# The Crystal Ball Adventure

USER'S MANUAL

Dear Parent,

**VTech**<sup>®</sup>, with the introduction of our **V.FLASH**<sup>™</sup>, offers kids a cool, fun, and educational alternative to the world of violent video games. We know that kids want to play popular video games, and we also understand parents' reluctance to put potentially inappropriate content into their hands. As kids get older they want to be able to play independently, and make choices for themselves, and parents want to feel comfortable that these choices are going to be healthy and beneficial to their kids.

With **V.FLASH**<sup>™</sup> – an educational video game system designed for kids 6-10 – **VTech**<sup>®</sup> continues its tradition of providing unique and fun alternatives to the existing video game systems. **V.FLASH**<sup>™</sup> combines age-appropriate educational content with outstanding 3D graphics, fast-paced game play, real video and pictures, and three unique modes of play to provide a state of the art experience that kids and parents will both love. Also, **V.FLASH**<sup>™</sup> can play all of your standard music CDs, making it both a cool video game system as well as your own personal stereo!

**V.FLASH**<sup>™</sup> works with a full library of V.DISCS, each of them featuring some of your kids' favorite characters. Best of all, every V.DISCS comes with three modes of play, so your child is free to explore, play and learn in any way that they choose. Game Zone offers fast-paced video game fun, with all the action but none of the violence. Knowledge World features a virtual encyclopedia of pictures, videos and facts. Creative Workshop lets kids show their creative side by making their own animations and custom music.

Best of all, the library of software will continue to grow as **VTech**<sup>®</sup> seeks to provide parents with an almost endless selection of wholesome video games that meet the individual needs and likes of their children.

At **VTech**<sup>®</sup> we are proud to provide you with a much-needed solution to the video game dilemma, as well as another innovative way for your child to learn while having fun. We thank you for trusting **VTech**<sup>®</sup> with the important job of helping your child explore a new world of learning!

Sincerely,

Your friends at **VTech**<sup>®</sup>

# INTRODUCTION

Somewhere deep in the forest, there is a mysterious place where all kinds of magical and wonderful things happen. One day, Lila, a little girl who loves to discover new things, comes across a beautiful castle hidden in the woods while out riding on her unicycle. Ever curious, Lila decides to explore this delightful place and she uncovers some enchanted crystal balls. Intrigued, Lila looks into one of the crystal balls, and a Disney Princess magically appears. Each of the crystal balls reveals a Disney Princess-- Ariel, Belle, or Cinderella-- and the Disney Princesses need your help. It's up to you and Lila...

To help the Disney Princess, Lila has to collect as many tokens as possible in the castle. It is a great challenge to find enough tokens to help the Disney Princess because the castle is full of magic and fantasy. Only girls as bright and brave as Lila and you will be able to help.

The Disney Princesses are waiting for you. If you wish to hear an enchanting Disney Princess story, start your adventure with Lila!

## GETTING STARTED

### 1. Choose Game Zone, Knowledge World or Creative Workshop

In the Main Menu, you can move the joystick up or down to choose where you want to go and press the **GREEN** button or the **ENTER** button to confirm your choice.

### Game Zone

Select **Game Zone** and you can join Lila on an adventure and meet your Disney Princesses: Cinderella, Ariel and Belle.

### Knowledge World

Select **Knowledge World** and you can learn about different topics in the Disney Princess worlds. There are lots of facts, pictures and videos...and everything is all about the Disney Princesses!

### Creative Workshop

Select **Creative Workshop** and you can create your very own Disney Princess dances and music boxes.

## Options

Select **Options** and you can turn the music on or off and choose between limited or unlimited chances to play the game. Move the joystick left or right to choose, and press the **GREEN** button or the **ENTER** button to confirm your choice. When you have finished changing your settings, choose  and press the **GREEN** button or the **ENTER** button to continue.

## 2. Choose Your Play Mode

When you choose to play in **Game Zone**, you will see this menu. You can select one of two ways to meet the Disney Princesses: Adventure Play or Quick Play.

### Adventure Play

Choose Adventure Play to join Lila on an adventure and meet the Disney Princesses in a story mode. This enables Game Save/Load features (if Memory Card is inserted) and allows you to enjoy a fun game in the secret castle before meeting your Disney Princess.

### Quick Play

Choose Quick Play to go directly to the Disney Princess games without the story or to replay one of the games.

## 3. Choose Your Saved Record

The **V.FLASH™** system is compatible with an external **V.FLASH™** Memory Card feature for saving your games and activities in **Game Zone** and **Creative Workshop**. The external Memory Card is sold separately.

## Game Zone

There are two ways to save your game in **Game Zone**. The save function only applies in Adventure Play (not Quick Play).

First, after you have completed a game, the **V.FLASH™** system will remember your game status automatically. So when you come back again, you can continue the previous game where you left off. However, if you remove the V.DISC or unplug the power source after playing, the game will not be saved.

The screen on the right will be seen if you have a game saved in the **V.FLASH™** system.

Note: This screen will not be seen the first time that you play a V.DISC because there will be no saved games to play.

The second way to save a game involves the **V.FLASH™** external Memory Card (sold separately). With the Memory Card, you can choose to save several games and these games will be saved even if you change the V.DISC or unplug the power supply. You can retrieve your saved game by inserting your Memory Card the next time you want to play.

## New Game

Choose New Game to start a new game from the beginning.

## Load Game

Choose Load Game to load the games that you have saved in the Memory Card. Move the joystick up or down to select the game that you want, and then press the **GREEN** button or the **ENTER** button to confirm your choice.

## Knowledge World

There is no save function in **Knowledge World** play mode.

## Creative Workshop

There are two ways to save your creations in **Creative Workshop**.

First, after you have completed a creation, the **V.FLASH™** system remembers it automatically. So when you come back again, you can continue where you left off. However, if you remove the V.DISC or unplug the power source after playing, the creation will not be saved.

The second way to save a game involves the **V.FLASH™** external Memory Card (sold separately). After you have completed a creation in **Creative Workshop**, you can choose to save it on an external Memory Card. Your creations will be saved even if you remove the V.DISC or unplug the power supply. You can retrieve your saved creations by inserting your Memory Card the next time you want to view or edit them.

## New

Choose New to start a new creation.

## My Princess Dances/My Music Boxes

Choose this to load the creations that you have saved in the Memory Card.

## 4. Choose Your Game Settings

### Game Zone

#### Game Settings screen

Move the joystick left, right, up and down to scroll between the Difficulty Level and Number of Players settings. Press the **GREEN** button or the **ENTER** button to confirm your choices. When you have finished choosing your settings, choose  and then press the **GREEN** button or the **ENTER** button to continue.

The two-player option is only available if two controllers are inserted into **V.FLASH™**. The second controller is sold separately.

## Game Zone

### Adventure Play Menu

There are six crystal balls inside the castle's main hall. Each crystal ball provides access to a Disney Princess game. Lila needs to get close to a crystal ball to select and enter a game. A Disney Princess will appear in the crystal ball and tell Lila what the mission is. Help Lila go on an adventure inside the castle and collect enough tokens to help the Disney Princess.

The screen on the right shows the progress of how many games have been completed.

After a game is completed, a diamond will appear under the crystal ball.

## Quick Play Menu

There are six Disney Princess games on the Quick Play Menu. Move your joystick to choose a game and press the **GREEN** button or the **ENTER** button to start.

If you want to change your game settings, move your joystick down to highlight the setting you want. Press the **GREEN** button or the **ENTER** button to make your choice. (Default settings are Level = Easy, Player = 1 Player.)

There is no limit to the number of times you can play a game, so you can always keep playing with your Disney Princess.

## Game Zone Status Bar

While Lila is on an adventure inside the castle, the following status bars will be seen:

- The **Token Indicator** shows the number of tokens that you have collected along the path.
- The **Chance Indicator** shows the chances you have left in the current game. The icon represents the player.
- The **Score Bar** shows your total score in the game. You earn points by collecting tokens.

In all six Disney Princess games, the following status bar will be seen:

- The **Question Bar** shows the question that you need to answer.
- The **Chance Indicator** shows the chances you have left in the current game. The icon represents the player.
- The **Score Bar** shows your total score in a game. You earn points by answering the questions.

## Castle Game 1

You will have lots of fun exploring with Lila! There are gaps in between platforms inside the castle. In order to go to the other side, you'll have to cross a bridge. But watch out, the bridges are moving! Can you get across the gap without falling into the water? Another warning: Those jets of water will get you wet. Stay away from them!

## Castle Game 2

Run! And run quickly! These balls are coming! Be smart and collect all the tokens without getting hit by the rolling balls.

## Castle Game 3

Watch out! It's time to test your reactions. The fans are spinning closer and closer. Tick-tock, tick-tock, the pair of pendulums is swinging left and right. Be careful! Try to get across without touching them, and collect as many tokens as you can.

## Disney Princess Game 1 – Cinderella's Dream Dress

### • Game Play

Cinderella is sewing in her room. She would like to make the most beautiful dress and get ready for the Ball tonight. But she can't do it without your help! Will you help Cinderella? She can't wait to see her Prince!

With your creativity and skill, the dress will be created in no time. Here's a tip: There are six different dressmaking steps needed to complete the dress. Finish them all and you'll see Cinderella dressed like a Princess inside the magical mirror.

Step 2: Spell the word in any order

**Medium Level:** Step 1: Word only, without voice

Step 2: Spell the word in the correct order, with hints

**Difficult Level:** Step 1: Voice only

Step 2: Spell the word in the correct order, without hints

## Disney Princess Game 5 – Ariel's Underwater Concert

### • Game Play

This game is Ariel's all-time favorite! During the underwater adventure, Ariel and her best friend, Flounder, will help collect different sorts of sounds for the musical concert. Listen ... this is the sound of a xylophone, this is the sound of a cello, this is the sound of... Follow along and enjoy the sound of music!

Here's a tip: Listen carefully and try to remember the tune. Ariel will need to collect tunes for her musical concert. Don't forget to collect the beautiful musical bubbles along the way, too!

There are 4 different challenges to test your music knowledge:

Challenge 1: Identify the musical phrase

Challenge 2: Recognize the rhythm

Challenge 3: Identify the object sound

Challenge 4: Identify the musical instrument

## Curriculum: Sound Identification, Instruments & Rhythm

## Disney Princess Game 6 – Ariel’s Romantic Boat Ride

### • Game Play

Now that Ariel is human, she and Prince Eric have decided to take a boat ride in the lagoon. Their sea friends are trying to create a romantic mood for this special moment. Suddenly, eels appear and make a terrible disturbance in the water. All at once, the music stops and the romantic mood is broken ...

Here’s a tip: Find the correct log in the whirlpool and you’ll help Ariel and Eric escape from danger.

### Curriculum: Synonyms & Antonyms

**Easy Level:** Antonyms only  
**Medium Level:** Synonyms only  
**Difficult Level:** Both antonyms and synonyms

## Result Screen

After each game, you will see a result screen.

The score shows how many points you've earned during the games.

In 2-player mode, the players will take turns playing. The score shows the total points they have earned together.

## Saving Game Status

After you have completed a game, you can choose to save the current game using the Memory Card (sold separately). Press the **YELLOW** button to save the game. Press the **GREEN** button to continue without saving.

You can choose "Save" to save your game.

If you choose "Save," you will see the screen on the right.

You can choose any empty slot to save a new game record, or choose to save your game in the slot where you are currently playing to update your current game.

If all the slots are full and you want to save a new record, you will need to choose an old game and save over it with your new game.

Remark: While a game is saving, if insufficient memory is found in the **V.FLASH™** system, you may need to delete some files or else continue the game without saving it. (Please refer to the **V.FLASH™** main console User's Manual for more details.)
