## WESTCOUNTRY LUPINS 9cm pots

Please note we will substitute with similar colours of named variety lupins unless directed otherwise or if no alternatives are given by you.

**ALL LUPINS ARE £7.50 EACH OR 5 OF OUR CHOICE FOR £35**

- please purchase individually if you want certain varieties  
Lupins are sent out in 9cm/3" pots. Early orders are dispatched from beginning of March.  
Lupins are always the first to sell out so don't delay in placing your order!

Cultural notes – On receipt of your lupins, plant out as soon as possible firmly into ground prepared only with bonemeal or calcified seaweed. Do not use farmyard manure as this will rot the crowns. Water in but do not over water at any time. You must place slug pellets (100% safe ones are now available as Advanced Slug Pellets containing Ferris Iron) or a solution of garlic, tobacco or caffeine etc around the plant in its young stages or your lupin will quickly fall victim to slugs. Lupins grow in full sun (ideal) or semi shade but not under trees or a very wet/dark/chalky place. Plants will give their first flower in their first year in June/July depending on when you plant them out and are always best in their second year. Staking is not necessary! If you are on chalky or slug infested soil, try growing lupins in pots. Vaseline or WD40 around the pot lip keeps them effectively at bay. Lupins have a lovely mossy, peppery scent and can be planted in pots for the patio.

More cultural notes on website. Please check website for new additions

### OUR EXCLUSIVE LUPINS ARE BRED TO THE HIGHEST QUALITY

\*NB - these varieties are protected by EU PBR + US Plant Patent law. Commercial propagation is illegal without a licence)

(Some varieties in 2l - please check on website for availability)

## Order Form

Plant Name	Substitute	Quantity	Unit Price	Total Price

### UK MAINLAND POSTAGE RATES OCTOBER 2018

POSTAL RATES (UK mainland only)

1 plant	£4.50
2 plants	£7.00
3 plants	£9.50
4-48 plants (courier rates apply)	£12.00
49-100 plants	£35.00
Over 100	£50.00

**ZONES - Orders of 1-3 plants remain at standard Royal Mail charge.** Certain postcodes fall into Zone 2 + 3 including the Isle of Wight with our courier and we are therefore unable to supply over 3 plants to the following postcodes unless you pay a surcharge - SO POST FOR 4- 48 PLANTS is £35, 49-99 is £45.00. OVER 99 PLANTS is £50. SEE BELOW FOR AREAS WHICH FALL INTO THIS CATEGORY.

**Zone 2** Highlands and Islands of Scotland, Zone 2 postcodes include the following - IV, HS, KA27-28, KW, PA20-49, PA60-78, PH17-26, PH30-44, ZE

**Zone 3** Northern Ireland, Isle of Man and Isles of Scilly, Zone 3 postcodes include - BT, IM, TR21-25

**No orders will be sent overseas,** to flats or areas outside UK mainland. We do not deliver to Southern Ireland

**PLEASE MAKE SURE YOU READ THE FOLLOWING TERMS AND CONDITIONS**  
**BEFORE PLACING AN ORDER. THANK YOU!**

**PLEASE RETAIN THIS SECTION FOR YOUR FUTURE REFERENCE**

*THESE TERMS AND CONDITIONS HAVE BEEN CHECKED  
AND APPROVED BY THE TRADING STANDARDS AUTHORITY.*

1. Any **complaints\*** concerning condition of stock should be notified on receipt of your order by email to [info@westcountry-nurseries.co.uk](mailto:info@westcountry-nurseries.co.uk) as we cannot be held responsible for them once in your care due to environmental factors which are out of our control. Any returns must be within 14 days of receipt. No liability is accepted for consequential problems after inspection on arrival. Liability is limited to the purchase price of the plants and refunds limited to value of plant only. Plants must be returned at customers own cost, tracking number advisable.

If your order has not arrived within a week of ordering please contact us IMMEDIATELY. We cannot be responsible for orders months after the expected delivery date – we notify by email when orders are sent out by courier (where order is over 3 plants).

Bulbs may be dormant or dying back depending on time of receipt. Depending on the time of year some plants need to be cut back to send out but should re-flower once planted out.

Pots have been checked before dispatch by two members of staff. We always keep proof of postage or courier consignment numbers.

2. **Payment for plants is required in full, sent with your order.** Please remember to add postage to your final amount. **We take credit cards** using the secure Thawte **but your card MUST BE registered to your name and address.**
3. Orders will be dealt with in strict rotation according to date of receipt. Orders will not be acknowledged unless a s.a.e. is enclosed with order. Please make sure you use the correct years order form and any offers made are applicable to that form only.
4. We reserve the right to substitute unless specifically requested not to do so. Numbers of some plants are very limited **so please help us by giving a 2nd and 3rd choice and advise us of any times you may be away.** Please indicate a safe place to leave your parcel if you are likely to be out.
5. Colours are true to the best of our knowledge. No liability is accepted for any colour variation.
6. We are open weekdays BY APPOINTMENT ONLY 10am – 3.30p. We are an online working nursery not a garden centre. Customers are welcome to visit the nursery to pick up orders by prior appointment. Closed for lunch 1-1.30pm.
7. Lupin flowers mature to a deeper shade of their original colour. Plants are best grown on to flower the following season.
8. This catalogue replaces all previous editions. Placing an order signifies acceptance of these terms

**We will take any outstanding amounts if not included by the customer.**

Herbaceous Border

## Directions

From Barnstaple, take the A39 (Atlantic Highway) towards Bideford. Beyond Bideford, keep on the A39 for about ten minutes. Turn left at Bucks Cross, follow our signs for Westcountry Nurseries until you reach a smaller crossroads. Turn left. We are the first field on the right hand side.

Glasshouse & Borders
