.

The campaign recently made its debut with extensive national print and television advertising which featured a free offer of a new booklet, "AMP's Financial Strategies for Women".

The linchpin of the campaign has been the development of AMP's new Women's Advisory Service. Newly appointed Women's Advisers in each state are playing a crucial role in enabling AMP to effectively service women's financial needs, as well as complementing the work of agents in gaining new business for AMP.

The new Women's Adviser for Victoria is

Glenys O'Brien

who can be contacted on

(03) 617 6510

or through any AMP office.

WHEN YOU NEED MONEY TO IMPROVE

There will always be times when you need money for things like new equipment or property improvements.

Or, occasionally, your expenses might simply outstrip your income. Whatever the reason, we can offer you a number of financial solutions.

For instance, we have a range of short, medium and long term loans with repayment plans that can be structured to suit your needs.

Or we can arrange an overdraft for you, which, once established enables you to draw the funds when you need them.

And if, for unforeseen reasons, your seasonal borrowings need to exceed your overdraft limit, we'll do our best to provide you with a special line of credit to bridge the gap, and at competitive market rates.

So when you need money to improve, or for whatever reason, ask Westpac. As the Bank for the Land, we'll do our best to help you.
