BE IT RESOLVED by the Council of the City of San Diego, as follows:

That the City Attorney is hereby authorized and directed to prepare the necessary papers to place a proposition for a bond issue of \$250,000.00 on the Primary election ballot for City Library main building construction.

RESOLUTION OF INTENTION NO. 65402

RESOLUTION OF INTENTION TO DISCONTINUE THE USE OF LAND FOR PARK PURPOSES, AND TO CALL A SPECIAL ELECTION TO SUBMIT TO THE QUALIFIED ELECTORS THE QUESTION OF THE DISCONTINUANCE OF THE USE OF SUCH LAND AS A PUBLIC PARK.

WHEREAS, The City of San Diego is the owner in fee of a portion of Pueblo Lot 206 of the Pueblo Lands of the City of San Diego, which portion of said Pueblo Lot, including the area thereof hereinafter particularly described, has heretofore been set aside and placed in use by the City of San Diego as a public park; and

WHEREAS, the public interest and convenience now require the discontinuance of the use of a portion of said land as a public park; and

WHEREAS, in the furtherance of the public interest and convenience, it is desired to abandon a portion of said property as a public park and to devote the said portion to another needed public use; and

WHEREAS, the discontinuance and abandonment of the use of such portion of said park lands as a park will not cause the reversion of any such lands to any private ownership and will not cause the forfeiture of the ownership thereof in fee by The City of San Diego; and

WHEREAS, such portion of the park lands to be abandoned as a park was not acquired in any proceeding wherein a local assessment based on benefits was levied to provide funds for the acquisition thereof, nor was the same acquired for park purposes by the expenditure of any moneys derived from the sale of bonds authorized for park purposes; NOW, THEREFORE,

BE IT RESOLVED By the Council of the City of San Diego, as follows:

That the public interest and convenience of said City require the discontinuance of the use as a public park of that portion of the lands owned by said City, known as "Collier Park," more particularly described as follows:

All that portion of "Collier Park", in the City of San Diego, California, being also a portion of Pueblo Lot 206 of the Pueblo Lands of San Diego, according to Map thereof made by James Pascoe in 1870, a certified copy of which is on file as Miscellaneous Map No. 36, in the office of the County Recorder of San Diego County, California, particularly bounded and described as follows:

Beginning at the intersection of the northeasterly line of said Pueblo Lot 206 with the southwesterly prolongation of the northwesterly line of Famosa Boulevard; thence northwesterly along the northeasterly line of said Pueblo Lot 206 a distance of 1185.97 feet to the intersection of said northeasterly line of Pueblo Lot 206 with the southwesterly prolongation of the southeasterly line of Clovis Street; thence southwesterly along a line, making an angle of 89° 57' to the left with said northeasterly line of Pueblo Lot 206, a distance of 207.33 feet to a point; thence southerly along the arc of a curve, concave to the east, and tangent to the last described line, through a central angle of 59° 04', a distance of 123.71 feet to a point; thence southeasterly along a line, tangent to the last described curve, a distance of 193.73 feet to a point; thence southeasterly along a line, making an angle of 30° 59' to the left with the last described line, a distance of 961.01 feet to a point; thence northeasterly along a line, making an angle to the left of 89° 53' with the last described line, a distance of 410.00 feet to the point of beginning.

That the public interest and convenience of said City require that the portion of "Collier Park" above described be used for another public purpose, to-wit, as a site for the erection and maintenance of a public school by the Unified School District of San Diego, together with such roadways, walks, paths and grounds as are properly appurtenant to such buildings and structures; and that it is proposed by the Council of the City of San Diego, upon the discontinuance of the use of said real property as a public park, to permit said real property to be used as a site for the erection and maintenance of a public school by said Unified School District of San Diego, together with such roadways, walks, paths and grounds as are properly appurtenant to such buildings and structures.

That the Council of the City of San Diego intends to call a special election to submit to the qualified electors of the City of San Diego the question of the discontinuance of the use of the portion of said Collier Park hereinabove described as a public park.

BE IT FURTHER RESOLVED that the Council of the City of San Diego does hereby fix a time and place for hearing, considering and deciding upon any written protests that may be filed by persons particularly interested in the proposed discontinuance of the use of said lands for park purposes; and it is therefore hereby resolved that said public hearing shall take place in the Council Chamber in the City Hall of the City of San Diego on the 2nd day of March, 1937, at 10:00 o'clock A.M.

BE IT FURTHER RESOLVED, that the Clerk of the City of San Diego shall cause this resolution to be published twice in the Evening Tribune, the City official newspaper, said publication to be made and completed on or before the 17th day of February, 1937.

Said notices so posted shall be headed "Notice of Proposed Discontinuance of Public Park Lands," in letters not less than one inch in height, and shall in legible characters state the fact and date of the adoption of this resolution, and shall contain a description of the land proposed to be discontinued and abandoned as a public park and the name by which such public park is commonly known, and the disposition which it is proposed to make of such park lands. Such notice shall also contain a statement of the date, hour and place when and where any and all persons having any objection to the proposed abandonment and discontinuance may appear before the Council and show cause why the use of the land therein described for park purposes should not be discontinued, in accordance with this resolution. BE IT RESOLVED, by the Council of the City of San Diego, as follows:

Pursuant to the provisions of Section Eight of Article Eleven of the Constitution of the State of California, the Council of the City of San Diego, being the legislative body of said City, hereby proposes to the qualified electors thereof the following amendments to the present Charter of said City:

PROPOSITION II.

Amend Section 103, 104 and 105, Article VII, of the Charter of the City of San Diego, so as to read as follows:

"Section 103. PUBLIC UTILITIES - MUNICIPAL ACQUISITION AND OPERATION-FRANCHISES

(1) The City of San Diego shall have power to establish, acquire and operate public works and/or public utilities for supplying light, water, power, heat, transportation, telephone service or other means of communication. Such works and/or utilities may be acquired by original construction or by the purchase or condemnation of existing works and/or utilities, including their franchises, or both.

(2) Every franchise, right or privilege to erect or lay telegraph or telephone wires, to construct or operate street or interurban railways, bus lines, or other transportation lines upon any public street, highway or other property, to lay gas pipes for the purpose of carrying gas for light, heat or power, to erect or lay poles, wires or conduits for transmitting electric light, heat or power along, under or upon any public street, highway or other public property, or to exercise any other franchise, right or privilege for the use of public property, hereafter proposed to be granted by the City of San Diego, shall be granted upon the conditions in this section provided, and not otherwise; provided, however, that nothing herein contained shall be deemed to prevent the requirement by the Council of such other and additional terms and conditions not in conflict herewith as in the judgment of the Council are to the public interest.

(a) No franchise shall be granted for a period longer than fifty (50) years.

(b) Every grant of a franchise, right or privilege shall reserve to the City the right to purchase, take over or condemn for public operation, at any time, the works, plant and property of a franchise grantee, his or its successors or assigns, used and useful in the public service, or in the discretion of the City prospectively useful in the public service, at their physical valuation, but without compensation for franchise value, good will, going concern value, earning power, increased cost of production, severance damage, or increased value of property occupied by plant or equipment.

(c) Every grant of a franchise, right or privilege shall reserve to the City the right, at any time, upon reasonable notice, to change the grade, location, alignment or use of any street or place in, or over which such franchise or permit is exercised or operated without a liability or obligation on the part of said City in any wise occasioned by any change of the pipes, poles, lines, or other equipment of the franchise grantee, his or its successors or assigns, required by such change of grade, location, alignment, or use.

(d) Every grant of a franchise, right or privilege shall contain the following provisions:

'That whenever, upon any investigation of a public utility, made upon complaint filed by the City of San Diego, the Railroad Commission of the State of California shall find that any rate, toll, charge or schedule or joint rate is unjust, unreasonable, excessive, or in excess of rates of return permitted by law, or unjustly discriminatory, or preferential, or otherwise in violation of law; or that any measurement, regulation, practice, act or service is unjust, unreasonable, unsafe, insufficient, preferential or discriminatory, or otherwise in violation of law; or it shall find that any service is inadequate, or that any service that can reasonably be demanded is not being furnished; or when an investigation is necessary because of an application by a public utility and such application is not justified, the Council of the City of San Diego shall ascertain and declare, and by resolution fix the expenses incurred by the City upon such investigation; and the public utility affected shall pay to the City such portion of the expenses of the City and such portion of the compensation of its officers, agents and employees, including employees temporarily employed, as is reasonably attributable to such investigation, valuation or re-valuation; providing an opportunity to be heard thereon shall first have been granted to such public utility. The decision of the Council shall be final, provided, however, that the total amount which is required to be paid by the public utility in any calendar year shall not exceed one-half of one per centum (1/2%) of such public utility's gross operating revenues derived from its operation in the last preceding calendar year. Such sums required to be paid, not paid within thirty (30) days after the determination thereof by the Council, shall draw interest at the rate of six per centum (6%) per annum.'

(e) Every grant of a franchise, right or privilege shall be subject to the right of a majority of the electors of the City, voting at any election, at any time thereafter, to repeal, change or modify the grant, and every ordinance making such grant shall contain a reservation of such right to repeal, change or modify said ordinance. The Council, by a majority vote, may, by resolution, order submitted to the electors at any general municipal election, or at any special election called by the Council for that purpose, the proposition of the repealing, changing or modifying the terms and provisions of any ordinance granting a franchise, right or privilege under the provisions of this Charter; provided, however, any election at which any such proposition is submitted shall be held not less

than forty (40) days and not more than sixty (60) days after the adoption of a resolution ordering the submission of such proposition.

(f) No franchise, right or privilege shall be transferable, except with the approval of the Council expressed by ordinance.

(g) No exclusive franchise, right or privilege shall ever be granted."

"Section 104. FRANCHISES - PROCEDURE FOR GRANTING.

An applicant for any franchise, right or privilege shall file with the Council an application. Every such application shall be accompanied by a cash deposit of one hundred dollars (\$100.00), or a certified check for said amount, payable to the City Clerk, certified to by some responsible bank, as a guarantee of good faith of the applicant, and as a fund out of which to pay all expenses connected with such application. Upon receipt of such an application and deposit, the City Council shall refer the same to the City Manager for his recommendations. After considering the recommendation of the City Manager, the Council shall, in its discretion, advertise the fact of said application, together with the statement that it is proposed to grant the same, in one or more daily newspapers, published in the City. Said advertisement must be published in such newspaper once a day for ten (10) successive days, or as often during said period as said newspaper is published; and the full publication must be completed not less than twenty (20), nor more than forty (40) days before any further action can be taken thereon.

The publication must state the character of the franchise or privilege proposed to be granted, the term for which it is proposed to be granted, and, if it be a street railroad, bus line, or other transportation line, the route to be traversed; that sealed bids therefor will be received up to a certain hour and day named therein, and that the successful bidder, and his or its successors or assigns, must during the life of said franchise, pay to the City as a rental for that portion of the public property occupied by the grantee of the franchise, a percentage of the gross annual receipts of the grantee of the franchise, arising from its use, operation or possession. Such percentage shall be fixed by the Council by resolution prior to such publication, and shall in no event be less than two per cent (2%) of such gross annual receipts. Such publication shall further state that in the event said payment be not made said franchise shall be forfeited.

Said advertisement shall also contain a statement that said franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor; provided, however, that at the time of the opening of said bids any responsible person, firm or corporation, present or represented, may bid for such franchise, right or privilege a sum not less than ten per cent (10%) above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent (10%) by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Council to the highest bidder therefor in lawful money of the United States; provided, however, that if, in the judgment of the Council, no adequate bid has been made, the Council may withdraw such franchise from sale, or advertise for new bids. Each sealed bid shall be accompanied with cash or a certified check payable to the Treasurer of the City for the full amount of said bid, and no sealed bids shall be considered unless said cash or check is inclosed therewith, and the successful bidder shall deposit at least ten per cent (10%) of the amount of his bid with the City Clerk before the franchise shall be struck off to him, and if he shall fail to make said deposit immediately, then and in that case his bid shall not be received and shall be considered as void, and the said franchise shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure shall be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent (10%) of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk, within twenty-four (24) hours of the acceptance of his bid, the remaining ninety per cent (90%) of the amount thereof; and in case he or it shall fail so to do, then the said deposit theretofore made shall be forfeited, and the said award of said franchise shall be void, and the said franchise shall then and there by said governing body be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided; and in case said bidder shall fail to deposit with the said City Clerk the remaining ninety per cent (90%) of his bid within twenty-four (24) hours after its acceptance, the award to him of said franchise shall be set aside, and the deposit theretofore made by him shall be forfeited, and no further proceeding for a sale of such franchise shall be had unless the same shall be readvertised and again offered for sale in the manner in this section above set forth.

Work to erect or lay telegraph or telephone wires, to construct street or interurban railways, to lay gas pipes for the purpose of carrying gas for light, heat or power, to erect poles or wires for transmitting electricity for light, heat or power along or upon any public street, highway or other public property, or to exercise any other right or privilege whatever, a franchise for which shall have been granted in accordance with the terms of this section, shall be commenced in good faith within not more than four (4) months from the granting of any such franchise, and if not commenced within said time, said franchise so granted shall be declared forfeited, and work to construct street or interurban railways under any such franchise shall be completed within not more than three (3) years from the granting of such franchise, and, if not so completed within said time, such franchise so granted shall be forfeited; provided, that for good cause shown the Council may by resolution extend the time for completion thereof, not exceeding three (3) months. Work under any franchise other than for a street or interurban railway shall be prosecuted diligently and in good faith so as to meet and fill the reasonable needs of the inhabitants of the City.

The successful bidder for any franchise, right or privilege struck off, sold and awarded under this section, shall file a bond running to the City of San Diego, with at least two good and sufficient sureties, to be approved by the Council, in a penal sum by the Council to be prescribed and set forth in the advertisement for bids, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise, and that in case of any breach of a condition of such bond the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with the City Clerk within five (5) days after such franchise is awarded, and upon the filing and approval of such bond the said franchise shall, by said Council, be granted by ordinance to the person, firm or corporation to whom it has been struck off, sold or awarded, and in case that said bond shall not be so filed the award of said franchise shall be set aside, and any money paid therefor shall be forfeited, and said franchise shall, in the discretion of said governing or legislative body, be readvertised and again offered for sale in the same manner and under the same restrictions as above in this section provided.

No grant of any franchise, right or privilege, and no renewal, extension or amendment of an existing franchise, shall be made except by ordinance adopted by a vote of at least five (5) of the members of the Council. No ordinance granting a franchise, or a renewal, extension or amendment of an existing franchise shall be effective until thirty (30) days after its passage, during which time it shall be subject to the referendum provisions of this Charter.

No clause or condition of any kind shall be inserted in any franchise or grant offered or sold under the terms of this section which shall directly or indirectly restrict free and open competition in bidding therefor, and no clause or provision shall be inserted in any franchise offered for sale which shall in any wise favor one person, firm or corporation as against another, in bidding for the purchase thereof.

Within six (6) months after this Charter takes effect, copies of all franchises existing at the time shall be deposited with the Manager, and the Council shall certify to the existence of such franchises. The Manager shall keep a public record of all franchises, leases or permits granted for the use of the public property of the City."

"Section 105. RIGHT OF REGULATION.

All grants, renewals, extensions or amendments of franchise, whether it be so provided in the ordinance or not, shall be subject to the right of the City to repeal the same by ordinance at any time for misuse or non-use, or for failure to begin construction within the time prescribed, or otherwise to comply with the terms prescribed; and also at any time to examine and audit the accounts and other records of any franchise holder, and to require annual and other reports from each franchise holder; provided, that the Council may prescribe more detailed forms for the franchise holders within its jurisdiction, in addition to the forms and reports required by the General Laws of the State of California and the regulations of the State Railroad Commission; and to improve such other regulations as may be necessary for the health, safety and welfare of the public.

The owner of a street or interurban railway franchise or privilege shall at all times keep that portion of the street occupied by his or its tracks in good condition, constantly in repair, flush with the street and with good crossings, and in the event that the street on which said franchise or privilege is granted shall be paved either by the City, or under proceedings authorized by the General Laws of the State, the said owner of said franchise or privilege shall be required to pay for only that portion of any construction in excess of that covered by the specifications for the improvement of the rest of the street and which shall be necessary to provide a safe and suitable foundation for the operation of car lines over a paved street. It is the intent and purpose of this section to relieve the owner of a franchise or privilege to operate street cars on the streets of The City of San Diego of the cost of new surface pavement between the tracks of said owner and for two feet on either side thereof on streets to be hereafter paved, and to require the owner of said franchise or privilege to lay a suitable foundation for the operation of car lines over a paved street.

Nothing herein contained, however, shall relieve the said owner of said franchise or privilege of his or its obligation to keep those portions of the streets occupied by the said owner constantly in repair, flush with the street, and with good crossings, and to keep that portion of the pavement now existing or which may hereafter be placed between the rails, and for two feet on each side thereof, and between the tracks if there be more than one, in good condition.

In the event that a street on which a franchise under this Section shall have been granted shall be paved or improved under any of the General Laws in force at the time said improvement is started, the property owners shall be required to bear the entire cost of the improvements of the street, including the cost of improving that portion of the street occupied by the owner of said franchise, save and except that portion required to be borne by the owner of the franchise, as hereinbefore provided."

PROPOSITION III.

Amend Section 54, of Article V, of the Charter of the City of San Diego, so as to read as follows:

"Section 54. HARBOR DEPARTMENT.

(a) The Mayor, with the approval of the Council, shall appoint three electors of the City as members of the Harbor Commission, one to serve for two years, one for three years, and one for four years. Thereafter, members of the Harbor Commission shall be appointed to serve for four years and until their successors have been appointed and qualified. The members of the Harbor Commission in office at the time this Charter becomes effective shall remain in office until their successors are appointed and qualified. The Council may at any time by a vote of at least five (5) of their members remove from office any or all of said Harbor Commissioners. The members of the Harbor Commission shall serve without pay.

(b) The Harbor Commission is vested with jurisdiction and authority to exercise in the name of the City of San Diego such powers as are prescribed by general laws now in force and hereafter enacted, together with such additional powers and duties as may be prescribed by ordinance, this Charter, or the laws of the United States. The Commission shall have jurisdiction, supervision, management and control of the Bay of San Diego fronting upon The City of San Diego and within the jurisdiction of said City, including all tide and submerged lands, whether filled or unfilled, situated below the line of mean high tide within the limits of said City, except, however, such tide and submerged lands which have heretofore or which hereafter may be transferred to the exclusive control of the United States and excepting further such other land as may by vote of the people or act of the State Legislature be transferred to a purpose and use inconsistent with commerce, navigation and fisheries.

(c) The Harbor Commission shall have power to adopt, with the approval of the Council by ordinance, such rules and regulations as may be necessary to exercise and carry out the powers and duties prescribed by this Charter for said Harbor Commission.

(d) The Harbor Commission, subject to the Civil Service provisions of this Charter, shall appoint a Port Director, together with such other officers, employees and subordinates as may be necessary in the judgment of said Harbor Commission to carry out the duties prescribed by this Charter for said Harbor Commission and for the promotion of commerce, navigation and fisheries. All such offices and employments shall be created by ordinance upon the direct recommendation of the Harbor Commission. The Harbor Commission shall also have authority and power to employ legal counsel whenever in the judgment of said Commission such employment is necessary.

(e) The Port Director shall be the chief administrative officer of the Harbor Commission, and he shall exercise such powers and perform such duties as may be prescribed by the Harbor Commission. In addition to any duties imposed by the Harbor Commission and this Charter the Port Director shall also perform such duties as may be imposed upon harbor masters, port directors and administrative heads of harbors and ports by State or Federal law.

(f) The Council shall appropriate each fiscal year until the fiscal year 1943-44 the sum of \$150,000.00 in the annual appropriation ordinance for the use of the Harbor Commission on harbor improvements. This sum so appropriated annually, together with such portions of the revenue and receipts of the Department as may not be needed for operating expenses, shall be placed in a trust fund in the City Treasury and expended by the Harbor Commission for capital purposes only in the development of the Harbor of San Diego and of tide lands heretofore or hereafter granted to the City of San Diego by the State of California. When the harbor has been fully developed all such funds which are not necessary for the maintenance and operation of said Department shall be placed in the general fund of the City and thereafter used for any lawful purpose.

(g) The Harbor Commission shall have authority to lease tide lands for such terms and upon such conditions as may be authorized by law; provided, however, that no lease of any tide lands within the jurisdiction of the City for a term longer than one year shall be valid unless said lease shall have been confirmed by the Council.

(h) Any municipal air ports now established or which may hereafter be established on the tidelands shall be under the control and supervision of the Harbor Commission until such time as the Council by Ordinance shall create a Department of Aviation under the Manager, at which time the Council may provide in such ordinance for the control, regulation and supervision of municipal air ports by the Department of Aviation.

(i) And all matters concerning the development of the harbor of San Diego in which the Planning Commission of the City of San Diego shall have an interest, and which relate to the planning and zoning of the City of San Diego shall be referred by the Harbor Commission to the Planning Commission for recommendation before final action is taken thereon. In the event of a disagreement between the Harbor Commission and the Planning Commission concerning such proposed development, the matter shall be referred to the Council, whose decision on such development shall be final."

PROPOSITION IV.

Amend Section 96 of Article VII of the City Charter, so as to read as follows:

"Section 96. PROGRESSIVE PAYMENTS. Any contract may provide for progressive payments if the ordinance or resolution authorizing the work so prescribes, but no progressive payment can be provided for or made at any time which, with prior payments, shall exceed in amount at that time ninety per cent of the value of the work done and materials used and no contract shall authorize or permit the payment of more than ninety per cent of the contract price before five days after the expiration period of filing liens, and the acceptance thereof by the Head of the Department concerned, and the Manager."

WHEREAS, in the furtherance of the public interest and convenience, it is desired to abandon a portion of said property as a public park and to devote the said portion to another needed public use; and

WHEREAS, the discontinuance and abandonment of the use of such portion of said park lands as a park will not cause the reversion of any such lands to any private ownership and will not cause the forfeiture of the ownership thereof in fee by The City of San Diego; and

WHEREAS, such portion of the park lands to be abandoned as a park was not acquired in any proceeding wherein a local assessment based on benefits was levied to provide funds for the acquisition thereof, nor was the same acquired for park purposes by the expenditure of any moneys derived from the sale of bonds authorized for park purposes; NOW, THEREFORE,

WHEREAS, the discontinuance and abandonment of the use of such portions of said park lands as a park will not cause the reversion of any such lands to any private ownership and will not cause the forfeiture of the ownership thereof in fee by the City of San Diego; and

WHEREAS, such portions of the park lands to be abandoned as a park were not acquired in any proceeding wherein a local assessment based on benefits was levied to provide funds for the acquisition thereof, nor were the same acquired for park purposes by the expenditure of any moneys derived from the sale of bonds authorized for park purposes; NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of San Diego, as follows:

A RESOLUTION PROPOSING AMENDMENTS TO SECTIONS 103, 104 AND 105, ARTICLE VII; SECTION 54, ARTICLE V; AND SECTION 96, ARTICLE VII, OF THE CHARTER OF THE CITY OF SAN DIEGO.

BE IT RESOLVED by the Council of the City of San Diego, as follows:

Pursuant to the provisions of Section Eight of Article Eleven of the Constitution of the State of California, the Council of the City of San Diego, being the legislative body of said City, hereby proposes to the qualified electors thereof the following amendments to the present Charter of said City:

PROPOSITION II.

Amend Sections 103, 104 and 105, Article VII, of the Charter of the City of San Diego, so as to read as follows:

"Section 103. PUBLIC UTILITIES - MUNICIPAL ACQUISITION AND OPERATION-FRANCHISES.

(1) The City of San Diego shall have power to establish, acquire and operate public works and/or public utilities for supplying light, water, power, heat, transportation, telephone service or other means of communication. Such works and/or utilities may be acquired by original construction or by the purchase or condemnation of existing works and/or utilities, including their franchises, or both.

(2) Every franchise, right or privilege to erect or lay telegraph or telephone wires, to construct or operate street or interurban railways, bus lines, or other transportation lines upon any public street, highway or other property, to lay gas pipes for the purpose of carrying gas for light, heat or power, to erect or lay poles, wires or conduits for transmitting electric light, heat or power along, under or upon any public street, highway or other public property, or to exercise any other franchise, right or privilege for the use of public property, hereafter proposed to be granted by the City of San Diego, shall be granted upon the conditions in this section provided, and not otherwise; provided, however, that nothing herein contained shall be deemed to prevent the requirement by the Council of such other and additional terms and conditions not in conflict herewith as in the judgment of the Council are to the public interest.

(a) No franchise shall be granted for a period longer than fifty (50) years.

(b) Every grant of a franchise, right or privilege shall reserve to the City the right to purchase, take over or condemn for public operation, at any time, the works, plant and property of a franchise grantee, his or its successors or assigns, used and useful in the public service, or in the discretion of the City prospectively useful in the public service, and their physical valuation, but without compensation for franchise value, good will, going concern value, earning power, increased cost of reproduction, severance damage, or increased value of property, or of rights of way occasioned by or attributable to use or occupancy of the same by plant or equipment.

(c) Every grant of a franchise, right or privilege shall reserve to the City the right, at any time, upon reasonable notice, to change the grade, location, alignment or use of any street or place in, or over which such franchise or permit is exercised or operated without a liability or obligation on the part of said City in any wise occasioned by any change of the pipes, poles, lines, or other equipment of the franchise grantee, his or its successors or assigns, required by such change of grade, location, alignment, or use.

(d) Every grant of a franchise, right or privilege shall contain the following provisions:

'That whenever, upon any investigation of a public utility, made upon complaint filed by the City of San Diego, the Railroad Commission of the State of California shall find that any rate, toll, charge or schedule or joint rate is unjust, unreasonable, excessive, or in excess of rates of return permitted by law, or unjustly discriminatory, or preferential, or otherwise in violation of law; or that any measurement, regulation, practice, act or service is unjust, unreasonable, unsafe, insufficient, preferential or discriminatory, or otherwise in violation of law, or it shall find that any service is inadequate, or that any service that can reasonably be demanded is not being furnished; or when an investigation is necessary because of an application by a public utility and such application is not justified, the Railroad Commission of the State of California shall fix, determine and declare the just and proper amounts to be charged against such public utility on account of the expenses incurred by the City upon such investigation, including attorney's fees, court or commission charges, together with such expenses and compensation of the officers, agents and employees, both regular and temporary, of the City, as the said Commission may deem just and proper as reasonably attributable to such investigation, valuation or revaluation; and the public utility affected shall pay to the City the amount or amounts so fixed and determined by said Commission, and the decision of said Commission shall be final; provided, however, that the total amount which may be required to be paid to the City by the public utility in any calendar year shall not exceed one-half of one per centum (1/2%) of such public utility's gross operating revenues derived from its operation in the last preceding calendar year. Such sums required to be paid, not paid within thirty (30) days after the determination thereof by said Commission, shall draw interest at the rate of six per centum (6%) per annum.'

(e) Every grant of a franchise, right or privilege shall be subject to the right of a majority of the electors of the City, voting at any election, at any time thereafter, to repeal, change or modify the grant, and every ordinance making such grant shall contain a reservation of such right to repeal, change or modify said ordinance. The Council, by a majority vote, may, by resolution, order submitted to the electors at any general municipal election, or at any special election called by the Council for that purpose, the proposition of the repealing, changing or modifying the terms and provisions of any ordinance granting a franchise, right or privilege under the provisions of this Charter; provided, however, any election at which any such proposition is submitted shall be held not less than forty (40) days and not more than sixty (60) days after the adoption of a resolution ordering the submission of such proposition.

(f) No franchise, right or privilege shall be transferable, except with the approval of the Council expressed by ordinance.

(g) No exclusive franchise, right or privilege shall ever be granted."

"Section 104. FRANCHISES - PROCEDURE FOR GRANTING.

An applicant for any franchise, right or privilege shall file with the Council an application. Every such application shall be accompanied by a cash deposit of one hundred dollars (\$100.00), or a certified check for said amount, payable to the City Clerk, certified to by some responsible bank, as a guarantee of good faith of the applicant, and as a fund out of which to pay all expenses connected with such application. Upon receipt of such an application and deposit, the City Council shall refer the same to the City Manager for his recommendations. After considering the recommendation of the City Manager, the Council shall, in its discretion, advertise the fact of said application, together with the statement that it is proposed to grant the same, in one or more daily newspapers, published in the City. Said advertisement must be published in such newspaper once a day for ten (10) successive days, or as often during said period as said newspaper is published; and the full

publication must be completed not less than twenty (20), nor more than forty (40) days before any further action can be taken thereon.

The publication must state the character of the franchise or privilege proposed to be granted, the term for which it is proposed to be granted, and, if it be a street railroad, bus line, or other transportation line, the route to be traversed; that sealed bids therefor will be received up to a certain hour and day named therein, and that the successful bidder, and his or its successors or assigns, must during the life of said franchise, pay to the City as a rental for that portion of the public property occupied by the grantee of the franchise, a percentage of the gross annual receipts of the grantee of the franchise, arising from its use, operation or possession. Such percentage shall be fixed by the Council by resolution prior to such publication, and shall in no event be less than two per cent (2%) of such gross annual receipts. Such publication shall further state that in the event said payment be not made said franchise shall be forfeited.

Said advertisement shall also contain a statement that said franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor; provided, however, that at the time of the opening of said bids any responsible person, firm or corporation, present or represented, may bid for such franchise, right or privilege a sum not less than ten per cent (10%) above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent (10%) by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Council to the highest bidder therefor in lawful money of the United States; provided, however, that if, in the judgment of the Council, no adequate bid has been made, the Council may withdraw such franchise from sale, or advertise for new bids. Each sealed bid shall be accompanied with cash or a certified check payable to the Treasurer of the City for the full amount of said bid, and no sealed bids shall be considered unless said cash or check is inclosed therewith, and the successful bidder shall deposit at least ten per cent (10%) of the amount of his bid with the City Clerk before the franchise shall be struck off to him, and if he shall fail to make said deposit immediately, then and in that case his bid shall not be received and shall be considered as void, and the said franchise shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure shall be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent (10%) of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk, within twenty-four (24) hours of the acceptance of his bid, the remaining ninety per cent (90%) of the amount thereof, and in case he or it shall fail so to do, then the said deposit theretofore made shall be forfeited, and the said award of said franchise shall be void, and the said franchise shall then and there by said governing body be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided; and in case said bidder shall fail to deposit with the said City Clerk the remaining ninety per cent (90%) of his bid within twenty-four (24) hours after its acceptance, the award to him of said franchise shall be set aside, and the deposit theretofore made by him shall be forfeited, and no further proceeding for a sale of such franchise shall be had unless the same shall be readvertised and again offered for sale in the manner in this section above set forth.

Work to erect or lay telegraph or telephone wires, to construct street or inter-urban railways, to lay gas pipes for the purpose of carrying gas for light, heat or power, to erect poles or wires for transmitting electricity for light, heat or power along or upon any public street, highway or other public property, or to exercise any other right or privilege whatever, a franchise for which shall have been granted in accordance with the terms of this section, shall be commenced in good faith within not more than four (4) months from the granting of any such franchise, and if not commenced within said time, said franchise so granted shall be declared forfeited, and work to construct street or inter-urban railways under any such franchise shall be completed within not more than three (3) years from the granting of such franchise, and, if not so completed within said time, such franchise so granted shall be forfeited; provided, that for good cause shown the Council may by resolution extend the time for completion thereof, not exceeding three (3) months. Work under any franchise other than for a street or inter-urban railway shall be prosecuted diligently and in good faith so as to meet and fill the reasonable needs of the inhabitants of the City.

The successful bidder for any franchise, right or privilege struck off, sold and awarded under this section, shall file a bond running to the City of San Diego, with at least two good and sufficient sureties, to be approved by the Council, in a penal sum by the Council to be prescribed and set forth in the advertisement for bids, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise, and that in case of any breach of a condition of such bond the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with the City Clerk within five (5) days after such franchise is awarded, and upon the filing and approval of such bond the said franchise shall, by said Council, be granted by ordinance to the person, firm or corporation to whom it has been struck off, sold or awarded, and in case that said bond shall not be so filed the award of said franchise shall be set aside, and any money paid therefor shall be forfeited, and said franchise shall, in the discretion of said governing or legislative body, be readvertised and again offered for sale in the same manner and under the same restrictions as above in this section provided.

No grant of any franchise, right or privilege, and no renewal, extension or amendment of an existing franchise, shall be made except by ordinance adopted by a vote of at least five (5) of the members of the Council. No ordinance granting a franchise, or a renewal, extension or amendment of an existing franchise shall be effective until thirty (30) days after its passage, during which time it shall be subject to the referendum provisions of this Charter.

No clause or condition of any kind shall be inserted in any franchise or grant offered or sold under the terms of this section which shall directly or indirectly restrict free and open competition in bidding therefor, and no clause or provision shall be inserted in any franchise offered for sale which shall in any wise favor one person, firm or corporation as against another, in bidding for the purchase thereof.

Within six (6) months after this Charter takes effect, copies of all franchises existing at the time shall be deposited with the Manager, and the Council shall certify to the existence of such franchises. The Manager shall keep a public record of all franchises, leases or permits granted for the use of the public property of the City."

"Section 105. RIGHT OF REGULATION.

All grants, renewals, extensions or amendments of franchise, whether it be so provided in the ordinance or not, shall be subject to the right of the City to repeal the same by ordinance at any time for misuse or non-use, or for failure to begin construction within the time prescribed, or otherwise to comply with the terms prescribed; and also at any time to examine and audit the accounts and other records of any franchise holder, and

to require annual and other reports from each franchise holder; provided, that the Council may prescribe more detailed forms for the franchise holders within its jurisdiction, in addition to the forms and reports required by the General Laws of the State of California and the regulations of the State Railroad Commission; and to impose such other regulations as may be necessary for the health, safety and welfare of the public.

The owner of a street or interurban railway franchise or privilege shall at all times keep that portion of the street occupied by his or its tracks in good condition, constantly in repair, flush with the street and with good crossings, and in the event that the street on which said franchise or privilege is granted shall be paved either by the City, or under proceedings authorized by the General Laws of the State, the said owner of said franchise or privilege shall be required to pay for only that portion of any construction in excess of that covered by the specifications for the improvement of the rest of the street and which shall be necessary to provide a safe and suitable foundation for the operation of car lines over a paved street. It is the intent and purpose of this section to relieve the owner of a franchise or privilege to operate street cars on the streets of The City of San Diego of the cost of new surface pavement between the tracks of said owner and for two feet on either side thereof on streets to be hereafter paved, and to require the owner of said franchise or privilege to lay a suitable foundation for the operation of car lines over a paved street.

Nothing herein contained, however, shall relieve the said owner of said franchise or privilege of his or its obligation to keep those portions of the streets occupied by the said owner constantly in repair, flush with the street, and with good crossings, and to keep that portion of the pavement now existing or which may hereafter be placed between the rails, and for two feet on each side thereof, and between the tracks if there be more than one, in good condition.

In the event that a street on which a franchise under this Section shall have been granted shall be paved or improved under any of the General Laws in force at the time said improvement is started, the property owners shall be required to bear the entire cost of the improvements of the street, including the cost of improving that portion of the street occupied by the owner of said franchise, save and except that portion required to be borne by the owner of the franchise, as hereinbefore provided."

PROPOSITION III.

Amend Section 54, of Article V, of the Charter of the City of San Diego, so as to read as follows:

"Section 54. HARBOR DEPARTMENT.

(a) The Mayor, with the approval of the Council, shall appoint three electors of the City as members of the Harbor Commission, one to serve for two years, one for three years, and one for four years. Thereafter, members of the Harbor Commission shall be appointed to serve for four years and until their successors have been appointed and qualified. The members of the Harbor Commission in office at the time this Charter becomes effective shall remain in office until their successors are appointed and qualified. The Council may at any time by a vote of at least five (5) of their members remove from office any or all of said Harbor Commissioners. The members of the Harbor Commission shall serve without pay.

(b) The Harbor Commission is vested with jurisdiction and authority to exercise in the name of the City of San Diego such powers as are prescribed by general laws now in force and hereafter enacted, together with such additional powers and duties as may be prescribed by ordinance, this Charter, or the laws of the United States. The Commission shall have jurisdiction, supervision, management and control of the Bay of San Diego fronting upon the City of San Diego and within the jurisdiction of said City, including all tide and submerged lands, whether filled or unfilled, situated below the line of mean high tide within the limits of said City, except, however, such tide and submerged lands which have heretofore or which hereafter may be transferred to the exclusive control of the United States and excepting further such other land as may by vote of the people or act of the State Legislature be transferred to a purpose and use inconsistent with commerce, navigation and fisheries.

(c) The Harbor Commission shall have power to adopt, with the approval of the Council by ordinance, such rules and regulations as may be necessary to exercise and carry out the powers and duties prescribed by this Charter for said Harbor Commission.

(d) The Harbor Commission, subject to the Civil Service provisions of this Charter, shall appoint a Port Director, together with such other officers, employees and subordinates as may be necessary in the judgment of said Harbor Commission to carry out the duties prescribed by this Charter for said Harbor Commission and for the promotion of commerce, navigation and fisheries. All such offices and employments shall be created by ordinance upon the direct recommendation of the Harbor Commission. The Harbor Commission shall also have authority and power to employ legal counsel whenever in the judgment of said Commission such employment is necessary.

(e) The Port Director shall be the chief administrative officer of the Harbor Commission, and he shall exercise such powers and perform such duties as may be prescribed by the Harbor Commission. In addition to any duties imposed by the Harbor Commission and this Charter the Port Director shall also perform such duties as may be imposed upon harbor masters, port directors and administrative heads of harbors and ports by State or Federal law.

(f) The Council shall appropriate each fiscal year until the fiscal year 1943-1944 the sum of \$150,000.00 in the annual appropriation ordinance for the use of the Harbor Commission on harbor improvements. This sum so appropriated annually, together with such portions of the revenue and receipts of the Department as may not be needed for operating expenses, shall be placed in a trust fund in the City Treasury and expended by the Harbor Commission for capital purposes only in the development of the harbor of San Diego and of tide lands heretofore or hereafter granted to the City of San Diego by the State of California. When the harbor has been fully developed all such funds which are not necessary for the maintenance and operation of said Department shall be placed in the general fund of the City and thereafter used for any lawful purpose.

(g) The Harbor Commission shall have authority to lease tide lands for such terms and upon such conditions as may be authorized by law; provided, however, that no lease of any tide lands within the jurisdiction of the City for a term longer than one year shall be valid unless said lease shall have been confirmed by the Council.

(h) Any municipal air ports now established or which may hereafter be established on the tidelands shall be under the control and supervision of the Harbor Commission until such time as the Council by Ordinance shall create a Department of Aviation under the Manager, at which time the Council may provide in such ordinance for the control, regulation and supervision of municipal air ports by the Department of Aviation.

(i) And all matters concerning the development of the harbor of San Diego in which the Planning Commission of the City of San Diego shall have an interest, and which relate to the planning and zoning of the City of San Diego shall be referred by the Harbor Commission to the Planning Commission for recommendation before final action is taken

thereon. In the event of a disagreement between the Harbor Commission and the Planning Commission concerning such proposed development, the matter shall be referred to the Council, whose decision on such development shall be final."

PROPOSITION IV.

Amend Section 96 of Article VII of the City Charter, so as to read as follows:

"Section 96. PROGRESSIVE PAYMENTS. Any contract may provide for progressive payments if the ordinance or resolution authorizing the work so prescribes, but no progressive payment can be provided for or made at any time which, with prior payments, shall exceed in amount at that time ninety per cent of the value of the work done and materials used and no contract shall authorize or permit the payment of more than ninety per cent of the contract price before five days after the expiration period of filing liens, and the acceptance thereof by the Head of the Department concerned, and the Manager."

Passed and adopted by the said Council of the said City of San Diego, California, this 26th day of January, 1937, by the following vote, to-wit:

R E S O L U T I O N NO. 65713

A RESOLUTION DECLARING THE RESULT OF THE SPECIAL ELECTION HELD IN THE CITY OF SAN DIEGO, ON TUESDAY, MARCH 23RD, 1937, UPON CERTAIN PROPOSED AMENDMENTS TO THE CHARTER OF THE CITY OF SAN DIEGO, AND UPON THE QUESTION AS TO WHETHER OR NOT THE CITY OF SAN DIEGO SHOULD ACQUIRE AND TAKE OVER FROM THE STATE OF CALIFORNIA JURISDICTION OF MISSION BAY, INCLUDING THE SO-CALLED MISSION BEACH AMUSEMENT CENTER, THE TIDELANDS BORDERING UPON MISSION BAY, AND OTHER LANDS NEAR MISSION BAY ACQUIRED BY THE STATE FOR PARK PURPOSES, IN EXCHANGE FOR THE CITY-OWNED TORREY PINES PARK; AND THE QUESTION AS TO WHETHER OR NOT IN THE EVENT SUCH EXCHANGE IS MADE, TO DEVELOP A CERTAIN AREA OF TIDELANDS AT THE SOUTHEASTERLY PORTION OF MISSION BAY FOR COMMERCIAL AND INDUSTRIAL USES.

WHEREAS, a Special Election was held in The City of San Diego, California, on the 23rd day of March, A.D. 1937, in pursuance of the provisions of Ordinance No. 1068 (New Series) of the ordinances of said City, entitled, "An Ordinance calling a Special Election in the City of San Diego, California, to be held on Tuesday, the 23rd day of March, 1937, and submitting to the voters thereof certain proposed amendments to the Charter of the City of San Diego; establishing election precincts and polling places, and appointing the officers for said Special Election," passed and adopted January 26, 1937; and

WHEREAS, at said special election there were submitted to the qualified voters of said City, the following propositions to amend the Charter of said The City of San Diego, to-wit:

PROPOSITION I.

Amend Section 23, Article III, of the Charter of the City of San Diego, so as to read as follows:

"Section 23. THE INITIATIVE, REFERENDUM AND RECALL.

(a) THE INITIATIVE. Any proposed ordinance, legislative, administrative or executive which the Council itself might adopt, may be submitted to the Council by a petition filed with the City Clerk, as provided in paragraph (b) hereof, praying for the adoption of such ordinance, or, if the same be not adopted, that such ordinance be submitted to a vote of the electors of the City. Any such petition shall be known as an initiative petition. Any proposed ordinance amending or repealing an ordinance theretofore proposed by petition and adopted by a vote of the electors may be submitted to the Council by a petition filed with the City Clerk, as provided in paragraph (b) hereof, praying that such ordinance be submitted to a vote of the electors of the City. Any such petition shall be known as an initiative petition. Any initiative petition shall set forth the proposed ordinance in full, and shall be signed by qualified electors of the city equal in number to the percentages hereinafter prescribed. The basis on which such percentages of qualified electors of the city shall be estimated shall be the total number of votes cast for all candidates for the office of Mayor at the last general municipal election, or primary nominating election, at which a Mayor was elected prior to the filing of such petition.

(b) Any petition submitting a proposed ordinance, legislative, administrative or executive, to the Council, as provided in this Article, shall be in the form, and shall be signed, filed and certified as follows:

In making such petition, sheets of white paper of a uniform size shall be used. Such petition shall consist of separate papers, as follows: Each paper shall consist of a sheet or sheets, containing the proposed ordinance, with additional sheet or sheets for the signatures thereto; provided, however, that if any paper consists of more than one sheet it shall be and remain securely fastened together at the top. The proposed ordinance, as set forth in any paper, shall be followed by the signatures, which need not all be appended to one sheet or paper. Such petition shall be signed by qualified electors of the city in their own proper persons only, and opposite the signature written by each signer his residence shall be written by him, giving the street and number, when such designation by street and number can be given, or if the signer be unable to write, then such signature and residence shall be written by some person at his request, and the same identified on the margin by the signature of the person making the affidavit hereinafter provided. The number of the election precinct of each signer shall also appear on the paper after his or her name. Each such paper shall have attached thereto at the bottom of the last sheet thereof the affidavit of a qualified elector of the city stating that all of the signatures on each sheet thereof were made in his presence, and that all of the sheets constituting such paper were fastened together at the time such signatures were appended thereto; and that to the best of his knowledge and belief such signature is the genuine signature of the person whose name purports to be thereunto subscribed. Each of the other sheets of such paper, containing signatures, shall be identified by the signature of the person making such affidavit.

Within twenty days from the date of the filing of such petition, the City Clerk shall examine the same and ascertain whether or not said petition is signed by the requisite number of qualified electors of the City; and if requested by the City Clerk, the Council shall authorize him to employ persons specially for that purpose, in addition to the persons regularly employed in his office, and the provisions of the charter respecting the Classified Civil Service of the City shall not apply to the persons so specially employed. When the City Clerk has completed his examination of the petition, he shall attach to the same his certificate, properly dated, showing the result of such examination, and if from such examination he shall find that said petition is signed by the requisite number of electors of the city or is not so signed, he shall certify that the same is sufficient or insufficient, as the case may be. If by the certificate of the City Clerk the petition is found to be insufficient, it may be amended by filing a supplemental petition or petitions within ten days from the date of such certificate. The City Clerk shall, within ten days after the filing of such supplemental petition or petitions, make like examination of the same and certify to the result of such examination as hereinbefore provided. If his certificate shall show any such petition, or any such petition as amended, to be insufficient, it shall be retained by him and kept as a public record, without prejudice, however, to the filing of a new petition to the same effect. But if, by the certificate of the City Clerk, such petition, or such petition as amended, is shown to be sufficient, the City Clerk shall present the same to the Council without delay. The sufficiency or insufficiency of such petition shall not be subject to review by the Council.

If any supplemental petition be filed, all the signatures appended to the petition and to the supplemental petition or petitions shall be considered in determining the number of qualified electors signing the initiative petition.

Any signer to a petition or supplemental petition may withdraw his name by filing with the City Clerk a verified revocation of his signature before the filing of the petition or supplemental petition containing his signature, with said City Clerk. No signature can be revoked after the petition, or supplemental petition to which it is attached, has been filed. The City Clerk shall endorse on said petition and on any supplemental petition the name of the person or persons who filed the same, respectively. If any signature to such petition or supplemental petition be questioned and in the judgment of the City Clerk should be investigated, the City Clerk shall forthwith mail notice to such purported signer, stating that his name is attached to such petition or supplemental petition, and cite him to appear before him forthwith to answer whether such signature is genuine. If the City Clerk finds that any signature is not genuine, he shall strike the name from such petitions. After an election based on any initiative petition, the sufficiency of such petition in any respect shall not be subject to judicial review or be otherwise questioned.

(c) (1) If the petition praying for the adoption by the Council of any proposed ordinance, or if the same be not adopted, for the submission of such ordinance to a vote of the electors of the city, be signed by fifteen per cent of the qualified electors of said city estimated upon the basis aforesaid, and asks for the calling of a special election, then the Council shall either:

(2) Pass said ordinance, without alteration, within twenty days after the presentation of such petition to the Council by the City Clerk, and if the Council shall fail to

pass said ordinance within said time, the Council shall thereupon, within ten days after it shall have so failed of passage, call a special election, at which said proposed ordinance, without alteration, shall be submitted to a vote of the qualified electors of said City; such election shall be held not less than thirty days from the date of the presentation of such petition to the Council nor more than ninety days from said date; provided, however, that if any other election for any purpose at which all the qualified voters of the City are entitled to vote shall be called and held in said City within said ninety days, then such ordinance shall be submitted either at such last named other election or at the special election above provided for, as the Council shall determine.

(3) Forthwith after the presentation of such petition to the Council, it shall call a special election for the purpose of submitting said ordinance to a vote of the electors of the city, and such election shall be held not less than thirty days from the date of the presentation of such petition to the Council nor more than ninety days from said date; provided, however, that if any other election for any purpose at which all the qualified voters of the city are entitled to vote shall be called and held in said city within said ninety days, then such ordinance shall be submitted either at such last named other election or at the special election above provided for, as the Council shall determine.

Any ordinance proposed by initiative petition and passed by the Council shall be subject to the referendum by petition as herein provided in the case of other ordinances.

(4) If the said petition be signed by at least five per cent of the qualified electors of said City, estimated upon the basis aforesaid but does not conform to both the requirements of subdivision (1), paragraph (c) hereof, even though it may ask for the calling of a special election, then such ordinance, unless enacted by the Council without alteration, shall be submitted without alteration by the Council to a vote of the electors of the City at the next election for any purposes at which all the qualified voters of the City are entitled to vote, that shall be held at any time after thirty days from the date of the presentation of said petition to the Council..

(5) In the event that said petition prays for the submission of a proposed ordinance amending or repealing an ordinance theretofore proposed by petition and adopted by a vote of the electors, and is signed by qualified electors of the city equal in number to fifteen per cent of the qualified voters of the city estimated on the basis aforesaid, then but not otherwise, the Council must submit such proposed ordinance to a vote of the electors of the city at the next election for any purpose at which all the qualified voters of the city are entitled to vote, that shall be held at any time after thirty days from the date of the presentation of such petition to the Council.

(d) Any person or persons filing an initiative petition, or the person or organization on whose behalf such petition is filed, shall have the right to file with the City Clerk, at least twenty days prior to the election at which the ordinance proposed by such petition is to be submitted to a vote of the electors of the city, printed copies of an argument favoring said proposed ordinance, and the Council shall have the right to present, or permit to be presented and filed with the City Clerk within the same limit of time, printed copies of an argument opposing said ordinance. No such argument shall exceed two thousand words in length, and such argument shall be printed in such form and upon such character of paper, suitable for mailing, as the City Clerk shall prescribe. The City Clerk shall enclose one copy of each such argument with the sample ballot and a copy of the proposed ordinance mailed to each voter, provided he has been furnished with printed copies of such argument equal in number to five per cent in excess of the total number of qualified electors of the city. Nothing in this section contained shall authorize the Council to expend money of the city for the formulating or printing of any such argument.

(e) If a majority of the qualified electors voting on any ordinance proposed by petition shall vote in favor thereof, such ordinance shall become an ordinance of the city upon the declaration by the Council of the result of the election at which such proposed ordinance was submitted; and any such ordinance adopted by a vote of the qualified electors of the city voting thereon cannot be amended or repealed except by an ordinance proposed by petition and adopted by vote of the electors, as hereinbefore provided, or by an ordinance submitted by the Council to a vote of the electors of the city and so adopted as hereinbefore provided, or by an amendment of this charter amending or repealing the same.

(f) THE REFERENDUM.

The Council shall have power and is hereby authorized to submit to a vote of the qualified electors of the city, at any election for any purpose at which all the qualified voters of the city are entitled to vote, any proposed ordinance, order or resolution, legislative, administrative or executive, that the Council itself might adopt. If a majority of the qualified electors voting on such proposed ordinance, order or resolution, vote in favor of the same, it shall be deemed to be adopted and shall take effect upon the declaration of the result of such election by the Council, and it shall have the same force and effect as an ordinance adopted under the provisions of this article relating to the referendum.

(g) At any time within the thirty days mentioned in Section 17 of this charter, a petition addressed to the Council, and signed by qualified electors of said city equal in number to at least seven per cent of such qualified electors, computed upon the basis for estimating percentages specified in paragraph (a) hereof, may be filed with the City Clerk, demanding the submission of any ordinance, order or resolution passed by the Council, to a vote of the qualified electors of said city, except any ordinance, order or resolution which shall take effect upon its publication or passage as provided in Section 17 of this Charter. Any such petition shall be known as a referendary petition and shall contain the ordinance, order or resolution in full, the submission of which to a vote is thereby demanded. Such vote shall be known as a referendary vote.

The provisions of this charter relating to the form and to the mode of signing initiative petitions, and to the filing, examination, certification and amendment of the same, and to the presentation thereof to the Council by the City Clerk, shall apply to referendary petitions filed under the charter.

If any referendary petition or petitions be filed, as hereinbefore provided, and the City Clerk shall be unable to make his certificate to the sufficiency or insufficiency thereof within thirty days after the publication of the ordinance, or the adoption of the order or resolution, the submission of which to a referendary vote is thereby demanded, such ordinance, order or resolution shall be suspended from taking effect after the expiration of said thirty days and until the date of the certificate of the City Clerk to the sufficiency or insufficiency of such petition or petitions. If by the certificate of the City Clerk such petition or petitions are certified to be sufficient, such ordinance, order or resolution shall not go into effect until it shall be adopted by vote of the electors of the city, as hereinafter provided; but if by such certificate such petition or petitions are certified to be insufficient, such ordinance, order or resolution shall go into effect upon the date of such certificate; provided, however, that no such ordinance, order or resolution shall take effect until the expiration of said thirty days. No referendary petition shall be amended by a supplemental petition filed after the expiration of said thirty days. In case more than one referendary petition be filed in relation to any certain ordinance, order or resolution, all such petitions shall be considered in determining the num-

ber of qualified electors, and with the same force and effect as though all the names had been appended to the one petition.

(h) Upon presentation to the Council by the City Clerk of a referendary petition or petitions, the ordinance, order or resolution, the submission of which to a referendary vote is thereby demanded, must be either repealed by the Council without delay; or submitted to a vote of the qualified electors of the city for approval or rejection at the next general municipal election occurring subsequent to thirty days from the date of the presentation of such referendary petition to the Council by the City Clerk; provided, that if before such general municipal election any other election for any purpose at which all the qualified voters of the city are entitled to vote shall be held in said city, then such ordinance, order or resolution shall be so submitted at such last named other election, if the Council shall so determine; provided, however, that if any referendary petition or petitions shall be signed by fifteen per cent of the qualified electors of said city computed upon the basis for estimating the percentage of such electors set forth in paragraph (a) hereof, and asks for the calling of a special election, the Council must, upon the presentation thereof to it, immediately call a special election at which the ordinance, order or resolution contained in such petition shall be submitted to a referendary vote; such election shall be held not less than thirty days from the date of the presentation of such petition to the Council nor more than ninety days from said date; provided, however, that if any other election for any purpose at which all the qualified voters of the city are entitled to vote shall be called and held in said city within said ninety days, then such ordinance shall be submitted either at such last named other election or at the special election above provided for, as the Council shall determine.

If any referendary petition or petitions presented to the Council as aforesaid be certified by the City Clerk to be signed by at least seven per cent but less than fifteen per cent of the qualified electors of the said city, computed upon the basis aforesaid, then and in that event additional referendary petitions for the submission of such ordinance, order or resolution to a referendary vote may be filed; all such additional referendary petitions shall be in the same form, and be signed, examined, amended, and certified and presented to the Council in like manner as provided in paragraph (b) hereof; and if it shall appear from the certificate of the City Clerk thereto that such additional referendary petition or petitions are signed by such number of qualified electors of the city, as, when added to the number of qualified electors whose signatures are appended to such referendary petition or petitions examined and certified by the City Clerk, shall equal fifteen per cent of the qualified electors of said city, computed upon the basis aforesaid, and if such additional referendary petition or petitions ask for the calling of a special election, the Council must upon the presentation of such additional referendary petition or petitions to it by the City Clerk immediately call a special election at which such ordinance, order or resolution shall be submitted to a referendary vote; such election shall be held not less than thirty days from the date of the presentation of such additional referendary petition to the Council nor more than ninety days from said date; provided, however, that if any other election for any purpose at which all the qualified voters of the city are entitled to vote shall be called and held in said city within said ninety days, then such ordinance shall be submitted either at such last named other election or at the special election above provided for, as the Council shall determine.

If, upon the presentation by the City Clerk to the Council of a referendary petition signed by at least seven per cent, but less than fifteen per cent, of the qualified electors of the city, computed as aforesaid, the Council shall have ordered the ordinance set forth in such petition submitted to a vote of the electors of the city at the next general municipal election and said general municipal election will occur more than ninety days from the date of the presentation to the Council of said additional referendary petition or petitions, such action shall be annulled by the presentation to it of additional petitions, which request the calling of a special election, and which, together with such referendary petition, shall be signed by at least fifteen per cent of the qualified electors of the city, and in such event the Council shall submit such ordinance to such vote at an election to be held within ninety days of said date of presentation as hereinbefore provided.

(i) No ordinance, order or resolution that has been submitted to a referendary vote shall go into effect unless a majority of the qualified electors voting thereon shall vote in favor thereof; and if such ordinance, order or resolution so submitted shall receive the votes of a majority of such qualified electors voting thereon, it shall be deemed to be adopted, and shall take effect upon the declaration by the Council of the result of the election at which it shall have been so submitted; provided, however, that any ordinance, order or resolution so adopted shall be subject to amendment or repeal by the Council at any time, but such amendment or repeal shall not be made within six months after such adoption, except by unanimous vote of the Council, and such amendment or repeal shall be subject to a referendary vote as provided in this article.

(j) Whenever any ordinance proposed by initiative petition, or any ordinance, order or resolution for the submission of which to a referendary vote a petition or petitions shall have been filed, is submitted at any election, there shall be printed on the ballots to be used at such election the words, "Shall the ordinance (or order, or resolution, or proposed ordinance, as the case may be, stating the nature of the ordinance, order or resolution, or of the proposed ordinance) be adopted?" And opposite such proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," his vote shall be counted in favor of the adoption of the ordinance, order or resolution, or the proposed ordinance; and if he shall stamp a cross (X) in the voting square after the printed word "No," his vote shall be counted against the adoption of the same.

(k) Any number of ordinances, proposed by initiative petitions, or ordinances, orders or resolutions submitted by the Council to a referendary vote, or so submitted in pursuance of referendary petitions, may be voted upon at the same election, either general or special; provided, that there shall not be held in any period of six months more than one election called for the purpose of submitting an ordinance or ordinances proposed by initiative petitions, but if any election be called for any other purpose within such period, such ordinance or ordinances may also be submitted thereat. If the provisions of two or more ordinances, orders or resolutions adopted at the same election by vote of the qualified electors of said city, under the provisions of this article, conflict, then the ordinance, order or resolution receiving the highest affirmative vote shall prevail.

(l) The Council, at its own instance, or upon the presentation to it of an initiative petition, may submit any proposed ordinance, order or resolution for the repeal of any ordinance, order or resolution, adopted or approved by vote of the qualified electors of the city, in pursuance of an initiative or referendary petition, as in this article provided, or for the amendment of such ordinance, order or resolution, to be voted upon at any succeeding election held in said city, for any purpose at which all the qualified voters of the city are entitled to vote, and in the event that such proposed ordinance, order or resolution so submitted by the Council receive a majority of the votes cast thereon at such election, the ordinance, order or resolution to which such ordinance, order or resolution so

adopted is amendatory, or that is to be repealed thereby, shall be amended or repealed accordingly.

(m) Whenever any ordinance, order, resolution or proposition is required by this article to be submitted to the electors of the city at any election, the City Clerk shall cause the same to be printed, and he shall enclose a printed copy thereof in an envelope with a sample ballot, and mail the same to each voter.

(n) The provisions and requirements of paragraph (d) hereof relative to the preparation, printing and distribution of arguments for or against any ordinance proposed by initiative petition shall apply, and be effective, in the case of the submission to vote of the electors in pursuance of a referendary petition of any ordinance, order or resolution.

(o) THE RECALL.

(1) For the recall of any elected official sought to be removed, a petition signed by qualified electors equal in number to at least twenty-five per cent of the entire vote cast for Mayor at the last preceding general municipal election, demanding the submission to the electors of the city of the question whether the incumbent of such office shall be removed by vote of such electors, and if so removed, the election of a successor of such incumbent, shall be addressed to the Council and filed with the City Clerk. Such petition shall contain a general statement of the grounds for which such removal is sought, of not more than three hundred words in length, and the sufficiency of such statement shall not be subject to review; provided, however, that no petition for the removal of any elective officer shall be so filed until he has actually held his office for six months.

(2) The provisions of this article relating to the form and to the mode of signing initiative petitions, and to the filing, examination, certification and amendment thereof, and to the presentation of the same to the Council, shall apply to any petition filed with the City Clerk under this paragraph relating to the recall which petition shall be designated as a recall petition. The sufficiency or insufficiency of any recall petition shall not be subject to review by the Council.

(3) Upon the presentation of such recall petition to the Council, by the City Clerk, the Council shall thereupon, by ordinance, order the holding of a special election for the purpose of submitting to the electors of the City at large or in the San Diego School District as the case may be, the question whether such officer shall be recalled, and if recalled, for the election of his successor. Such special election shall be held not less than fifty nor more than sixty days after the date of the certificate of the City Clerk to the sufficiency of such recall petition; provided, however, that if any other election for any purpose at which all the qualified voters of the city are entitled to vote, is to occur within sixty days after the date of such certificate, the Council may, in its discretion, order the holding of such recall election, and the consolidation thereof with such other election, occurring not more than sixty days after the date of said certificate of the City Clerk.

(p) The ballots used at every recall election shall have printed thereon, as to every officer whose recall is to be voted on thereat, the following question:

"Shall (inserting the name of the officer sought to be removed) be removed from the office of (inserting the name of his office) by the recall?"

And opposite such question to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines, with voting squares. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," his vote shall be counted in favor of the recall of such officer, and if he shall stamp a cross (X) in the voting square after the word "No," his vote shall be counted against such recall.

On such ballots, under each question, there shall also be printed the names of all persons who have been nominated as candidates to succeed the person whose removal is sought, in case he shall be removed from office by vote of the electors. The nomination of such candidates shall be made as hereinafter provided, except that the person whose removal is sought shall be deemed a candidate, and unless, within five days after the date of the City Clerk's certificate to the petition, he resigns his office, or declines, in writing duly signed and verified by him, and filed with the City Clerk, to be a candidate, his name shall be printed on the ballot the same as if he had been regularly nominated in accordance with the provisions of this article.

(q) Any incumbent of an office whose removal is sought under the provisions of this article, may file with the City Clerk, at least twenty days prior to such recall election, printed copies of a statement of not more than two thousand words in length, justifying his course in office; and the person filing such recall petition, or the person or organization on whose behalf a recall petition was filed, shall have the right to present to the City Clerk, within the same limit of time, printed copies of a statement in support of such recall of not exceeding two thousand words in length. Any statement filed under this section shall be printed in such form and upon such character of paper suitable for mailing as the City Clerk shall prescribe.

The City Clerk shall enclose one copy of any such statement so filed with him with the sample ballot mailed to each voter, provided he has been furnished with printed copies of such statement equal to five per cent in excess of the total number of qualified electors of the City, or of the San Diego School District in case the election is in said district.

(r) Any elective officer for whose recall and removal from office an election is held, shall continue to perform the duties of his office until such time as the Council having canvassed the vote at such recall election, shall declare that a majority of the electors voting on the question as to whether such person shall be recalled and removed from office, have voted in favor of his recall and removal from office. But if such person shall resign at any time after the date of the certificate of the City Clerk certifying that the petition for his recall is sufficient and prior to the declaration of the result of such election, thereby creating a vacancy in such office, or a vacancy occurs therein during such time from any cause, such vacancy may be filled in the same manner as other vacancies occurring in such office, but in that event the person appointed to fill such vacancy shall hold his office only until the person declared by the Council to have been elected at the recall election shall qualify. Proceedings for the recall of any elective officer shall be deemed to be pending from the date of the certificate of the City Clerk certifying that the recall petition is sufficient, and if he shall resign at any time subsequent thereto the recall election shall be held notwithstanding such resignation.

In the event that a majority of the electors voting on the question as to whether the person shall be recalled and removed from office shall vote in favor of the removal of such person from office by the recall, the person for whose removal from office such majority has voted shall be deemed to be and shall be recalled and removed from office upon the declaration of the result of such election by the Council, except as hereinafter next provided, and the candidate receiving at said election the highest number of votes for that office shall be thereby elected. If the incumbent receive the highest number of votes, he shall continue in office, but if some person other than the incumbent receive the highest number of votes at such election, he shall become the successor of the incumbent so removed and shall hold office only during the unexpired term of such officer.

(s) No person who has been removed from an elective office by the recall, or who has resigned from such office while recall proceedings for his removal were pending against him, shall be appointed to any office under this charter within two years after such removal or resignation.

(t) Any candidate to be voted for at a recall election, other than the incumbent sought to be removed, may be nominated by petition, which petition shall conform to the provisions of this charter so far as applicable relating to nominating petitions at primary nominating elections for the respective elective offices. Each petition must be presented to the City Clerk not less than twenty-five days before such recall election. Immediately upon the presentation of any such petition the City Clerk shall ascertain and determine, in the manner hereinbefore provided as to initiative petitions, whether or not such petition is signed by the requisite number of qualified electors of the City. If requested by the City Clerk, the City shall allow him additional assistants for that purpose, as in other cases, and he shall, within five days after the presentation thereof attach his certificate to such petitions, showing the result of his examination. If it shall appear therefrom that any such petition is not signed by the requisite number of qualified electors, the same may be amended within three days from the date of such certificate, by presenting a supplemental petition. The Clerk shall, within five days after such supplemental petition is filed, make like examination thereof and shall certify the result of his examination thereof; but no further supplemental petition shall be allowed. If any such petition, as amended by a supplemental petition, be signed by the requisite number of qualified electors, both the petition and supplemental petition being considered together for that purpose, the person therein named shall be deemed to be nominated as a candidate to be voted for at such recall election."

"Section 104. FRANCHISES - PROCEDURE FOR GRANTING.

An applicant for any franchise, right or privilege shall file with the Council an application. Every such application shall be accompanied by a cash deposit of one hundred dollars (\$100.00), or a certified check for said amount, payable to the City Clerk, certified to by some responsible bank, as a guarantee of good faith of the applicant, and as a fund out of which to pay all expenses connected with such application. Upon receipt of such an application and deposit, the City Council shall refer the same to the City Manager for his recommendations. After considering the recommendation of the City Manager, the Council shall, in its discretion, advertise the fact of said application, together with the statement that it is proposed to grant the same, in one or more daily newspapers, published in the City. Said advertisement must be published in such newspaper once a day for ten (10) successive days, or as often during said period as said newspaper is published; and the full publication must be completed not less than twenty (20), nor more than forty (40) days before any further action can be taken thereon.

The publication must state the character of the franchise or privilege proposed to be granted, the term for which it is proposed to be granted, and, if it be a street railroad, bus line, or other transportation line, the route to be traversed; that sealed bids therefor will be received up to a certain hour and day named therein, and that the successful bidder, and his or its successors or assigns, must during the life of said franchise, pay to the City as a rental for that portion of the public property occupied by the grantee of the franchise, a percentage of the gross annual receipts of the grantee of the franchise, arising from its use, operation or possession. Such percentage shall be fixed by the Council by resolution prior to such publication, and shall in no event be less than two per cent (2%) of such gross annual receipts. Such publication shall further state that in the event said payment be not made said franchise shall be forfeited.

Said advertisement shall also contain a statement that said franchise will be struck off, sold and awarded to the person, firm or corporation who shall make the highest cash bid therefor; provided, however, that at the time of the opening of said bids any responsible person, firm or corporation, present or represented, may bid for such franchise, right or privilege a sum not less than ten per cent (10%) above the highest sealed bid therefor, and said bid so made may be raised not less than ten per cent (10%) by any other responsible bidder, and said bidding may so continue until finally said franchise shall be struck off, sold and awarded by said Council to the highest bidder therefor in lawful money of the United States; provided, however, that if, in the judgment of the Council, no adequate bid has been made, the Council may withdraw such franchise from sale, or advertise for new bids. Each sealed bid shall be accompanied with cash or a certified check payable to the Treasurer of the City for the full amount of said bid, and no sealed bids shall be considered unless said cash or check is inclosed therewith, and the successful bidder shall deposit at least ten per cent (10%) of the amount of his bid with the City Clerk before the franchise shall be struck off to him, and if he shall fail to make said deposit immediately, then and in that case his bid shall not be received and shall be considered as void, and the said franchise shall then and there be again offered for sale to the bidder who shall make the highest cash bid therefor, subject to the same conditions as to deposit as above mentioned. Said procedure shall be had until said franchise is struck off, sold and awarded to a bidder who shall make the necessary deposit of at least ten per cent (10%) of the amount of his bid, as herein provided. Said successful bidder shall deposit with the City Clerk, within twenty-four (24) hours of the acceptance of his bid, the remaining ninety per cent (90%) of the amount thereof, and in case he or it shall fail so to do, then the said deposit theretofore made shall be forfeited, and the said award of said franchise shall be void, and the said franchise shall then and there by said governing body be again offered for sale to the highest bidder therefor, in the same manner and under the same restrictions as hereinbefore provided; and in case said bidder shall fail to deposit with the said City Clerk the remaining ninety per cent (90%) of his bid within twenty-four (24) hours after its acceptance, the award to him of said franchise shall be set aside, and the deposit theretofore made by him shall be forfeited, and no further proceeding for a sale of such franchise shall be had unless the same shall be readvertised and again offered for sale in the manner in this section above set forth.

Work under any franchise other than for a street or interurban railway shall be prosecuted diligently and in good faith so as to meet and fill the reasonable needs of the inhabitants of the City.

The successful bidder for any franchise, right or privilege struck off, sold and awarded under this section, shall file a bond running to the City of San Diego, with at least two good and sufficient sureties, to be approved by the Council, in a penal sum by the Council to be prescribed and set forth in the advertisement for bids, conditioned that such bidder shall well and truly observe, fulfill and perform each and every term and condition of such franchise, and that in case of any breach of a condition of such bond the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with the City Clerk within five (5) days after such franchise is awarded, and upon the filing and approval of such bond the said franchise shall, by said Council, be granted by ordinance to the person, firm or corporation to whom it has been struck off, sold or awarded, and in case that said bond shall not be so filed the award of said franchise shall be set aside, and any money paid therefor shall be forfeited, and said franchise shall, in the discretion of said governing or legislative body, be readvertised and again offered for sale in the same manner and under the same restrictions as above in this section provided.

No grant of any franchise, right or privilege, and no renewal, extension or amendment of an existing franchise, shall be made except by ordinance adopted by a vote of at least five (5) of the members of the Council. No ordinance granting a franchise, or a renewal, extension or amendment of an existing franchise shall be effective until thirty (30) days after its passage, during which time it shall be subject to the referendum provisions of this Charter.

No clause or condition of any kind shall be inserted in any franchise or grant

offered or sold under the terms of this section which shall directly or indirectly restrict free and open competition in bidding therefor, and no clause or provision shall be inserted in any franchise offered for sale which shall in any wise favor one person, firm or corporation as against another, in bidding for the purchase thereof.

Within six (6) months after this Charter takes effect, copies of all franchises existing at the time shall be deposited with the Manager, and the Council shall certify to the existence of such franchises. The Manager shall keep a public record of all franchises, leases or permits granted for the use of the public property of the City."

"Section 105. RIGHT OF REGULATION.

All grants, renewals, extensions or amendments of franchise, whether it be so provided in the ordinance or not, shall be subject to the right of the City to repeal the same by ordinance at any time for misuse or non-use, or for failure to begin construction within the time prescribed, or otherwise to comply with the terms prescribed; and also at any time to examine and audit the accounts and other records of any franchise holder, and to require annual and other reports from each franchise holder; provided, that the Council may prescribe more detailed forms for the franchise holders within its jurisdiction, in addition to the forms and reports required by the General Laws of the State of California and the regulations of the State Railroad Commission; and to impose such other regulations as may be necessary for the health, safety and welfare of the public.

The owner of a street or interurban railway franchise or privilege shall at all times keep that portion of the street occupied by his or its tracks in good condition, constantly in repair, flush with the street and with good crossings, and in the event that the street on which said franchise or privilege is granted shall be paved either by the City, or under proceedings authorized by the General Laws of the State, the said owner of said franchise or privilege shall be required to pay for only that portion of any construction in excess of that covered by the specifications for the improvement of the rest of the street and which shall be necessary to provide a safe and suitable foundation for the operation of car lines over a paved street. It is the intent and purpose of this section to relieve the owner of a franchise or privilege to operate street cars on the streets of The City of San Diego of the cost of new surface pavement between the tracks of said owner and for two feet on either side thereof on streets to be hereafter paved, and to require the owner of said franchise or privilege to lay a suitable foundation for the operation of car lines over a paved street.

Nothing herein contained, however, shall relieve the said owner of said franchise or privilege of his or its obligation to keep those portions of the streets occupied by the said owner constantly in repair, flush with the street, and with good crossings, and to keep that portion of the pavement now existing or which may hereafter be placed between the rails, and for two feet on each side thereof, and between the tracks if there be more than one, in good condition.

In the event that a street on which a franchise under this Section shall have been granted shall be paved or improved under any of the General Laws in force at the time said improvement is started, the property owners shall be required to bear the entire cost of the improvements of the street, including the cost of improving that portion of the street occupied by the owner of said franchise, save and except that portion required to be borne by the owner of the franchise, as hereinbefore provided."

PROPOSITION III.

Thereafter, members of the Harbor Commission shall be appointed to serve for four years and until their successors have been appointed and qualified. The members of the Harbor Commission in office at the time this Charter becomes effective shall remain in office until their successors are appointed and qualified. The Council may at any time by a vote of at least five (5) of their members remove from office any or all of said Harbor Commissioners. The members of the Harbor Commission shall serve without pay.

(b) The Harbor Commission is vested with jurisdiction and authority to exercise in the name of the City of San Diego such powers as are prescribed by general laws now in force and hereafter enacted, together with such additional powers and duties as may be prescribed by ordinance, this Charter, or the laws of the United States. The Commission shall have jurisdiction, supervision, management and control of the Bay of San Diego fronting upon The City of San Diego and within the jurisdiction of said City, including all tide and submerged lands, whether filled or unfilled, situated below the line of mean high tide within the limits of said City, except, however, such tide and submerged lands which have heretofore or which hereafter may be transferred to the exclusive control of the United States and excepting further such other land as may by vote of the people or act of the State Legislature be transferred to a purpose and use inconsistent with commerce, navigation and fisheries.

(c) The Harbor Commission shall have power to adopt, with the approval of the Council by ordinance, such rules and regulations as may be necessary to exercise and carry out the powers and duties prescribed by this Charter for said Harbor Commission.

In addition to any duties imposed by the Harbor Commission and this Charter the Port Director shall also perform such duties as may be imposed upon harbor masters, port directors and administrative heads of harbors and ports by State or Federal law.

(f) The Council shall appropriate each fiscal year until the fiscal year 1943-1944 the sum of \$150,000.00 in the annual appropriation ordinance for the use of the Harbor Commission on harbor improvements. This sum so appropriated annually, together with such portions of the revenue and receipts of the Department as may not be needed for operating expenses, shall be placed in a trust fund in the City Treasury and expended by the Harbor Commission for capital purposes only in the development of the harbor of San Diego and of tide lands heretofore or hereafter granted to the City of San Diego by the State of California. When the harbor has been fully developed all such funds which are not necessary for the maintenance and operation of said Department shall be placed in the general fund of the City and thereafter used for any lawful purpose.

(g) The Harbor Commission shall have authority to lease tide lands for such terms and upon such conditions as may be authorized by law; provided, however, that no lease of any tide lands within the jurisdiction of the City for a term longer than one year shall be valid unless said lease shall have been confirmed by the Council.

(h) Any municipal air ports now established or which may hereafter be established on the tide lands shall be under the control and supervision of the Harbor Commission until such time as the Council by Ordinance shall create a Department of Aviation under the Manager, at which time the Council may provide in such ordinance for the control, regulation and supervision of municipal air ports by the Department of Aviation.

In the event of a disagreement between the Harbor Commission and the Planning Commission concerning such proposed development, the matter shall be referred to the Council, whose decision on such development shall be final."

PROPOSITION IV.

Amend Section 96 of Article VII of the City Charter, so as to read as follows:

"Section 96. PROGRESSIVE PAYMENTS. Any contract may provide for progressive payments if the ordinance or resolution authorizing the work so prescribed, but no progressive payment can be provided for or made at any time which, with prior payments, shall exceed in amount at that time ninety per cent of the value of the work done and materials used and no contract shall authorize or permit the payment of more than ninety per cent of the contract price before five days after the expiration period of filing liens, and the acceptance thereof by the Head of the Department concerned, and the Manager."

R E S O L U T I O N NO. 65783

BE IT RESOLVED by the Council of the City of San Diego, as follows:

As a very distinct shock to his legions of friends in every walk of life in this community came the word on April 1, 1937, that Virgilio G. Bruschi had been called from their midst by death, which had come to him as he slept at his home, 905 Twentieth Street.

From the northern mining sections of the State he had come as a comparatively young man to enter the business field here. With the ruggedness which had been engendered by his years in the open and with an innate honesty and stability of character which had come with his contact with real men of the gold regions he took up a new line of endeavor.

Generous in the extreme, with a kindly interest in his fellow men, of whatever race, creed or color, he endeared himself to all in an unostentatious manner which was typical of him.

To his adopted community he gave twelve years of active service as a councilman, and during such service he gave wholeheartedly of his sound judgment and unbiased opinions, and particularly so marked was his campaign to save to the city its tide-land rights, making possible the greater development of the water-front.

This Council, thus appreciating the work of this stalwart citizen, does now join with many other groups in adopting a resolution of respect to his memory and of deepfelt sympathy to the members of his family.

The City Clerk is hereby directed to incorporate in full in the Minutes of the Council this Resolution and to send a copy to the family and furnish copies to the press.

I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of Resolutions Nos. 65756, 65757, 65758, 65759, 65760, 65761, 65762, 65763, 65764, 65765, 65766, 65767, 65768, 65769, 65770, 65771, 65772, 65773, 65774, 65775, 65776, 65777, 65778, 65779, 65780, 65781, 65782 and 65783 of the Resolutions of the City of San Diego, California, as passed and adopted by the Council of said City on the 6th day of April, 1937.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Supervisors of San Diego County that there be cancelled from the tax records covering the lands of said district, uncollected assessments or special assessment taxes, interest, penalties and costs appertaining thereto which have been levied for the payment of principal and interest of bonds of said district, and the County Auditor-Controller is hereby directed and ordered to make the cancellations and/or corrections, as follows:

1. Cancel all unpaid assessments for the second installment of the year 1936-1937, interest, penalties and costs levied and charged on said assessments in accordance with the law in such cases made and provided.

Said above described lands being officially named "Lane Field," and shown and designated upon the plat marked Exhibit "A", attached hereto and made a part of this lease.

Said property, equipment and appurtenances consist of a park with a grass field, together with a grand stand with an approximate seating capacity of 5000; bleachers, having a seating capacity of approximately 5500; and a complete lighting system adequate for the playing of night baseball; all suitable for AA baseball.

TO HAVE AND TO HOLD the said premises, equipment and appurtenances, together with the rights and privileges expressed herein, or necessarily inferred therefrom, unto the said San Diego Baseball Club, for a period of four (4) years commencing on the first day of July, 1937, and ending on the 30th day of June, 1941, at and for the following rentals, to-wit:

Three thousand dollars (\$3000.00) per year for the first and second years of said term;

Thirty-five hundred dollars (\$3500.00) per year for the third year of said term;

Four thousand dollars (\$4000.00) per year for the fourth year of said term.

Said rentals shall be payable in equal monthly installments in advance on the first day of each and every month during said term.

Neither the whole nor any part of this lease shall be assignable or transferable, nor shall the Corporation have the right to sublet the leased premises, or any part thereof, without the consent of the Harbor Commission of the City of San Diego, evidenced by resolution regularly adopted; provided, however, that in event the corporate name of the lessee shall be changed and it shall be necessary to transfer this lease to such new corporate name, such a transfer shall not require the consent of the Harbor Commission; provided, further, anything to the contrary to this paragraph notwithstanding, that the Corporation shall have the right to issue permits or licenses to persons, associations, corporations or groups for the temporary use and occupation of the leased premises or parts thereof for the purpose of conducting athletic or recreational events or other amusement activities without the necessity of obtaining the consent of the Harbor Commission therefor. The granting of any such permits or licenses shall not, however, be of a permanent nature, nor shall they in any degree whatsoever relieve or absolve the lessee from any obligation or responsibility imposed upon it under the terms of this lease.

In addition to the foregoing provisions, it is hereby agreed that this lease is granted and accepted upon the further terms and conditions following:

(1) That the demised premises, during the term of this lease, shall be the home field or park of a Pacific Coast League baseball team; and that Pacific Coast League baseball games shall be played upon said premises during each season of the term of this lease; provided, however, that in event the present league known as the Pacific Coast Baseball League shall be dissolved and in lieu thereof another baseball league shall be established, then the lessee shall be required to use the demised premises as the home park or field of a member team of such new league, and each season during the term of this lease to play thereon baseball games between the teams belonging to said new league.

(2) In addition to the primary use and purpose in the within preceding paragraph, the lessee may use said demised premises generally for the purpose of conducting football games, athletic and recreational events and other amusement activities; provided, however, anything to the contrary herein notwithstanding, the City reserves the right to use said premises from time to time for the conduct of Naval or Military athletic events, or for exhibitions or games to be held for charitable purposes, upon condition, however, that such use by the City shall be subject to the approval in writing in each instance by the lessee, and shall not interfere with games scheduled to be played upon said field by the lessee, or prior commitments made by the lessee for the use of said field.

(3) That the lessee, except as hereinafter expressly provided, assumes the full obligation and responsibility and expense of maintaining the said premises, together with the structures and equipment thereon in a condition equal to that in which the same are at present, ordinary wear and tear excepted; and that at no time during the life of this lease shall The City of San Diego be required to make any improvement on or for the benefit of the said leased premises and/or any additions to or repairs of the structures or equipment thereon. Provided, however, that in event of the destruction of or serious injury to said structures and equipment by fire or earthquake to such an extent as to render said premises unfit for the purposes for which the same are leased, the City at its option may rebuild and

restore such destroyed or damaged structures or equipment; and if it elects to so do shall proceed with and carry to completion the work with all reasonable dispatch; and during the interval of such reconstruction or repair and until the demised premises are placed in a condition suitable for the uses of the lessee as herein contemplated, the lessee shall be absolved from the proportionate amount of rent payable hereunder. If the City shall not elect to restore or repair any such damage as aforesaid, then and in that event this lease shall terminate, and the lessee shall upon such termination have no further rights or obligations hereunder save and except the obligation to pay any portion of the rentals due and payable by it up to the date of the occurrence of said destruction or damage. The City shall within thirty (30) days from the occurrence of any such destruction or damage notify the lessee in writing whether the City intends to restore and/or repair any such destruction or damage, or whether it elects to terminate this lease. The failure of the City to give such notice within said time may be treated by the lessee as a termination of this lease.

(4) In the event that the lessee shall fail to comply with the conditions contained in paragraphs numbered 1 and 2 hereof regarding the purposes for which it is to use the demised premises, or shall fail or refuse to perform any of the other obligations by it under this lease undertaken, then this lease shall terminate, and the said lessee shall remove from the demised premises and shall have no further right or claim thereto, and the City shall immediately thereupon, without recourse to the courts, have the right to take possession of said property, and said lessee shall forfeit all rights and claims thereto and thereunder; and said lessee in accepting this lease acknowledges the right of said City to take possession of said premises immediately upon the neglect or refusal of the lessee to comply with the terms and conditions hereinbefore mentioned.

(5) Reference is hereby made to all laws as now existing, and as hereafter amended or enacted, applicable to the leasing of tidelands by the City of San Diego, and by such reference all restrictions or conditions imposed or reservations made thereby are made a part of this lease with like effect as though the same were expressly set forth herein.

It is further understood and agreed that at the expiration of the term of this lease, if the lessee shall have faithfully performed all the terms, conditions and obligations of this lease, it shall be entitled to an extension of said term for an additional period of ten (10) years, upon the same terms and conditions as are herein contained, save only that the amount of rental to be paid for such extended term shall be fixed by agreement between the City and the lessee, and if such agreement cannot be reached then the rental shall be determined by arbitration, the City selecting one arbitrator, the lessee one arbitrator, and the two so selected shall name a third. Provided, however, that the rentals, whether fixed by agreement or by arbitration, as herein provided, shall not be less than four thousand dollars (\$4000.00) per year nor more than seventy-five hundred dollars (\$7500.00) per year for the first five (5) years of the extended term, and that the rentals shall not be less than four thousand dollars (\$4000.00) per year nor more than ten thousand dollars (\$10,000.00) per year for the second five (5) years of said extended term.

If the lessee shall desire and intend to avail itself of the right herein reserved to such extended term, it shall notify the City in writing thereof at least ninety (90) days prior to the expiration of the four-year term of this lease. The failure of the lessee so to do shall relieve the City from any obligation to make such extension.

IN WITNESS WHEREOF, a majority of the members of the Harbor Commission of the City of San Diego, acting for and on behalf of said City, have hereunto subscribed their names as and for the act of said City, and the said Corporation, lessee as aforesaid, has caused this instrument to be executed, and its corporate name and seal to be hereunto affixed by its proper officers, the day and year first hereinabove written.

This instrument is executed in duplicate, both of which shall be deemed originals.

A RESOLUTION RELATING TO THE ALLOCATION AND OCCUPANCY OF SPACE IN THE CIVIC CENTER JOINT ADMINISTRATION BUILDING PURSUANT TO THE CONTRACT BETWEEN THE CITY OF SAN DIEGO AND THE COUNTY OF SAN DIEGO FOR THE CONSTRUCTION, MAINTENANCE AND OPERATION OF SAID BUILDING.

WHEREAS, by the passage by the Board of Supervisors of the County of San Diego of Ordinance No. 35 (New Series), adopted March 14, 1935; and the passage by the City Council of the City of San Diego of Ordinance No. 621 (New Series), adopted March 27, 1935, said County and said City entered into a contract relating to the construction, occupancy and maintenance of a joint City and County Administration Building; and pursuant thereto, jointly let a contract for the partial construction thereof, which said contract is nearing completion, and it is intended jointly to let additional construction contracts for the finishing of said Building; and

WHEREAS, UNDER THE TERMS and provisions of said contract between said City and said County it is contemplated and intended that the same shall constitute a complete plan for the erection, maintenance and operation and final disposition of the building to the end that the City and County shall by means of harmonious co-operation more economically and adequately house their several departments of government; and the agreement is to be liberally construed to that end and to the end that both bodies politic shall have equal rights and facilities in said building; it being also expressly provided in said agreement that all expenses and expenditures necessarily incident to the operation and maintenance of the building when completed shall be borne in equal share by the County and the City, and in no event shall either contribute or become liable for more than half of such expenses; PROVIDED, however, that any expenditures or expenses incident to the operation or maintenance of particular portions of the building or incident to the operation of particular officers, offices, departments or employees of either the County or the City shall be borne wholly by the contracting party actually occupying such portion of the building or employing or maintaining such office, officers, department or employee; it being further understood to be the intent of the foregoing provision that each of the contracting parties shall, so far as is practicable, bear wholly the expense of the maintenance of the quarters occupied exclusively by its officers, agents and employees, and that the expenses to be paid jointly shall be those applicable to the maintenance of the entire building as a unit and which cannot practicably be segregated or traced to a particular portion of the building or a particular activity conducted therein exclusively by one of the contracting parties; and

WHEREAS, it now appears probable that when said building is ready for occupancy the City may not require for immediate use all of the space in said building which it is entitled to occupy, being an amount of space equal to that allocated to and occupied by the County; and

WHEREAS, the County can advantageously use and occupy more than its share, to-wit: 50% of the available space in said building and desires to obtain from the City the privilege of using and occupying for County purposes some or all of the space to which the City is entitled but which it may not for the time being need to use and occupy, until the City shall require the same for its own use and occupancy; and

WHEREAS, it is the desire of the City Council and the Board of Supervisors at all times to carry out the spirit and intent of their said contract and by harmonious co-operation in their joint occupancy endeavor to make the most equitable, advantageous and economical use of said building for the purposes for which the same is being constructed; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

Section 1. That neither the passage of this resolution nor the acceptance of the terms and conditions hereof by the County of San Diego, as hereinafter provided, shall operate or be construed to modify, alter, amend or change in any respect or particular the contract between The City of San Diego and The County of San Diego referred to in the preamble of this resolution, it being intended hereby merely to carry out the true spirit and meaning of said contract.

Section 2. That when the joint City and County Administration Building, now in course of construction on the Civic Center site, is completed and ready for occupancy, The County of San Diego shall have the privilege and be permitted to use and occupy for County purposes space in said building to which the City is entitled but which it does not need or desire for the time being to use and occupy for City offices, departments or functions. That City space so occupied by the County shall be vacated and surrender to the City whenever the City shall by resolution of its Council notify the County that such space is required for City offices, departments or functions; provided that the County shall bear all expenditures and expenses incident to the operation or maintenance of the portion or portions of the building permitted to be occupied and actually occupied by it hereunder, together with expense incident to the operation of the offices or departments occupying such portion or portions of the building.

Section 3. That in allocating the available space in said building between the City and the County, for the purpose only of calculating the percentage or amount of space which is respectively County space and City space, and for the purpose only of computing maintenance and operation expense to be paid by each, the space occupied by the offices of County Assessor and County Tax Collector shall, without regard to the legal status of said offices, be considered as space permanently occupied by the County, and the cost of maintenance and operation of which shall be paid for by the County.

Section 4. That notwithstanding any provisions to the contrary herein contained, this resolution shall become inoperative and without force or effect unless the Board of Supervisors of The County of San Diego shall within ten days after the adoption hereof adopt a resolution accepting and consenting to the terms and conditions of this resolution, as herein set forth.

(2) That all plans for buildings, structures and improvements to be erected or placed upon said leased premises shall comply with all the ordinances and regulations of The City of San Diego, and shall be subject to the approval of the Harbor Commission and the Planning Commission of said City.

(3) Prior to the expiration of the term of this lease the lessee may remove, and within thirty (30) days from the termination or cancellation of this lease shall remove, any and all structures and equipment, whether affixed to the soil or not, erected or placed by the lessee upon said premises, at its own cost and expense, but if the same are not so removed they shall become the property of the lessor without cost.

(4) At no time during the life of this lease shall The City of San Diego be required to make any improvement on or for the benefit of the said leased lands hereinabove described.

(5) In the event the lessee shall fail to fulfill in any manner the uses and purposes for which the said premises are leased, as above stated, or shall fail or refuse to perform the obligations by it under this lease undertaken, and shall persist in any such failure or refusal for a period of thirty (30) days after receiving notice from the lessor requiring it to comply with the provisions of this lease in any and all respects wherein the lessee may be in default, then and in that event this lease shall terminate, and said lessee shall have no further rights hereunder, and the said lessee shall thereupon forthwith remove from said premises, and shall have no further right or claim thereto, and that the said City shall immediately thereupon, without recourse to the courts, have the right to take possession of said premises, and said lessee shall forfeit all rights and claims thereto and thereunder; and said lessee in accepting this lease, hereby acknowledges the right of said City to take possession of said premises immediately upon the neglect or refusal of said lessee to comply with the terms and conditions hereinbefore mentioned.

(6) That the lessee, upon the payment of the first installment of rent, as herein provided, and the execution of this lease, shall be placed in possession, and upon the faithful and timely performing and observing of all the covenants and conditions herein contained the lessee may peaceably hold and enjoy the said premises during the said term without any interruption by the lessor, subject to the terms of this lease.

(7) Reference is hereby made to all laws as now existing, and as hereafter amended or enacted, applicable to the leasing of tidelands by The City of San Diego, and by such reference all restrictions or conditions imposed or reservations made thereby are made a part of this lease, with like effect as though the same were expressly set forth herein.

R E S O L U T I O N NO. 67199

WHEREAS, by the passage by the Board of Supervisors of the County of San Diego of Ordinance No. 35 (New Series), adopted March 14, 1935, and the passage by the City Council of The City of San Diego of Ordinance No. 621 (New Series), adopted March 27, 1935, said County and said City entered into a contract relating to the construction, occupancy and maintenance of a joint City and County Administration Building; and pursuant thereto, jointly let a contract for the partial construction thereof, which said contract has been completed, and it is intended jointly to let additional construction contracts for the finishing of said building; and

WHEREAS, under the terms and provisions of said contract between said City and said County it is contemplated and intended that the same shall constitute a complete plan for the erection, maintenance and operation and final disposition of the building to the end that the City and County shall, by means of harmonious co-operation more economically and adequately house their several departments of government; and the agreement is to be liberally construed to that end and to the end that both bodies politic shall have equal rights and facilities in said building; it being also expressly provided in said agreement that all expenses and expenditures necessarily incident to the operation and maintenance of the building when completed shall be borne in equal share by the County and the City, and in no event shall either contribute or become liable for more than half of such expenses; PROVIDED, HOWEVER, THAT ANY EXPENDITURES OR expenses incident to the operation or maintenance of particular portions of the building or incident to the operation of particular officers, offices, departments or employees of either the County or the City shall be borne wholly by the contracting party actually occupying such portions of the building or employing or maintaining such office, officers, department or employee; it being further understood to be the intent of the foregoing provision that each of the contracting parties shall, so far as is practicable, bear wholly the expense of the maintenance of the quarters occupied exclusively by its officers, agents and employees, and that the expenses to be paid jointly shall be those applicable to the maintenance of the entire building as a unit and which cannot practicably be segregated or traced to a particular portion of the building or a particular activity conducted therein exclusively by one of the contracting parties; and

WHEREAS, in the nature of the case it is highly improbable that the respective needs and requirements of the contracting parties for space in said building will ever be or remain exactly or even approximately equal, but that the same will vary from time to time depending upon the rates of growth of the City and of the County and various other factors; and

WHEREAS, it now appears probable that when said building is ready for occupancy the City may not require for immediate use all of the space in said building which it is entitled to occupy, being an amount of space equal to that allocated to and to be occupied by the County; and

WHEREAS, the County can advantageously use and occupy at this time more than its share, to-wit, fifty per cent (50%) of the available space not jointly in said building, being some or all of the space to which the City is entitled, but which it may not for the time being need to use and occupy; and

WHEREAS, it is the desire of the City Council and the Board of Supervisors at all times to carry out the spirit and intent of their said contract, and by harmonious co-operation in their joint occupancy endeavor to make the most equitable, advantageous and economical use of said building for the purposes for which the same is being constructed;

NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of San Diego, as follows:

Section 1. That neither the passage of this resolution nor the acceptance of the terms and conditions hereof by the City of San Diego, as hereinafter provided, shall operate or be construed to modify, alter, amend or change in any respect or particular and contract between The City of San Diego and the County of San Diego referred to in the preamble of this resolution, it being intended hereby merely to carry out the true spirit and meaning of said contract.

Section 2. That when the joint City and County Administration Building now in course of construction on the Civic Center site is completed and ready for occupancy, the County of San Diego shall have the privilege and be permitted to use and occupy for county purposes space in said building to which the City is entitled, but which it does not need or desire for the time being to use and occupy for city offices, departments or functions. The tenure and privilege of the County to occupy such space is subject to and upon the express condition that whenever the City shall require for city offices, departments or functions additional space in said building, and no adequate unoccupied available space remains therein, then and in that event, immediately upon being advised by resolution of the Council of the City that additional space is needed, the County shall elect either to surrender and vacate for City use whatever space being occupied by the County in excess of fifty per cent (50%) of the aggregate available space not joint, as may be required by the City, or will join with the City in erecting and constructing an addition or additions to said building that may be needed to provide for the City's space requirements, paying one half the cost of construction thereof.

Section 3. That if at any time the City shall be occupying more than fifty per cent (50%) of the aggregate available space not joint, in said building and additions thereto, and the County shall require additional space therein for County offices, departments or functions, then and in that event, immediately upon being advised by resolution of the Board of Supervisors of such County need, the City shall elect either to surrender and vacate for County purposes so much of the excess space occupied by it as may be required for County purposes, or shall join with the County in erecting and constructing an addition or additions to said building as it may then exist, necessary to provide for County needs, paying one half the cost of construction thereof; it being the intent and purpose of this resolution that the rights and obligations in connection with the use and occupancy of said building and any additions thereto shall be and continue equal, mutual and reciprocal so far as is practically possible.

Section 4. That all expenditures and expenses incident to the operation and maintenance of the portion or portions of said building, including additions thereto, occupied by the County, together with the expense incident to the operation of the offices or departments occupying such portion or portions of the building, shall be wholly borne by the County, and that all expenditures and expenses incident to the operation and maintenance of the portion or portions of the building, including additions thereto, occupied by the City, together with the expense incident to the operation of the offices or departments occupying such portion or portions of the building, shall be wholly borne by the City, in each instance irrespective of whether or not the space so occupied by either is in excess of fifty per cent (50%) of the aggregate available space not joint, in said building.

BE IT FURTHER RESOLVED that this resolution shall be null and void and of no force and effect unless and until the Board of Supervisors of the County of San Diego shall have passed and adopted a resolution identical in substance and effect.

It is further understood and agreed that if the Lessee shall make default in the performance of any of the terms, conditions or covenants of this lease by the Lessee to be kept, observed or performed, Lessee will in such case pay to the City the expenses and costs incurred by the City in any action which may be commenced by the City based on, or arising out of, any such default, including a reasonable attorney's fee.

IT IS MUTUALLY AGREED by and between the parties hereto that this lease is subject to the provisions of the Charter of said City, the Constitution and general laws of the State of California; and that should it be determined that this lease is unauthorized thereby, then in that event this lease shall ipso facto terminate and the Lessor shall not be liable in any manner whatsoever by reason thereof, nor shall said termination in any wise affect the exchange of lands hereinabove referred to.

WHEREAS, the said Mary M.R. (3) The price to be paid for said water shall be at the rate of sixteen and two-thirds cents (\$.16-2/3) per thousand gallons, said water to be metered and paid for monthly on bills rendered by the City.

(4) The right to take, purchase and pay for water as hereinabove specified shall continue so long as the City of San Diego and its inhabitants do not have an actual need for the water so taken, purchased and paid for, and would not be damaged or injured by the taking thereof. It is mutually agreed that whether or not as a fact the City of San Diego and its inhabitants require the use of said water authorized to be taken, purchased and paid for, or whether or not the City would at any time be damaged or injured by the taking thereof, shall be determined by the City Council, and the action of said City Council, when taken in good faith, shall be final and conclusive, and binding on the parties hereto.

It is mutually agreed by the parties hereto that the right of Mary M.R. Birch to take and purchase water from the City, as herein provided, is, and shall be at all times in the future, subject to the Charter of said City, the Constitution and general laws of the State of California; and should it be determined that such sale of water be unauthorized thereby, then and in that event the right to take and use said or any water under the terms of this contract shall ipso facto terminate, and said City shall not be liable in any manner whatsoever by reason thereof, nor shall said termination in any wise affect the exchange of lands hereinabove referred to.

IN WITNESS WHEREOF, this agreement has been executed by the City Manager of the City of San Diego, by authority of a resolution of the City Council No. _____ authorizing the same, this _____ day of _____, 1938, and also has on said day been executed by the said Mary M.R.
