BECTIVE HEREFORD STUD

SOUTH BOOROOK BRIMFIELD

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales. Since then the best sires sold in Sydney have been procured and used in the Stud (the latest addition being South Boorook Brimfield, purchased at 1954 Show Sales for 6700 gns.) with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally. The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, broad in the buttocks and standing square on their feet. Bective bulls meet with ready sale when offered and universally purchasers' comments are very encouraging and pleasing to the breeders.

A RAILWAY QUIZ

• Have you seen the Railway Show Exhibit?
It is in the Manufacturers' Hall.

• Are you making good use of the Railway Office on the Showground?
It is there for your convenience. You will find it in Bent Street, under the Members' Grandstand, open from 9.00 a.m. to 9.00 p.m.

• Have you had a trip in an air-conditioned train?
Modern air-conditioned expresses are now operating regularly in daylight hours between Sydney and Nowra, Cooma, Canberra, Albury, Melbourne, Parkes, Dubbo, Newcastle, Armidale, and Grafton.

• Are you consigning all your freight by rail?
If so you are supporting the transport system that helps you in many ways. The Railways give concession rates on show exhibits, rebates of freight to encourage various industries, and comparatively low rates on primary products.

SPECIAL REGULATIONS.

1. DEFINITIONS—The following definitions apply to the Fat Cattle Classes.

- (a) **Stud**.—This term in relation to an animal means that both its sire and its dam are registered in the Herd Book of a recognised Stud Beef Cattle Breed Society.
- (b) **Pure-Bred**.—This term shall apply to an animal only if the sire and the maternal sire in each of the three next preceding generations of the dams were all stud animals of the same breed.
PROVIDED THAT—
 - (i) In the case of a Poll Hereford a forebear shall be deemed to be a stud animal of the same breed if recognised by the Australian Hereford Society as being or having been a Hereford;
 - (ii) In the case of a Poll Shorthorn a forebear shall be deemed to be a stud animal of the same breed if recognised by the Shorthorn Society of Australia as being or having been a Shorthorn.
- (c) **Natural Pastures**.—Mean grass lands, whether improved, fertilized, or otherwise, and include lucerne, rye, phalaris, and other like grazing pastures, and growing crops.
- (d) **Stall Fed** in relation to an animal denotes that it has not been exclusively pasture fed.
- (e) **Shorthorns** will include pure-bred animals of the Beef-Shorthorn breed whether they be horn Shorthorns or dehorned Shorthorns.
- (f) **Herefords** will include pure-bred animals of the Hereford breed whether they be horn Herefords or dehorned Herefords.
- (g) **Shorthorn Judge and Hereford Judge**.—The persons appointed to judge respectively the classes for which horned Shorthorns and horned Herefords are alone eligible.

2. No exhibitor shall enter more than three exhibits in any one class.

3. Every exhibit must be the property of the exhibitor at judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.

4. Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.

5. The certificate of entry must—

- (1) be supported by statutory declaration lodged with the Director before the closing date for entries and such declaration—
 - (a) must be made by the exhibitor;
 - (b) must verify the particulars in the certificate of entry;
 - (c) must contain a statement that the age of each animal entered for exhibition does not exceed the age specified in relation to such animal in the certificate of entry;

Sec. 2—CATTLE—Fat Cattle (Continued)

- (d) must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day;
- (2) expressly state in respect of each animal being an exhibit or comprised in an exhibit, whether such animal is horned, dehorned or poll.
6. In export classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the Judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but no animal shall be precluded from parading before the Judge by reason only of weight or size.
7. The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Director all facilities and assistance if and when required so to do.
8. The weight of an exhibit certified by the Director to be correct shall for all purposes be accepted as correct.
9. Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 2½ years.
10. Particulars of ages of exhibits in each class may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
11. If at any time any question shall arise as to the age of any exhibit the Director may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
12. The Judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
13. The Judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
14. If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Director may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and/or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
15. Except with the consent of or as directed by the Director all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
16. Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
17. In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.

Sec. 2—CATTLE—Australian Illawarra Shorthorns

The groups shall be judged on the following scale of points:—

Type and Conformation: 100 points.

Production: One point for every 100lb. milk or part thereof in excess of the standard below:—

STANDARD:	Jersey and Guernsey		A.I.S. and Friesian
	5000lb.	6000lb.	6500lb.
Up to Junior 2 year old	5500lb.	6500lb.	7500lb.

Senior 3 year old and over	6000lb.	7000lb.	8500lb.

A record will not be accepted if below 3.2%. All records will be corrected to a 4% fat corrected milk basis. The type points will be based on each animal being typed to 100 points individually while 100 points will be allowed for uniformity of group. The total points so obtained will be reduced to a percentage of 100 points.

The group receiving the highest number of points will be declared the winner. In the event of two or more receiving equal points, the group gaining the highest number of points for production will be declared the winner. Where two records for the same cow are completed within the period the record giving the greater number of points for production will be used.

Points for production will be calculated on the 4% fat corrected method of Gaines which reduces all milk yields to a 4% butter-fat basis and is a measure of the energy value of the milk solids and an estimate of the amount of work performed by the cow.

The Fat Corrected Milk Formula is: .4M plus 15F where M equals lb. milk and F equals lb. butter-fat.

WOOL AWAY!

"DON'T WORRY— I'M SENDING IT TO GRAZCOS"

The GRAZCOS Classing & Pooling Service

GRAZCOS is the wool growers own co-operative organisation. It provides growers with an essential wool classing and pooling service.

Facilities are available for the classing of clips which cannot be prepared properly in the shed.

After classing, suitable lines are forwarded to the broker for sale under the station brand whilst the smaller lines are pooled.

The Grazcos pool is the ideal way to market oddments from the main clip, wool from straggler shearings and other wool oddments.

Last year more than 100,000 bales of wool, representing consignments from many thousands of individual growers, were sold under the widely known Grazcos brand.

This large volume of wool made it possible to present the wool in big even lines meeting with wide competition from buyers.

Procedure and Organisation that ensures efficient management of Pastoral Estates

A study of the procedure and organisation of Perpetual Trustee Company Limited will show how efficient and economical administration of Pastoral Estates is assured and how the interests of the beneficiaries are fully safeguarded.

• THE COMPANY

Perpetual Trustee Company Limited was established in 1888 with the management of Estates as its central and primary purpose. Its long experience enables it to make decisions and shape a policy for each Estate that is sound, progressive and abreast of the times. The Company, unlike a private Trustee, has continuous existence. It is always available when called upon to act.

• METHOD OF ADMINISTRATION

Estates are administered by the Board of Directors and the Management through the Company's Trust Officers. The Board is composed of men of wide experience to whom all important matters of policy are referred for decision. The management maintains close supervision over the work of all Departments.

• TRUST OFFICERS

The Trust Officers are senior members of the Company whose whole training has been to fit them for the efficient and careful administration of Estates. They are responsible for the overall and continuous administration of Estates entrusted to their care. They are assisted by Specialists, and Specialist Departments and by highly trained staffs under their control. The Trust Officers are in frequent conference with the Management

By naming Perpetual Trustee Company Limited as your Executor and Trustee—alone or jointly with a relative or friend—you will ensure for your beneficiaries all the advantages provided by the services of this experienced organisation.

If you would know more of the services rendered by the Company—and its charges—ask that a copy of the booklet "Your Executor and Trustee" be sent to you.

and through the Management with the Board of Directors.

• STOCK & STATION DEPARTMENT

The Company has its own Stock and Station Department which, in association with the Trust Officers, gives full time, close and careful attention to the Pastoral properties under its control.

• OTHER SPECIALIST DEPARTMENTS

Special Departments of the Company deal with Accountancy, Real Estate Sales, Securities, Rent Collecting, Repairs, Loans on Mortgage, Stocks and Shares, Taxation, etc.

• PASTORAL INSPECTIONS AND CONSULTATIONS.

Competent men who are in constant touch with Country conditions all over the State, make their reports and recommendations direct to the Management.

• COUNTRY OFFICES

For the convenience of those in the country, having business with the Company, it has offices at Tamworth and Orange, in each of which is a Country Representative who makes regular tours of his area and keeps personal touch with the Company's clients.

Sec. 2—CATTLE—Cattle Paraders' Competitions (Continued)

CONDITIONS

These competitions are for the purpose of educating and encouraging cattle exhibitors and attendants to parade exhibits before a judge in the most efficient manner. Suitable attire of competitors and condition of animals although highly desirable, shall not be the deciding factor except in the case of equality of competitors.

There shall be two competitions and a Championship, viz.:—

(a) Senior Paraders' Competition.

(From this competition one parader from each breed shall be selected to contest the Championship Prizes), and

(b) Junior Paraders' Competition.

(The winner shall be eligible to contest the Championship Prizes.)

The Senior Paraders' Competition shall be restricted to exhibitors and/or their principal herdsmen.

The Junior Paraders' Competition shall be restricted to exhibitors' cattle attendants, other than exhibitors and principal herdsmen.

The winner of the Junior Paraders' competition shall be eligible for the Championship.

The Senior Competition shall commence as soon as the exhibits in each class enter the Judging Ring on Monday and Tuesday, 26th and 27th March. The selected competitor from each breed shall be the one who, in the opinion of the competition selectors, parades his animals in the most efficient manner. Account will be taken of difficulties which a competitor may have in controlling an exhibit.

A competitor shall not be placed at an advantage or disadvantage as a result of parading animals in a less or greater number of classes.

Each competitor shall be allotted an armband number which must be worn in each class, and in the championship judging. The armband number shall be the only form of identification.

The Championship Paraders' Competition shall take place on Friday, 30th March. Each selected senior competitor and the winner of the Junior Paraders' Competition shall parade an animal as though under judging conditions.

One judge shall decide the Championship prizes.
